OCT 2018

OMEGA MAN drinking a cup of coffee at a Family Reunion in Jakarta and contemplating the Future..... Jesus.

riends we made it to Issue 6 and I am very thankful for all the people who have contributed articles to this issue and for you who have supported OMEGA MAN RADIO™ so that we can produce this free magazine for anyone who would like to read it.

For myself and all Americans reading this magazine we are at the Crossroads of History and our Freedom is at stake with the Midterm Elections coming up in less than 60 days. Therefore I have devoted this Issue to getting people around the world to Stand in the Gap for President Donald J. Trump whom the Hosts of Hell have determined to impeach from office.

I know President Trump was chosen by God to stand in the gap for Christians and Jews and the nations of America and Israel and as long as he is in office we have a reprieve. With his presidency in jeopardy due to attacks worldwide by satan and his minions YOU AND I MUST answer the call now and go into spiritual warfare mode for the Man of God so he is able to continue the job God gave him to accomplish.

We are officially in our Eighth year on the air and I praise God that He has allowed us to make it this far and I am excited for the days and months ahead where we will continue to bring you new episodes that I trust encourage and strengthen you in your faith and walk with Jesus Christ.

Remember our LORD Jesus Christ's words in Revelation 14:12

Here is the patience of the saints: here are they that keep the commandments of God, and the faith of lesus.

Let us make a decision today to go ALL IN for Jesus and keep the faith and not faint or turn back so that when we get to the finish line to meet Jesus then we will hear Him say: Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord.

GOD BLESS PRESIDENT DONALD J. TRUMP, America and the land of Israel

God bless you and your family and now enjoy Issue 6 of OMEGAMAN™ Magazine.

ALL CHRISTIANS REPORT TO THE BATTLE LINES! THE DEEP STATE HAS DECLARED WAR ON OUR PRESIDENT AND US ALL.

by: Shannon Ray Davis

"Curse ye Meroz, said the angel of the LORD, curse ye bitterly the inhabitants thereof; because they came not to the help of the LORD, to the help of the LORD against the mighty." Judges 5:23

n 2016, God took a Poll of His Church to see how many would humble themselves and pray and who would repent and stand in the Gap for America and thankfully sufficient numbers of Christians and Patriots showed up for the Battle and voted for President Trump which was a vote for Freedom in America once again.

With our prayers and with our votes we let it be known that Satan and his New World Order stranglehold on America would no longer be tolerated and we would not suffer America to continue under another deep state dictator as it had been for the last 28 years.

Enter Bush Sr. An ex-CIA Director and VP for 8 years under Reagan who when himself elected became a lame duck president but not before declaring the Birth of a New World Order in his 1,000 points of light speech.

Then we had the infamous Bill and Hillary Clinton who had been on the grift since their days as Governor in Arkansas running interference for the Mena Arkansas drug running operations of the 80's and who sold

WEBSITE

American military technology to the Chinese during their tenure among other crimes in America to enrich themselves and oversaw the weakening of the US Military and signed us up for many unfair trade deals to include NAFTA and the WTO and other wicked deals.

Then came Bush 2. George Bush Jr. plunged America into a war which continues to this day and made himself and those around him like Dick Cheney, Donald Rumsfeld, Condoleezza Rice and other Deep State operatives with ties to Oil Companies and Military Contractors like Haliburton all filthy rich.

17 years later we still have troops committed to theaters around the word and this was accomplished by pulling a soft coup called 9/11 and imploding the Twin Towers and Building 7 with Demolition Charges and Planes loaded with explosives under CIA Operation Tripod which got the American people onboard for War.

Don't forget Patriot Acts 1 & 2 and the Homeland Security Laws which created massive surveillance efforts by the NSA to monitor every communication in America.which the revelations of Edward Snowden proved had been implemented and were no longer a conspiracy theory but fact.

Then Obama arrived. The shadowy figure from Kenya groomed for the day when he would take office and became the first Gay President according to TIME Magazine.

He did nothing to help the African American community who elected him and let it be known to the world that he supported the Sodomite LGBT agenda and for 8 years he and his administration launched attacks on the Christian Communities, the Unborn, and he went around the world lobbying for African Nations to make gay marriage between a man and a man legal all the while he apologized for the "sins" of American Colonialism.

He and his rainbow coalition desecrated the White House stocking it full of idols and he did not leave before he tried to cripple American Energy Firms, delivered billions into the hands of the evil Iranian dictators and lifted his heel against Israel at the UN.

As America was near to breathing it's last breaths of Freedom and be turned into a slave nation state of Brussels Belgium, God answered the cries of many across the land and brought in Donald J. Trump.

On that historic day in Jan Nov 17 wee took back the White House and elected Donald J.Trump, a Jehu for Modern Times, to office and a shout of Freedom and Make America Great Again! was heard around the world for the first time in over a Century.

Even before Election Day, Satan launched massive character assassination attacks against Donald Trump and spared no expense to do all he could to ensure that hell's candidates Hillary and Billy Clinton would get into the Oval Office.

British Agent Christopher Steele was hired to create a Fake Dossier on Trump, the Trump Towers were bugged and the Deep State Operative like Coney, Ohr, Struck, Mueller, John Brennan and a band of other Dirty Operatives all conspired and began to execute their plans to stop Trump at all costs.

So confident was Satan and the DNC that the election was in the bag that the would be Queen Jezebel Hillary Clinton and her Ahab husband Billy took every bribe offered them and added tens of millions into their Clinton Foundation Retirement Account.

In their twisted demon possessed minds there was no way they were going to allow Trump to get into office and when that Historic Day came and the people spoke and Trump was made POTUS 45 the Deep State dug in and swore to impeach our newly elected President.

THE SOFT COUP IS UNDERWAY

Many like myself thought we would be safe until 2012 but it has become apparent that the Goats on the Left have launched a plan to retake the Senate

and the House and if they succeed will promptly move for a vote to impeach President Trump.

That will mean we never made it to 2012 and God has been warning His prophets like Bro Sundhar and others that if for any reason TRUMP leaves office before completing his term that God will holy the Church responsible for not standing in the Gap and there will be no more reprieves for America.

The fact is that President Trump has committed no crimes and the Russian Dossier has been proven to be a complete hoax but this has not deterred Deep State Operatives Like Mueller, Brennan and hosts of Federal Employees embedded in the DOJ, CIA, FBI. NSA, STATE DEPT and News Channels and they continue their Vitriolic Attacks on TRUMP all the while continuing to cover up for the true Russian Conspirators - The Clintons - who are truly guilty of Federal Crimes but get a pass since their people have been planted in positions of Power to run interference.

I agree with Rick Wiles who I heard the other day predict that the plan is to Impeach Trump and then get Obama back in the White House in 2012 when Michelle Obama is tapped by the NWO to run for President.

If this is allowed to happen America will never recover and will in short order go down for the count and it's people enslaved with no hope of escape outside of death in Jesus or leaving Babylon,

God wanted to give us a reprieve and we have one at this moment but the question to be decided by you is do you want to see this reprieve extended and blessings on America continue or do you want to go into slavery by choosing to do nothing at this time and go down in History as being a coward and not coming to the help of the LORD against the Mighty like the City of Meroz in ancient times.

THE TIME TO ACT IS NOW

Every person reading this if you consider yourself to be a Christian and/or a Patriot must make a stand NOW! and come to the defense of President Donald Trump and our God Given Freedoms.

You need to register to vote if you have not done so already and VOTE REPUBLICAN so the Republican Party can maintain the Majority and prevent any attempts at impeachment proceedings. Everyone must vote REPUBLICAN across the board as we cannot afford to lose any seats to the demonically controlled DNC which all take their instructions from Chuck Schumer at threat of losing funding if they do not vote the party line.

If you did not vote in the Last Election but believed the lies of the false watchmen crying that America Was Damned and our votes did not count and who have slandered our President for the last two years and continue without repentance you have the opportunity now to redeem yourself. If you choose to sit on your buttocks and take no action once again or waste your vote on a third party you did not come to the help of the LORD against the mighty but join history's ranks of those who stood against the LORD.

In addition to voting we need to sound this alarm to others and join the ranks of those around our country and around the world who are Binding and Loosing against the Hosts of Hell and standing in the Gap repenting for the sins of our ancestors and our nation and ourselves and pleading to God for mercy and justice in this matter.

Prayer Groups are springing up everywhere and in the following weeks we will have many of these Prayer Warriors on the show in a call to Prayer and Spiritual Warfare against the hosts of hell and on behalf of PRESIDENT DONALD J TRUMP AND AMERICA.

PRAYER FOR PRESIDENT TRUMP

by: Michael Ortega strikeforceofprayer.com

Heavenly Father,

We are grateful and thankful that you have heard our repentant cry to bring America back to a nation in Your Kingdom so that You have given us Donald Trump as our President. We are so grateful that You have anointed him to lead our nation and its people into true righteousness.

Lord we intercede for President Trump that he be protected and covered by our prayers to give him strength in the moments when he faces challenges especially from the evil forces in the world. Bless him with Wisdom from Your Holy Spirit to confound his enemies here at home and abroad. That he has the boldness to speak out against injustice against the people of this nation and encourage us to continue the mission to rescue lost souls through the spreading of the Good News of Yeshua, as Savior and Lord of all.

Lord, protect President Trump, his wife, Melania and all of his family, each of his children and grandchildren. Give them strength to endure all the hatred, mockery and falsehood raised against them that they

endure daily. Keep them from all harm physical and mental that is threatened against them. May they truly be given respect and the honor due to them for the sacrifices they have made to lead America back to its original founding purpose as a nation.

Father, protect all of President Trump's administration and all the men and women he calls upon to bring law and order and Justice into our Nation's life. A nation that follows Your Commands and willing serves one another and especially the poor and needy. That we will fulfill the calling to protect the unborn and all of our youth from the evil of the many forms of abuse that exist. That he will continue to fight to make right our laws, especially for our weaker members of our nation. That he will continue to make right other areas of our life like our borders, our immigration procedures and regulations that have harmed us in any way to practice our Faith.

Lord, we thank you for the anointing You have placed on President Trump and all the men and women of Godly righteousness to make America fulfill the Plan You have for us. So Lord we give You all honor, glory, praise and thanksgiving that we will be again one Nation, Under You Father, with liberty and justice for all. In Yeshua's Name we pray. Amen

FAITH DEFENDERS

SATANS DEVICES

By Dr. Robert Morey

Dr. Robert Morey of faithdefenders.com exposes Satan's strategies to deceive the non-believer, the believer, the Christian family, the church, and the nation. Whether through complacency, false teachings, dissension, self-centeredness, disbelief, or any one of his conniving devices, Satan is working hard to blind the minds of non-christians and render ineffective the lives of Christians. Dr. Robert Morey offers biblical answers to the lies Satan is spreading. He clearly identifies Satan and determines through a close study of the Scriptures what he can and cannot do. And most important of all, Morey will equip you not only to recognize Satan's attacks, but to defend against them as well.

PRAISE GOD! TRUMP OPENS THE GATES FOR WORLD REVIVAL

Father, we praise You and whenever we worship, the invisible God He is doing invisible and powerful things. ... says in Psalm 22:3 that He actually lives and dwells in our praises. PRAISING THE LORD. ... "Because Thy loving-kindness is better than life, my lips will praise Thee." "I will give thanks to Thee, O LORD my God, with all my heart, and will glorify Thy name forever." "Let everything that has breath praise the LORD. Praise the LORD!"

Dear Father, according to Ezekiel 22:21, therefore, because of the false worship practiced by the leaders of our country and the world; because of the false prophets tolerated; because of the unholy and profane priesthood; because of the oppressive princes; because of the unfaithful and deceiving prophets; because of the oppressions being released; and because of the total corruption of manners in all ranks, places, offices, etc. We agree in prayer.

Father God will pour out His indignation upon them; He will consume them with the fire of His wrath. Considering the above, there not been sufficient reason why He will abandon such a people, and pour out His wrath upon them such a destructive storm of calamities.

Give us a new awakening and hunger for souls in our nation and the world Father. Bring the Spirit of repentance in Your wings and commitment in the hearts of the people, in Jesus' name.

"IF MY PEOPLE, WHICH ARE
CALLED BY MY NAME, SHALL
HUMBLE THEMSELVES, AND PRAY,
AND SEEK MY FACE, AND TURN
FROM THEIR WICKED WAYS; THEN
WILL I HEAR FROM HEAVEN, AND
WILL FORGIVE THEIR SIN, AND WILL
HEAL THEIR LAND,"
(II CHRONICLES 7:14).

We Pray every day that the works darkness being released from the devils from the Bohemian Grove will be bound, opposed by heaven and deactivated.

We thank You Father for sending President Trump for such a time as this. He is daily bringing revival changes which have changed the course of world history.

He appeared during the historic crossroads of hopeless calamity then engrossing the afflicted nation and the planet. We were facing **thick dark** clouds of being lost in godless **catastrophe confusion**, **gloominess**; a sea of impossibilities.

Donald Trump was called by God on the campaign trail. James C. Dobson, one of America's leading evangelicals, who said Mr. Trump had recently come "to accept a relationship with Christ" and was now "a baby Christian."

It is time for the Church to rise up and unite and do mighty exploits for the Kingdom of God!

TRUMP KNOWS THE ENEMY

And we know that God causes all things to work together for good to those who love God, to those who are called according to his purpose... It is massive. The infinitely wise, infinitely powerful God pledges to make everything beneficial to his people! God uses all sorts of people, good and bad, for His purpose. Look at Paul. One of the worst people ever, and God picked him and he became one of the greatest apostles in the Bible.

God knew that Trump has walked and talked and dined with all the elites. He knows them. He knows how they operate. God knows Trump doesn't need money; can't be bought. But I believe God knows one thing about Trump that most do not: That he is a fighter and is principled in the sense that if he as the President of the United States, then by God he'll do right by all Americans and for the future of this great, God fearing land even if it kills him. He was the perfect storm that evil was not expecting, and yet was fearful of. Strength, intellect, and driven to succeed for America, not for himself. Trump LOVES America. He knows more than anything the threats that have besieged this great country and had it on the brink of financial ruin and social destruction. God bless Trump. Help him continue to see with your eyes and ears. Give him wisdom beyond your enemy's grasp.

Jesus said that His Church was built upon the foundation of THE ROCK (His testimony) and the Gates of hell shall not prevail against it. "If revival in this land depended on your prayers, your faith, your obedience, would we ever experience revival?"

2 Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then

will I hear from heaven, and will forgive their sin, and will heal their land."

President Trump shocked the people after he was elected when he said, "As President, I am going to do a lot of great things for Jesus Christ!" And then Trump became a defender of the Faith. Trump said, 'We are stopping cold the attacks on Judeo-Christian values'.

We praise You Father for sending us a strong leader, President Trump, who answered Your call and took the reins of a bankrupt world, as Your Saints repented and prayed. Many have dropped away from the post of prayer for President Trump because they listen to the false reports of the fake news. However, many are standing on the firm ground of Jesus Christ believing for Your promise of a last day revival.

Trump, fourteen months into his presidency, has found it harder to get things done than the ease with which he made promises on the campaign trail, making speeches to adoring audiences like Friday's in Washington key to boosting the President's morale. And the audience at the Values Voter Summit, an annual socially conservative conference, didn't fail to deliver.

"We are stopping cold the attacks on Judeo-Christian values," Trump said to applause, before slamming people who don't say "Merry Christmas."

"They don't use the word Christmas because it is not politically correct," Trump said, complaining that department stores will use red and Christmas decorations but say "Happy New Year." "We're saying Merry Christmas again."

The comment drew thunderous applause.

Heated debates over the "War on Christmas" have raged for years, with many on the right complaining that political correctness has made it less acceptable to say Merry Christmas. Trump has seized on these feelings, regularly telling primarily religious audiences that his presidency has made it acceptable to "start saying Merry Christmas again."

"You go into a department store. When was the last time you saw 'Merry Christmas?' You don't see it anymore," Trump said on the campaign trail. "They want to be politically correct. If I'm president, you will see 'Merry Christmas' in department stores, believe me, and believe me."

"America is a nation of believers and together we are strengthened and sustained by the power of prayer," Trump said.

Dear Father, we pray and encourage all Christians to continue to pray for our President:

TRUMP STOPS ATTACKS ON JUDEO CHRISTIAN VALUES

President Donald Trump touted his administration's actions to a major gathering of social conservatives in Washington, D.C. Thursday, stating that he's "stopping cold the attacks on Judeo-Christian values."

In a speech at the 12th annual Values Voter Summit on Friday morning, Trump told those gathered at the Omni Shoreham Hotel that "in the last 10 months, we have followed through on one promise after another."

"I appointed and confirmed a Supreme Court Justice in the mold of the late great Justice Antonin Scalia, the newest member of the Supreme Court, Justice Neil Gorsuch," said Trump.

REINSTATED NATIONAL DAY OF PRAYER

"To protect the unborn, I have reinstated a policy first put in place by President Ronald Reagan. The Mexico City Policy. To protect religious liberty, including protecting groups like this one, I signed a new executive action in a beautiful ceremony at the White House on our National Day of Prayer."

EXECUTIVE ORDER ANNULLING JOHNSON AMENDMENT

Trump also denounced the Johnson Amendment, which prohibits houses of worship from engaging in political activities, promising that he will "not allow government workers to censor sermons, or target our pastors, our ministers, our rabbis."

"These are the people we want to hear from and they are not going to be silenced any longer," continued Trump, receiving applause from the audience.

Trump also referenced his administration's broadening of religious exemptions under the Department of Health and Human Services' contraception mandate, which has been the subject of many lawsuits due to claims of religious liberty violations.

STOP ATTACKS ON JUDEO=CHRISTIAN VALUES

"The U.S. Department of Health and Human Services on [Oct. 6] moved to broaden those narrow religious exemptions to include an exception 'on the basis of moral conviction' for non-profit and for-profit companies," Reuters reported last week.

"The move drew fire from [abortion] advocates and praise from conservative Christian activists. California's Democratic attorney general pledged to fight to protect the mandate from circumvention. It remained unclear how many women would lose contraception coverage and which companies would use the exemptions."

Calling his efforts "substantially ahead of schedule," Trump declared that "we are stopping cold the attacks on Judeo-Christian values."

Trump's remarks were part of the annual Values Voter Summit, a national gathering of socially conservative activists.

Sponsoring organizations for VVS include the Family Research Council, the American Family Association, American Values, FRC Action, and Christian Healthcare Ministries, among others.

The FRC announced Tuesday that Trump was going to address the VVS, the billionaire real estate mogul being the first sitting president to do so in its history.

ENDS ASSUALT ON FIRST AMENDMENT

FRC President Tony Perkins said in a statement that he and other social conservatives are "thankful to hear from a president who is fulfilling the promises that he campaigned on."

"Since the early days of the campaign, President Trump allied himself with values voters, promising to put an end to the eight years of relentless assault on the First Amendment," said Perkins.

"President Trump's executive order on religious liberty and the follow up actions last week by HHS and DOJ, demonstrate that he is committed to undoing the anti-faith policies of the previous administration and restoring true religious freedom."

Friday marks the second time that Trump has addressed the VVS, doing so for the first-time last year as the Republican nominee for president.

"Imagine what our country could accomplish if it started working together as one people under one God, saluting one flag," said Trump in 2016.

PRAYER WARRIORS

Prayer warriors keep praying God is working. Our prayers are powerful and the battle is being fought in the heavenly realm. God is on our side. Use your authority to push back the evil spirits and to lose warrior angels. Luke 10:17-20.

TRUMP'S REVIVAL CHANGES COURSE OF HISTORY

God has appointed Donald Trump for such a time as this. It is time for the Church to Rise up and Unite and do mighty exploits for the Kingdom of God! Jesus said that His Church was built upon the foundation of THE ROCK (His testimony) and the Gates of hell shall not prevail against it.

IT'S IN TRUMP'S BLOODLINE

Desperate prayers by Trump's great aunts in 'sanctuary' cottage said to spark Hebrides Revival in Scotland God used two elderly sisters who desperately wanted to see God move in their church in a small fishing village on Lewis Island. Not only did the revival reach their Island in Scotland but the Hebrides Revival became known around the world. Little did they know that their nephew would one day become the President of the United States of America and bring change and a move of God to the Nations. It is time to rise up and intercede for our President and for our Nation.

The sisters, Peggy and Christine Smith, were the great aunts of President Donald Trump.

2 Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

HEBRIDES REVIVAL IN SCOTLAND

"If revival in this land depended on your prayers, your faith, your obedience, would we ever experience revival?"

Two elderly sisters who desperately prayed to see God move in their small Scottish fishing village helped spark the movement between 1949 and 1952 that became known as the Hebrides Revival. Peggy and Christine Smith The sisters, Peggy and Christine Smith, were the great aunts of President Donald Trump.

According to "The Intercessors of the Hebrides Revival," the Smith sisters resided in a small cottage by the roadside in the village of Barvas on the Island of Lewis.

"They were 84 and 82 years-old. Peggy was blind and her sister almost bent double with arthritis. Unable to attend public worship, their humble cottage became a sanctuary where they met with God. To them came the promise: 'I will pour water upon him that is thirsty and floods upon the dry ground,' they pleaded this day and night in prayer. One-night Peggy had a revelation, revival was coming and the church of her father's would be crowded again with young people."

The revival movement is often referred to as the "Lewis Awakening."

"During these years a large number of people cried out to God for mercy and trusted in Jesus Christ for salvation," the Rev. Gareth Burke wrote.

"Another interesting feature of Lewis is the extent to which the church continues to exercise a significant influence in its society, despite the rapid secularization of the UK as a whole," Burke wrote. "The Western Isles are something of a 'world apart' from the rest of Britain."

Many who live on the island would attribute this difference to the Hebrides Revival "a mighty outpouring of God's Spirit which occurred throughout the island in a three-year period from 1949-1952."

One minister writing about the revival stated: "You met God on meadow and moorland. You met Him in the homes of the people. God seemed to be everywhere."

Mary Anne Smith MacLeod, niece of the two sisters emigrated from the Island of Lewis to America and met a gentleman named Frederick Trump. They married in January 1936 at the Carlyle Hotel in Manhattan.

On April 5, 1937, she gave birth to their first child Mary Anne Trump Barry, a United States Federal Judge, followed by Fredrick Jr. (1938–1981), Elizabeth (1942), Donald Trump 45th President of the United States (1946), and Robert (1948).

On online post on the 2017 National Day of Prayer asked: "Coincidence or Holy Ghost? Not only did the revival reach the sisters' Island in Scotland but the Hebrides Revival became known around the world. Little did they know that their nephew would one day become the President of the United States of America."

DUNCAN CAMPBELL

Duncan Campbell says, "Revival is a going of God among His people, and an awareness of God laying hold of the community ... the fear of God lays hold upon the community, moving men and women, who until then had no concern for spiritual things, to seek after God."1 Such an occurrence can fairly be called revival; such was the experience of Duncan Campbell and the inhabitants of the island of Lewis during the Hebrides Revival of 1949. 2

The island of Lewis truly experienced an awakening out of spiritual darkness and depravity, into spiritual victory and life. In the years preceding the revival, the population of the island had digressed into either impiety or empty mechanical religion. Campbell says that "the stream of vital Christianity appeared to be running low." 3 Many pastors on the island were not unaware of the condition that the community had sunken into. They were pained by what seemed to be a hopeless situation. This pain resulted in a voiced concern as the Free Church Presbytery of Lewis published the following statement in the local paper:

The Presbytery of Lewis having taken into consideration the low state of vital religion within their own bounds, and throughout the land generally, call upon their faithful people in all their congregations to take a serious view of the present dispensation of divine displeasure manifested, not only in the chaotic conditions of international politics and domestic econom-

ics and morality, but also, and especially, in the lack of spiritual power from Gospel Ordinances, and to realize that these things plainly indicate that the Most High has a controversy with the nation. 4

This challenge was left with the community with the sincere hope that spiritual recovery and restoration would be known in Lewis.

THE COMING JUDGMENT A MOTIVE TO REPENTANCE

This challenge was left with the community with the sincere hope that spiritual recovery and restoration would be known in Lewis.

This burden for spiritual recovery was especially held by two elderly women in the Parish of Barvas. These women, one eighty-two and the other eighty-four years of age, committed to pray two nights a week for revival. They began praying at 10:00 P.M. and would usually continue until three or four in the morning. One scripture that they especially clung to, and frequently quoted in their prayers was; "For I will pour water upon him that is thirsty, and floods upon the dry ground: ..." (Isaiah 44.3). These women were thirsty for revival, and they would not let go of the hope for it, until it would be poured upon Lewis like a mighty flood. During this time, one of the women saw a vision in which the church of her father was packed with young people and a strange man was standing in the pulpit. She shared this vision with her pastor, insisting that he needed to act on it. She said to him, "You've tried missions. You've tried special evangelists. Mr. McKee, have you tried God?" 5 She requested that he, along with others, should gather to pray for revival. If not in the same home as theirs, at least they could meet at the same time.

PRAY AND FAST AND WAIT ON GOD

The pastor took the women's request very seriously and gathered others along with him to pray and wait on God.

24

In one of these meetings a deacon spoke out, reading the following words from Psalms: "Who shall ascend into the hill of the LORD? or who shall stand in his holy place? He that hath clean hands, and a pure heart;" (Psalm 24.3-4). Next, he exclaimed to the others with him, "It seems to me to be so much humbug to pray as we are praying, to wait as we are waiting, if we are not rightly related to God." 6 Then he cried out, "God, are my hands clean? Is my heart pure?" 7 He immediately fell onto his knees and went into a trance. Coinciding with this, Campbell says that the power of God swept in, and the community was gripped by an awareness of God.

SPIRITUAL HUNGER

This sweeping through of God's Spirit had a profound effect upon the community. Men and women began experiencing a spiritual hunger which expressed itself in many ways. Prayer meetings were held in churches and cottages, running until any hour of the night or following morning. There was a great impartation of faith, in which believers were gripped with the conviction that God was a covenant-keeping God, and that He must pour the water of His Spirit upon their thirsty souls. They would be content with nothing less than a flood of revival. Campbell comments on this "spirit of expectancy" by saying, "Here I found a group of men who seemed to be living on the high plane of implicit confidence in God." 8

The elder accepted Campbell's answer and asked him further if he would be willing to address a crowd of about three hundred persons who had gathered in the church that evening. Campbell agreed and they proceeded to the meeting. Campbell was also experiencing the same spiritual hunger that the inhabitants of Lewis so deeply felt. He cried out to the congregation

CAMPBELL PLEADS GOD'S CAUSE

What shall I do?' The history of man is the history of enquiry. Man, down through the ages has been out on

a great quest, the sum of which is to know God. Away back in the distant past Job cried: 'Oh that I knew where I might find [h]im[!] that I might come [even] to [h]is seat!' (Job 23.3). I would go as far as to say that the initiative of the honest soul is not towards self-realization but toward God-realization, and in this verse of Scripture we have the language of a young man in search of reality. He is tired of the tinsel and toy of earth's vain show. 12

Campbell, after his closing address, proceeded down the aisle. However, at least one young attendee was not ready to leave the meeting. He looked up to God and prayed aloud, "God, You can't fail us. God, You can't fail us. You promised to pour out water on the thirsty and floods upon the dry ground. You can't fail us." 13 The young man then dropped to his knees and fell into a trance. Campbell was impacted by the unusual events which were beginning to happen. Standing just outside the front doors of the church was a crowd of about six hundred people. Why were they there? They had come up from the community after, somehow, being struck with a deep awareness of their need for God. A hundred of them were young people who had been attending a dance that evening; they left the dance under a strong compulsion that they needed to get their lives right with God. They saw the lights on in the church and moved towards it, until they reached its doorway. Everyone was ushered inside, the meeting was resumed, and they continued until 4.00 A.M. An intense awareness of personal sin was felt by attendees and they began crying to God for mercy. One young woman, who was a teacher in the community, lay prostrate on the floor, crying to God, "Oh God is there mercy for me?" 14

GOD RESPONDS WITH CONVICTION AND RELIEF

What was happening in the parish of Barvas? It would be better to ask, "What was happening in Lewis?" A move of God was sweeping through the island, and scenes like the one above was occurring

in other parishes as well. Souls were experiencing both conviction and relief and Campbell comments on one such meeting:

There was a moving scene, some weeping in sorrow and distress, others, with joy and love filling their hearts, falling upon their knees, conscious only of the presence and power of God [W]ho had come in revival blessing. Within a matter of days, the whole parish was in the grip of a spiritual awakening. Churches became crowded with services continuing until three o'clock in the morning. Work was largely put aside, as young and old were made to face eternal realities.

PEOPLE RESPONDED TO THE CONVICTION OF GOD

People not only gathered in churches and at the police station but, on one occasion, a crowd of seekers was found waiting in a field. Campbell went to them and was moved to see two teenage girls, who had recently been converted, counseling a deeply distressed older man who was crying out to God in prayer. The man happened to be the school headmaster and the girls were encouraging him to persevere in his seeking for God. 19 One of them could be heard saying to the schoolmaster, "The Jesus that saved us last night can save you now." 20

GOD'S SPIRIT MOVED EVERYWHERE

People from every walk of life, from a schoolmaster to farmers, were affected by the revival. A certain farmer, Donald McLeod, who was apathetic to spiritual things and had not been to church for twelve years, told Campbell that he might come out sometime to one of the meetings. He did so, and because it was so crowded, McLeod had to sit on the steps to the pulpit, right where Campbell was preaching. He came under intense conviction of sin and left the meeting for home. McLeod had a godly wife and

daughter and word was brought to Campbell that McLeod was in great distress of soul. Campbell came to the farmhouse and found a number of others there praying for the farmer. They were worried that if he did not find relief, he would go insane. His wife exclaimed, "Oh, my God have mercy on the mighty sinner." 21 Campbell found him in a room and heard him praying, "God, can You have mercy on me? God, can You have mercy on me?" 22 McLeod, not receiving relief that night, called for a prayer meeting for the next evening and, on the morning following, he experienced a glorious conversion.

Campbell found himself ushered from churches, to a police station, to a field, to farm houses and other places, almost continuously. On one occasion, Campbell was asked to speak at another parish. He was already committed to speaking elsewhere on Lewis but said that this parish could have him between one and two o'clock in the morning. Upon arriving there, he found the church crowded to capacity, with many persons standing outside. He ministered a word to the congregation and, as he left, he heard behind him hundreds crying out to God. 23

BEFORE TRUMP-OBAMA'S CHANGE - AMERICA CAN'T BELIEVE IN

So, it was showbiz as usual for the weak, so-called "Conservatives at the annual CPAC gathering. Like Nero playing his harp while Rome burned, The Conservative Republicans continued to play the outlandish tune of politics as usual while America and the world is crashing into an utter state of bewilderment and despair.

People in our country have lost their homes, retirement pensions, old people are trying to find jobs that are no longer available because our elected officials voted to send our manufacturing base to China so that its pampered CEO's could get cheap, enslaved labor while the Democratic leadership grovels at the

feet of union leaders whose people are jobless because we cannot compete globally.

Friends, our entire manufacturing base is gone and we are now selling our ports and infrastructures to foreigners while the America's no longer can afford to buy the cheap, poisoned trinkets and the polluted food send into our nation by people who hate us.

Then, our banks are given massive bailouts and the systems are still stuck in the mud of Congressional confusion because the money was spent by the greedy CEOs buying failing banks and gold. Our Automotive Companies have been nationalized after massive bailouts are still in mayhem and are going to move to Brazil.

IF WE STAND IN OUR PRAYER CLOSETS AND CALL OUT TO OUR GOD, JESUS, the most powerful Being in the universe!

Beginning 14th July 2009, a three-week encampment of some of the world's most powerful men; more than 2,000 America's leaders, politicians, financiers, are gathering at the world's most exclusive men's club, the Bohemian Club at Bohemian Grove, Sonoma County, California.

SCOUNDRELS OF DEATH

These rogues will scalawag call upon their god, Moloch to give them power to complete their plans to enslave the people of America and the world into their NWO. These idolatrous scalawags have not been elected to govern America; yet, they are called the Shadow Government –

THE PUPPET MASTERS

The hidden policy makers- that control our politicians, banks, businesses and resources. They boast that they choose who will be the U.S. President and select the candidate who will. They sacrifice to their demon gods for the coming years' powers to rule the world and because the Church of Jesus is sound asleep; they are able to criminally steal our country, faith, resources, jobs, retirements, homes, children to enslave us.

THESE SHADOW PEOPLE ARE NOT HUMAN!

These elitists are spiritual motivated by the powers of darkness.

Woe unto America! Many of our nation's highest leaders worship Satan and are willing servants of EVIL. They are controlled by Satan, the god of this world (2nd Corinthians 4:4). Satan controls these men through the occult (i.e., "hidden" organizations). Jesus said "in secret have I done nothing" (John 18:20), because He had nothing to hide. Why the secrecy from our nation's top leaders?

<u>Skull and Bones</u> is of the Devil. **<u>Freemasonry</u>** is of the Devil. Nearly 2,000 carefully selected govern-

ment officials, corporate tycoons and other luminaries—men with power to shape the future—assemble privately every July in a redwood forest about 65 miles north of San Francisco. The meeting includes a somber ritual that features the Druidic burning of an effigy on the altar, chants from a robed chorus, and wild drinking and promiscuity. Richard Nixon once famously described the gathering as "the foggiest G—d damned thing you could ever imagine."

The bizarre Pagan ritual of the *Bohemian Grove*—the *Cremation of Care* ceremony—is practiced by its members (all men), including both Presidents Bush, Bill Clinton, Ronald Reagan, Alan Greenspan, Richard M. Nixon, Jimmy Carter, Walter Cronkite, Colin Powell, and Henry Kissinger to name but a few. The meeting.0 is held every July. It is purported that Obama and McCain visited Bohemian Grove in July of 2008. WORLD LEADERS AND THE OCCULT 8

SUMMER SOLSTICE

LONDON (AP) - Self-styled Druids, new-agers and thousands of revelers have watched the sun rise above the ancient stone circle at Stonehenge to mark the summer solstice - the longest day of the year in the northern hemisphere.

English Heritage, which manages the monument, says some 36,000 sun-watchers gathered on the Salisbury Plain about 80 miles (130 kilometers) southwest of London on Saturday. Police say the event was peaceful with only 25 arrests, mainly for drug offenses.

Couples kissed, dancers circled with hoops and revelers took part in a mass yoga practice as part of the free-form celebrations. 9

Thousands salute the sun in Times Square as yoga fans gather to welcome summer solstice in New York

The summer solstice occurs when the tilt of a planet's <u>semi axis</u>, in either the northern or the southern hemisphere, is most inclined toward the star (sun) that it orbits. Earth's maximum <u>axial tilt</u> toward the <u>sun</u> is 23° 26'. This happens twice each year, at which times the sun reaches its highest position in the sky as seen from the north or the south pole.

The summer solstice occurs during a hemisphere's <u>summer</u>. This is northern solstice in the <u>northern hemisphere</u> and the <u>southern solstice</u> in the southern. Depending on the shift of the calendar, the summer solstice occurs sometime between June 20 and June 22 in the northern hemisphere [2] [3] and between December 20 and December 23 each year in the southern hemisphere.[4]

When on a geographic pole, the sun reaches its greatest height, the moment of solstice; it can be noon only along that longitude which at that moment lies in the direction of the sun from the pole. For other longitudes, it is not noon. Noon has either passed or has yet to come. Hence the notion of a solstice day is useful. The term is colloquially used like *midsummer* to refer to the day on which solstice occurs. The summer solstice day has the longest period of daylight – except in the polar regions, where daylight is continuous, from a few days to six months around the summer solstice.

BOHEMIANS PARTY WHILE THE WORLD BURNS

Worldwide, interpretation of the event has varied among cultures, but most recognize the event in some way with <u>holidays</u>, <u>festivals</u>, and rituals around that time with themes of religion or fertility.[5]

Starting July 14, these perverse, ungodly scoundrels will be involved in 14 days festivities of carousing

and demonic decadence. Revelry filled with drunken wickedness, debaucheries, and sordid explicit sexual orgies, repugnant blatantly witchcraft rites and shameless practices; during which they will perform an annual ceremony called the "Cremation of Care".

In this ceremony they actually conjure up a human sacrifice (some believe it is an alive human) to desecrate the human body to the ancient demonic entity Moloch as represented by a 40ft stone idol. Part of the ritual involves an actual corpse. They will worship Moloch an idol, shown in the Bible demanding the sacrifice of children. The Bohemians' culture of death reigns over America through the sacrifice of babies and killing our young people in unprovoked wars.

MAGICAL THINKING OF THE SONS OF BELIAL?

As we have repeatedly stated, the Satanist believes that numbers contain inherent power. Thus, they literally order their lives by occult numerology -- such numerology also is a key component in astrology, another system of divining that Satanists observe very closely. The occult calendar is divided into four (4) segments of 13 weeks each. The number, "13" is considered divine by the occultist for a couple of reasons: 10

The Bible assigns '13' the meaning of "rebellion against constituted authority", plus the depravity that caused *Satan* to rebel against *God*.

The occultist assigns '6' to represent the number of man, and the number '7' to represent the number of divine perfection. Thus, as a person climbs that "Jacob's Ladder" toward self-perfection in the realm of the occult, the number '13' represents the state of divine perfection, self-achieved perfection, and Illumination (6+7 = 13).

Thus, the occult calendar is comprised of four periods of 13 weeks each.

SHADOWY DEATH SPIRITS ARE RELEASED DURING SATAN'S HIGH DAYS

To demonstrate their occult, Illuminist ties, Communists have always celebrated "May Day". If you have not been taught how the Illuminati created Communism, and for which purpose, you need to hear our Seminar 2, "America Determines the Flow of History".

SONS OF BELIAL

Deuteronomy 13:13, "Certain men, the children of Belial, are gone out from among you, and have withdrawn the inhabitants of their city, saying, let us go and serve other gods, which ye have not known." [Children of Belial] B-liya±al, from b-liy, not, and yaa±al, profit; -Septuagint, Andres paranomoi, lawless men; -person's good for nothing to themselves or others, and capable of nothing but mischief. 11

In (Deut.15:9), and in (Nah. 1:11), the word "Belial" is rendered in our translation by the adjectives "immoral, depraved." The word means "decadent, debauched, worthlessness." 12

In verse 13 of our text we see men, "The children of Belial" also referred to as the sons of worthless men, wicked men, ungodly men; men who have gone out from among us and have drawn others to follow them into their diabolical sins of folly and deceit. The name Belial also refers to Satan in another text.

"And what concord (or agreement) what Christ with Belial or what part hath he that believeth with an infidel," (II Cor. 6:15)?

There is a wide contrast between the two names mentioned in this verse.

Christ stands for all that is without sin; holy, pure and good.

Satan stands for all that is evil, wicked, impure and he, himself, is the paradigm of apostasy.13

The sons of Belial are humans who have a special leadership quality. They are chosen vessels of Satan who are used to gather the people leading them away God.

SPELL CASTING SATAN IS ASLEEP

Their spell casting powers work because the Church is asleep and are not resisting by prayer.

"I know thy works, and where thou dwellest, even where Satan's seat is: and thou holdest fast my name, and hast not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwelleth," (Rev. 2:13).

[12] If thou shalt hear say in one of thy cities, which the LORD thy God hath given thee to dwell there, saying, [13] Certain men, the children of Belial, are gone out from among you, and have withdrawn the inhabitants of their city, saying, let us go and serve other gods, which ye have not known; (Deut. 13:12-18).

Think of the Satan worshippers today.

Toward a world government [emphasis mine] patterned after our own government with a legislature, executive and judiciary, and police to enforce its international laws and keep the peace. To do that, of course, we Americans will have to yield up some of our sovereignty. That would be a bitter pill. It would take a lot of courage, a lot of faith in the new order. But the American colonies did it once and brought forth one of the most nearly perfect unions the world has ever seen." Now you know why Walter Cronkite was called "the most trusted man in America"—he was trusted by the Establishment that control America to promote their One World Government Fascist agenda. 15

"But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god, which ye made to yourselves. 27 Therefore will I cause you to go into captivity beyond Damascus, saith the Lord, whose name is The God of hosts," (Amos 5:26-27).

"Then God turned, and gave them up to worship the host of heaven; as it is written in the book of the prophets, O ye house of Israel, have ye offered to me slain beasts and sacrifices by the space of forty years in the wilderness," (Acts 7:42)?

"Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon," (Acts 7:43).

Notice... God watched them go into idolatry worship. He lifted His conviction from their souls. He sent them into captivity. Friends, God is watching this blinded despotic cabal too. Fear not, just pray and watch what will happen!

The membership list of the Bohemian Grove has included every Republican U.S. president since 1923 (as well as some Democrats), many cabinet officials, directors and CEOs of large corporations including major financial institutions and even some Christian Church leaders. Major military contractors, oil companies, banks (including the thieves at the Federal

Reserve), utilities (including nuclear power) and national media (broadcast and print) have high-ranking officials as club members or guests.

This annual event has in the past attracted both George Bush Sir and his son George Bush.

Ronald Reagan, Bill Clinton, Jimmy Carter and many US Presidents, Senators and Congressman, Presidential candidates such as John McCain and Obama. Infiltrated by an undercover news team in 2000, the licentious behavior of the participants is defined in the Bible as "spiritual wickedness in high places". These scurrilous national leaders are releasing their death culture over our country through their pagan sacrifices to Moloch, the Owl God of child sacrifices of the Old Testament.

See the video link below: On July 15, 2000, Austin, Texas-based filmmaker Alex Jones and his cameraman, Mike Hanson, infiltrated the Grove. With a hidden camera, Jones and Hanson were able to film the "Cremation of Care" demonic ceremony. The footage was the centerpiece of Jones' documentary Dark Secrets: Inside Bohemian Grove. Jones claimed that the Cremation of Care was an "ancient Canaanite, Luciferian, Babylon mystery religion ceremony," and that the owl statue was Moloch. The Grove and Jones' investigation were covered by Jon Ronson in Channel 4's four-part documentary, Secret Rulers of the World. Ronson documented his view of the ritual in his book, Them: Adventures with Extremists, 16

THE SONS OF BELIAL

(Deut. 13:12-18).

In the English language, the same transliterated Greek word PHARMAKEIA is also shown in the Bible as SORCERY or SORCERIES. Here's an example:

"...for thy merchants were the great men of the earth; for by thy sorceries were all nations deceived," (Rev. 18: 23).

So, what does this Greek word PHARMAKEIA have for a definition? According to Biblical Greek Lexicons, it means:

administering of drugs; Poisoning

In the Perseus Greek-English Lexicon, there are many variants of PHARMAKEIA listed. Here are a couple of examples: *pharmakeia*, the use of drugs, potions, spells, poisoning, witchcraft *pharmakaô*, suffer from the effect of drugs.17

"There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch. 11 Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. 12

For all that do these things are an abomination unto the Lord: and because of these abominations the Lord thy God doth drive them out from before thee," (Deut. 18:10-12).

The next time you get a "flu shot" or a purported "immunization" shot, think about it... you just might be allowing yourself to be subjected to SORCERY and WITCHCRAFT. Now, that's not what the media has

taught us for the past 60 years, but Plato even understood the need for the rulers to deceive the people in order for the business of PHARMA to thrive.18

AVIAN – SWINE FLU SCANDALS

"For many shall come in my name, saying, I am Christ; (hello Obama) and shall deceive many. 6 And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. 8 All these are the beginning of sorrows," (Matt 24:5-8).

"And I looked and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth," (Rev 6:8).

Flu Pandemic Hype: Another Pretext for World Government

In November 2005, Bush announced a set of domestic measures to fight the possible pandemic which included an envelope of US\$1.4 billion to go shopping for

Tamiflu. This was a gift, not only for Roche and Gilead, but also for people like US Secretary of Defense Donald Rumsfeld, board member and former chairman of Gilead. He currently owns somewhere between US\$5 million and \$25 million of Gilead equity, making him possibly the largest shareholder. Other people who stand to gain from this policy are Gilead board members George Schultz, former US Secretary of State and Bush campaign advisor, Etienne Davignon, Vice-Chairman of Suez-Tractebel and Honorary Chairman of Bilderberg, and John W Madigan who among other things is on the Defense Business Board, a corporate advisory council to the US Department of Defense.19

PRINCE OF DEATH

By examining what became known as 'the US swine flu' outbreak, we bring to light the actions of one particularly powerful, yet little known section of the US medical research community - the Epidemic Intelligence Service (EIS), a department within the US Centers for Disease Control. The interestingly named Epidemic Intelligence Service was formed in July 1951 by Alexander Langmuir, an associate professor at Johns Hopkins University School of Hygiene and Public Health. Langmuir had persuaded US health officials and Congress to grant the CDC special contingency powers to deal with future potential public health emergencies. The Epidemic Intelligence Service was granted significant spending powers and unlimited access across the medical institutions to give advanced warning of any perceived health threat, however remote. Such was the autonomy enjoyed by the EIS that one of Britain's senior epidemiologists, Dr Gordon Stewart, described them as "the medical CIA." [1] 20

The considerable budget allocated to the EIS helped fund the positioning of agents into local health departments and corporations throughout the United States and even abroad. Acting as the eyes and ears of the Centers for Disease Control, the mission of these agents was primarily to act as guardians of America's health and report on even the most insignificant outbreaks of illness. Such was the mandate of the EIS that from the outset, finding new diseases

and tracking 'new' viruses and bacteria became fundamental to its worth and purpose.

In January 1976, five soldiers succumbed to a particular strain of flu. The EIS was the first to sound the alarm. They named the emerging outbreak 'swine flu', based on the prevailing speculation that pigs had served as the reservoir for the supposed virus. There was no evidence to support the assumption, but pigs got the blame. As Professor Hiram Caton states in his deconstruction of the epidemic, which readers are strongly recommended to study:

"The CDC's vigilance systems were triggered. The new virus was thought to represent a major mutational shift in human influenza viruses. There was no immunity to it in the general population. Could it cause a national pandemic?" [2] Such were the frightening predictions put out by the EIS concerning the destructive potential of the new disease, that President Ford and Congress panicked, allocating \$135m for a 'readily available' swine flu vaccine – a sum of money which would spread itself liberally down through the epidemic research chain. The program stalled when insurers discovered that the vaccine itself produced devastating side-effects, ranging from severe fevers and malaise to paralysis and death. [3]

SWINE FLU NON-EXISTENT IN THE FIRST PLACE

A revealing paper on the true history of swine flu was written back in 1976 by vaccine historian Eleanor Mc-Bean, who stated: "There was not a certified case of swine flu in the world when they [EIS] planned it in 1976, but the multi-million-dollar swine flu vaccine campaign was foisted on the people anyway." [4]

Swine flu was to reveal itself eventually as a wholly concocted 'disease', which earned the pharmaceutical and related industries millions of dollars. Mc-Bean's in-depth report on the political machinery behind swine flu contains an uncomfortable number of similarities to other pharma-political strategies

already examined. The following paragraphs are excerpted from her paper:

At the present time of writing, October 1976, a group of medical opportunists have taken upon themselves the dictatorial authority to declare the threat of a sweeping epidemic of swine flu which they said was similar to, or related to, the 1918 epidemic of Spanish influenza which wiped out 20,000,000 people worldwide.

This declaration was supposed to scare all the people into their vaccination centers to be shot full of experimental vaccine poisons, while they, the promoters, raked in the profits.

The arrangement was that \$135,000,000 of the people's money was for vaccine doses for all the 215 million people in this country, at 50 cents a shot....

So many people were killed and paralyzed by the vaccine that the campaign had to be stopped.

The swine flu vaccine campaign was such an obvious fraud, with no epidemic - not even one authentic case of swine flu anywhere in the world - it makes us wonder about the sanity of the promoter.

Many people who saw through the fraud from the start tried to get warnings in the papers, on TV, and through other channels of communication, but the media turned a deaf ear." [5]

Summarizing the situation:

The flow of disinformation was brought to the public almost exclusively through the national media outlets which had magnified the situation to monstrous proportions.

A vaccine was swiftly proffered for the solution.

\$135m was paid to pharmaceutical organizations who, with their close ties to the mainstream press, were the instigators of the fearsome headlines.

Minority voices, calling attention to the extreme fraud associated with the campaign, supplied the mainstream media with all the necessary information to expose the scam.

The minority voices were completely ignored. Does this ring any bells? Of course, swine flu has now effectively been planted into the world public psyche as 'a proven and terribly infectious' disease. Swine flu is still a great earner today for various corporations.

The first time I ever heard about Avian Flu, President George Bush mentioned it. Now, it is become a well know word because millions of lives are at stake with threatened pandemics worldwide. Interesting when you discover that the people who have financial interest in vaccines from Roche, which sells **Tamiflu**, include former **President George Bush**, and **President Barack Obama**, do I smell something stinky here?21

As a Senator, Sen. Barack Obama, D-Ill., said in an interview that Michael O. Leavitt, the secretary of health and human services, told senators in a closed-door briefing last week that the administration would soon place an order to raise the government's Tamiflu stockpile to 81 million courses — up from 12 million to 13 million courses expected by the end of 2006. Obama has long been urging the government to buy more Tamiflu.

During the Security and Prosperity Partnership (SPP) Summit in Montebello, Canada in 2005, the "three amigos" (Bush, Harper and Calderon) released "North American Plan for Avian and Pandemic Influenza," described as a "collaborative North American approach that recognizes that controlling the spread of avian influenza or a novel strain of human influenza, with minimal economic disruption, is in the best interest of all three countries." 22

Baxter To Develop Swine Flu Vaccine Despite Bird Flu Scandal

A U.S. based pharmaceutical company that just weeks ago was involved in a scandal involving vaccines tainted with deadly avian flu virus has been chosen to head up efforts to produce a vaccine for the Mexican swine flu that has seemingly migrated into the U.S. and Europe. 23

"I experienced in the rest of the world at the hands of modern doctors was the prescribing of artificially manufactured potions and drugs, clearly defined as Pharmaceuticals, which are poisons and fulfill the true definition of Witchcraft and Sorcery.26

It's been proven, both in ancient manuscripts and by modern herbologists, that the plants of the earth and the earth itself have all the necessary elements needed for our bodies to combat influenza and even the plagues of the past. The black plague, yellow fever, dengue fever, and so many others are/were a result of living conditions or human interruption of the natural ecology of the earth. Why have the majority of the world's past plagues started in cities? The humanity living in cities is living in unnatural conditions and their bodies will react to that condition quickly by deteriorating from the inside out." 27

Israel was appointed as an executioner of all idolaters and in the New Testament we are not to have fellowship with reprobates or idolaters. Idolatry was a capital crime in Israel. They were ordered to stone the idolatrous person that all Israel would fear the Lord, verses 6-11.

Lastly, idolatry and witchcraft are mentioned in three passages for our admonition: (Isa. 15:23, 2 Chron. 33:6 and Gal. 5:20), "Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies," Another translation says "idolatry, sorcery, enmities, strife, jealousy, anger, quarrels, dissensions, and factions."

BOHEMIAN GROVE MEN DANCING AS WOMEN

If you're still doubting reality: The November 1989 edition of SPY magazine featured photos of Bohemi-

an Grove men dancing around dressed up as women. The article included artist renditions of the Moloch idol and discussed how they bus in male prostitutes and how AIDS is a big problem. In July of 2004, a New York Post article reported how a top gay-porn star, Chad Savage, serviced the moguls at the Bohemian Grove. Bigwigs who have attended the two-week retreat include George H.W. Bush, Dick Cheney, Alan Greenspan, Walter Cronkite, Newt Gingrich, Alexander Haig, Jack Kemp, Henry Kissinger, Colin Powell, John Major, William F. Buckley, Justin Dart, William Randolph Hearst, Jr., Caspar Weinberger, Charles Percy, George Schultz, Edward Teller, and former C.I.A. director William Casey.

The Canaanite deity, Moloch, was worshipped in Greece, Babylon and later in Europe. It is normally symbolized by a bull or an owl, or some type of horned beast, and children are sacrificed to it. It is the precursor of all modern death cults. What purpose does this all serve, having world leaders congregate and engage in an ancient Canaanite ritual of mock child sacrifice? It is a way of binding them together.

Nowhere is the origin of the cult more in evidence than in former German chancellor Helmut Schmidt's own autobiography, **MEN IN POWERS: A POLIT-ICAL RETROSPECTIVE**. He talks about how they have their own German groves, where they do Druidic rituals, but his favorite place to do the rituals is at Bohemian Grove. This is a book you can get at the library, written by Schmidt. He talks about the Trilateral Commission, the Council on Foreign Relations (CFR), the Bilderberg Group and world government. He says that much of the decisions are made at the Bohemian Grove. 28

The CEO of IBM, Thomas J. Watson, was a member of Bohemian Grove, a position that was shared by his good friend, the fascist totalitarian leader of the Nazi regime, namely Adolf Hitler. IBM Germany (known in those days as Dehomag) was totally and utterly immersed in the Nazi war rollout. Nearly every Nazi concentration camp operated a Hollerith department

known as the Hollerith Abteilung. The five-digit Hollerith number and customized punch card system devised by IBM was software programming in its earliest forms. These Hollerith machines computerized the civil and slave labour resources allowing for a streamlining of the process. These IBM leased Hollerith machines matched worker skills and locations with labour needs during the building of the Nazi war machine. The prisoner was worked until he was exhausted and then exterminated by gas or bullet. Fast forward to today. IBM Credit Corp. is funding the parent company of the Verichip, Applied Digital Solutions.

In this ceremony, a giant 40-foot OWL is worshipped, and a mock human being is sacrificed in effigy. The occult has always been synonymous with idolatry and Satanism. David Rockefeller is also a member of this Satanic group. Arnold Schwarzenegger has also attended its meetings. Bohemian Grove is believed to be an offshoot of the Nazi based Skull and Bones (officially known as The Order of Death). Please watch Illuminazi 911 (video — 1 Hour, 22 Minutes). SPIRITUAL WARFARE

"I HAVE LONG TIME HOLDEN MY PEACE; I HAVE BEEN STILL AND REFRAINED MYSELF: NOW WILL I CRY LIKE A TRAVAILING WOMAN; I WILL DESTROY AND DEVOUR AT ONCE. THEY SHALL BE TURNED BACK, THEY SHALL BE GREATLY ASHAMED THAT TRUST IN GRAVEN IMAGES, THAT SAY TO THE MOLTEN IMAGES, YE ARE OUR GODS," (ISA. 42:14 AND 17). 30

At the end of the world, standing before the Judgment Seat of Jesus, they will be amazed at the true spiritual importance of their god. Their hope and pride will crash to the ground when they see him;

Satan waiting for his Judgment. He said, Isaiah 14:14-18, "I will ascend above the heights of the clouds; I will be like the most High." Instead, he stands, Isaiah 14:19 [Like an abominable branch] "Like the tree abominated." That is, as an object of abomination and detestation; such as the tree is on which a malefactor has been hanged. Isaiah 14:20 [Because thou hast destroyed thy land and slain thy people: the seed of evildoers shall never be renowned.] Isa 14:16-17, They (his followers) that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms; 17 That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?"

These New Age Babylonians can hardly believe that the great one, Satan that they served diligently with their money, talents, body, soul and spirit; according to his pathetic prominence, standing in the Presence of Jesus; especially in contrasting him to the Divine glory of Jesus that he could have been so successful in his works of destruction.

In amazement, they will say, "that made the earth to tremble that did shake kingdoms; 17 That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners?"

Great mighty angels of God will take their shoulders and push them to their knees. "I command you to Bow before the God of the universe!

Bowing, confessing the name of Jesus will be too late for them. At this point, they will recognize that it wasn't Satan's power at all. It was theirs. They simply gave it to him!

The Illuminati conspiracy reveals that in the coming New Age, a Babylonian worship of Lucifer. This is the power behind the Soulless ones and their sorceries is rule over a very dark world with their god Lucifer.

"Let not one of them escape," (I Kin. 18:40), Like Elijah, God's people have power too!

When the prophet Elijah had received the answer to his prayer, and the fire from heaven had consumed the sacrifice in the presence of all the people, he called upon the assembled Israelites to take the priests of Baal, and sternly cried, "Let not one of them escape." He took them all down to the brook Kishon and slew them there. So, must it be with our sins--they are all doomed, not one must be preserved.

Our darling sin must die. Spare it not for its much crying. Strike, though it is as dear as an Isaac. Strike, for God struck at sin when it was laid upon His Own Son. With stern unflinching purpose must you condemn to death that sin which was once the idol of your heart?

POWER OF GOD

Do you ask how you are to accomplish this? Jesus will be your power. You have grace to overcome sin given you in the covenant of grace; you have strength to win the victory in the crusade against inward lusts, because Christ Jesus has promised to be with you even unto the end. If you would triumph over darkness, set yourself in the presence of the Sun of Righteousness. There is no place so well adapted for the discovery of sin, and recovery from its power and guilt, as the immediate presence of God. Job never knew how to get rid of sin half as well as he did when his eye of faith rested upon God, and then he abhorred himself, and repented in dust and ashes. The fine gold of the Christian is oft becoming dim. We need the sacred fire to consume the dross. Let us fly to our God, He is a consuming fire; He will not consume our spirit, but our sins. Let the goodness of God excite us to a sacred jealousy, and to a holy revenge against those iniquities which are hateful in His sight. Go forth to battle with Amalek in His strength, and utterly destroy the accursed crew: let not one of them escapes. 31

"Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now worketh in the children of disobedience: 3 Among whom also

we all had our conversation in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others," (Eph. 2:2-3).

INTERCESSIONARY PRAYER

Dear Father, according to Ezekiel 22:21, therefore, because of the licentiousness already mentioned; because of the false worship practiced; because of the false prophets tolerated; because of the unholy and profane priesthood; because of the oppressive princes; because of the unfaithful and deceiving prophets; because of the oppressions being released; and because of the total corruption of manners in all ranks, places, offices, etc.

Father God will pour out His indignation upon them; He will consume them with the fire of His wrath. Considering the above, has there not been sufficient reason why He will abandon such a people, and pour out His wrath upon them such a destructive storm of calamities.

Give us a new awakening and hunger for souls in our nation Father. Bring the Spirit of repentance in Your wings and commitment in the hearts of the people, in Jesus' name.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land," (II Chron. 7:14).

Pray every day that the works darkness being released from the devils from the Bohemian Grove will be bound, opposed by heaven and deactivated.

Pray secrecy to be uncovered.

Pray the church will respond and awaken to the call of God to stand in the gap to war against the powers of Satan and his agents at the Bohemian Club.

Pray against the spiritual blindness and repentance and a spiritual awakening of our church nation and the world.

Pray against the spirit of War over our Nation.

Pray for our young people in the war fields of the world.

Pray against the mass killing of babies.

Pray for the lives of the American and peoples of the world to protect against taking the deadly flu shots!

Pray for God to judge the wicked, soulless men and women of Satan who want to kill 5 ½ billion people in the world for the "betterment of the planet." They hate what they are calling "Useless Eaters "and believe they empty souls are the only people of value on the planet to have rights to live.

Have you nothing to pray for? Let us suggest the Church, the ministry, your own soul, your children, your relations, your neighbors, your country, and the cause of God and truth throughout the world. Let us examine ourselves on this important matter. Do YOU engage with being lukewarm in private devotion? Is the fire of devotion burning dimly in our hearts? Do the chariot wheels drag heavily? If so, let us be alarmed at this sign of decay. Let us go with weeping and ask for the Spirit of grace and of supplications. Let us set apart special seasons for extraordinary prayer, for if this fire should be smothered beneath the ashes of a worldly conformity, it will dim the fire on the family altar, and lessen our influence both in the Church and in the world.

This applies to the altar of the heart. This is a golden altar indeed. God loves to see the hearts of His people glowing towards Himself. Let us give to God our hearts, all blazing with love, and seek His grace, that the fire may never be quenched; for it will not burn if the Lord does not keep it burning. Many foes will attempt to extinguish it; but if the unseen hand behind the wall pours thereon the sacred oil, it will blaze higher and higher. Let us use texts of Scripture

as fuel for our heart's fire, they are live coals; let us attend sermons, but above all, let us be much alone with Jesus.

May God have mercy on our nation and bless you for your prayers.

We are admonished not to have fellowship with those who practice the above as recorded in the first paragraph, (II Cor. 6:15).

If you choose to carefully look, you'll see that there is truly the Walking Dead among us. Print this off, take it to your Pastor, prayer leader, and pray. (A few Pastors will not receive this) Send to your Email list.... Keep it moving ... they are getting ready now.

REVIVAL, PROMISE OF BLESSINGS IN THE LAST DAYS

Bottom of Form THE LAST DAY REVIVAL David Wilkerson January 28, 2008

What is ahead for the church of Jesus Christ? This is a question of great concern to believers worldwide. As cataclysmic events take place all over the globe, many are wondering, "Is the Holy Spirit going to revive the church before Jesus returns? Will Christ's body leave this world with a whimper or with a shout?"

The New Testament is filled with predictions of a last-days falling away. False prophets will rise up and lead many astray. Wolves will come in sheep's clothing, bringing powerful deceptions to "deceive, if possible, even the elect of God." Wickedness will abound, causing once-hot believers to lose their first love. With the flood of iniquity to come, the love of many will grow cold.

Jesus prophesied these very things. And his warnings were meant to challenge our faith. As overwhelming iniquity floods the earth, he asks: "When the Son of man cometh, shall he find faith on the earth?" (Luke 18:8).

Think about it: Christ knew everything we would be witnessing today, from horrifying school shootings, to the rise of militant homosexuality, to terrorist acts taking place throughout the world. In the midst of these things, he asks us, "Will you continue to believe, though things wax worse? Will you faint in your confidence when things don't happen as you thought they would? Or, will you continue to trust in me?"

You see, despite the rise in iniquity and great calamities, Jesus knew there would be a great last-days revival. The Holy Spirit inspired Isaiah's prophecies, and he knew full well about the prediction of a revival as the end draws near.

Isaiah said there would be a great, worldwide awakening just prior to Christ's return.

This prophecy is found in Isaiah 54 and is summed up in these verses: "Thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles and make the desolate cities to be inhabited" (54:3).

I believe with a number of Bible scholars that Isaiah's prophecy has a dual application. It speaks not only about natural Israel after captivity in Babylon, but also about the spiritual Israel that was to come: the body of Jesus Christ, the church of the New Jerusalem. Paul quotes from Isaiah 54 when he refers to the "Jerusalem which is above...the mother of us all" (Galatians 4:26). Paul saw Isaiah's prophecy as directed "to the children of promise," those in Christ by faith.

If Isaiah addressed his prophecy only to natural Israel, it would mean his promises haven't yet been fulfilled. In short, it has not yet come to pass that "thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles" (Isaiah 54:3). Yet that word was clearly fulfilled in Christ, at the cross and at Pentecost. Think about it: when Isaiah delivered this message, some 42,000 Israelites had come out of Babylonian captivity. By the time of Jesus, their number had increased only to about 3 million.

Isaiah refers to his prophecy as a promise from God, a sworn word from heaven. We see the Lord swearing by the mountains and even referring back to his covenant made with Noah. He says, in essence, "As surely as I won't allow another Flood on the earth, I tell you there will be an awakening of my church in the last days."

In these last days, the Lord's eye is not fixed on world powers but on the church of Jesus Christ.

God is not focused on the economy, on the rise of world religions, on the roaring of the heathen. According to Isaiah, the nations are to God "as a drop of a bucket" (Isaiah 40:15). They are all under his sovereign rule and reign.

He knows all about terrorist threats, wars and rumors of wars. His Word warns that the heathen will rage, secular powers will try to outlaw Christianity, and fast-growing, anti-Christ movements will boast they'll rule the world and destroy Jesus' followers. The Bible says this about it all:

"The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, let us break their bands asunder, and cast away their cords from us" (Psalm 2:2-3). In short, "Let's cast away all moral hindrances, all moral landmarks of the past."

Here is God's reaction to these earthly powers and demon-influenced men: "He that sitteth in the heavens shall laugh: The Lord shall have them in derision" (2:4). No matter how desperate things look, everything remains under God's full control.

I'm thankful for this word from the Psalms. More and more, we hear reports of secularism wiping out the evangelical church in Europe, of Islam being the fastest growing religion in the world, of homosexuals hijacking entire denominations, of Christ's church growing so weak it no longer has any impact on so-

ciety. Yet God's Word declares, "On Christ the Rock God will build his church."

"And the gates of hell shall not prevail against it" (Matthew 16:18). Nothing from the bowels of hell can hope to destroy Christ's church. His eye is always on his people, and through everything he warns Satan and his hordes, "Do not touch the apple of my eye."

"Behold, they shall surely gather together, but not by me: whosoever shall gather together against thee shall fall for thy sake" (Isaiah 54:15). Do you see what God is saying here? "The devil is going to come at you. Enemies out of hell will gather together against you. But Satan will not succeed."

1. Everywhere we turn in the last days, we will see God's glory breaking forth in a last revival.

Let the devil do what he pleases. Let hell open its bowels and spill forth every vile thing. It won't have any impact whatsoever on God's last-day plan for his people. Glory to the Lord, his church cannot be destroyed!

Christ's church will stretch beyond all former limitations to spread the good news: "Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes; for thou shalt break forth on the right hand and on the left; and thy seed shall inherit the Gentiles, and make the desolate cities to be inhabited" (Isaiah 54:2-3). Simply put, the church will gain strength and raise up multitudes in Christ.

As we look more closely at Isaiah's prophecy, we see it is meant not only for the church body but also for individual members. I know godly servants, friends of mine, who have laid hold of this prophecy as a personal word from the Holy Spirit. And they have built up their faith by its promises: "Fear not; for thou shalt not be ashamed: neither be thou confounded; for thou shalt forget the shame of thy youth, and

shalt not remember the reproach of thy widowhood any more" (Isaiah 54:4). Isaiah makes it clear in this verse: God's church will not go out under reproach.

Yet just a few verses down, we read this warning to the last-days church: "O thou afflicted, tossed with tempest, and not comforted, behold, I will lay thy stones with fair colors, and lay thy foundations with sapphires" (54:11). We are told we'll be afflicted, tossed with tempest. Yet we are also promised a foundation made of sapphires. What does this mean, exactly?

As believers, we can be under covenant with God, carrying in our hearts his precious promises of no fear, no shame, no confusion, no reproach. Yet, it is still possible for us to be tossed about by personal storms, to experience loneliness, to have no one to comfort us. In short, we are allowed to be buffeted by Satan.

In verse 16, Isaiah gives us a picture of our adversary at work. God says, "Behold, I have created the smith that bloweth the coals in the fire, and that bringeth forth an instrument for his work; and I have created the waster to destroy" (54:16). Here is an image of a blacksmith, pumping the bellows on his fire to cause a white heat. He then uses that heat to beat and pound out weapons of warfare on his anvil. This smith represents Satan, who constantly devises new weapons against the church and individual believers.

What an incredible picture. It is as though God is saying, "Behold the devil fanning his fire, making weapons he uses to try to destroy my people. I made this smith, creating him as an angel. He once had power and authority, but he was cast down because of rebellion. I created him, and so I can chain him. He can go only as far as I permit."

Note God's amazing promise in the very next verse: "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of

me, saith the Lord" (54:17). In other words: "Let the enemy make all his weapons. Let him arm legions of demons. Not a single weapon he forms against you will bring you down." What a glorious promise!

Satan is using his weapons of hopelessness against God's people, tempests too violent to endure without the comfort of the Holy Spirit. Yet God declares, "I will lay thy foundations with sapphires" (54:11). The message here is, "When everything in the world is being shaken, you will not be moved. The foundation I'm laying underneath you is as solid as these stones. What I'm doing in you cannot be shaken."

These sapphires represent spiritual knowledge and wisdom, insights into the very heart of God. We know that those who endure suffering come out armed with greater insights into God's mercy. You may be tempted, tossed, afflicted and alone, but through it all he is forming underneath you a rock-solid foundation. It is all so that you may comfort others in their trials.

Many are familiar with the passage where Paul equates marriage to God's relationship with the church: "For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh. This is a great mystery: but I speak concerning Christ and the church" (Ephesians 5:31-32).

2. Paul echoes Isaiah when he says the Lord cherishes his church as a loving husband cherishes his wife.

Now note what Isaiah says: "Thy Maker is thine husband; the Lord of hosts is his name; and thy Redeemer the Holy One of Israel; the God of the whole earth shall he be called" (Isaiah 54:5). Who is the Maker here? It is Christ, creator of heaven and earth. And Isaiah tells us he is our husband. However, the wife has separated herself from her husband: "Your iniquities have separated between you and your God, and your sins have hidden his face from you, that he will not hear" (59:2).

Where do we see this separation today between the church and God? I see it most obviously in compromised mainline churches. Yet I also see it in the soft-pedaled gospel of post-modern churches. It is evident there has been a separation from God's manifest presence. Indeed, it has happened just as Jesus and Paul prophesied: many have become lovers of pleasure more than lovers of God...having a form of religion with no power...despising the gospel of their fathers...tearing down the old moral landmarks... changing God's infallible Word to suit the times.

I challenge you to go to any city, from church to church of every evangelical persuasion. Try to find one where you recognize the awesome, manifest presence of Jesus, where you encounter his heart-melting conviction. When the Lord is truly present, you recognize it, whether in the singing, the preaching or the fellowship. Something stirs your soul, and it produces an awe and a reverence. In my experience, this is rarely found.

I am not condemning the modern-day church; God forbid. But may the Lord help us if we don't have his manifest presence in these last days. And because of the compromise of such churches, he has had to hide his presence from them for a time. Yet God has not divorced the compromised church. Isaiah says he calls her to return to him:

"Thus, saith the Lord, where is the bill of...divorcement, whom I have put away? Or which of my creditors is it to whom I have sold you?" (Isaiah 50:1). God is saying, in essence, "You walked out on me. You loved the world and the things of the world, and you left me for them. I didn't leave you; you left me. Show me the divorce papers! Show me where I sold you to another."

"Thus, saith the Lord, Ye have sold yourselves for nought; and ye shall be redeemed without money" (52:3). He continues: "I tell you, this marriage is not over. It is not hopeless. I still love you, though you prostituted yourself. You grew weary of me, but in spite of it all I love you. I want you back."

"The Lord hath called thee as a woman forsaken and grieved in spirit, and a wife of youth, when thou wast refused, saith thy God. For a small moment have I forsaken thee; but with great mercies will I gather thee. In a little wrath I hid my face from thee for a moment; but with everlasting kindness will I have mercy on thee, saith the Lord thy Redeemer" (54:6-8).

Here is a sworn promise by God to bring back to himself a harlot wife. In short, the last revival will be one of mercy alone. The Lord is telling his church, "When you return to me, I won't condemn you or reprove you. Instead, I will anoint you with my Spirit. I will empower you where you had no power before."

Some may still say, "Isaiah 54 applies only to natural Israel."

I offer indisputable proof that the promise of Isaiah 54 is meant for God's church today. Isaiah clearly speaks of Christ in 53:10: "He shall see his seed" (my italics). Simply put, Christ's travail and sacrifice will bring forth many children: "He shall see of the travail of his soul and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities" (53:11). This is all to be fulfilled after the cross.

The nails that pierced Jesus' hands and feet were fashioned on the devil's anvil. The sword that pierced his side was forged in that smith shop of hell. But the blood that poured forth from his body has never lost its power. Isaiah is telling us: "God has sworn his Son's blood will be sprinkled on transgressors in every nation on earth. It has power in every Arab nation, in Israel, in Africa, in Europe. He will see his seed spread to many multitudes, from all tribes and tongues." A great awakening will continue in the end times.

It may be discouraging to see false religions grow in great numbers while Christ's church seems so few in number. But Isaiah says, "It is time to sing, O barren wife. Enlarge the dwellings of worship, lengthen and

strengthen your vision. You're going to see breakthroughs on the left and right." "Sing, O barren, thou that didst not bear; break forth into singing, and cry aloud, thou that didst not travail with child: for more are the children of the desolate than the children of the married wife, saith the Lord" (54:1).

3. How will this last revival come about?

How is this last revival going to happen? It requires something powerful, something world-shaking to precipitate it. Isaiah tells us this shaking will happen in one day. In chapter 47, he says the spirit of Babylon must be dealt with. Throughout Scripture, Babylon has always represented a spirit of prosperity, ease and pleasure. And the Babylonian spirit is the same in every age.

In short, Isaiah says there can be no widespread, last revival until the spirit of greed and false security is brought down. We can pray for revival, we can cry out to God to pour out his Spirit, but it is impossible unless the Lord first shakes all things: "Hear now this, thou that art given to pleasures, that dwellest carelessly, that sayest in thine heart, I am, and none else beside me... Therefore. shall evil come upon thee; thou shalt not know from whence it riseth: and mischief shall fall upon thee; thou shalt not be able to put it off: and desolation shall come upon thee suddenly, which thou shalt not know" (Isaiah 47:8, 11, my italics).

God is not going to overlook sin, but he will strike down the devil's strongholds. He's going to sound a wake-up call to his church with a "sudden desolation." Indeed, this will be a great act of love on the Lord's part. He so loves his church that he refuses to allow ease, pleasure and apostasy to blind and ruin the object of his love.

"Let favor be shewed to the wicked, yet will he not learn righteousness; in the land of uprightness will he deal unjustly and will not behold the majesty of the Lord" (26:10, my italics). Here is proof that revival is impossible in a time of ease and prosperity. Isaiah

says in plain terms, "In a time of blessing, the people will not turn." Nothing is going to happen until the pocketbook is affected. Only "when thy judgments are in the earth, the inhabitants of the world will learn righteousness" (26:9).

Isaiah offers one final proof that a last revival will come after a shaking:

"According to their deeds, accordingly he will repay, fury to his adversaries, recompense to his enemies; to the islands he will repay recompense. So, shall they fear the name of the Lord from the west, and his glory from the rising of the sun. When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him. And the Redeemer shall come to Zion, and unto them that turn from transgression in Jacob, saith the Lord.

"As for me, this is my covenant with them, saith the Lord; my spirit that is upon thee, and my words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed, saith the Lord, from henceforth and forever" (Isaiah 59:18-21).

The spirit of Babylon is about to be broken through desolation. Yet, do not misinterpret Isaiah's prophecy as a message of gloom and doom. On the contrary, Jesus says, "When these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh" (Luke 21:28).

Even now, we are seeing the beginnings of the last revival, as Acts 2:17 is being fulfilled.

"It shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams" (Acts 2:17). In all my years of ministry, I have never been able to envision this prophecy happening in our day. Now I believe it is being fulfilled.

In nations everywhere, Christ is revealing himself to multitudes in dreams and visions. In China, India and Arab nations, people are reporting their experiences with Jesus in dreams. Even here at Times Square Church it is happening.

One of our church's security men was once New York's third-highest-ranking high priest in Santeria devil worship. His territory was the Bronx, and his apartment was filled with human bones. He had sold himself body and soul to Satan. But this man's heart was stirred by the Holy Spirit. He became restless, and one night he challenged Jesus, "If you are stronger than the devil I serve, show me in a dream tonight."

That night in a dream, the man saw himself on a train bound for hell. As it passed through a tunnel, on the other side stood Satan. The devil told the man, "You have been faithful to me. Now I'm taking you to your eternal resting place." Then suddenly, a cross appeared. At that moment, the man woke up.

He came out of that experience on fire for Jesus, rid his apartment of every trace of evil, and gave his life to the Lord. Today, he is a sweet, devout man of God and is active in our church. I stopped him recently and told him, "I see Jesus in you." He answered, "Brother Dave, you don't realize what those words mean to me after twenty-five years of serving the devil." His miraculous new life had all come out of that God-given dream.

Dear saint, the day is coming when the whole world will see Jesus. The apostle John envisioned "a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; and cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb" (Revelation 7:9-10).

This is not a little remnant, but an innumerable multitude, just as Isaiah prophesied. And they are all worshiping the Lord. Praise God for that promised day!

WHAT HAPPENS WHEN THE HARVEST WORKER IS LACKING A SHARP SICKLE?

by: Pastor William Lau theelijahchallenge.org

uke 10:2 He told them, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.

Two thousand years ago, Jesus declared that the harvest is "plentiful," carrying the meaning of "much" or "many." But he lamented that "the workers are *few*." Down below at the end of this article we will see what he meant by this.

In John 4:35 Jesus also declared the harvest to be *ripe*:

"I tell you, open your eyes and look at the fields! They are *ripe* for harvest."

Yet today we use the term "gospel-resistant" to refer to certain people groups which are difficult to reach. This conflicts with what Jesus declared above. According to Jesus the harvest is plentiful and ripe. A *plentiful harvest* does not refer to just a few fruit here and a few fruit there, but rather an *entire ripe field* to be harvested. The words of Jesus apply even more today during these Last Days when the Great Commission must be fulfilled.

Why are there "gospel-resistant" groups today—billions of Muslims, Hindus, Buddhists, and idol-worshipers in the Third World who have yet to hear the

gospel of the kingdom even once? This situation contrasts sharply with the "plentiful and ripe" field that Jesus declared is ready for the harvest.

One reason for "gospel-resistant" people groups today is the sad history of colonialism in the Third World by European nations—all of which were "Christian" nations. But there is another factor which is generally not considered.

Luke 9 provides the context behind Jesus' words declaring the plentiful harvest in Luke 10 above.

Luke 9:1 When Jesus had called the Twelve together, he gave them power and authority to drive out all demons and to cure diseases, 2 and he sent them out to proclaim the kingdom of God and to heal the sick.

Before Jesus sends the Twelve workers into the harvest field to proclaim the gospel of the kingdom of God, he gives them supernatural power and authority over demons and diseases. This power and authority enable the Twelve workers to heal the sick miraculously as compelling and irrefutable evidence to the Jews that Jesus is the Messiah.

Armed with this supernatural power and authority, the Twelve workers reaped a harvest of souls for the kingdom of God at that time.

Luke 9:6 So they set out and went from village to village, proclaiming the good news and healing people everywhere. (Workers today don't really do this.)

Then in Luke 10 Jesus called 72 (or 70) more workers, sending them out also to heal the sick and proclaim the kingdom of God.

Luke 10:9 Heal the sick who are there and tell them, 'The kingdom of God has come near to you.'

These 72 workers then went into the harvest fields proclaiming the kingdom of God with power and authority, reaping joyfully.

Luke 10:17 The seventy-two returned with joy and said, "Lord, even the demons submit to us in your name." (Does this usually happen with workers today?)

Thus in both Luke 9 and 10 we see the newly-trained disciples reaping good fruit in harvest fields which were already ripe. The well-honed sickle given to them by the Lord—supernatural power and authority over demons and diseases—enabled them to reap plentifully with each sweep of the sickle.

Moreover, based on a careful study of the miracles performed through the disciples in Acts, we can conclude that the disciples continued to use this very same power and authority very effectively and fruitfully as they reached out to the Gentiles.

Workers today, however, are generally lacking or not taught precisely how to wield the sharp sickle in their hands which should result in consistent (not simply occasional) miraculous healings as evidence of the gospel. Many are not even aware of the sickle.

As a result, they go into the harvest field lacking the very tool necessary for effective reaping. At best, the sickle they are using is effectively dull. They generally end up preaching the gospel of the kingdom with mostly words alone, sprinkled with a smattering of good works—as in "friendship evangelism."

As noble as such good works are, they do not follow the pattern laid down by Jesus Christ when he sent out the Twelve and then the 72 into his harvest field. Good works do not visibly demonstrate the supernatural authority and presence of the kingdom of the One True God being proclaimed.

Actually, few if any people groups today are "gospel-resistant" when workers proclaim the kingdom of God to them as Jesus commanded his workers in Luke 9 and 10. When they witness the extraordinary and incomparable miracles done as evidence that Jesus is the only Lord and Savior, many so-called "gospel-resistant" people will confess Him.

Today in the Third World the Lord's harvest fields are indeed plentiful and ripe—just as he declared 2,000 years ago. However, not properly equipped with the sickle, workers today must resort to other methods. They are forced "to use their bare hands" to pick the fruit manually one by one—for example, through good works. That is the reality most workers in the harvest fields face today.

But now during these Last Days, the Lord is graciously restoring to His workers understanding of

the extraordinarily effective sickle He has already placed in their hands for reaping abundant harvests in very ripe fields.

We must now train and send forth an army of workers into the Lord's ripe and plentiful harvest fields.

To do this we should re-evaluate our singular focus on the local church and its local harvest fields, and turn our attention on unreached regions where the workers are very, very few. Few workers dare to go to such seemingly impossible fields. But if you dare to go—properly equipped with a sharp sickle from the Lord—you will indeed see a plentiful harvest just as He declared.

The field is already ripe. Who will dare to pick up the sickle and then go?

The meaning of "the workers are few" in Luke 10:2

We can understand what Jesus meant by this when we look at the context of his words. He actually meant few *trained* workers, those who are *properly trained* in the use of a sickle—that is, in the use of the supernatural power and authority over demons and infirmities he gave to the Twelve in the first verse of the preceding chapter Luke 9.

Today there are tens of thousands of workers (or more) in the Lord's harvest fields around the world. But *very few are trained* to use the Lord's power and

authority effectively as overwhelming evidence to the many who are "ripe" for the harvest. But now during these Last Days—we are able properly and effectively to train an army of workers for the endtime harvest and the fulfillment of the Great Commission. We can be an answer the prayer which Jesus commanded: "Ask the Lord of the harvest, therefore, to send out workers into his harvest field."

(This of course is to work hand-in-hand with the approach of contextualization in Third World mission fields.).

Remarkable reports from "ordinary" workers trained to use a sickle

FROM BEING A SACRIFICE TO SATAN TO ENTERING THE HEAVENS & MEETING JESUS!

his Toronto mission has been perhaps one of the most fruitful missions we have ever conducted in Eastern Canada. We have travelled here numerous times over the years leading many meetings and yet what we have experienced the past two nights have been spectacular. Both nights the meetings have been well attended. Last night, before a jammed packed hall, I preached the gospel and proclaimed victory in Jesus Christ! I equipped the Body of Christ and led in Holy Communion. Moreover, I spent hours ministering to the afflicted—many demonic spirits were expelled, hearts were

beautifully healed and soul invaders driven out in the name of Jesus Christ.

There were so many spiritual highlights, it's difficult to pick which one to share with you. One man was set free from demonic spirits named King of Destruction that were rooted in ancient generational witchcraft. It was a physical and very intense war with the powers of evil. Many holy angels assisted me in battling the demons and they were driven out of him in the name of Jesus. Immediately after his deliverance, as he testified of God's power, many demonic spirits within a woman in the audience, manifested demons and he ministered deliverance to her. Now, that's the fruit of one's deliverance!

Another highlight was a young woman who came to the seminar, last night here in Toronto, who was wonderfully set free by God. Interestingly enough, she prayed to God the night before that she would be granted the opportunity to enter the Third Heaven. She attended the service and numerous demons started surfacing from within, including spirits of Buddhism, idolatry, witchcraft and spirits of Satan that surfaced and battled me.

They confessed to having brought pains and torments in her body and mind. Furthermore, they admitted to holding her heart in captivity. I commanded the demonic spirits to release her heart. Her heart

was released and her inner children surfaced desperately wanting to be healed and to be with Jesus. In fact, one little heart part that surfaced was a little pre-born baby (who encountered dissociation while in the womb as a result of a family member dedicating her to Satan).

God granted the tiny baby the ability to communicate with me. She was so sad, despaired and in pain.

She shared:

"My family, dedicated me to Satan when I was born," the little conveyed to me, "I was supposed to be a sacrifice unto the devil!"

The demons manifested and boasted about this reality. They also revealed how they had been in her family bloodline for thousands of years – many of her ancestors performed dedication rituals to Satan thus their presence in her family.

God rescued this woman and we were able to drive out these wicked spirits from her life and they entered the abyss in the name of Jesus. Moreover, her body was miraculously healed from ALL physical pains and her heart was "caught up" into the Third Heaven where she met Jesus, God in the flesh! It was incredible to witness. She experienced the glories and the joys of Heaven! She had been wanting to go to Heaven and God granted her request. You'll need to watch her testimony below.

My friends, so many disciples are entering the Third Heaven and are now traveling great distances to our seminars and missions with the hopes of developing a greater intimacy with the Father, Son, and Holy Spirit by going into the Third Heaven. Even last night, disciples pleaded with me to guide them to the heavenly realms. Yes, I have been graced with this unique ability, however, this is not directed by my will but by God's will. I follow the unction of the Holy Spirit and guide people to God's Heavens as He leads.

SOUL TIES with the DEAD

By: Apostle Ivory L. Hopkins pilgrimsministry.org

1 Chronicles 10:13-14 -

"So Saul died for his transgression which he committed against the LORD, [even] against the Word of the LORD, which he kept not, and also for asking [counsel] of [one that had] a familiar spirit, to enquire [of it];"

Evil Soul Ties With Dead Loved Ones

I have seen a death in a family that happened years ago and the family still sets a place at the dinner table for that dead person and no one living can sit in that person's place.

One religious organization would not allow anyone to sit in the dead Bishop's chair. This is not the will of God and this can open the place up to familiar spirits.

WEITHER

When Moses died God told Joshua in Joshua 1:2: "Moses my servant is dead; now therefore arise, go over this Jordan", which shows that after the death of a servant they are to move on with life and in their mission.

In Delaware I once delivered a family and their house that had become demonically attacked by an evil spirit counterfeiting the appearance of a dead brother. This had opened the door to delayed grief. This is one reason some people are depressed and do not know why. They have an evil soul tie with a dead relative.

(See my book: Deliverance from Damaged Emotions).

"FOR THE LIVING KNOW
THAT THEY SHALL DIE:
BUT THE DEAD KNOW
NOT ANYTHING,
NEITHER HAVE THEY
ANY MORE A REWARD;
FOR THE MEMORY OF
THEM IS FORGOTTEN."

Eccl 9:5

Bondage in the area of dealing with the holidays can cause spirits of depression to harass you. In some cases the living loved one wishes to die themselves giving way to spirits of "death wish", also an inability for the person to go on with life. (Ecclesiastics 9:5-6-2 Samuel 12:18-23)

Eccl 9:5 "For the living know that they shall die: but the dead know not anything, neither have they any more a reward; for the memory of them is forgotten."

2 Sam 12:20 "Then David arose from the earth, and washed, and anointed himself, and changed his apparel, and came into the house of the LORD, and worshipped: then he came to his own house; and when he required, they set bread before him, and he did eat."
2 Sam 12:21 "Then said his servants unto him, What thing is this that thou hast done? thou didst fast and weep for the child, while it was alive; but when the child was dead, thou didst rise and eat bread."

2 Sam 12:22 "And he said, While the child was yet alive, I fasted and wept: for I said, Who can tell whether GOD will be gracious to me, that the child may live?"

2 Sam 12:23 "But now he is dead, wherefore should I fast? can I bring him back again? I shall go to him, but he shall not return to me."

"David covered his face and cried with a loud voice, "O my son Absalom, O Absalom, my son, my son!" And Joab came into the house, and said to the king, "You have shamed this day the faces of all your servants......for I perceive that if Absalom had lived, and we all had died, then it would have pleased you well." (2 Sam 19:4-6)

AS STRANGE AS IT MAY SEEM, IT IS POSSIBLE TO HAVE A SOUL TIE WITH THE DEAD. As strange as it may seem, it is possible to have a soul tie with the dead. The Biblical prescription for mourning was to be seven to thirty days. (see Genesis 50:10 and Deut 34:8). After

that, you were to put your grief behind you and go on. God knew that excessive and lasting grief would open one's soul to heaviness, gloom and despair.

We've all heard stories of a heartbroken parent who, after a child's death, keeps his room exactly like it was for many years. Such excessive grief brings heaviness and gloom to the others in the house. It's as if the spirit of death were invited to remain.

The same thing can happen with women who have had an abortion. Even after they've asked and received forgiveness for the deed, guilt and shame often remain. This is generally an indication of a soul tie with the aborted child. Until and unless the soul tie is broken, the mother will be subject to bouts of depression and guilt; but when that bond is severed, they're able to put it behind them once and for all and live life free from the failures of their past.

Would you believe it's not taught in the bible that our family members who died are in heaven now watching over you?

1 Tim 2:5 "For there is one God, and one mediator between God and men, the man Christ Jesus;" KJV

In Joshua 1:2, "Moses, my servant is dead, now therefore, arise and go over to Jordan." **Go on over.** What do you do when somebody dies? You take time to mourn and then you move on.

You go to a spiritual place called "Next." That is also another one of my books – "A Spiritual Place Called Next." That is where you go when everything doesn't turn out where you are. You move on to a place called Next.

Your deceased relative never meant for you to die with them. They meant for you to live on. They don't want you so grieved you can hardly work or function. They don't want you so bound that at the anniversary of their death you go into depression for weeks.

In my Warfare Manual, and my book on "<u>Deliverance from Damaged Emotions</u>," I mention that when David's baby was dying that he went on a fast and David mourned and cried out to God to save his child. His son dies and David's household wondered if they should tell him that the child had died for fear that he might go into a deeper depression. When they did tell him, David got up and washed his face, put on his attire and went about living again. David did what

we all should learn to do when our loved ones die – mourn, grieve, and go on.

You have other family members, children, spouse, friends that need you to have your head together and not be dated – tied to someone who died long ago. Some people are dated by the last event that happened in their life whether positive or negative.

They begin walking in a deep depression and find out that it all started when so-and-so passed away. If at the death of a loved one you die too, you have a soul tie with a dead person. If it was a parent who died then every Mother's Day or Father's Day you're all messed up. Your family is losing time with you because you have an evil soul tie with someone who is dead. Let them go. They are not in the grave anyway.

1 Cor 5:3 "For I verily, as absent in body, but present in spirit, have judged already, as though I were present, concerning him that hath so done this deed," KJV

If they were saved they are absent from the body and present with the Lord. We could get deeper into theology, but that is not the point right now. My point is – LIVE!

You have an evil soul tie when you can't let go of that person who died and are unable to continue living your life. If the person died 10 years ago and you're acting like he just died last week, you need deliverance.

What may be confusing people is their interpretation of Hebrews 12:1, "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us."

Ungodly grief leads to unbroken soul ties with the dead.

We are to release the dead to Jesus. The Biblical pattern for mourning is that it be limited to several days (see Genesis 50:10 & Deuteronomy 34:8)

The funeral service is supposed to be designed to 'commit our loved ones to God' and allow for natural grieving which is right, respectful and healthy.

Prolonged refusal to let go invites spirits of sorrow, grief, loneliness etc to take advantage of this behavior.

GRIEF -

Emotional pain or distress from an extreme cause, as affliction or bereavement; deep sorrow or sadness;

SORROW -

Pain of mind from loss, disappointment, or calamity; grief, sadness; an incident causing distress or regret.

To those who have a longing in their heart to set the captive free, it must be understood that the emotions of grief and sorrow are not evil in themselves. But when manipulated by Satan, they can be used to cause a person untold hurt and pain. There is a need for believers to understand that when you are praying for someone with damaged emotions you'll come across demonic bondage and very well may see strong demonic manifestations (meaning demons may act out violently or show some physical sign in the body. "Mk 9:20, Lu 4:35, 8:29, 9:42").

A good worker should never look at every emotional change in a person's life as a demonic manifestation

or else you will cause the person you are counseling more hurt than help. I have come in contact with a lot of people who needed deliverance and professional help and we as ministers need to be discerning of what stage is needed to bring the victim the best healing. Remember God does use doctors, and as to counselors I suggest you find one born again and not a new age type or one who uses methods that are against Biblical principles.

With the possibility of the victim having been under medical treatment most of their life I caution all deliverance workers to be careful not to push a person to quit their medicine cold turkey or give them advice that hurts more than helps.

I teach that if you're truly healed your doctor should be able to medically check you out and verify that a healing miracle has taken place.

> SPIRITS OF GRIEF SET IN WHEN MOURNING IS NOT ALLOWED TO TAKE PLACE PROPERLY.

GEN 23:2 "And Sarah died in Kirjatharba; the same is Hebron in the land of Canaan; and Abraham came to mourn for Sarah, and to weep for her."

MOURN: - (caphad) to tear the hair and beat the breast, to feel or express grief.

I've seen people bound by spirits of grief because they would not allow the tears of grief to come forth at the proper time. Even Jesus wept over Lazarus when he died. It's possible that the weeping of Jesus over

the death of Lazarus was a sign of both love for a friend and God's way of healing the emotions so that spirits of grief would not set in.

Those who try to be strong for everyone else during a funeral

This type of person could be a potential victim of spirits of grief, because they are blocking the natural release of grief that will stop many pains later in life.

Often, the people who are tormented by grief spirits for years after the death of a loved one, are those who do not release the grief by properly grieving and letting them go. Letting a dead loved one go does not mean that you have forsaken them to death but to their God and Father. Being strong is being able to release them to God.

KING DAVID LEARNED TO LET GO OF HIS LOVED ONE

2 SAMUEL 12:15 "And Nathan departed unto his house. And the Lord struck the child that Uriah's wife bare unto David, and it was very sick."

2 SAMUEL 12:16 "David therefore besought God for the child; and David fasted, and went in, and lay all night upon the earth."

2 SAMUEL 12:17 "And the elders of his house arose, and went to him, to raise him up from the earth: but he would not, neither did he eat bread with them."

2 SAMUEL 12:18 "And it came to pass on the seventh day, that the child died. And the servants of David feared to tell him that the child was dead; for they said, Behold, while the child was yet alive, we spake unto him, and he would not hearken unto our voice: how will he then vex himself, if we tell him that the child is dead?"

- A. David sought the Lord for the healing of the child just like many of us need to over our loved ones.
- B. He fasted and pulled on God for the healing but the child died.
- C. The servants wondered how will he then VEX HIMSELF.

Modern Language Bible - 2 SAMUEL 12:8 "How may he harm himself when we tell him the child is dead." Living Bible - 2 SAMUEL 12:8 "What will he do to himself when we tell him the child is dead."

Revised Standard Bible - 2 SAMUEL 12:8 "How then can we say to him the child is dead? He may do himself some harm."

- 2 SAMUEL 12:19 "But when David saw that his servants whispered, David perceived that the child was dead: therefore David said unto his servants, is the child dead? and they said, he is dead."
- 2 SAMUEL 12:20 "Then David arose from the earth, and washed, and anointed himself, and changed his apparel, and came into the house of the Lord, and worshipped; then he came to his own house; and when he required, they set bread before him and he did eat."
- 1 David arose from the earth: lifted himself from the place of low degree.
- 2 Washed and anointed himself: Put the cleansing power of God's Spirit over the loss, grief, pain, and sorrow.
- 3 Changed his apparel: Took off his mourning clothes and put on the whole Armor of God.
- A Came into the house of God and Worshipped: David did not back away from God because of his loss, but moved closer to the Lord.

- Went to his house and he did eat bread: Returned to his place of Authority and Rest in God.
- 6 Sat bread before him and he did eat: David was ready to live, not give up on life because of the loss of his loved one.
- 2 SAMUEL 12:21 "Then said his servants unto him, what thing is this that thou hast done? thou didst fast and weep for the child, while it was alive; but when the child was dead, thou didst rise and eat bread."
 2 SAMUEL 12:22 "And he said, while the child was yet alive, I fasted and wept: for I said, who can tell whether God will be gracious to me, that the child may live?"
- 2 SAMUEL 12:23 "But now he is dead, wherefore should I fast? can I bring him back again? I shall go to him, but he shall not return to me."

JESUS WEPT FOR LAZARUS

John 11:33 "When Jesus therefore saw her weeping, and the Jews also weeping which came with her, he *GROANED* in the Spirit, and was *TROUBLED*."

GROANED (Embrimai) To have indignation: sigh with chagrin. This showed that Jesus hated death and all that it stood for, the wages of sin is death, but the gift of God is Eternal Life.

TROUBLED (Tarasso) To stir or agitate, being agitated because of death, is a natural God excepted reaction.

Anger Towards God or the One Who Died

The Spirit of Anger can set in a person's life if they do not understand that being angry at death does not mean you are angry at God. In the ministry, I have seen people who are angry at God because a loved one dies. It is Satan who is the one who steals, kills,

and destroys but they end up blaming God for death and dying. Deliverance workers - be on the lookout for Spirits of Anger towards God or the person who died.

PRAY THIS PRAYER RIGHT NOW WITH ME

In the name of the Lord Jesus Christ, I ask you to forgive me for being angry with God or the person who died. Lord, heal me of the hurt and pain of the loss of my loved one. I command the spirits of anger towards God and towards my loved one to come out of me now! I also command spirits of "bound and blocked trust" in God because He let my loved one die to come out of me now, in the name of the Lord Jesus Christ. Amen.

Now let's look at these verses:

John 11:35 "Jesus wept."

John 11:36 "Then said the Jews. Behold how he loved him!"

John 11:37 "And some of them said, could not this man, which opened the eyes of the blind, have caused that even this man should not have died?"

John 11:38 "Jesus therefore again groaning in himself cometh to the grave. It was a cave, and a stone sat upon it."

JESUS WEPT (Dakruo) To shed tears: If Jesus wept what makes us think that we have to be so strong and not weep during bereavement. Jesus wept is a powerful statement to those who have lost loved ones.

There are so many people who don't have the ability to CRY. When tears are not released during a time of pain or heartache, this person is carrying in them a TIME BOMB that will go off at some time later in life. I have delivered people who have not been able to cry and they manifest extreme anger and emotional damage.

Recently a person on Facebook sent me this message:

"I know someone who lost a son years ago but refuses to let their child go. People either stroke her or tell her to get past it. I told her that she needed deliverance but she didn't like my comment. Our pastors have tried to help her but she disappears from service for months at a time."

Sounds like she needs hands on Deliverance. She has to be still to get free and no one can do it until she fights for it herself. It is also important to know that a person can need healing and it be emotional or physical and a person can need Deliverance and it can be oppression to the point of needing demons cast out. This is why we must hear from God when ministering to people.

Another sister wrote me: "This is just a awesome message Apostle Ivory. Excellent and complete. When I lived in NJ around many who were involved in Roman Catholicism, they regularly spoke with and prayed for help from dead relatives. They thought dead relatives watched over them and took part in arranging their lives on earth. In short they think family members die and become deity."

SCRIPTURE VERSES TO READ

Isaiah 8:19-20 ESV

And when they say to you, "Inquire of the mediums and the necromancers who chirp and mutter," should not a people inquire of their God? Should they inquire of the dead on behalf of the living? To the teaching and to the testimony! If they will not speak according to this word, it is because they have no dawn (light/truth).

Deuteronomy 18:10-13 (ESV)

10 There shall not be found among you anyone who burns his son or his daughter as an offering,[a] anyone who practices divination or tells fortunes or interprets omens, or a sorcerer

11 or a charmer or a medium or a necromancer or one who inquires of the dead, 12 for whoever does these things is an abomination to the Lord. And because of these abominations the Lord your God is driving them out before you. 13 You shall be blameless before the Lord your God,

Leviticus 19:31 - Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I [am] the LORD your God.

1 Chronicles 10:13-14 - So Saul died for his transgression which he committed against the LORD, [even] against the word of the LORD, which he kept not, and also for asking [counsel] of [one that had] a familiar spirit, to enquire [of it];

Matthew 24:24 - For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if [it were] possible, they shall deceive the very elect.

Deuteronomy 18:11 - Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer.

Deuteronomy 18:12 - For all that do these things [are] an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.

Micah 5:12 - And I will cut off witchcrafts out of thine hand; and thou shalt have no [more] soothsayers:

Deuteronomy 18:10 - There shall not be found among you [any one] that maketh his son or his daughter to pass through the fire, [or] that useth divination, [or] an observer of times, or an enchanter, or a witch,

Ecclesiastes 9:5 - For the living know that they shall die: but the dead know not anything, neither have they any more a reward; for the memory of them is forgotten.

MEMOIRS OF A GENERAL

by Apostle Dr. Ivory Hopkins

Memoirs of a General attempts to equip the believer with warfare tactics used in deliverance ministry and in spiritual warfare. I personally believe that the entire Body of Christ should be ready and knowledgeable enough to cast out demons.

I do not believe that any Christian should be ignorant of the devil's devices. Somewhere along the line, you are going to have to know how to pull down strongholds and destroy the works of the devil. In fact, it is your privilege and your honor. This book will inspire and prepare you to set the captives free.

DELIVERANCE AND THE PROPHETIC

NEW BOOK

by Apostle Dr. Ivory Hopkins

Deliverance and the Prophetic working together to bring accuracy to the body of Christ.

I must begin by saying I believe 100% in prophecy, but don't believe that we are to exempt them from being discerned or judging them by the word of God to make sure they're not mixed with demonic counterfeits.

I have had to deliver many people who have been taken over by spirits that use misunderstandings and deception to bind people by using deception in prophecy.

DELIVERANCE FROM SPIRITS OF SEXUAL ABUSE BREAKING THE CHAINS OF RAPE AND INCEST

The information in this book is intended to give spiritual insight of the ministry of deliverance and its purpose in breaking strongholds that effect rape and incest victims.

Once we prayed deliverance for a sister that was complaining about her memory being bound and blocked. When we started praying for her, the Spirit of God spoke to me and said, "Take authority over spirits of rape and incest that she has been burying in her emotions by trying to hide it."

When we did, the demons came to the surface and the sister was delivered and set free from hidden spirits of rape since she was a child.

DREAM KILLERS

PRACTICAL WISDOM ON HOW TO NOT ALLOW DREAM KILLERS TO STOP YOU!

I've noticed that whenever people try to improve themselves and reach for more than the normal or average goals of life, they are often hated, resented, talked about, read the wrong way, or considered prideful.

All of these feelings are nothing more than Satan's desire to stop them from sowing into the earth the purpose and destiny that God put them here for. His goal is to destroy all their gifts and potential that their generation needs.

A LAND UNKNOWN: HELL'S DOMINION

by B.W. Melvin

Hell, is it real or the product of myth? Are the accounts from people who claim to have seen it during a near-death occurrence genuine or mere imaginings? The near-death experience - is it fact, fiction, or fable?

In A Land Unknown: Hell's Dominion, Bryan Melvin who died after drinking tainted water on a construction site gives a vivid account of seeing what lies beyond the grave from the perspective of a near-death survivor's journey to hell. The concept of hell raises many questions about its relevancy in today's busy modern world.

Questions abound concerning God's fairness, His justice, His very existence, and why evil exists. A Land Unknown explores these questions, and more, from someone who has seen hell personally. This astonishing true story of an incredible journey to hell and back will surely leave a positive evangelical impact on the reader.

atthew 24:37 reads, "But as the days of Noah were, so shall also the coming of the Son of man be "

Genesis 6:5-8 states, "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the Lord that he had made man on the earth, and grieved him at his heart. And the Lord said, I will destroy man whom I have created from the face of the earth; ... for it repented me that I have made them. But Noah found grace in the eyes of the Lord."

Jesus warned that in Noah's day, the masses were in all sorts of sinful depravity, mocking God and Noah continually, until the floods came and they died. Matthew 24:39

The reality of my book, "THE SCIENCE OF JUDG-MENT," is documented throughout the Bible. Man continues in deeper and more vile sin, mocking all

the warnings of God through the Holy Scriptures. As men preach and teach from the Scriptures, God begins to chastise them. If the majority in that nation disdain God by their lifestyles, God starts to judge them and the nation in which they live.

Genesis 19:1-29 tells of two angels who came to warn Lot that God was going to destroy Sodom and Gomorrah and the surrounding cities because of the great wickedness of the people (homosexuality etc.) "And there came two angels to Sodom ... But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter: And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them. And Lot went out at the door unto them, and shut the door after him, And said, I pray you, brethren, do not so wickedly. Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; ... And they said, Stand back ... this one fellow [Lot] came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them ... and came near to break the door. But the men [angels] put forth their hand, and pulled Lot into the house to them, and shut to the door. And they smote the men that were at the door of the house with blindness, both small and great: so that they wearied themselves to find the door. And the men [angels] said unto Lot, Hast thou here any besides? son in law, and thy sons, and thy daughters, and whatsoever thou hast in the city, bring them out of this place: For we will destroy this place, be-cause of the cry of them is waxen great before the face of the Lord; and the Lord hath sent us to destroy it. And Lot went out, and spake unto his sons in law, which married his daughters, and said, Up, get you out of this place; for the

Lord will destroy this city. But he seemed as one that mocked unto his sons in law. And when the morning arose, then the angels hastened Lot, saying, Arise take thy wife, and thy two daughters, which are here; lest thou be consumed in the iniquity of the city ... The sun was risen upon the earth when Lot entered into Zoar. Then the Lord rained upon Sodom and upon Gomorrah brimstone and fire from the Lord out of heaven: And he overthrew those cities, and all the plain, and all the inhabitants of the cities, and that which grew upon the ground. But his wife looked back from behind him, and she became a pillar of salt.... And it came to pass, when God destroyed the cities of the plain, that God remembered Abraham, and sent Lot out of the midst of the overthrow, when he overthrew the cities in the which Lot dwelt."

Scoffers have always existed in cities and nations of this world that have been sentenced for chastisement and destruction. They mocked Adam, Abraham and Lot as well as Jeremiah, Isaac and Jacob. They mocked Noah, John the Baptist as well as Jesus and His disciples. Millions of people have been mocked for believing in God through Je-sus Christ as savior and they will mock you too. Anyone who sounds the alarm (the warnings of God concerning sin and judgment) and stands up for the morality defined by Jesus in the scriptures will be mocked. If you warn that homosexuality, fornication, adultery and abortion are sins, you will be mocked. If you warn that the out of con-trol apocalyptic weather is God's attempt at calling society to repent-ance, you will be mocked.

The Scriptures mentioned are serious warnings. We see that **even in families, sometimes in-laws and adult children themselves**, will listen to their foolish spouse and ignore God's warning of sin and impending disaster, attacks, food and water shortages, war and death and they become a victim.

2 Timothy 3:13 warns, "But evil men and seducers shall wax worse and worse, deceiving, and being deceived."

As the evil in each nation continues to escalate, that nation begins to come under the law of THE SCIENCE OF JUDGMENT.

Without accepting Jesus Christ as Lord and Savior, meaning submitting ones will to Christ so He can transform the mind, emotions and character into the likeness of God, man is a born rebel.

Romans 8:7 reads, "Because the carnal mind is enmity against God: for it is not submitted to the law of God, neither indeed can be."

Ezekiel 5:8 predicts, "Therefore thus saith the Lord God; Behold I, even I, am against thee, and will execute judgments in the midst of thee in the sight of the nations."

The Bible is clear throughout scripture as well as in Galatians 5:22-24 that those people who accept Jesus as Lord and Savior are not fol-lowing the lusts of the flesh; they are not carnal but now spiritual and have crucified the flesh. But those who follow the flesh, the carnal man as described in Galatians 5:19-21, "Now the works of the flesh are manifest, which are these; Adultery, fornication, uncleanness [homosexuality, lesbianism, lasciviousness, Idolatry, witchcraft, ha-tred, variance, emulations, wrath, strife, seditions, heresies, Envyings, murders, drunkenness, revellings, and such like: ... shall not inherit the kingdom of God." The Bible is abundantly clear that these peo-ple who fail to repent of their sinful choices will be judged. God's protection will be lifted from them and their nation if the majority in their nation also boast in their own sins and sinful abominations such as legalized immorality (homosexuality) and murder (abortion).

Yes dear friend, the disasters so far, although worse than ever before, are going to seem mild as compared to what is about to happen. They will include terrorist attacks, economic collapse, war, disease, pesti-lence and over two billion dying as described in the Book of Revelation 9:15. Read Revelation chapters 6-9.

Accept Jesus today and prepare for THE GREAT TRIB-ULATION AND SECOND COMING OF JESUS. I do need your support to con-tinue to sound the alarm and warn the nations, especially America.

THE COMETS OF GOD

NEW SCIENTIFIC EVIDENCE FOR GOD

by Jeffrey Goodman, Ph.D.

THE COMETS OF GOD shows that almost all of the largescale catastrophes described or prophesied in the Bible can be explained as a consequence of cometary phenomena.

Dr. Goodman, an archeologist and geologist, has spent 20 years studying the Bible's stories and prophecies of catastrophe.

His research reveals important scientific information hidden in the Bible. In a process that can be called «Biblical CSI,» Goodman translated the original Hebrew words of the Bible according to their ancient usage, and then related them to recent archeological, geological, and astronomical discoveries.

What Goodman discovered were dramatically different explanations for these events than the traditional translations have told. THE COMETS OF GOD documents significant scientific evidence that supports the Bible and helps to establish the reality of the ancient catastrophic events recorded in the Bible.

Comets are the common denominator for the Flood, the destruction of the Tower of Babel, the destruction of Sodom and Gomorrah, some of the plagues of the Exodus,

Joshua's great victory over the Amorites, Debra and Barak's victory over the Canaanites, and the «blast» that killed 185,000 Assyrians during the rule of King Hezekiah.

THE COMETS OF GOD also gives scientific explanations for the catastrophic events the Bible prophesies to occur during the «end times.» Many will be surprised to learn that the key to understanding passages such as the Seven Trumpets and Seven Vials of Revelation are comets, not nuclear bombs.

Indeed, a large comet impact could cause the earth to rock in space, cause an earthquake that is over 14 on the Richter scale, unleash a series of tsunamis whose waves exceed a mile in height, and even cause the earth's crust to melt.

Many prophetic passages suddenly make sense once we recognize that much of Revelation's mysterious imagery is describing the effects of different types of comet impact. How did the writers of the Bible come to 'know' so much about comets, the giant ice balls of space, before modern science?

Prophecy from Brother Bob about coming weather; however, the year is NOT specified.

AC:

Once again; settling down with the first mug of coffee & preparing to read The Word; The Father speaks & shows 2 to 3 increasingly deadly, destructive, & improbable convergences in a most unlikely manner.

- A storm evolves in the Gulf; west of Florida. This storm increases in size & wind speed. Instead of progressing towards a "normal" landfall path, it turns eastward & literally "crosses Florida's mid-landmass, heading into the open waters of the Atlantic."
- Another storm of growing size, shape (miles in diameter), accelerating wind speeds (which it should not at this stage of its development, owing to surface conditions & water temps at depth), slows (almost halts its forward movement, as if it is waiting for the Gulf storm to catch up & merge as one "double storm system").

- All the while generating powerful storm surges of unusual synchronizing time frames during high tides, very strange "coincidences," reported by well know meteorologists as to be almost improbable in recorded weather records & happenings.
- Deadly rip currents will literally "Rip people off their feet while just standing upon the sand near the waters; not even standing in the foam as the surf plunges towards the beaches." It will be stated that, "It is almost as if the ocean's waters are angry at anyone near the waters." Many adventurous & curious people will be drawn in & drowned in the near shore surf."
- In the North Atlantic, a powerful, out of season storm will evolve & develop. It will head towards New England. Then, inexplicably, it will perform "the impossible," it will turn south along the New England, New York shoreline. With the now merged "southern superstorm," increased in size & strength, this southern superstorm will literally, "draw the northern storm towards itself, creating a Monster Weather <event> so unparalleled & unknown in recorded human/meteorological history, that fear & terror will grip the upper east coast regions."
- As the southern superstorm & the northern "unprecedented storm system merge," the New York & mid-Atlantic states will be devastated and/or destroyed.
- Naval bases located from New England to Norfolk will be made inoperative, nonfunctional, & almost made useless. Hence, exposing the east coast to any foreign or terrorists operations against America's eastern front.
- All east coast harbors will be affected. Air, sea, land travel east of Interstate 95 & connecting routes will become devastated in some man-

- ner, so as to disrupt any & all travel. Food stocks will rapidly diminish, creating panicked mobs descending on all grocery stores, farmer's markets, & "mom & pop shops usually selling food stocks." Forget gas stations having the ability to provide fuel. Why? No electrical service; hence, pumps will not function.
- Wall Street...nigh unto collapse; financial markets will be shut down as the DOW & NASDAQ plunge in the face of such disasters, devastation, & unprecedented destructions; owing to the uncertainties unfolding. Bartering will become the immediate mode of personal survival. Most people will be unable to cope; physically, mentally, spiritually, relationally, & either become part of, "the survival of the fittest, or simply turn inward & die of an inability to cope." The loss of human life will be staggering.
- "Gang Lords," will seize these opportunities to 10 establish their territories, & become "defacto local governments." The "average American citizen will either attempt to adapt until order from anarchy & chaos can be reasonably restored or suffer terrible consequences & subjugation; something akin to Nazi Germany's concentration camp "lifestyles." These "Gang Lords" will not go "quietly," & will leave a legacy so horrific; that they will be hunted down by the average American citizen & executed...without trial. These results will have been brought upon them simply because of their own barbarism. Local, State, & Federal law enforcement will not have the ability nor will to step in & stop this revenge. These "Gang Lords," & their gang members will try to either "blend in with the local populace," or flee for their lives; both to America's southern & northern borders...only to be met will the kind of "vigilante forces they have never faced." Most will never make it to "the borders of escape from the wrath raining upon them."

Islam, Islamic Sharia, Mosques, will be confronted with an angry American citizenry, so unexpected, that the aforementioned will be shocking to Muslims. The Islamization of America will be dealt a blow so in depth, that many will try to leave America, rather than face the consequences confronting them. The God of Abraham, Isaac, & Jacob will intervene & demonstrate that, "I Am... is God...& beside Him there is no other."

Two factors:

- A spiritual awakening, the likes of which has not been witnessed since "The Day of Pentecost," will be visited upon America. Political parties & affiliations will be of no consequence, as a person's relationship with The Lord Jesus Christ will become of paramount importance. The Politically Correct, NWO, monetized politics & politicians, will be relegated to the sidelines of influence, significance, & virtually of no consequence.
- Many Muslims will "see/meet" Jesus in one manner or another & receive Him as their Lord & Savior.

Do with this as you see fit.

OPTIMISTIC TRUST: EXHILARATING ANTICIPATION THAT FORESEES AND RECEIVES GOD'S BEST

by Jim Croft with Mark Williams

OPTIMISTIC TRUST

Exhilarating Anticipation that Foresees and Receives God's Best

Jim Croft

with Mark Williams

This writing represents the culmination of fifty years of practical ministry, walking out the Word of God and taking His promises quite literally - the product of which is an extremely blessed life. In this book, Jim Croft draws on his personal experiences in living the Word and applying it as the unerring foundation of the "life more abundant" that all believers are entitled to. This book teaches that believers can easily cultivate an accompanying dynamic that has great power and that the confidence it brings to all of life's situations is irreplaceable. Optimistic trust is planted like a seed within the human psyche by coming into agreement with biblically motivated principles and decisions. As Christians guide their thinking and speech to concur with these decisions, they soon find that they've developed a mentality of optimistic trust in God. This mentality is best described as the inspiring confidence that no matter what life dishes out, they'll emerge blessed by the favor of God.

ABOUT MR. SHANNON RAY DAVIS AKA OMEGA MAN

n 2004, Shannon Davis punched out of America and spent several years living in Central and South American countries like Costa Rica, Cartagena Colombia and Panama during which time he operated a successful internet herbal supplements business.

Business was great but then came the Crash of 2008 and as the sales began to diminish Shannon began to seek God as to what to do next and God directed him to listen to the teachings of Pastor Win Worley of Hegewisch Baptist Church.

After hearing Pastor Win preach on Deliverance, Shannon felt the calling of the LORD to enlist in the Army of God and help set the captives free in Jesus Name. He prayed a prayer asking God to use what time he had left on the planet and turn him into a weapon to deal a death blow to the forces of darkness and give the devil two black eyes and God answered.

It was a short time later that God told him to pack his bags and return to America and put it into his heart to start an internet radio network that would focus on Full Gospel Mark 16 Ministry with an emphasis on training people in spiritual warfare and deliverance ministry.

On June 22, 2010 around midnight, Omega Man Radio™ launched and eight years later has produced over 5,600 shows with another new 100 LIVE shows a month being added. Omega Man Radio™ is a Full Gospel Digital Radio Show where speakers preach the Good News of Jesus Christ that He came to save those who will call on His name and repent of their sins and that Jesus wants us to be delivered of demons and set free.

Omega Man Radio™ is well known for opening telephone lines and taking calls from around the world and taking people thru deliverance – the casting out of devils in Jesus Christ Name. Our goal is to see souls saved and delivered and that people will tune in and be equipped to do exploits in these Last Days and endure until the end when Jesus returns at the Last Trumpet.

Shannon is married to wife Nurita and they have a 18-month old son named Jeremiah Ray Davis who they have dubbed "Baby Warrior Prophet". Shannon also has a daughter Vanessa, son Heston and grandson Trenton.

MISSION TO CUBA 2018

*by:*seedtimeharvest.net

uba 2018 is here. Help Seedtime Harvest Ministries send Pastor Colonel to Cuba and train the School of Authority Evangelism. Pastor Colonel will travel from Havana to western Cuba where few or no missionaries go. Pastor Colonel will train pastors and disciples to win souls like Jesus did with signs and wonders to prove to non-be-

lievers that Jesus is the Son of God with healing miracles.

There will be healing evangelism services where Cuban villages can know the loving power of Christ. Last year Pastor Colonel trained and evangelized very fruitfully under the anointing and power of God. Many came to Christ and set free from demonic witchcraft such as Santeria. Cuba is the home of Santeria where sacrifices are performed every day. Pastor Colonel preached under the power of God and the Spirit of God drew many from the grip of witchcraft to the freedom and the Love of God.

Support Seedtime Harvest Ministries in making disciples in Cuba for fruitful evangelism in Cuba. You may help Seedtime Harvest Ministries raise \$8,000 for Pastor Colonel to travel to Cuba, hire a driver to transport him across Cuba, hire

a translator, renting buildings to train and to hold evangelism services, village feeding events for reaching the people so they hear the gospel of Jesus, hotel, food and water expenses.

You can be part of building the Kingdom of God through Seed-time Harvest Ministries by giving toward Cuba so that disciples are taught by teaching the School of Authority Evangelism for reaching the beautiful people of Cuba with the Gospel of Jesus Christ.

HUMANITY ON THE BRINK OF EXTINCTION

The human race has come to the point of no flesh left alive. Transhumanism and genetic engineering, when coupled with the hybridization of human-animal "genetic constructs", are thrusting us back into the Golden Age of mythological monsters and godlike humans. Superheroes, robots and demon-possessed machines will take humanity to the brink of extinction. The false promise of eternal life through technology, with new body parts and perpetual updates to your brain (enhanced neural networks), along with software and hardware updates, will be the ultimate seduction that most will be unable to resist. Obviously, those who will reject this "technocratic clustered paradise" will flee from the autonomous and self-directed slaughter-bots, setting the stage for a 5G electronic prison net run by the Luciferian Elite and their Fallen Angel Overlords; enabling the obliteration of our entire species.

Their plan is illustrated in today's latest headlines:

LOSING CONTROL: The Dangers of Killer Robots

New technology could lead humans to relinquish control over decisions to use lethal force. As artificial intelligence advances, the possibility that machines could independently select and fire on targets is fast approaching. Fully autonomous weapons, also known as "killer robots," are quickly moving from the realm of science fiction toward reality.

Artificial intelligence is the weapon of the next Cold War

Al-coordinated attacks can launch cyber or real-world weapons almost instantly, making the decision to attack before a human even notices a reason to.

Should we fear the rise of drone assassins? Two experts debate The newly released short film offers a bleak dystopia with humans at the mercy of "slaughter-bots". These are autonomous micro-drones with cameras.

The newly released short film offers a bleak dystopia with humans at the mercy of "slaughter-bots". These are autonomous micro-drones with cameras, facial recognition software and lethal explosive charges.

SORRY, BANNING 'KILLER ROBOTS' JUST ISN'T PRACTICAL

Moreover, technologies such as robotic aircraft and ground vehicles have proved so useful that armed forces may find giving them more independence—including to kill—irresistable...

Elon Musk Backs Call for Global Ban on Killer Robots

"Lethal autonomous weapons threaten to become the third revolution in warfare, Once developed, they will permit armed conflict to be fought at a scale greater than ever, and at timescales faster than humans can comprehend,"

In 2004, editors of the Journal of Foreign Policy asked several prominent intellectuals to identify the world's most dangerous idea. Political scientist Francis Fukiyama's choice was transhumanism, which he described as "a movement to liberate the human race from its biological constraints." While a collective mind may sound interesting to the Borg, the hive mentality will do away with the individual and provide a robot-orgy that offers nothing to the thinking person.

There is always hope...

"Jesus declared in Matthew 24:22 that if God didn't shorten the days, there would be no flesh left alive. But for the elect's sake—those redeemed by faith in Him—these days will be shortened. Transhumansim, singularity, and demonically infused killer robots will be the last onslaught of Satan to destroy every human being, but he will not succeed!"

INTERROGATING DEMONS

(Getting information from demons)

by: Pastor Jozef Jasinski www jesusdelivers.com

KEY BIBLE VERSES:

Mark 5:9 "And he asked him, What is thy name? And he answered, saying, My name is Legion: for we are many."

Luke 4:3 "And the devil said unto him, If thou be the Son of God, command this stone that it be made bread."

Luke 4:4 "And Jesus answered him, saying, It is written, That man shall not live by bread alone, but by every word of God."

LESSONS OBJECTIVES:

- 1 Should we seek information from demons?
- 2 Some reasons why to interrogate demons
- 3 Some cautions when getting information from demons
- 4 How to force them to talk
- 5 Examples of interrogation and the results

INTRODUCTION:

It is God who led me to interrogate demons.

Many people have been delivered throughout the years because of forcing demons to talk in deliverance sessions.

There is a difference between just talking to demons and forcing them to talk. Demons usually do not want to talk because in doing so they expose themselves and prove that they do exist. In the 30 years I have been involved in deliverance ministry I have learned an important principal of when and how to interrogate demons and how to check the information supplied by them.

Sometimes I interrogate demons (not just talk) and sometimes I don't as it all depends on how the Holy Spirit leads.

Jesus said in Matthew 12:28 "But if I cast out devils by the Spirit of God, then the kingdom of God is come unto you."

Talking to demons is a way God chooses at times to reveal necessary information that will be needed to

cast them out. Sometimes it will be a Word of Knowledge you will receive from the Holy Spirit or the Gift of Discernment of Spirits that will be in operation but at other times the Holy Spirit will lead you to command the demon that Jesus wants out to **manifest** and speak their name and reveal the names and work of other demons as well.

IT IS GOD WHO REVEALS THINGS TO US, EVEN THROUGH DEMONS.

1. SHOULD WE SEEK INFORMATION FROM DEMONS?

- A. Many say that Jesus didn't talk to demons but what do we see in the Bible? The demons revealed their names. Mark 5:9 reads: "And Jesus asked him, What is thy name? And he answered, saying, My name is Legion: for we are many.
- B. Jesus insisted on controlling the way and the timing of His self-revelation. He did not allow the demons to have charge of that important part of his mission.
- C. In Mk 5:1-20 Jesus carried on lengthy conversations with the demons. He got information Himself from the demons and He allowed them to even bargain with Him. It is clear, however, that Jesus was in control. He did not allow the demons to take over.
- D. Those who argue from Jesus' example that we should not talk to demons get no support from Scripture. They do have a point though and that is that we should not let demons take control of any situation. It is always a power encounter and we definitely have more power on our side than demons have on their side.

CAN DEMONS BE TRUSTED?

A. It is true, demons cannot be trusted. But, the real issue is not whether we can trust demons, but

OMEGAMAN ™ WEBSITE EMAIL US RETURN TO TOC 81

whether we can trust ourselves and God to discern if what they say is true or a lie. We must also determine if the things they say are usable or what may have been said to mislead us.

- B. You can check out if what a demon has said is true or not.
- C. Do not let a demon assume control or lead you. Remind them from time to time who is in control.
- D. With time and practice you will learn to discern their ways and tell when they are bluffing.
- E. Once during a interrogation some demons lied to me pretending to be the personality of a young girl (Case of Roberta B.). However, 2-3 months later Jesus forced them to admit that they had lied and then I cast them out.
- F. Do not engage in divination which is the practice of seeking knowledge of the future through Occult means. This is very dangerous.

Editor Note: Do not ask the demon who will be the next president or what is the lucky lotto number or

to foretell the future, etc...Stick to questions such as: What is your name?, How long have you been in there?, Who else is inside with you?, How did you get in?, Do you have a legal right to be inside this person?

WE SHOULD NOT LET THE DEMONS BE IN CHARGE

- A. Ask the Holy Spirit to be in charge; He does answer this
- B. When the Holy Spirit is in charge, we need not fear the demons, because HE IS IN CHARGE OF THEM TOO

DO DEMONS GAIN MORE POWER WHEN THEY SPEAK THROUGH A PERSON?

- A. Actually what happens is a demon will become more weakened every time he speaks and reveals information.
- B. Remember The Holy Spirit is in control

82 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN™

Editor Note: This is why demons prefer not to manifest and instead will play possum in the hopes that the deliverance worker will think there is no body home and/or stop ministering deliverance and quit.

Note for Pastor Jozef: Tell the Story from Indonesia about the encounter with the spirit "guru sate."

2. SOME REASONS WHY TO INTERROGATE DEMONS

- A. Much information can be gained during an interrogation to destroy demons.
- B. Information from demons can speed up healing and lead to deliverance.
- C. Healing requires information beyond simply knowing a demon is present.
- D. God seldom shows through words of knowledge alone all information deliverance ministers need to heal people at the deeper levels. He provides a means for us to learn much more through forcing the demons to admit what they know.
- E. We are not to only cast out demons but to bring all the deeper healing necessary.

FORCING DEMONS TO GIVE INFORMATION WEAKENS THEM

- A. As we demonstrate demons weaknesses by forcing them to obey Jesus, they get upset and discouraged. Demons often speak very arrogantly until they begin to feel the power of God directed at them. I have heard demons say "it is not fair" or "it is disgusting!" which they yelled before coming out.
- B. Hearing demons confess their lies provides the delivered person with a boost.

(Note: Tell the story of Art).

C. Learning during deliverance to recognize the demon's voice is very helpful after deliverance.

There was a man who was delivered and one night he heard: "We are back". He recognized the voice as that of a demon and he said: "Inside or outside?" The demon replied "Outside." And then the man commanded the demons to leave and went back to sleep.

3. SOME CAUTIONS WHEN GETTING INFORMATION FROM DEMONS

CAUTION 1: Never trust anything the demon says without checking it out. Force them to say if their answer is going to stand on the Day of Judgment. If they say yes, most of the time it is true. But sometimes you might have a witness in the spirit (Rom 8:16) that he is lying then apply the pressure accordingly.

CAUTION 2: Knowing demons seek to deceive alerts us to command them to tell the truth in the name of Jesus.

CAUTION 3: Deceit is not the same as lying.

CAUTION 4: Don't let demons distract or control any part of the ministry.

CAUTION 5: Demons bluff; don't let them scare you.

CAUTION 6: There is no sure-fire set of directions as how best to get information from demons.

4. HOW TO FORCE THEM TO TALK

PUTTING PRESSURE ON DEMONS TO COOPERATE

- A. You stand in authority. Demons know when you are sure of it.
 - (Luke 10:19) "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.
- B. Command the spirit to manifest which Jesus wants you to talk to.

OMEGAMAN ™ WEBSITE EMAIL US RETURN TO TOC 83

- C. Command the spirit which is behind the problem to say his name.
- D. Repeats commands if they do not want to talk, applying tactics to force them to talk.

TACTICS TO FORCE THEM OUT:

- 1. Tell me demon what happened at the Cross.
- 2. Lord Jesus, show them their defeat at the Cross. Quote Col 2:14-15
- 3. Demon, look at Jesus, He is here!
- 4. Read Psalms 2.
- 5. Use the Blood.
- 6. Use scriptures, songs etc. (See the SOD 101 Manual– How to do deliverance 1-3).
- 7. Force the demon to confess that Jesus is Lord.
- 8. Force the demon to confess that he defeated by the Blood.
- 9. Force the demon to renounce his claims to the person.
- Force the demon to bind to himself demons under his command and all the evil they have brought in: (curses, sicknesses etc.).
- 11. The last thing, force them to say: "We are coming out now".

5. EXAMPLES OF INTERROGATION AND THE RESULTS

- A. My story with a spirit called Soul Fetcher (SOD 301 Soul Fetcher)
- B. My story with a spirit called Worm.(SOD 301 Manual Why are you offended Spirit of Worm)
- C. The Strongman over Edmonton; deliverance of Carole Schmidt; Catholic demons (CD or DVD of SOD 301).

- D. Nicole: 86 spirits of rejection, 3 spirits of arthritis, 18 spirits of Scorpion.
- E. Door keepers.
- F. Asking demons what is holding them from coming out.
- G. Holly; spirit of Self Hatred; recently in Doreen T. A spirit of self-hatred was revealed to be in many parts of her. The one we talked to happened to be the strongmen over them all. We commanded him to bind all demons under him to himself and come out. In the next deliverance session a demon of anger (a whole nest came out too) confessed that the demons are upset because she doesn't cut herself anymore; The spirit of control froze the action of casting out the spirit of abandonment).

THE MOST IMPORTANT POINT

Whatever we learn about technique, we must not lose sight of the most important point in any healing and deliverance ministry which is there is no substitute for listening to God and relying on the Holy Spirit.

Our greatest weapon is our closeness to God. Learning to listen to Him and doing what He wants are both the greatest challenge and the greatest satisfaction.

ABOUT GENE

My name is **Gene Moody** and I have been in the ministry over 35 years.

Earline, my late wife, was with me in the ministry until she went to be with the Lord on July 22, 1998.

We were a husband and wife team having the goal of setting the captives free.

Our main publication is the Deliverance Manual.

It took about twenty years to complete, and about a year of my

life and a year of Earline's life to write. The manual is being circulated around the world. This is our primary way of teaching people how to do deliverance as they are led by the Holy Spirit. God told us to help train Him an army to minister deliverance.

Spiritual Warfare Manual, How To Do Deliverance Manual, Sexual Deliverance Manual, Witchcraft Deliverance Manual, Curses Deliverance Manual and Healing Deliverance Manual are additions to the Deliverance Manual. We have some Christian booklets (Good Homemaker – Proverbs 31, The Curse of the Bastard and Inherited Sexual Sins) and our testimony: From Death Into Real Life. On this website you can access our Deliverance Manual and other Manuals, and writings by us and End-Time Deliverance Ministries.

Before Earline had kidney failure, we spent about a month out of each year at Lake Hamilton Bible Camp at their six camp meetings ministering deliverance and healing. Otherwise we spent about another month ministering in churches, fellowships, prayer meetings, homes, jails, prisons and other public places. There we would teach, minister and counsel to groups and individuals. We ministered to the lay Christians and five-fold ministry. This is basically a ministry of helps to the Body of Christ.

We would work with people over the telephone, in the mail, in our home, in Christian settings and in public places. The ministry still continues in this manner as the Lord sets the schedule. My home is open for prayer

BELIEF IN THE BIBLE AGIFT

by: Pastor Jim Croft
Email: jimcroft777@gmail.com

onscientious students of the Word who believe all they read have a God given gift. I've studied the Exodus story all of my life.

Considering the investigative way I'm tweaked, I'm astounded that I believe the account. I praise the Lord for my heartfelt embrace of the Scriptures' truth. Why label it as supernatural gifting?

Because devotees blindly swallow stories of happenings that they'd question in disbelief if coming from any other source.

EXAMPLE: Fox News reports that all firstborn male TX citizens living outside of Houston died during the night. And, mysteriously every last soul and household pet of Houston's 2.3 million inhabitants fled during the night leaving one of the largest cities in the US a ghost town.

The TX National Guard is in hot pursuit of the refugees that's the size of Rhode Island. Appears to be a race for the Mississippi River.

Assuming that you understand the reality of traffic jams: You'd seriously doubt reports about all of this happening within one night. You'd call it Fake News meant to discredit Trump.

But, thanks to the Spirit's gift, you readily believe the Bible's similar story.

Contrary to what we might naively think, many, if not most Jewish rabbis regard all pertinent to the wilderness experience as a myth.

They observe Passover as a traditional vehicle to cohesively unify Jews as distinctive unassimilated people. There are commonly accepted portions of Exodus narrative that are more miraculous than the parting of the Red Sea and the daily provision of manna.

I'll list some of the points of the story that wouldn't remotely be plausible without unseen & unmentioned Divine involvement.

- 1 The Egyptians have the most thorough written histories of antiquity. They're found in the pyramids and on through to children's diaries. There's no historic mention of the death-night of all human & beasts firstborn males. Much-less, the single night exit of the nation's 2.3 million workforce.
- Even Jewish archeologists who've combed Moses' route for years have not found evidence of a 40-yr sojourn. The count of Jewish armed troops is specified at over 600,000. They were sentenced to die prior to Canaan entry for disbelief that they could

defeat the land's inhabitants. There are not any supporting burial site digs that prove 40 or more daily funerals over the span of 40 years.

- We're told that the former slaves ate only manna. For sure, we know that each family unit of 8-persons ate at least one Passover lamb after Moses' descent with the final set of tablets. That celebration required 287,500 lambs without blemish. This indicates a far larger flock from which to choose. Plus, they had other livestock which were used as draft animals. These pullers of household carts & Levitical wagons surely numbered in the tens of thousands.
- 4 In Egypt, Jews applied lamb's blood to the door posts of their houses. Where did they get the 257,500 8-person Bedouin style tents made from animal skins for desert camping? I'm quite sure Wal-Mart was fresh out. A conservative weight for these tents with poles, ropes & pegs is in the neighborhood of 80lbs each.

- 5 The precious medals taken from the Egyptians and later used for the Tabernacle weighed 15,008 lbs./7.5 tons. I'd imagine to leave in a hurry with kids, tons of tents, gold, silver, bronze, plus livestock in tow required a lot of undisclosed angelic assistance.
- **(6)** Where & when did Moses' IDF get and learn to use military weaponry? They fought and defeated the Amalekites early on in their travels. All without 6 months of boot camp?
- The Sinai has rocky, sandy, arid mound ridden rolling terrain with sparse vegetation. The Bible says that the massive exodus march was conducted in ranked formations by tribe. Each was led by its flag carrying military contingency. The marchers numbered a minimum of 2.3 million not counting livestock and an unknown number of the tag-along mixed multitude escapees. If the Israelis marched 50-abreast with 9 ft between rows; the parade would've been at least 80 miles long. US westward bound wagon trains might average 15 miles

- per day. If Israel moved at that snail's pace through the Negev - big problem! It would take the rear columns 5 days to catch up with the lead columns who stopped to camp for the first night.
- The encampment was in the shape of a Cross. East to West, North to South with the Tabernacle at the middle's cross beams. It was unlawful to defecate within the camp. When nature called, the only relief was outside the encampment. Mexican manna was definitely outlawed for anyone dwelling on the middle aisle of either of the 2 figurative pieces of cross scaffoldings. An 8-man tent would require around 200 sq. ft to give others in the adjacent area and rows walking room. A run to the latrine could equate to 30 minutes of dodging kids and hurdling tent ropes on the run. Aren't you glad you're a recipient of the gift of believing the Word of God?

INVISIBLE ENEMIES

by Jim Croft

In the last 40 years, there has been a resurgence of New Testament deliverance ministry.

On the forefront of this movement is Jim Croft, pastor, teacher, and deliverance minister.

In Invisible Enemies, Croft takes readers on a journey into the heart of deliverance ministry.

Full of personal testimonies from Croft, his family, and others who have been delivered, Invisible Enemies also exposes and counters some of the more aberrant methodologies that have become the norm.

Even better, Croft shows believers how to free themselves and others from demonic powers and how they can maintain that freedom.

Including topics such as:

- The reality of the demonic realm
- The different types of evil spirits

- How demons enter and display their presence
- Why it's not unusual for Christians to need ministry
- How to miniwster deliverance

ast night I was flipping through YouTube on my TV set (I use the Roku 3 Box) and I came across a couple videos of a man testing the Electro-Magnetic Radiation coming from his cellphone and Internet WI-FI Router using a handheld meter and another video testing radiation from the Electrical Smart Meter attached to a house.

Friends many of us are literally taking baths in EMF/ RFR Radiation 24/7 a day and some of us have the faucet turned on FULL FORCE!

Harvard Dr David Carpenter says about radiofrequency radiation (RFR) "elevated levels for long periods of time increases the risk of cancer, damages the nervous system, and adversely affects the reproductive organs."

I want you to watch the following videos and see what happened when a test was done on devices many of us use and some of us even sleep next to at night:

INTERNET WIFI ROUTERS

HARVARD DOCTOR WARNS ABOUT SMART METERS

https://www.thehealthyhomeeconomist. com/harvard-medical-doctor-warns-againstsmart-meters/

For several years now I have been living with an Internet WI-FI Router in the house and have slept with my mobile phone within close proximity so I did not miss any text messages. When I go mobile I carry my cellphone in my pocket...

THIS IS NOT SMART AND VERY DANGEROUS!

After watching the above videos I saw the mistake I have been making as I have literally been bathing 24/7 in harmful EMF radiation and my family is taking the same EMF Bath!

Steps I have decided to take now:

TURN OFF WIFI ROUTER & USE ETHERNET CABLES IF POSSIBLE

First thing I did was to follow the example of the man in the video and I turned off my WI-FI router and switched to "Wired" ethernet cables. To do this I logged into my internet router using ip address: http://192.168.1.1 and switched Wi-Fi to "DISABLED" which immediately turned off the faucet of EMF radiation pouring out of the router which was saturating the house 24/7 with powerful radiation. Even if you can't do this Full Time you can still turn off the WI-FI before going to bed and then turn it back on during the day. This will allow you to sleep without being bathed in EMF Radiation.

PUT YOUR MOBILE PHONES ON AIRPLANE MODE BEFORE YOU GO TO SLEEP

Before I went to sleep last night I took my iPhone which I had kept on 24/7 and in the room at night and put it on AIRPLANE MODE. This turned off the faucet of EMF radiation and still allowed me to use the phone's alarm clock feature which wakes me up to do the shows.

If you can it is BEST to leave the phone in airplane mode as much as you can and then periodically thru

the day you can still turn it back on to check for any IM's before switching it back to airplane mode.

Have we become addicted to mobile phones so much that we can't survive if they are turned off in airplane mode? What did we do when we had only landlines and payphones? The World has been operating for thousands of years without WIFI and TEXT...

SMART POWER METERS

Ido not have one of these as far as I know but if you do you can buy the EMF FILTER covers or ask the power company to put you back on a ANALOG meter.

Other Thoughts:

It will be very hard to ELIMINATE "ALL" radiation especially if you live in a community like me where your neighbors have WIFI Internet Routers and or Smart Meters. Then there are all the transmitter arrays popping up all over town which broadcast and boost signals and cover our entire cities in waves.

That being said we take what steps are in our control until we can find long term solutions to limit our exposure to EMF Radiation.

It is my belief that the EMF radiation that has been pumping 24/7 through my house from the WIFI router and mobile phones has been responsible for contributing to fatigue.

I can tell you that I actually feel a difference after turning off the WIFI router and phones around me...am I imagining this or is this true?

There are other sources of EMF radiation such as the laptops we use so much but making the changes I have already made is better than not and is a good start...

GOD CAUSES ALL THINGS TO WORK TOGETHER FOR GOOD... Romans 8:28

by: Pastor Gary Stafford www.justintimeministries.com

t was a warm summer day in July, when I realized it was going to be a very stressful day in my office. There had been new management and additional sales personnel added to an already fully staffed office. We had to "double up", and I helped others move into my office, as I sought other space. I thought I was handling this well, but stress was building.

I got home early that afternoon, not feeling right, and I called my physician for an appointment. It was his day off, so I called the doctor covering for him. Her reply to my inquiry was, "How old are you and do you smoke?" My reply was, "age 49, and I haven't smoked for years." She then directed me to the emergency room of a local hospital, where she would meet me.

This was not what I wanted but she was the doctor. I got to the emergency room, and I parked in "visitor's parking," for there was nothing wrong with me. Staff met me after I had "signed in", giving pertinent information and proceeded to test me as the doctor walked in. The tests were all negative and yet, the doctor would not let me go home. She turned to me, a Jewish doctor, and she said, "Something inside me tells me not to let you go". Then she said, "I'm calling a cardiologist to examine you". I waited and waited. Finally, the cardiologist, a Roman Catholic doctor came, looked at the test results, nodded, and said, "good... but, something inside me tells me not to let you go".

He replies "I want to run another blood test to see if you have had a silent heart attack". A technician was summoned and I was moved to the area where they did other tests. A woman in white took my hand, injected a needle into the back of my hand, looked up at an oscilloscope that was connected to my body, exclaiming "Oh no!" My response was "what?" I looked over at the lines on the oscilloscope suddenly go to a flat

line. I had died.... at the age of forty-nine!

One or more minutes later, I awakened on a gurney, cold and clammy, with nurses and doctors around me, after they had injected me with a drug to get my heart started again. I lay there, thanking God that I had gone to the emergency room, and that He had spoken to two doctors, of different faiths, to save my life... hearing-"something inside me tells me not to let you go". Wow!

Well, there was another episode where my heartbeat dropped dangerously low that evening, but I was stabilized and there were no further occurrences... but, I'm hearing a voice say to me, "This is not the first time I have saved your life". I looked around and there is no one there. Thinking it was the Lord, I replied a bit annoyed, as I could not remember any time in my life that He had interceded and saved me. My response was "wait a minute, when?" Sudden-

ly, I was watching my life play out on a large movie screen at a time when I was seventeen years old. I had gone out on a frozen lake, walking through various canals on this cold winter day.

Then, I came upon the larger portion of the lake. I stopped, hearing something strange. I looked down at the ice and it was cracking all over; water was coming over my boots, and I could not lay down to spread my weight. I eased my feet along the ice that continued cracking, as I went in the direction of the shore. Three feet from the shore, the ice broke under my boot, and I found my foot knee deep in the frigid water. The movie-like screen in my hospital room went black, and suddenly, I heard the Lord speak....

"This was the first time." And I wept. Even when I had not known the Lord, He had saved me, and I am certain that you can remember similar times in your life, when something like this has happened.

The next afternoon, my wife Marilyn arrived. She had been more than 250 miles away with our two children on Cape Cod. She was relieved that I wasn't critical at that moment, and I asked her when she was leaving, "Bring my Bible and say nothing to anyone, as to where I am.... that I wanted time alone with the Lord".

The next day, my wife brought me my Bible, and after she left, I asked the Lord, "Lord, what do you want me to know about this situation?" I opened the Bible and found myself at Romans 8:28

"AND WE KNOW
THAT GOD CAUSES
ALL THINGS TO WORK
TOGETHER FOR GOOD
TO THOSE WHO LOVE
GOD, TO THOSE WHO ARE
CALLED ACCORDING TO
HIS PURPOSE."

I read it and read it again, and I responded, "You have got to be kidding! What possible good could come of this? I'm now uninsurable. I'll have to tear up the application I had filled out for disability insurance, that I had not processed". I was not a happy camper, but God's word is true, whether you understand it or not. I did not understand!

Well I was moved to a heart specialty hospital, and the staff of specialists ran countless tests but could find nothing wrong. I had a healthy

114 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

heart, a heart of a young man, and after a few days, I was released on my wife's birthday, a gift from God. On arriving home from the hospital, there were a dozen red roses for my wife's birthday. You know, sometimes we take our life and the awesome people in it, for granted, and I won't ever do that again.

Now, I still haven't told you how "all things work together for good". Well, you need to know that weeks later, I was called by a doctor's wife, who told me her husband Jack had had a heart attack. I responded, "What hospital is he in?" She replied, "Jack is not in the hospital; he's home". I replied, "Who is his doctor?" She replied "he's treating himself, he rented an oxygen machine and he's using that to treat himself."

At this point, I was getting ready for work, and I could no longer spend time on the phone, so I said, "I'll be praying for him" and hung up. I stepped into the shower, and I kept getting this prodding from within. Finally, I said "Lord, do you want me to go see him?" The answer was "yes". I jumped out of the shower and called back the doctor's wife. "Lorena, do you want me to come up and see Jack?" She replied, "Oh would you?" I hung up, got dressed and left to see him. His wife answered the door and pointed to Jack in the living room. Jack's lips were purple, his face pale, and his nails were purple, even as he inhaled the oxygen he set up to treat himself. I was frustrated and annoyed with Jack. A hospital could save his life, just as it had saved my life. Jack was a Christian; he was born again, but somehow he had a fear of being treated in a hospital. The enemy is the cause of fear and we don't always know we are being deceived by the enemy. We have to rebuke the enemy and he will flee. I turned to Jack and asked "what do you have in your black bag that will heal a leaking heart valve?" He looked puzzled and said "Nothing!" I replied, "you are going to the hospital right now. If God can heal me in a hospital, He can certainly heal you."

I instructed Lorena, his wife, to call for an ambulance, telling them that we were taking Jack to the heart specialty hospital where I had been taken. They arrived and took him to the hospital, where he had to wait for admission. A quick evaluation was made that he had an embolism. I left the hospital. Yes, I had prayed. Now he is where he can be treated.

The next day, I called Lorena at the hospital, and she responded, "You were right. Jack remembered what you said. He's been diagnosed, after several tests, that he has a leaking heart valve." Can you imagine that? An insurance man, with no medical training, gives a diagnosis, through a "word of knowledge," when it was needed most.

I visited Jack in the hospital the next day where he was in intensive care. When I finally got to his room, a bit difficult as there are three intensive care sections with eight beds in each, I broke into laughter. When I laughed, Jack looked annoyed and said, "What's so funny?" I continued laughing, and said "You're in my old bed, when I was here." God has a sense of humor.... I knew immediately that Jack was in God's hand. Yes, Jack had heart surgery, with surgeons replacing the heart valve. He recovered quickly and returned to work, without any further fear of hospitals.

lack once said, "I owe you one". I never really thought that because of my first days of becoming "saved" and "born again", Jack was my mentor in Christ. I had many, many questions, but Jack always took time to answer those questions and it is because of that, that I have weathered every storm and every attack on my life. The Holy Spirit used Jack to help me before I could understand the Spirit's counsel. I thank you Jack, for your patience with me. I thank you Holy Spirit, that I can tell such stories that glorify God the Father, God the Son and God the Holy Spirit. Yes...

WARFARE PRAYER ON BEHALF of PRESIDENT DONALD J. TRUMP and the USA

by: Dr. Sabrina Sessions miracleinternetchurch.com

Source: https://en.wikipedia.org/wiki/File:Donald_Trump_official_portrait_(cropped).jpg

eavenly Father, in the name of Jesus Christ we present President Donald Trump before you in his office as President of the United States of America. From our position as believers in Jesus Christ and seated in heavenly places with Him, we praise the Lord Jesus for offering His blood for our redemption. We take up our weapons of warfare against the enemies of God and satan. We occupy until Jesus comes and enforce with our agreement with the Holy Scriptures, and our godly works, His victories.

Taking the sword of the Spirit, we sever all demonic ties between the tenure of Pres. Trump and the sinful acts of his predecessors. We loose him from the bonds of "presidential acts" that his predecessors have demonstrated, we destroy all cages and release the captive.

As citizens of the United States and children, kings, and priests of Your kingdom, we present Pres. Trump

to You, to be moved upon by Your Spirit accordingly as You subdue all things unto Yourself and his heart is in Your hands to turn as You will. We agree with Your work in Pres. Trump for him to both will and to do of Your Good pleasure. Likewise we take authority over any forces or beings that would hinder his obedience to You; we bind, cage, and chain those spirits and their activities in Jesus' name.

We speak to the demonic cloud over our nation's capitol and we bind all activities coming from it in Jesus name, and we cage and chain the cloud and the spirits therein. We send the division and confusion that they have determined against the righteous and against Pres. Trump back into their own camp, sevenfold in Jesus' name. We close

every open door, every access, and every portal of darkness used by the enemy against Pres. Trump, his family, his security forces, his staff, White House staffers, his cabinet, and his administration; and we ask Jesus Christ to seal it. We call for Holy fire from heaven to consume every lay line and device of the enemy.

We turn back and break the power of all curses, hexes, spells, bewitchments, false accusations, lies, psychic prayers/thoughts, mind control, voodoo, incantations, psychic warfare, items used in witchcraft, torment, jinxes, hoodoo, root works, chanting's, evil prayer chains, potions(even in dreams), demonic dreams, charms/fetishes, sorcery, magik, sickness/infirmity, crystals, fireballs, ungodly bless-

ings, and all wickedness used by the enemy against Pres Trump, his family, all that pertains to him, and against the righteous.

Father we ask You to cover Pres. Trump and his family with the blood of Jesus, surround them with Your wall of fire, Your warring angels and with fiery swords continually in rapid motion. We raise shields of faith to quench all the fiery darts of the wicked and to deflect all witch-craft and occult works sent against them; surround us with Your favor. We bind the evil words, thoughts, actions, imaginations, plans, purposes spoken against them and we condemn them now; they shall not prosper in Jesus' name.

Father, we come into agreement with the Holy scriptures and put

OMEGAMAN ™ WEBSITE EMAIL US RETURN TO TOC 119

You in remembrance concerning the enemies of Your kingdom, the righteous, and Pres. Trump and his administration: (Psalm 35) against all those who hate him without a cause, those who judge him/his family according to the flesh, those who criticize him/his family in ignorance and malice, those who deliberately target him/his family for assassination, those who work witchcrafts against him and all that pertains to him:

(Ps 74:18); (Ps 3:7, Ex 22:18, Ps 6:10, Dt 7:5, Ps 7:6, Dt 12:3, 1 Chron 14:11-12, Is 9:4-5,Ps 9:3, Ps 18:37, Ps 18:40,48; Ps 25:19, Ps 27:2,12; Ps 31:15, 35:19, Ps 41:2, Ps 44:5,7; Ps 45:5, Ps 56:9; Ps 59:1, Ps 60:12, Ps 68:21, Ps 72:9, Ps 78:66, Ps 83:1-3, Ps 92:9, Ps 97:3, Ps 108:13, Ps 110:12, Ps 138:7, Ps 132:18,Ps 127:5; we thank and praise the Righteous Judge for His intervention, adjudications, and the full execution of them.

Father, we ask for Your interventions concerning Pres. Trump and the fulfillment of his "campaign promises" (Ps 15:1-4), his family, against weariness, battles with the media, his executive orders, his staff, White House staff, visitors to the White House, "the swamp" removing those who have not clean hands, pure heart, who have lifted up their souls to vanity, or sworn deceitfully, in whose hands is mischief, or full of bribes, or who have risen up as a false witness,(Ps 43:1), his security staff, his relationship with the "rich, wealthy,

and influential), his agendas, his legal battles, his travel plans, his itinerary, and his future meetings with national leaders, and all that pertains to his tenure as President of the United States of America.

We bring before You Lord, Pres. Trump and his wife, strengthen their marital bonds, his family, the law of kindness in his mouth, those whom he has offended, those who appreciate his actions as president but find his "style" to be repulsive, his campaign promises, his security forces, those who would assassinate him, the economy, housing in America, campaigns to attack his integrity, those who doubt his ability to govern, those who mock him, his travel plans and itinerary, the racial divide, and the use of politics to turn unbelievers from Christ. We transfer the government of these issues to the shoulders of the Lord Jesus Christ.

Father we cancel the evil assignments of the wicked, and bring Thou forth all their wickedness to thwart, hinder, and devour their works; for sowing and reaping is yet in the earth in Jesus' name. Yes, pride goeth before destruction and an haughty spirit before a fall; and the way of the wicked is an abomination to the Lord. Yes, the mouth of the fools feedeth on foolishness; and the thought of foolishness is an abomination to the Lord! Yes, Lord consider the laws, ordinances, statutes, executive orders, writings, testimonies,

judgments, practices, sanctions, edicts, inventions, devices, methods, proposals, sentences, boundaries and the execution of them by wicked persons in this nation that are an offense to You, Lord God Almighty and judge them all.

We release Proverbs 16:7-14 and blessings into the Trump administration. Father, we ask that the counsel given to and received by Pres. Trump be from Your throne and not as the counsel of Ahithophel which was turned to foolishness.

Father, we thank and praise You in hearing and acting upon the scriptural prayers of the righteous. The name of the Lord is a strong tower, the righteous run into it and are safe; for we trust not in other means, but we trust in the name of the Lord our God.

The Lord He is God, and there is none else beside Him. Father, we bow in worship and adoration of You, as we anticipate Your actions on behalf of Pres. Trump, the United States of America, and the righteous. Father, we ask for the release of Your angels, ministers, and hosts to do Your bidding in these matters. We say, 1 Chronicles 19:13, Psalm 60:12, Psalm 118:15, Revelation 12:11. Amen.

In His Grace,

Dr. Sabrina Sessions

er. John Ramirez doesn't have that luxury – he experienced the prince of darkness up close and personal.

In the impoverished streets of the South Bronx, John Ramirez found "acceptance" from a family of witches and warlocks. These practitioners of dark arts trained him to be a high-ranking satanic priest – a story told in his first book, Out of the Devil's Cauldron. However, everything changed when he met the living Christ. In Unmasking the Devil, John Ramirez shares an insider view of how satan operates so you can avoid his traps and learn how to: discern between the voice of God that directs to victory and satan's voice that leads to destruction.

COME HAVE A LIFE CHANGING EXPERIENCE WITH A LIFE CHANGING GOD!

BASIC DELIVERANCE **COURSE**

Greetings in the name of our Lord Jesus Christ:

Please allow us to introduce ourselves. We are Doctors Vann and Sandy Hutchinson from Mullins, SC. We have been in Christian ministry for over thirty years emphasizing the transformation of church members into warriors for Christ. In our personal ministry, we have seen many miracles, healings, and deliverances from demonic oppression

through the name of our Lord Jesus. Sandy has a tremendous testimony of God's healing power after twenty years of asthma, allergies, and COPD. Vann has a testimony of raising a lady from the dead through the power of the name of Jesus.

As the latter-day church prepares the way for an end-time revival, we believe that the Holy Spirit is raising up an army of trained, motivated, and equipped believers from all denominations to go forth and demonstrate the power of a living God. He has trained and anointed us to be teachers in the body of Christ in order to help pave the way for this revival of power, signs, and

It is our goal to assist the church in moving beyond the "grasshopper" mentality (Num. 13:30-33) to that of Caleb who said, "Let us go up at once and possess it, for we are well able to overcome." Please allow us to assist you and your congregation by sharing the vision and revelations that God has given us. We are available for all church services, revivals, conferences, and seminars. You may get in touch with us by visiting the contact page, or sending an email to info@vannhutchinsonministries.org

DELIVERANCE FROM ADVERSE CHILDHOOD EXPERIENCES (ACES)

by Drs. Vann and Sandra Hutchinson

There have been many studies conducted and books written on Adverse Childhood Experiences (ACEs) and their effects on the quality of life in adulthood. However, none have included demonic deliverance as a possible means for overcoming these adverse events.

Drs. Vann and Sandy Hutchinson feel that this present work is the most important book that they have written. They explain how demonic spirits enter through toxic stress and affect brain development, emotional control, and physical health both in childhood and throughout life.

The book is based on hundreds of articles and statistical research studies on the effects of ACEs. It concludes with instructions on how to be delivered from ACEs that have tormented you and destroyed your health and emotional well-being.

JESUS OUR COMMANDER IN CHIEF

by: Pastor David Measures

hen we make the decision to follow in our Lord's footsteps, we should have the same desire as He does to Save. Heal and Deliver. All through the Gospels we see Him tirelessly at work, guided by the Holy Spirit. He turned no one away who came to Him; He supplied their needs, even provided food for over five thousand people.

In compassion, He did something in every situation. I believe He's expecting no less from His disciples today. It's a tough challenge but nevertheless it is the truth. He has equipped the Church with all the tools for the job and given the talents and gifts to go with them. If Jesus cast out the demons two thousand years ago why should we think that for the last two thousand years, there has not been any to cast out?

RETURN TO TOC

In my experience this is vital for the Kingdom of God to bring the Kingdom onto the Earth. If you have never opened your heart up to the Gospel in this way, maybe this little book will be of help to you. Jesus said:

"It is enough for the disciple to be like his teacher" (Matthew Ch 10 v 25).

When we see our Commander in Chief in action we just read in amazement. After receiving salvation, for a time I felt quite sad that had been born in the twentieth century. Two thousand years ago, fishing in a boat would have been my choice, being called to follow Him. Yet it took me quite some time in my new life in Jesus, to realise that He wanted me to be His disciple today. He has called you if you are a believer to be His disciple, to do the work He did and to do even greater miracles.

One day Jesus entered the synagogue.

Mark Ch 1 v 21.

"Then they went into Capernaum, and immediately on the Sabbath He entered the synagogue and taught. And they were astonished at his teaching, for he taught as one having authority, not as the scribes. Now there was a man in the synagogue with an unclean spirit. And he cried out saying, "Let us alone! What have we to do with you, Jesus of Nazareth? Did you come to destroy us? I know who you are- The Holy One of God!" But Jesus rebuked him, saying "Be quiet, and come out of him!" And when the unclean spirit had convulsed him and cried out in a loud voice, he came out of him. Then they were all amazed, so that they questioned among themselves, saying "What is this? What

new doctrine is this? For with authority He commands even the unclean spirits, and they obey Him". And immediately his fame spread throughout the region around Galilee".

This man was in the synagogue and yet the man had <u>an</u> unclean spirit (singular). The man came to Jesus; the unclean spirit spoke and said 'Let <u>us</u> alone' (plural). Jesus cast the unclean spirit (singular) out of the man. This is interesting. You have heard the saying 'Birds of a feather flock together. If you look in the sky at migration time you do not see all different birds flying together, it is always the same flock. Well, spirits do recognize each other. This spirit in the man recognized he had friends and that is why he said 'us'.

Rebellious people will be happy in each other's company. People who are happy with the certain beliefs and doctrine of that church or denomination will flock together. If a person does not wish to be convicted or challenged, they will search for a church fellowship that suits their needs. If you want Jesus and His word to be central in your own life, then you will only be happy in a fellowship that wants the same.

I believe the Lord had no double mindedness in Him when the Holy Spirit inspired the Prophets and the Apostles to write the scriptures. So if we are

OMEGAMAN™ WEBSITE EMAIL US RETURN TO TOC 135

the body of Christ and Christ is not a schizophrenic, why are there so many different doctrines in His Body? Could it be that spirits are very much alive in the Church today? Could this be why there is so much church hopping in our generation? The scriptures call them wandering stars (Christians wandering from church to church). Wrong spirits can be affecting the Church because of the reluctance to accept the Word of God as it is. It was the same in the Apostle Johns day.

1 John Ch 2 v 18- 19.

Little children, it is the last hour; and as you have heard that the Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. They went out from us, but they were not of us; for if they had been of us, they would have continued with us; but they went out that they might be made manifest, that none of them were of us.

These people, who the Apostle John is talking about, were once part of the church they were obviously listening to the teachings of the apostles, in accordance with the Holy Scriptures, because the word states that they went out from among them. Why did they leave? The apostle John called them antichrist spirits. I too on occasions have challenged people to blot out the passages of the Bible that in their opinion is not the Word of God. If everyone who did not believe some part did that, the Bible might just be left with the maps.

As we read the scriptures in Acts Ch 5 v 12 we notice that as the apostles met each day in the temple courts by Solomon's Porch, mighty miracles were done by them but no one dared to join them. Nevertheless, God added to their number those who were being saved. One day when Jesus was speaking to the multitudes, His disciples were present at the same

time. His mother and brothers came to take Him away. His answer was:

Matthew Ch 12 v 48-50.

"Who is My mother and who are My brothers?" And he stretched out His Hand towards His disciples and said, "Here are My Mother and My brothers! "For whoever does the will of my Father in heaven is my brother and sister and mother."

It seemed that Jesus only recognized those who were doing the Father's Will. As Christians we need to really seek the Father to do His Will.

The scriptures tell us that Jesus spent many hours in prayer before He went about doing His miracles. Each morning He would go onto a hillside or remote place to commune with God the Father. It took Him hours in prayer to know the Father's will yet only seconds to perform a miracle.

Jesus went into the villages teaching and healing those in need. People brought their sick and demon possessed and He healed them all. How do we know that God will not use us all to heal the sick if we do not allow Him to? We might be pleasantly surprised to find that as we make a decision to move in faith, God has already gone before us and will continually be with us. The Bible says in the Gospel of Mark Ch 1 v 37 that "everyone was seeking Him", actually that is the same today.

People are looking for answers for all of life's problems, looking for the meaning of life and trying to find the answer in religions or ungodly theories like evolution. It is surprising that so many Christian ministers sadly believe in evolution because prominent scientists say they can prove it. The Bible does not say; "In the beginning science created God." God created everything before scientists existed.

136 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN TO

It is true everyone is seeking Him but they do no realize it. They are seeking everything that Christ can give them but unfortunately the answer is too easy for them. People are seeking happiness, waiting for something to happen to make them happy. Even if they have the good fortune for it to happen it is only short lived for it often leaves them needing more.

Being part of Gods family, we can have joy that will never leave us whether times are good or bad. Multitudes are seeking for healing of their bodies and their souls (mind, emotions and their will) all the places where the devil has been allowed to get a foothold into their lives, either by their own actions or by the evil influences of other people.

So they try to get help from the occult or many of the occult practices that are in the market place today. Practices like reflexology, homeopathy, crystal therapy, aromatherapy, acupuncture, reiki healing etc, all of them based in the New Age religion. Sadly, these can be found advertised in church monthly magazines. The Word of God tells us to rely on Him not to get involved in ungodly practices.

Even though the therapists do show Christian symbols in their shops or even worse have an influence in the church congregation. Necromancy, Spiritualism, Fortune Telling in whatever form is described in the Bible as an abomination to God. Even if it was seventy years ago when the people were involved, they will very likely need deliverance from the influence. In ministry I have found this to be true. People have even relived the original experience when something similar happened later in their life.

In one particular case the time span was seventy-six years. So many times, people will tell me, when asked if they have been involved in occult practices will say they only visited a fortune teller as a bit of fun and that was when they were young, and it was also before they were a Christian. Some have asked for forgiveness but never sought for deliverance from the

spiritual power behind the sin. True and pure healing can only be found in the Lord Jesus Christ.

The Master gave Himself and all that He had, for however many who came to Him, He never promoted Himself. I believe neither should we? The Bible tells us God will lift us up. We need to be very careful as Christians not to use Christianity as a business and put fellow Christians <u>under undue pressure</u>, all to <u>promote ourselves</u>. If we read

John Ch 7 v 1 – 8

"After these things Jesus walked in Galilee: for he would not walk in Judea, because the Jews sought to kill Him. Now the Jews' Feast of Tabernacles was at hand His brothers therefore said to Him. "Depart from here and go into Judea that your disciples also may see the works that you are doing. For no one does anything in secret while he himself seeks to be known openly. If you do these things, show yourself to the world." For neither did his brethren believe in Him. Then Jesus said unto them, "My time is not yet come, but your time is always ready. The world cannot hate you; but it hates me because I testify of it that its works are evil. You go up to this feast. I am not yet going up to this feast, for My time is not yet fully come".

His brothers thought He should promote Himself, make a name for himself, and go to the Feast. He was not interested in going to the Feast with His brothers. Eventually He went on His own accord. Jesus never compromised with the worlds' ideas. Our Commander in Chief is a shining example of what we should be. Are all our motives the same as our Lords, or are we building the house out of the wrong materials? The First Epistle to the Corinthians explains in detail.

OMEGAMAN™ WEBSITE EMAIL US RETURN TO TOC 137

1 Corinthians Ch3 v 9-15.

"For we are God's fellow workers; you are God's field, you are God's building. According to the grace of God which was given to me, as a wise master builder I have laid the foundation, and another, builds on it. But let each one take heed how he builds on it. For no other foundation can anyone lay than which is laid, which is Jesus Christ. Now if anyone builds on this foundation with gold, silver, precious stones, wood, hay, straw, each one's work will become clear; for the Day will declare it, because it will be revealed by fire and the fire will test each one's work, of what sort it is. If anyone's work which he has built on it endures, he will receive a reward. If anyone's work is burned, he will suffer loss; but he himself will be saved, yet so as through fire".

We need, with the help of the Holy Spirit to analyse ourselves to find out what makes us do what we do. As we read these verses we need to examine our motives with good works that seem right to us (gold, silver, precious stones) but even these so called, precious things will be burned up if the Lord has not planned it. We have been called to be His servants not to do our own thing. If we truly look at our motives some of us might fall short of God's ways. So why is this? I believe it is because; either we refuse to accept his ideals. (rebellion) or we do not let him change us, we want to do it our way, (stubbornness)

1 Samuel Ch 15 v 23 states:

"For rebellion is as the sin of witchcraft and stubbornness is as iniquity and idolatry".

If the problem is not one of these then maybe the enemy has his hold on us from outside influences. The Bible tells us not to give him a foothold. If we give him an inch he will take a mile!

1 Thessalonians Ch 5 v 23 states:

"Now may the God of peace Himself sanctify you completely; and may your whole Spirit, Soul, and Body be preserved blameless at the coming of our Lord Jesus Christ".

The Body: The Bible tells us we should be given as a living sacrifice to God. The Soul is our real person, God says,

<u>Our Mind</u> should be renewed by the word of God. He also says

<u>Our Emotions</u> should be the same as that of Christ and

Our Will should line up with Gods will.

<u>Our Spirit</u> belongs to God (Note: it is the spirit that is Born Again (Anew)).

However, most of our problems lie in the soul and that is where the demons want to live.

They affect our emotions, they try to control our minds and they try to make us do their will or our own will, but not Gods' will. This is what happened in the Garden of Eden when the serpent tricked the woman. Adam and his wife were perfect at that time, yet they became deceived. Since that time he has been tricking and deceiving all mankind.

He even had the gall to try and trick our Commander in Chief, but he found his match with Jesus. Jesus beat him on every occasion. We will now look at our Commander In Chief in action throughout the accounts in the gospels, and see the miracles that the people received.

THE MOUNTBATTEN REPORT

BEST SELLING AUTHOR

John Ainsworth-Davis aka Christopher Creighton

(Operation James Bond 1996) (The Khrushchev Objective 1987) (The Paladin 1982)

Teams up with Investigative Journalist Laurence de Mello to present the only definitive authorized work of The Mountbatten Report.

Includes never before seen documents and the curious backstory to the writing and publishing of this Special Launch Digital Edition.

John Ainsworth-Davis (JAD) was a British WWII Naval agent Spy-Assassin working directly for Prime Minister Winston Churchill.

Commissioned by Lord Louis Mountbatten, this report is JAD's very personal account of his growing up on the Chartwell estate as

Desmond Morton's Godson and his subsequent grooming to become one of WWII's most controversial secret agents.

It also touches on JAD's introduction into privileged British and German society through his father Jack; a British Olympic Gold medalist and his father's close friend, the German Ambassador to London, Joachim Von Ribbentrop.

Ribbentrop later became Hitler's trusted Foreign Minister and was one of the first Nazis to be hanged at Nuremberg in 1946. JAD speaks candidly of his experiences of love, war and betrayal up to early 1945.

"The Mountbatten Report" is the prelude to Operation JAMES BOND (OPJB): a highly covert 1945 British op, in which JAD assisted Commander Ian Fleming RNVR in the rescue of Hitler's 'handler' and money man, Martin Bormann. Special Digital Edition for limited period only.

WESLEY IS WITH JESUS

The Testimony of Bob

As given to Pastor Mel Novak

am a volunteer jail chaplain near the church where Mel and I attend together. It is always a blessing for me to hear Mel share his worldwide ministry opportunities within the prison systems. Recently, I was asked to pray from our church platform for the needs of the people in the congregation. I had seen Mel come into the church that morning, he was struggling to walk.

Too many stunts for too many years, yet he had a huge smile. Later as we spoke, he explained his recent trip to the prison at Pelican Bay. He had done five services, every one of the men who attended the services had prayed the Salvation Prayer. The inmates saw a Christian whose heart for them was bigger than his pain and they said, "Yes!" to a God who had a servant with that much love for them.

Later in our church service, as I prayed for the needs of our people, Mel's healing was one of my prayers. However, as I prayed I thought of Jesus, who on several occasions said, "All things are pos-

144 RETURN TO TOC

sible with God," but then He went to the Garden of Gethsemane and prayed, "If it is possible let this cup pass from My hand." Then He went to the cross, because of His love for us. Was it "possible," Jesus' love for us said, "Yes." So Mel said, "Yes" and walks with Jesus, even as difficult as it is.

Later that day, I thought of my own experience thirty years prior. My wife, Jan and I praying for healing for our five-year-old son, Wesley, who had leukemia, but God was calling him home. The day Wesley went home, I knelt down next to him and asked, "Wes are you ready to be with Jesus?," he looked up and said, "Yes," I asked really? He said "Yes," then I asked, "Are you afraid?" He said, "No. Nuh-uh."

About fifteen hours later Wesley would close his eyes here on earth and open to his eyes in his Heavenly home. At the time my sorrow was beyond words, but overtime Jesus' words became true, "Blessed are those who mourn for they shall find their Comforter." (My interpretation and experience.) I did not realize at the time that walking that

experience would give me a voice into the inmates lives', those facing the death penalty or life in prison.

I can look in their eyes and say, "Thirty years ago, if God had said to me, "Bob, if you are willing to spend the rest of your life in prison or give up your life, Wesley will live." He would not have had to ask me twice. All the men, I have ever spoken to have agreed, they would have all made the same choice.

Then I can say to each one of them, if God's love got me through that, He will certainly see you through this. Sometimes, trials take us down hard roads, even into the Valley of the Shadow of Death, to

So it is with the inmates looking at death row or life in prison. God is not done with them, as Paul, the persecutor of the Church wrote, "Forgetting those things that lie behind, I press on to the upward high call in Christ Jesus!" "The Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils." (1 Tim. 4:1). The Walking Dead book chronicles the story of the Lamb family (a fictitious name) that was living in Central Florida where a white witch that cast deadly spells upon them almost cost Rita Lamb her life.

It also reveals how witchcraft power was used against the teenagers in the community to influence them to become involved with the powers of darkness. They became like the walking dead after the white witch gave them drugs and taught them witchcraft rituals in the local cemetery opening them up to demon possession. No one can dabble in witchcraft and come away unshackled however through Jesus, one can be delivered! (Matt. 18:18)

I wholeheartedly recommend this book to you. Pastor Masih is an acknowledged expert on the plight of the persecuted church around the world, as well as a leading authority in the United States on Islam. He is an author, a preacher, a teacher, a missionary, and a man mightily used by God both in this country and abroad. I personally know of few who have sacrificed more that others might hear the truth that will set them free, and few who God uses more powerfully on a daily basis.

Kent Mathews, M.Div., Th.D., Ph.D. Distance Professor of Mentoring at Gordon-Conwell Theological Seminary

Pastor Masib has not only a miraculous testimony and a mighty message, but also a marvelous ministry of speaking the truth in love.

Tom White, Former Director of Voice of the Martyrs

Pastor Masih is one of the greatest men of faith I have had the privilege to know. He not only talks about living by faith; he actually does it. This book will increase your faith, help you better understand spiritual warfare, teach you how to resist the devil, and demonstrate how to trust in Christ for victory. Pastor Masih learned all these lessons as a Christian in a culture hostile to Christianity. By turning away from the world, its praise and promises, and keeping his eyes instead on Jesus, Pastor Masih, though a very humble man, has become a powerful agent for the Gospel.

Life In Christ

by Dumitru Duduman

It is one thing to preach holiness as a theory, or as one of the doctrines of the Church, and quite another thing to preach it as an experience and for the purpose of urging it upon believers. It is common for a message on holiness to be received with applause when preached as doctrine, but to be condemned when presented as God's will for our lives.

Those who hunger and thirst after righteousness and long for the "mind which was also in Christ

Jesus" will embrace the crucifixion of self and receive these words of exhortation with joy and gladness. May the messages that follow in "Life In Christ", be an encouragement to you, and a comfort as you journey onward into the ways of God. Godliness puts a man in heaven before his time.

Brethren, aspire after godliness. Look to Jesus, the author and finisher of our faith and never look away until you have His image stamped upon your soul.

THE BATTLE-READY BELIEVER

by Michael Boldea

There is a battle coming. Are you ready for it? When compromise becomes our banner, and cowardice is seen as virtue, is it any wonder that so few among professing believers today are battle ready? In this introduction to spiritual warfare, Michael Boldea, Jr., answers key questions to help Christians stand upon the truth of Jesus Christ in this age of political correctness:

- How does the enemy camouflage himself in today's world?
- How can I recognize my allies in the battle?
- How can I effectively wield my weapons, and do I know them all? How do I stand strong when others around me are falling?
- How can I learn to discern my Commander's voice from all others?

Battle is inevitable. Boldea's book helps the wise ready themselves through an analysis of the spiritual maturity of today's church, along with an analysis of its understanding of duty. The book compares what has been taught in the modern church to what the Bible actually says.

The concrete instruction contained in this book will prove invaluable to any believer whose aim is to become truly battle ready.

Mike Boldea was born in a small northern Romanian Village. At the age of nine, his entire family was deported from Romania for smuggling Bibles. His grandfather, Dumitru Duduman started an outreach ministry called "Hand of Help" of which Mike is now Chairman. Mike has traveled internationally with Dumitru for over 11 years acting as Dumitru's translator. They shared their testimonies, as well as an important message God gave Dumitru for the United States.

Recently Mike has translated the book entitled "Life In Christ" which Dumitru had penned prior to his death. The testimonies of those that were persecuted for their faith must live on to build up the body of Christ. Mike continues to operate in his gift as an Evangelist to exhort the body of Christ to present itself with a garment clean before our Lord. Michael has a strong Christian heritage coming from a line of 4 generations of Christians. In the village of Hinceste Romania his Great grandfather was one of the first Christians converted there and his grandfather was a pastor and his father pastors the "Messiah" church in Botosani Romania with over 800 members.

Their family worked with Richard Wurmbrandt, Harlan Popoff, and brother Andrew taking bibles to the underground Church. Michael has seen the presence of God in accomplishing the work that his family was called to. In the face of great persecution and opposition thousands of bibles were given to the Christians of Romania even though it was punishable by imprisonment if caught. His grandfather Dumitru Duduman did suffer greatly being imprisoned for his faith. Under extreme torture he never recanted his faith and stands as a witness of faithfulness to this day in Romania.

THROUGH THE FIRE

Without Burning

by Dumitru Duduman

For 25 years, Dumitru Duduman was a faithful pastor and Bible smuggler in his native land, Romania. In August of 1980, Dumitru was arrested, imprisoned and interrogated for five months. He was beaten almost every day and repeatedly shocked in an electric chair.

Arrest and interrogation became a continuous way of life for Dumitru. During this time of torture, he was hung by his waist and beaten on three different occasions. He suffered nine broken ribs, leaving permanent deformities on his rib cage. Finally, the authorities gave Dumitru three choices; a mental hospital, prison. . . or expulsion to the United States.

The choice was hard for Dumitru because of his loyalty to his homeland, but he felt his first loyalty was to God. In 1984, after years of persecution and torture, Dumitru and his family were exiled to the West. This is the true story of the man and the message that God gave him.

Lucid Dreaming started out boring, that is, until near the end of semester when class was required to practice the skills taught. Lucid dream therapy consists of interpreting dreams with the client playing every part of a dream to reach an epiphany. Other therapies also involved various Hindu breathing techniques and use of Hindu Nadi lines for client and group therapy.

Nadi lines are associated with three parallel lines of the body that follow the lower spine to the top of the head. One of the exercises involved a modified technique of a Nadia lines for use in group therapy settings.

See Photos Below

The purpose of exercise was to teach group therapeutic skills by creating client disassociation to turn away from bad thinking, behaviors, developing a new sense of healthy self-esteem. As in any upper level college class, you are taught a therapeutic exercise's history, its purpose, what it was based on, and how to use it in class by experimenting on classmates. Being a Christian in such field of study was difficult, and I never used any of this in the field of criminal justice that I graduated for and worked in for years.

LET ME DESCRIBE WHAT THIS TECHNIQUE LOOKED LIKE, ITS PURPOSE, AND WHAT HAPPENED:

First – we formed three lines of students consisting of a right (Pingala) and left (Nida) line along with a third (Spine) line. Each line was based on Hindu Nadi lines with supposedly the religious aspect taken out of it. The right and left lines first began as stationary, while the middle line moved toward seven 'awakening' focal points called Charka Vortices (Vortexes).

To activate these energy vortexes the folks on the outside lines would call forth positive thoughts and blessings — nothing negative was allowed. As the middle line ascended toward the top of head, the students on the outside lines would touch those who passed by on their shoulders or backs and say nice things to each person as each passed at seven vortices points along the spine line.

This was described to us at the time as a birthing process which started from the bottom up to help people ascend to reach the enlighten 7th charka vortex as one exits. This process was repeated over and over again with the exiting line taking over positions on both outside lines. These folks would then work their way back down to rejoin the middle line again and again.

The therapeutic goal was to create a sense of harmony, calmness, and develop sense of belonging where 'we are together, let's change the world – shed our is-

sues and be happy.' Like club initiation of sorts to feel part of group, community, family as a team building technique for a therapy group to open up and bond with each other.

I was uncomfortable with this and was allowed to stop and observe the goings on. I noticed after a few rounds of this how those exiting become progressively more-giddy and talkative. After it ended, those who completed the exercise were euphoric and sold out to implement this new technique.

THIS IS HOW IT WORKED

The seven vortexes were focal points use to harvested energy created by the vocalizations coming from the right and left lines. This was done to impart into a person a new conscience to be 'free' and 'one with all' – 'no restraints of religion, society, family, the world, or the flesh can hurt you – Born free - weeeee!!!'

This was done to awaken positive change in a person's life by developing in them a paradigm shift in thought to birth a new enlighten sense of altruistic self in them. During the exercise soft music played in the background. The right and left Nadi line groups spoke toward one of the seven Chaka points positive mantras, affirmations, and blessings, and even singing if one wanted too. This was done to create each of the seven chakra vortex energy points.

HERE IS A BRIEF DESCRIPTION WHAT THEY ARE, WHAT THEY REPRESENT, AND DO:

* One 1st chakra, is muladhara, it is connected with mortal existence one's personal identity. It is the entry point of lower spine. The Right and Left line forms and begins speaking forth positive chants. The purpose of this is to awaken "pranic energy" which according this Hindu ritual is dormant and is in need of being jolted awake by winding its way upward to enter the 7th chakra stage.

Prana/ic energy or Ki - comes from the sun – it is vital life energy of all things from stones to all living matter – the star war force for your understanding. (Aside note: One of the Pillars in Masonry is the Sun/Mercy Pillar and the Next is the Moon-Severity pillar where one travels between reach the enlightened wisdom pillar).

* The second chakra, swadhisthana, is related to the sexual organs — the desire for pleasure. The seat of all desires, and the storehouse of bad unconscious vibes that needs to be cleaned out and combined with calmness and fearlessness dedication to go into deeper spiritual states to change their prana or ki (I can't help but think of En-Ki the Goat demon with his two serpents on a pole symbol as fitting the prana and nadia lines)

* The 3rd chakra, Manipura, represents the power center concerned with maintaining one's survival and accumulation of things that needs shedding. Weird manifestation begins in this part of the line...

The idea here, is to become wholly devoted to this form of Hindu faith in order to receive some sort anointing of psychic abilities so one can imagine new possibilities for their lives. The goal here is to justify the rejection of truthful commonsense discernment as being outdated, biased, and founded on prejudices, so one can come into alignment with a new frame of mind which born within these 7 chakra points.

* The 4th chakra, Anahata, is called the heart chakra that opens one to channel creativity, love of life, appreciation of nature and to help people to develop compassion and empathy. It opens one up to their need to develop a committed bond to a guru or leadership elite to guide you into greater and greater levels of spirituality. Unless you disagree with them!

This is done by imparting a physic manifestation and gifts such as visions or hearing buzzing, humming sounds or even hearing the music of a flute or harp. It is used to give people a temporary prophetic and healing anointings of some sorts so one relies of a guru to maintain these abilities. The meaning of love is also switched

162 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

into a New Age definition of Love of oneness, tolerance, etc to counter anyone wo opposes this wrongly as unloving religionist legalist and unenlightened.

* The 5th chakra, Vishuddhi, vortex represents throat, ears and hearing to filter out what is negative against this experience to accept it hook line and sinker to transforms one by mixing light and darkness so that one's mind comes into harmony with inner peace, compassion and a wise perspective taught by teachers/gurus – or spirit guides – to gain new insights and greater heights. (Well Pergamum – means lofty heights – Haughtiness – does fit.)

* 6th stage AJNA stage is called the 3rd Eye stage. Ajna means to know how to follow one's inner command 'third eye' center to purify the mind to prepare one to awaken their entire prana energy system into some sort of big oneness. This is done to remove the last hindrances so one can receive greater visions of bliss or gain some sort of psychic revelations to feel merged with the universe, or one with a group of people. The group, the team mindset kicks in consisting in, "we are the best – one with each other - go team go, mindset."

* 7th stage - As a person goes through the 7th stage vortex which is called A THOUSAND PETALS IN SA-HASRARA or the thousand-petal lotus, (Liken to the black sun symbol) at the top of and above the head. Here, the middle spine line exits and is open to a Kundalini awaking - the serpent awaking - to guide your thoughts anointed to imagine unlimited possibilities and the full realization of truth that conveys you are the greatest thing to walk the earth 'cause it is all groovy love baby.'

Here, a participant is conditioned to accept channeling with some sort of spiritual energy, or beings, to receive new knowledge to become one with or be one's own god, or in the secular setting in college – to connect with others and the universe. *Everybody go Ummmm...*

The whole process I observed was one designed to impart a worldview that anything that is not like this

is mundane, outdated, and the cause of all social ills. This was done to camouflage a new self-inflated-pseudo-humbly-proud-ego birthed into those who were awakened after exiting this line and developed a need to be continually seeking more such encounters to earn a crown to be able to impart this euphoria with its greater dimensional experiences to others.

After the center spine line exits, one takes his or her place in either the Left or Right line and slowly moves back down to the center line—again and again till all are happy.

THE CYCLE

As the participants repeated this montage over and over again, a subdued chaotic scene was developing. Folks were become more and more giddy like a person does after a few shots of hard liquor. Some folks were beginning to develop as deep belly laugh while others developed jerking reflexes.

At this point, the exercise stopped, and the Professors and TA's asked the partakers to describe what they felt. Some reported feeling like were hot while others said they felt like their bodies were vibrating. A few said they heard internal music like a flute or harp as they traversed the line.

What struck me was how the atmosphere of the room changed and the class opened intimately up to each other. They all said they felt really good – a euphoric state. After which the professor mentioned something about how to use this to loosen up a therapy group to bond together. It was as though my classmates 'got hooked' on this feeling of euphoria of the here and now to impart this far and wide.

Here were a bunch of indifferent students who suddenly became awakened to a doctrine whose whole emphasis was of - FREEDOM!! Freedom from all restraints!! Do as thou wilt! Say we can't do this - well that is not loving because love - itself and would never stop this great goodness!! This Fun!!

The justification of this form of therapy was to break down one's resistance to the old outdated, unfun, and unjust behaviors to accept this new euphoric gifting mentally to reach a better utopia for all.

Years later, I see this rise of eastern thought and practices gaining ground in elementary schools, work places, media, etc through Yoga and even these blessing lines. This was by design. Most of my former classmates are supervisors now in various levels of education and social science fields. Yoga is big business in the USA and gain worldwide recognition.

WHAT SURPRISED ME ALL THE YEARS LATER IS SEEING IT IN ACTION IN ALL PLACES, CHURCHES

I was invited to a new upcoming local church of around 400 people. I was stunned. They were doing the same Hindu tunnel exercise. The effects were however more intense than were seen in the class but contain all the same elements. For example, there was a heightened degree of utter chaotic euphoria, along with people violently shaking, while others were abnormally laughing.

Some people were smoking what appeared to be an imagery joint called toking on Jesus. Others made animal noises and became so "slap happy stupid" that any visitor would run to the hills and want nothing to do with Jesus if this really was Christianity. I refused to participate and repented of being near this, knowing where it came from, its history, and use.

Sometimes, I have to deal with demonized people who show the same behaviors when challenged to leave, as a distraction they manifest in similar fashion to cause you to give up setting the oppressed free.

WHY WOULD PEOPLE LEGITIMIZE SUCH DEMONIC MANIFESTATION AS BLESSING AS APPROVED BY GOD?

They of course cite Acts 2:15 however this event describes people who were hearing babbling but hear-

ing in their own mother language. The result was that many were saved, not chased out the of church. They were not practicing fire tor blessing tunnels in the early church.

The 'fire' or 'blessing' tunnel has been legitimized in some segments of the modern church -- all prettied up as acceptable despite absolutely no evidence in the bible where God approves this practice. The only place where the bible gives hints of a fire tunnel is when the children of Israel joined in with the pagan practice of passing their children through the fire to Moloch.

The online Jewish online encyclopedia mentions this: [Quote] "As to the rites which the worshipers of Molech performed, it has sometimes been inferred, from the phrase "pass through the fire to Molech," that children were made to pass between two lines of fire as a kind of februation ritual first" [end quote] Note: Februation (plural febru-ations) purification, rejuvenation, renewal, ritual...numbs the senses http://www.jewishencyclopedia.com/articles/10937-moloch-molech

In this ritual, people passed between two lines of fire (or people bearing fire) to offer their children to the fire. Supposedly, the spirits doped the child up to be all happy and to gin up the participants into a euphoric chaotic state to kill their young. Why, in exchange for power, attaining of wealth, control, and deeper channeling revelations from the gods to maintain this new-found power.

GOD HATES SUCH PRACTICES

In fact, God in strongest terms condemns the passing children through fire to Moloch. Yet, in some churches this is symbolically enacted and actually producing an awakening of the serpent power coiled within the spine to spring forth to become your guide in life as an angel of light.

The same blind acceptance of this practice I saw in a classroom room exercise, was, here before me in

164 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN™

this church and within few others I have come across since. These tunnels are used to impart gifts and new anointings, they very same way the Hindu Nadi and Charka's mentioned earlier do.

"The people are happy, it was fun and silly. People opened up to each other – what is wrong with that – so it must be of God." is what I have been told. I hear from some, "Fire tunnels are great! It can't be wrong because it helps one enter into deeper spiritual level and contact your personal angel to be your guide into the deeper things of God to have a better life"

Now, I do know angels are used by God, but does not the bible tell us the Holy Spirit is the one who teaches Christians all things we need to know and confirmed by the bible?

Along with this, I have been personally told that any rebuke of this sort of thing is old fashioned, of the old school because GOD is doing a new thing a new way on earth. The old ways are mean spirited, but God's ways are all about love and acceptance. Even love is redefined.

Wow, I heard students in my old social work class use the same line of reasoning after walking through the fire. Holy, Great shades of spiritual addiction, Batman!

I have seen such churches that practice this slowly disregard the bible in exchange for deeper revelations not even mentioned in the bible, and in some cases, openly occultic in nature. Others read into bible verses what is not there. The sermons are all, "Me, all about Me, you can be just like Me – all is well and blue sky" messages. God warns against this sort of thing.

ONE SURE SIGN OF THE APOSTASY IS THE PRACTICE AND BLENDING OF PAGANISM INTO THE CHURCH

I find it difficult to speak with adherents of this, no matter how loving and non-threatening and tactful I can be. They remind me of my Professors, TA's, and many former classmates in college who took up a mantra to, "Bring down the system, to rebuild into the new, shape it according what is best to appear altruistic!" My how this same mindset is slowly infecting the modern church world.

Have you seen it? Ever been a part of such a fire tunnel? Afterward did you feel felt depressed, and miserable? Did you find yourself being controlled by the gurus or the elites of this movement for newer and higher revelations? Felt addicted to seeking newer and greater meetings?

I will say for certain that what I saw in my old upper division Social Work class is now what is seen in some churches called "fire tunnels." The mode of thinking that it produces is eerily similar to that social work class exercise to be just mere 'coincidental'.

The Euphoria is real. It is the spirit of Kundalini that flows through such tunnels. Kundalini also known as En-Ki, along with his helper. They all use the very same symbol of two snakes entwined around one pole. In the Hindu version, the Nadi lines represent the central pole and two snakes entwined around it to awaken – impart - the serpent power (Nadi lines) to guide one. This awakening – IS NOT OF GOD!

As Joshua said – Choose this day whom you will serve!

Bible warns that is the last days, people will give heed to seducing spirits.

A crisis will either make you or break you. See it as an opportunity to make you. Crisis will demand adjustments from you. Overcoming Crisis presents a spiritual approach to dealing with crisis and making the best of it. Overcoming Crisis shows you exit strategies from different types of crisis and how to advance in life without carrying the poisons of anger, bitterness, unforgiveness, and disappointments that crisis tends to generate. In crisis, you cannot afford to be ignorant. This book highlights the relevance of having spiritual revelation and insight into complex problems that will give you an advantage when the need arises. Do not be overwhelmed by crisis because opportunities always exist to overcome the crisis.

WORKING FOR CHRIST

Working for Christ challenges the believer to do work that Christ would recognize and commend. It shows that work, no matter how good, that is done outside of Christ is no value in the kingdom of God. Until you work in Christ, you have not worked for Christ. The worker for Christ must be kingdom minded ready to wage spiritual warfare and to intercede as often as the Spirit of Christ demands. There is so much work to be done and Christ is looking for committed workers! This book is written to show you how to make your work for God count.

Message (Part 2 of 5)

by: Carla Butaud com

Jesus states in Matthew 11:12

...AND FROM THE DAYS
OF JOHN THE BAPTIST
UNTIL NOW THE
KINGDOM OF HEAVEN
SUFFERS VIOLENCE,
AND THE VIOLENT
TAKE IT
BY FORCE.

Def-Kingdom of Heaven: all things pertaining to God - from God - that Jesus brought to the earth and mankind; all that He accomplished through his sacrificial death on the cross.

Greek Definition: "Violence" = Trouble and pressure

Greek Definition: "Violent" = Vitally active, energetic, and forceful.

Greek Definition: "Force" = To go after and not stop until you have obtained it.

And why is it written...from the days of John the Baptist...instead of... from the days of Adam and eve? The violence really started when John the Baptist came on the scene because he came proclaiming the coming of THE CHRIST.

The One who would defeat Satan and destroy his works. (1 Jn 3:8b-FOR THIS PURPOSE THE SON OF GOD WAS MANIFESTED, THAT HE MIGHT DESTROY THE WORKS OF THE DEVIL.)

The One who would restore mankind's relationship back to God the Father. The One who would redeem us from the Curse of the Law of Sin and Death.

The One who would cancel our death sentence; the One who would end sickness and disease; the One in whom we could experience Peace, and Rest and Victory! Jesus was God in man, and He was about to enter the Earth realm, formerly Satan's territory, and restore it back to its rightful owner... Us! The Church...mankind as it was in the beginning!

This means that those who are the "Vitally active, energetic, and forceful " (which should be the description of The Church, the body of Christ) would be pursuing everything that Jesus Christ accomplished through His sacrificial death on the cross, and we would not stop until we obtain it all.

The primary work of the cross was/ is SALVATION. Jesus' shed blood

reconciled us to God the Father. Romans 5:

- **12** Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:
- **13** (For until the law sin was in the world: but sin is not imputed when there is no law.
- **14** Nevertheless death reigned from Adam to Moses, even over them that had not sinned after the similitude of Adam's transgression, who is the figure of him that was to come.

- **15** But not as the offence, so also is the free gift. For if through the offence of one many be dead, much more the grace of God, and the gift by grace, which is by one man, Jesus Christ, hath abounded unto many.
- **16** And not as it was by one that sinned, so is the gift: for the judgment was by one to condemnation, but the free gift is of many offences unto justification.
- **17** For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteous-

ness shall reign in life by one, Jesus Christ.)

- **18** Therefore as by the offence of one judgment came upon all men to condemnation; even so by the righteousness of one the free gift came upon all men unto justification of life.
- **19** For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous.

Adam severed our "spiritual oneness" with our Heavenly Father. Everyone born after Adam and Eve were born under the Curse of the Law of Sin and Death-spiritually separated from God-and in need of a "reconciler", or, a Savior. Without Jesus, we would all be destined for Hell.

Upon conception, we were written in the Book of Life.

Psalms 139-

- **13** For thou hast possessed my reins: thou hast covered me in my mother's womb.
- **14** I will praise thee; for I am fearfully and wonderfully made: marvelous are thy works; and that my soul knoweth right well.
- **15** My substance was not hid from thee, when I was made in secret, and curiously wrought in the lowest parts of the earth.
- **16** Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them.

The book of life is just that! Every life is recorded, whether it is brought to term or not. Along the path of life, we hear the "Good News" and are given opportunity to acknowledge and receive for ourselves the redemptive work of Jesus Christ, our Savior. When we do that-we are sealed with the Holy Spirit. We are "stamped" with His seal. WE ARE HIS! (Ephesians

4:30 And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.)

However, if one's life is walked out, and after hearing the good news is rejected, and rejected, and rejected, and the person never believed in Jesus Christ and his redemptive work on the cross, then his name will be blotted out of the book of life when he is judged.

(Rev 3:5 He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels.)

Isaiah 53: 4 & 5

- **4** Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God. and afflicted.
- **5** But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.

And. Isaiah 61: 1 - 3

1 The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

- **2** To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn;
- **3** To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified.

These Scriptures give us a clear description of what the kingdom of heaven, the work of Christ on Calvary, is. He did so much more than break the power of Sin off our lives, but He took upon himself everything that would cause grief, sorrow, pain, and torment. He took all our sickness and disease, (or dis-ease), and any and all that would cause us (as believers, The Church, not to have peace). He took upon himself the burden of all suffering before it would ever come to us. That would include mental anguish, all forms of fear in bondage, addictions, and the list goes on.

He wants us to be absolutely free to fully partake of our inheritance. So much so, that when His work was completed, those following after Him would be fully equipped to continue those works until He returns. Mark 16: 15-20 -

15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.

16 He that believeth and is baptized shall be saved; but he that believeth not shall be damned.

17 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

18 They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

19 So then after the Lord had spoken unto them, he was received up into heaven, and sat on the right hand of God.

20 And they went forth, and preached everywhere, the Lord working with them, and confirming the word with signs following. Amen.

The Church has a pretty good understanding of the Scriptures concerning salvation, and most every group of believers has outreach ministries to take the gospel to those needing to hear it. However, Jesus did not stop with the preaching.

Mark 16:17 AND THESE SIGNS SHALL FOLLOW THOSE WHO BELIEVE.

NOTICE -- He did NOT say: These signs shall follow Peter, Paul, and the other apostles...and when they are gone--so shall the signs go. **NO!**

Jesus said, "These signs shall follow THOSE WHO BELIEVE." Would not that apply to every Christian? Everyone who believes on Him? Yes! And I love that He follows with the fact that -- they went -- preaching. And as they went, He was right there working with them, the Scripture says, confirming His Word with signs following!

What were the signs Jesus was speaking of?

Mark 16:

17 And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues;

18 They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.

So, overall, couldn't we conclude that the "kingdom of heaven", that which Jesus came to restore to us, is everything God intended us to have from the beginning and that which Adam forfeited in the garden? Then why are we not living in it? Saints, we need to get busy being about our Father's business!

We can understand why Satan was so stirred up at the coming of The Christ. His battle and opposition would now be intensified because the very power of God was about to be released and disbursed in the earth -- not only in Jesus, but also

to everyone who would believe on Him.. Saints, we should be putting Satan to shame, but instead, he has us defending ourselves from his "violence"... his trouble and pressure. That is Satan's main objective... to give you trouble and cause you to have pressure!

We don't have to look far to see that he is having great success, sad to say, even against those in the church. Saints...THIS OUGHT NOT BE! Jesus has equipped us with everything we need to overcome Satan and the kingdom of darkness!

What is lacking in the body of Christ? THE VIOLENT! The vitally active, energetic, and forceful. We should pursue the kingdom of heaven -- which is our inheritance, our Canaan land, if you will, our land of milk and honey. You know, we don't want to be like the Hebrews who were not able to enter in because of unbelief.

Oh, the believe on Jesus is there. The unbelief comes in concerning our inability to believe that we are who He says we are "in Him" and in what He says we can do through Him. Unbelief keeps us from entering into our full inheritance of the Kingdom of God.

In conclusion we need to become not only "vitally active" and "energetic" but also "forceful"...going after all that is rightly ours through Jesus Christ and not being settled with anything less.

PRAYER FOR OUR PRESIDENT

Shannon asked me to construct a Warfare Prayer that people could pray to stand in the gap for President Trump.

Father, in the name of Jesus Christ, I thank you that You have given us power over all the power of the enemy (Luke 10:19), and right now, we raise up our 'rod of authority' (Exodus 14: 15 & 16) on behalf of our President, the president of the United States of America, Donald J. Trump.

Because we wrestle not with flesh and blood (Eph 6:12) and because we are seated with Christ in heavenly places—far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come (Eph 1:21), in the mighty name of our Lord and Savior, JESUS CHRIST, we take authority over...bind and break the power of the strongman over our government (Mt 12:29) and every demonic assignment working against President Trump, the Constitution of the United States of America, the Word of God, and the Body of Christ.

by: Carla Butaud com

We bind and break the power of the Antichrist spirit, the spirit of the prince of the power of the air that work in the children of disobedience (Eph 2:2), the lying spirits, the perverse spirits, and the evil spirits working in those in the Illuminati, and we loose the spirit of TRUTH, the spirit of God, and Righteousness.

We assign mighty warring angels to go and do warfare over our President for the battle that is going on with all those who are in his service. We assign angels to uncover, expose, and destroy every evil plot and plan against Trump to overthrow our government.

In the name of JESUS CHRIST, we cover President Trump, the White House, his family, and all his allies with the blood of Jesus, and we bind and break the power of all the witchcraft being worked against them.

We ask You, Father, to anoint President Donald J. Trump with a fresh anointing of Your Love, a fresh anointing of Your Grace to endure...grant to Him words of Wisdom, words of Knowledge, Faith, Prophesy, and the discerning of Spirits as you did Your righteous Kings of old.

Father, we thank You for the blessing and privilege to live in this United States of America and for the man you have chosen to lead our nation at this time in history. We also thank You that everything Satan plans for evil...You will turn it around for our good and Your Glory!

And, Father, right now we ask that You would send Your Holy Spirit and ministering angels to stir the hearts of every believer to pray and enter into the spiritual warfare that is going on.

In Jesus' Mighty Name, Amen and Amen

Many are called to salvation of God by Jesus, God's Son. But few are chosen to love and serve with love like Jesus demonstrated and commanded. Many in the faith pursue elevation of themselves in positions, titles, and social circles. Some serve out of obligation, guilt, perceived expectations, and pressure.

It is the true love that enables us to be last as we serve in love by taking the role of a slave. We are called to love but few are chosen to love even with the greatest rejection and betrayal by those we love. Can the Spirit count on you to love others unconditionally? The Spirit is calling those to love. Can He trust you enough to choose you to love?

There is a promised blessing when we become last rather than first. When we choose to love, the Lord chooses us for greater things in the kingdom of God. He can only choose those He can trust.

We cannot be called a disciple unless we love. Many call themselves Christian. Yet, do we see the love of God coming from them? Many Christian do not love the way that Jesus demonstrated and commanded.

Therefore, I take the position a Christian is one who believes Jesus is the Son of God and may receive

CHRISTIAN vs. DISCIPLE

Pastor Colonel

SEEDTIME HARVEST MINISTRIES www.seedtimeharvest.net

instructions and participate in respective fellowships but they lack love. The Christian often has fear. In perfect Love there is no fear. Christians also struggle with unbelief in the Word of God, the promises of God, and the love of God.

So if a Christian lacks love, has fear, unbelief, lacks faith, and other things that are contrary to love, how can a Christian be called a Disciple if they lack love? A Christian cannot be a Disciple because one can only be Disciple unless one loves the way Christ demonstrated and commanded. A Disciples loves

because a Disciple follows and obey God's commandment of love. If a Disciple loves God, a Disciple will also be in God's perfect will.

I see and know many Christians who are called by the Spirit unto God because many are called to God by the Spirit. I do not doubt their salvation. Unfortunately, I only know a few of the Elect. The Elect are the Chosen because only a few are Chosen to be Disciples who can love like Jesus loved. The Chosen, are Disciples or the Elect that will be the 144,000 of the Body of Christ who will go where the Lamb goes because they chose to love like the Lamb of God.

Are you ready to love? Are you ready for Jesus to identify you as a Disciple rather than a Christian? Do you want to go from being called to being chosen? Do you want to be part of the end-day Body of Christ who will go where the Lamb goes? Then choose to love and forgive and come from being called into being chosen because you love as Jesus taught and love as He gave the example as the Master Teacher.

May the Love of God find you and teach you to love. May the critical and prideful heart be bound to the chains of love so that God is all in all you are and all you do for His glory.

THE 4 SPIRITUAL ELEMENTS

by: Prophet Lenard Jones

e are truly living in perilous times according to 2 Timothy 3:1. In order for the Church to operate and navigate in the will of God we must understand 4 critical elements that every ministry will need to be victorious and regain our footing.

In order to lay this foundation let's look at 1 Thessalonians 1: 5.

"FOR OUR GOSPEL CAME NOT UNTO YOU IN WORD ONLY, BUT ALSO IN POWER, AND IN THE HOLY GHOST, AND IN MUCH ASSURANCE, AS YE KNOW WHAT MANNER OF MEN WE WERE AMONG YOU FOR YOUR SAKE."

So, we have:

- (WORD) Greek meaning *Logos* = divine utterance, speech.
- 2 (POWER) Greek meaning Exousia = Power, Authority, weight.
- 3 (HOLY GHOST) Greek meaning *PARAKLETOS* = Counselor or helper and comforter.
- **(ASSURANCE)** Greek meaning *Hupostasis* = Substance, reality and confidence. Amen.

We as the church can no longer operate in word only, but we must come to revelation of POWER.

This means that every believer must seek the kingdom of God to understand POWER.

This is why we learn to submit to God and authorities on earth so that the glorious CHURCH can carry its weight. For too long the Church has been carrying no weight or identity and its now time to flex our muscles. Most importantly, we should never leave out the ministry of the Holy Ghost.

212 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN™

Without a counselor, we as the Church are weak, lost and many times misguided. It's time to allow the Holy Ghost to be the CEO so we as the Body of Christ can operate at our greatest capacity. Also, the Holy Ghost ministry is so multifaceted. He brings to our midst deliverance, healing, and spiritual maturity to the body etc. He uproots false doctrines, traditions and methodology.

I believe there will be a mass revival in the churches abroad, that will bring unity in the Body of Christ. Amen.

Last but not least, we need much assurance. Our spiritual reality becomes our reality when we walk in faith.

(Hebrews 11:1) Now faith is the substance (assurance) of things hoped for the evidence of things not seen. This last element brings forth our confidence. A good soldier walks with confidence because his mind has been renewed to adapt and overcome any

and all adversity. So, the Body of Christ needs this critical element to overcome in these perilous times.

The apostle Paul wrote ye know what manner of men we were among you for your sake. He understood the perilous times then and even now. So, the Church must take heed to the scriptures and study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

WE MUST PRAY FOR THESE
4 ELEMENTS TO SATURATE
OUR CHURCHES, TO BRING
THE REVIVAL WE NEED IN
THE WORLD ABROAD. AMEN.

odd and Emily Watford spent \$100 for a cab ride to Long Island MacArthur Airport. In the middle of that ride, the Major's text message came through, "You will meet a man named Caesar Montoya, he will fly you in his private jet to Grand Cayman Island."

When they stepped out of the cab, Todd was shocked when Miguel Martinez was there to greet him, "Good evening Drill Sergeant!"

Todd, switching to his drill sergeant mode, said, "What are you doing here Martinez?"

214 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN™

Martinez responded, "Mr. Montoya thought you would respond better if I greeted you. With all due respects Drill Sergeant, we need to get on the plane. We need to get out of U.S. airspace as quickly as we can. We haven't seen any signs of Hillary Rodham's people, but that doesn't mean they are not around here somewhere."

Todd responded, "Well, my bags are going to Barbados, so it is my wife and I, and The Copper Scroll in the Haliburton case."

They left the cab and made a mad dash for the plane. They were all thankful they did not have to go through TSA security. They got in the plane, found their seats, buckled their seat belts, while the captain fired up the plane. They taxied out to the runway, waiting their turn to take off.

Mr. Montoya then appeared out of the pilot bay, seated himself, fastened his seat belt, and started a new conversation, "Drill Sergeant Watford, I finally meet the man who has made a thousand men."

Todd, not sure he knew what to make of that statement said, "Thank you for getting us out of here so quickly."

Mr. Montoya replied, "No, no, it is my pleasure. You have trained several of my employees. I have always wanted to meet you and now, I want to meet The Copper Scroll."

Todd, still looking around the plane, said, "I guess we can do that after we take off."

Mr. Montoya then said, "It won't be just a pleasure look, the Major wants pictures and lots of them. We have a couple digital Nikon SLR cameras in here and my boys are pretty good photographers."

Todd then said, "Good, we had better get on this the second after we take off."

Just as Todd said that, the plane captain announced, "Please make sure your seat belts are fastened, we have been cleared for takeoff."

Everyone braced in their seats as the plane took off. It was smooth and in about five minutes, the bell went off, meaning everyone could dispense with their seat belts. Two of the security people went back to the kitchen and started serving orange juice and crackers (Mr. Montoya didn't allow alcoholic beverages on his planes). Todd took the Haliburton case out of the storage bin above his seat. Everyone in the main cabin of the airplane looked at Todd in anticipation. (Unseen by everyone, the Lord's Angels assigned to The Copper Scroll stood guard watching carefully, making sure no demonic spirits even entered the area. The guardian angels assigned to each individual on the plane were all cooperating to keep the air free of all demonic activity as the Spirit of God directed.)

Todd said, "Gentlemen and lady, here is what we came for... The Copper Scroll."

(As the scroll came into view, the Holy Spirit allowed the Lord's invisible but sensed power, glory, and Holiness to be released as His testimony over the scroll and its contents.) For a minute, the entire cabin was in awe at what they were seeing. Everyone knew that their lives would never be the same again. It seemed like the Spirit of God had hit each one of them anew. (This is precisely what the Spirit of the Lord intended and accomplished. The witnessing angels sang, and gave glory to God in response to these precious saints responding to and acknowledging their Heavenly Father's presence.) Finally, Mr. Montoya said, "Boys, I think we need to get to work."

Suddenly, everyone got up and started working. The photographer started taking pictures of the scroll. After he took about 100 pictures, he would take out the SD card and give it to another man who entered them into a notebook computer. Meanwhile, the

photographer would put a new SD card in his camera and continued taking pictures.

Todd, Emily, and Mr. Montoya then settled down for a meal. Todd and Emily were famished and glad for something decent to eat. Finally, Mr. Montoya asked, "Do you know how the Major got wind of this scroll?"

Todd, thought a moment and said, "We have this old friend in Israel named Natan. He has incredible prophetic gifts. He called us about two weeks ago and said we needed to pay attention to an event that happened on September 13, 2015. The Major, my wife, myself, and three holdover guys worked around the clock on our computers searching the Internet. One of the holdovers found an obscure article in an Iraqi newspaper about the discovery of a Copper Scroll dating back to the sixth or seventh century B.C. We really took notice when we saw the names of the archeologists who discovered the scroll. We tracked it to Sotheby's Auction House in New York. They put it on sale today, but we only had a week to figure out how to get into the auction. Sotheby's just does not let anyone in. Thankfully, the Major has extremely good credit."

Mr. Montoya interrupted, "Glad to hear you have holdovers, I need all of them. My family and I just bought an old refinery in Columbia and security is sick there... but go on... how did Hillary Rodham find out about The Copper Scroll?"

Todd answered, "We really don't know. Just at the last minute, the Major went through the bidding list for today's auction and found someone who has worked for Hillary Rodham's Foundation in the past. Since we know that Ms. Hillary is a practitioner of the occult arts, there is likely some chance she is obtaining The Copper Scroll somehow help her election campaign against billionaire Donald Trump."

Mr. Montoya laughed, "It will take more than a little witchcraft for that minx to be President of the United States. Were I not a follower of Jesus Christ, I would take great joy in putting a bullet in her head. Why the Rockefellers every let her marry into their family is quite beyond me. But this Natan... Who is he? Who says he gets to be a prophet?"

Todd went on to explain, "He was a tank commander in the Israeli Army in his younger days. That's when the Major met him. He was supervising an exercise called Operation Ezekiel. The Major was there because he knew the Russian Order of Battle at that time. He was supposed to evaluate the Israeli Army's effectiveness. Natan, who was also a Major, got very close to our Major. In time, our Major learned that Natan was Messianic and knew Jesus Christ as his Lord and Savior. I have met Natan a few of times. I first ran into him when I was taking him on a missionary trip through Alaska. His ministry is incredible. If he has a meeting in the Caribbean, you should go. He has been to St. Vincent's Island a few times and has helped train my men. He gets hand to hand combat better than anyone, so when he comes, I let him handle that part of the training."

Todd thought a moment, "Natan was a prophet because everything he says happens. He never misses and with The Copper Scroll, his prophecy is a major hit. One time, when I was still in Alaska, I took him up north with Pastor Harold Stone, another real man of God. The signs and wonders that broke out at those meetings were beyond belief. They were a real team. Pastor Stone would go one night and Natan did the next. When the Lord came down, all of us were busy praying and ministering for people. After the last meeting, Pastor Stone told me that Natan was a great prophet, that he had never seen such an anointing on one man."

"The Major flew the two of them to Billings, Montana. The Major had to come back to Alaska, but Natan and Pastor got into Pastor Stone's old pickup truck and headed off for Wyola, Montana where he lives. By the time they got to Hardin, about forty miles away, Pastor Stone asked Natan to drive, as he was tired. Natan thought it unusual because Pastor Stone never let anyone drive his pickup truck, not even his wife. When they

216 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

got to Wyola, Natan was shocked to see that Pastor Stone had died in the passenger seat. His church asked Natan to do the funeral. He did and the Holy Spirit came down on the church like it had never done before. The Crow Indians wanted him to stay and take over as their pastor, but Natan reminded them his main calling was to Israel and asked for their prayers. Not only do they pray for him, they support him almost sacrificially."

Mr. Montoya, putting all this information together, said, "We need to get a copy of the pictures of this scroll to Natan, as quickly as we can. I will call my *Hawaladar* in Grand Cayman to take care of this. Natan may well be the only one who can explain what this all means."

Todd interjected, "That is easier said than done. Many of our emails to the Middle East get intercepted and corrupted. My idea is that we can get all these materials to Natan via a CD or DVD. We can use steganography to hide our pictures inside other pictures and send Natan the key. Thanks to Mr. Obama, Israel is now considered a terrorist state... the U.S. Government now thinks they can interfere with communications, any time they want. With Hillary screaming for The Copper Scroll, our communications are likely to be compromised. She may not be Secretary of State, but she can still raise a stink. She does know where Mr. Obama's bodies are buried."

Mr. Montoya continued to explain, "When I have to do something this important, I use the *Hawala* system to move money and important computer files. It is the most secure system in the world and governments cannot hack into it. If we are going to keep things from that little minx, we have to be creative. It costs a little more, but for this, it is worth it."

Suddenly, the seat belt light went on and the captain got on the intercom and said, "We need to sit down and fasten our seat belts. We have just been cleared to land."

Everyone on board scrambled to put away their camera, computer gear, and to properly place The Copper

Scroll back in its Haliburton case. They put the scroll in the storage bin just above Todd's seat. Then, one of the men told Mr. Montoya and Todd, "When we land, I will send the pictures to the Major."

Mr. Montoya shook his head, "No! Put the pictures on three stick drives. I will take one of them personally to the Major. The second one will be for my *Hawaladar* so he can get it to Natan, and the third one will be for my friend Johnny Tito, the forger. The Major wants me to come up with a little fake for the minx, complete with a little tracking chip."

Finally, the plane landed. Everyone disembarked, and headed for the waiting area. Mr. Montoya already had his limo waiting for him. Once they got in, almost immediately, his cell phone rang. Once he realized it was the Major, he put the phone on speaker:

"Todd, am I glad to see that you got out of there all right. We are still going to meet at the Cayman National Bank, but I will not be able get there until late morning. I was fortunate enough to find someone who was renting a plane to St. Vincent's but did not have a way to return it to Grand Cayman until I came along; so I will be flying myself, my boys, and some equipment up there. I booked passage on the *Freedom of the Seas*, but it won't get in there until tomorrow afternoon at the earliest. They had a cancellation, so I was able to book the top decks."

Mr. Montoya responded, "Wow, I would love to take that cruise, but my wife isn't along and I have to worry about that oil refinery my family bought. I want Miguel to work with you though, as he knows your security procedures. I do want to hire the last of your three holdovers after you get the scroll delivered. Security on that refinery is flat awful and it needs to improve fast. It will also give me a chance to visit Johnny Tito and get that little job done."

The Major answered, "I am glad you are handling that part of this. Dealing with people like him is not something I do well. Please make sure he puts the tracking

device in it. I booked Todd and Emily for the night at the Westin Inn so they can have a little time to themselves. There is an extra room for you too, Miguel."

Miguel responded, "Thank you, sir! Let me take care of the scroll tonight. Drill Sergeant and his wife are pretty tired and I have a couple of .45s to keep me company. I'll eat off of room service."

Todd responded, "I'll be glad if you take the first shift, but in eight hours, I'll come up and relieve you. Then, in the morning, we can all take the scroll to the bank."

They all knew that even though Mr. Montoya had his own estate on the Island, taking the scroll there was too dangerous. They all knew the U.S. Drug Enforcement Agency (DEA) still had Montoya on their list of drug kingpins, meaning they could attack at any time. Even though he hadn't dealt narcotics in well over a decade, the U.S. Government bureaucracy still persisted in thinking he did. He knew that if Hillary had even an idea that the scroll was there, he was sure it would be no problem for the little minx to get the DEA to raid his estate and confiscate the scroll. Even so, Montoya had his boys on high alert. At this same time, the demons assigned to Hillary put out a call to their assistants to go to Grand Cayman to spy on Montoya to see if they could find anything out about the scroll, and to report back. When they got there the light surrounding Montoya as well as Todd and Emily was so bright they could not come near them. Frustrated, they were forced to return without any real information! Their superiors were furious.

* * *

Morning time had come, but Hillary's mood was still pretty bad. Everyone at Hillary's Foundation dreaded the thought that she might call them in. (Unseen by them, the demons of fear and apprehension were laughing in glee at the fear of man in these mere mortals.) Finally, the help drew straws and Binghamton got the short straw. He knocked on the door and went in.

Hillary started talking, "I do hope that we have something to work on this morning!"

Binghamton responded, "Well, we have a few things. It seems our sergeant flew off with Caesar Montoya last night with The Copper Scroll in hand. Our man at the Grand Cayman Island airport said they flew in about 11:00 P.M. The sergeant, his wife, and another guy went off to the Westin Hotel. Montoya then went back to his compound and put his guards on high alert. We think he took the scroll there."

Hillary interrupted, "Have you called the DEA to arrange a drone strike?"

Binghamton continued, "No, it wouldn't do any good. The last time we tried to strike his family in Columbia, they were armed with Stinger Missiles and blew our drones right out of the skies. They have the best in Russian radar equipment. An armed assault is also out of the question. The DEA does not have the money for that kind of attack and a day later, his lawyers would be all over the Federal Courts filing hundreds of motions, demanding payment for all the damages to his property. Besides, we do not have any real evidence he has dealt narcotics since he dumped 1,000 pounds of your cocaine in the Pacific Ocean fifteen years ago."

Hillary again interrupted, "Don't remind me..."

Binghamton continued, "We looked into Watford as well. It seems he works for a retired Major named Thomas Barton on St. Vincent Island. They have a little compound there where they recruit and train various miscreants from all over the Caribbean, turning them into first-class operatives. You might call it a finishing school of sorts. One of the trainers is Todd Watford. He was a drill sergeant in the U.S. Army for many years out of Fort Leonard Wood, Missouri. His last duty station was at Fort Richardson in Alaska, which is where we think he met the Major. He ran the rifle range there. He's renowned for being an elite sniper in the 1991 Gulf War when he took out

an Iraqi Colonel in the first hours of the war. It seemed like he was headed down the 30-year track when he did not re-enlist. He worked for the Major as a bush pilot in Alaska and when the Major moved to St. Vincent Island, he and his wife followed."

Hillary Clinton, seeming a little bored, asked, "What do we know about the Major?"

Binghamton responded, "We could see why he would be interested in the scroll. He has been a Christian a long time. He worked for the Gideons placing Bibles all over Europe when he was serving in the Army. He was part of Full Gospel Businessman's Fellowship and traveled around giving his testimony. We also know that he had been in Israel a few times. One time, the Army sent him to observe some kind of military operation. He also has a couple of friends over there who got him interested in ancient artifacts. We think The Copper Scroll may be headed over there eventually."

Hillary Clinton suddenly perked up, "We cannot let that scroll get over there. We will never see it again! I thought we had outwitted the *Mossad*, but no, we had no idea they had slipped in a third man. Someone who we thought would have never think would step in. Is there anything we can do in the Caymans?"

Binghamton responded, "Not really Ms. Rodham, those attempted drone strikes you did when you were Secretary of State upset them considerably. Now that you are not a government official, they are not interested in dealing with us. Our best hope is to board the *Freedom of the Seas* when it ports in Kingston, Jamaica, assuming the Major hasn't already sold it to the *Mossad*. We have every indication he hasn't done that yet."

Suddenly, another man knocks on the door and enters the room. He then said, "Excuse me, our operative in Grand Cayman says that the Major just flew into Owen Roberts International Airport on a rented plane. He rented a car and is headed for the business district of George Town."

Hillary interjected, "I want him followed and I want reports! We cannot lose this man; do you understand me?"

Both men answered, "Yes, Ma'am." They ran out of Hillary's office.

The crosswinds made flying over the Caribbean Sea a little more challenging than normal, but for Major Tom Barton, an old Alaska bush pilot, it was no more than an inconvenience. It did make him a little late, but thankfully, the tower at Owen Roberts International was able to call the Cayman National Bank and warn them he was going to be late. Unfortunately, the call also tipped off Hillary Clinton's operative that the Major was coming in and told them where he was going. The Major did not care as he was more interested in returning the plane to its owners. Thankfully, his friend had given him a hand-drawn map telling him where to go at the terminal. He was able to return the plane, settle up on the rental fee with the owners (who were more glad to get the plane back in good condition from St. Vincent's Island, so they gave him a good break on the rental fee), and get a lead on a good rental car. He went to the rental agency, obtained a car and headed straight for the bank. He was not one to be late for anything. To him, if he was on time, he was already late.

Mr. Josiah Metz, the banker, met the Major and his men at the door. The Major's men waited at the door while Mr. Metz escorted the Major to his private office (not the one in the main area). Mr. Caesar Montoya, Drill Sergeant Watford, and the Haliburton case were already waiting for them. They both stood up, Drill Sergeant Watford because a field officer was entering the room and Mr. Montoya because he wanted to give the Major a hug.

When the pleasantries were completed, Mr. Metz started the conversation,

"We are really excited to have a truly biblical artifact in our bank for the first time. I made the stock transaction you requested and have acquired another Haliburton case like the one that holds the scroll. We have also drawn up the insurance papers you asked for and I adjusted them for the fact that both of you own The Copper Scroll. Please sign here."

Both the Major and Todd proceeded to sign the papers. Banker Metz continued,

"In a moment, I will take you back to our secured area, where we can set up the security for the scroll."

In the meantime, the Major examined the policy a little closer and returned it back to Mr. Metz.

A moment later, the phone rang on Mr. Metz's desk. He stopped to answer it. He pressed the speaker button so all could hear. The man on the other line said, "We have the Major's vault ready for you."

Mr. Metz replied, "Thank you, they are all here and we will be over to your section in a few minutes."

He hung up the phone and said to them, "May we..."

The Major was glad they did not have to go into the main banking area again. Even though he scanned every place in the main banking area, he could not be sure that everyone in the bank was trustworthy. They took both Haliburton cases into the vault area. When they got into the vault area, everyone was required to go through the iris scanner. Once the guard cleared the vault area and they were alone, Mr. Metz asked, "Can you open the case? I would love to see The Copper Scroll. Also, the insurance company will need pictures."

The Major responded, "...and so would I, considering I helped pay for it. I would also like a copy of those pictures for our records."

Todd opened the case on the table in the vault room. (Again, the Holy Spirit brought the felt presence of

God and His Holiness into the midst of all who gazed upon the scroll.) Suddenly, everyone in the vault room felt a major blessing, just from observing The Copper Scroll. They didn't want the case to ever close, but then, the Major said,

"I think we had better put the scroll into the vault. We have things to do."

Mr. Metz put the Haliburton case into the vault and handed the Major a key. He explained, "You will need this key to open the vault. Also, only the three of you can even get into this vault area to open this vault. We have recorded your iris scans for our records. You will need to pass the iris scan and, have both our key and your key to open the vault."

The men then held hands and prayed for the protection of The Copper Scroll, asking that the Lord post an angel in the vault area to keep it safe. (The command of God went forth even before the prayer was uttered, and an additional angel now stood guard in the vault area.

Then, they all left, making sure they would be seen and that they were carrying the Haliburton case. Since the bank did a lot of insurance work, it would be assumed they had to take The Copper Scroll into the bank to confirm its existence, so the bank and the insurance company could make their own assessment of value. Immediately, a man reading a newspaper grabbed his cell phone and called the Hillary's Foundation in New York City. His two words were, "It's done." He hung up, but was confused when Mr. Montoya headed back to his estate, Todd to the hotel to pick up Emily, Miguel's stuff, and check out of both rooms, while the Major headed for the dock to confirm when the ship was coming in. The man reading the newspaper opted to follow the Major and the Haliburton case. If the operative was going to make a move, he was discouraged when the Major's men slipped in on either side of him to make sure he was safe. Miguel Martinez also followed nearby, just to make sure things were all right, consistent with the Major's pre-specified security protocols.

21ST CENTURY WARFARE PRAYERS

EFFECTIVE SPIRITUAL WAFARES IN THE 21ST CENTURY

With the arrival of the 21st century, Christianity has moved into its greatest era of challenge. With governments seeking to take totalitarian control of their populations and Christian religious institutions becoming less and less relevant, the battle in the end times had become more intense. Like the Apostles and their followers of the first three centuries, the Christian church has been forced to abandon the formality of their church buildings, meeting in homes and ministering in the streets. As a result, Christians have discovered that a spiritual war awaits them. The evil ones who countered Jesus and the apostles in the first century has returned in even greater force to stop the Christian ministry in the 21st century. Unlike the apostles, who were trained at the feet of Jesus, the church of today is poorly prepared to battle these evil spirits. To improve the spiritual preparedness of the Christian church, author Jon van Helsing has released this second edition this book of warfare prayers to address the deficiency and bring the church of Jesus Christ into a level of victory not seen since the first century. Professor van Helsing addresses the issues of personal and family protection, the breaking of curses, various types and forms of witchcraft, the devil's Akashic database, and the Quantum Matrix. Join the battle and begin the process of living a successful Christian life.

hen the gospel comes to a people group, as born-again followers of Jesus Christ they are taught to love their neighbors — and even their enemies — and not to judge one another. They are taught compassion for the helpless, for widows and orphans. They are also taught to obey the Lord's holy commands by living holy lives as pilgrims in this life. Those who are able must work for a living (2 Thessalonians 3:10) and help others.

Eventually this compassion for all as taught and commanded by the Lord becomes embedded into the culture. When this happens — as it inevitably does in all "Christian" cultures — those who are not born-again disciples of Christ are of course also taught to "love" and "accept" others. Since they do not believe in the existence of a holy God and of hell, they do not believe in personal responsibility before God for their actions and their behavior. They do not follow God and His commands, but rather the sinful nature with which they were born.

Thus the "compassion" taught by the culture eventually becomes "tolerance" and then license for lifestyles and behaviors condemned by Scripture — sexual promiscuity, homosexuality and the killing of unborn children to name just a few.

Interesting, Islam, Hinduism, and Buddhism all share the Bible's position on such issues. Only in post-Christian nations do we find the complete acceptance — and even shaking-our-fist-at-God delight — in such practices. The Gay Pride parades taking place regularly in Western cities are vivid examples of this.

Only in the post-Christian West, for example, do we provide free needles to drug addicts and does a city freely allow the homeless to defecate on its streets after which the city must clean up at its own expense. Such "compassion" which releases people from all personal responsibility is not what the Lord taught and commanded.

It is rather the result of what happens in a culture when Christ is removed from Christianity. This inevitably takes

place in every culture a few centuries after the gospel has been introduced — as has already taken place in America and Western Europe. It is known that living in a Christianized culture (with churches on every street corner) ironically but not surprisingly immunizes people to the message of the gospel.

No. 1 solution for No. 2: San Francisco Poop Patrol

History is linear, and not circular repeating itself over and over. It began in Genesis, and it has an ending. After the gospel is introduced to a certain culture or people group, the primary harvest for that people group is reaped.

Then the focus of the gospel moves on to another region of the world where it has never been heard — as is currently taking place in India. The process will be repeated again elsewhere until the gospel of the kingdom has been preached in the whole world as a testimony to all nations and all those whose names are written in the Book of Life have received the Messiah, and then the end will come.

As perhaps the best example of this, take the Middle East where the gospel was born two thousand years ago. According to Acts the gospel spread rapidly in that region of the world including the Mediterranean within the short span of a few generations. The primary harvest in the Middle East was therefore reaped at that time.

Consequently, the focus of the gospel moved elsewhere in the world. Although there still remains a final gleaning of the harvest to take place in the Middle East, it is noteworthy that the Middle East today is and will likely remain overwhelmingly Muslim during these Last Days. The primary harvest there was already reaped two thousand years ago.

How God anoints miraculously

ERICA JOSEPH SHEPHERD

Firstly, what does it mean to *anoint*, the *anointing* or to be *anointed*? There are many Hebrew and Greek words in relation to <u>anointing</u>. But for the sake of this study, I will only mention a few.

Anoint

Hebrew: Mashach (verb), To rub with oil, to consecrate and to paint.

Hebrew: CUWK (verb), Pronounced 'sook', To smear over.

Greek: Murizoz (verb), To apply (unguent).

Hebrew: Mashiyach (noun), 'anointed one', one who is consecrated for a special

office or function.

The Basic meaning of the word anoint is simply to *smear something on an object*. Usually oil is involved, but it could be other substances such as paint or dye. This gives the idea that to anoint something or someone is an act of consecration.

In simple terms, the anointing is the presence of the Holy Spirit being smeared upon someone. It is the overflowing life of Jesus which imparts supernatural strength enabling an individual to perform a special task or function in an office he is called and appointed to.

In ancient times, God would *anoint* an individual to function effectively to a particular office. For example, He would choose a person and anoint him to stand in the office of a prophet. He would choose another and anoint him to stand in the office of a priest. He would choose still another one and anoint him to stand in the office of a king.

David, God's chosen one, had the anointing of a king, a prophet, and also a priest.

These offices were also combined in Christ the Messiah and for the spirit-filled church.

Jesus our model

When you study about the life of Jesus, it is not a secret that when He was here on earth, He walked in the anointing. When He became incarnate, He emptied Himself of the glory that He had with the Father before the foundation of the world as the pre-incarnate Word of God. The glory of being equal with the Father in the Gospel of Matthew Chapter 3, Jesus came to John the Baptist at the Jordan River to be baptized by him. When He had been baptized, the heavens were opened to him, and he saw the spirit of God descending like a dove upon Jesus, then by the Holy Spirit Jesus was led into the wilderness to be tempted by the Devil. Soon after, Jesus won the first round of victory over the Devil and started His ministry with the anointing.

In Luke 4:18-19 (AKJV), Jesus said, "The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted; to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised (oppressed), to preach the acceptable year of the Lord."

You can see what the anointing of God can do in the life of an individual who is called by God. After the wilderness experience, Jesus did not remain passive; Jesus started to demonstrate the power of God's kingdom in destroying the works of the Devil.

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

The anointing is for service to the King of kings. It is not to build our little kingdoms on earth. Jesus was there to do God's will, not to please an organization, or an individual but to be the carrier of God's anointing. There is no power, no atomic bomb, and no technology that can destroy the works of the enemy of our souls. It is only the anointing of God that can break the yokes.

"It shall come to pass in that day, that his burden shall be taken away from off your shoulder, and his yoke from off your neck and the yoke shall be destroyed because of the anointing." Isaiah 10:27 (NKJV)

If Jesus needed to be anointed on earth, we need to be anointed; otherwise we will be no match for the Devil.

Known In Hell

In the Book of Acts Chapter 19, we have an account where Paul was in Ephesus speaking about the Holy Spirit. He was full of the anointing where God worked unusual miracles by his hands so that handkerchiefs and aprons were brought from his body to the sick, and the diseases left them, and the evil spirit went out of them.

There were some imitators who were not called by God and without the anointing, who tried to cast out evil spirits. "And the evil spirit answered and said, 'Jesus I know, and Paul I know; but who are you?" Acts 19:15 (NKJV) Jesus was known and is known in Hell. Paul also was known in Hell. The anointing was so strong upon them that the evil spirit seems to say in other words: When these anointed followers of Jesus Christ awake every morning, it makes hell tremble. But you, who are you?

"Then the man in whom the evil spirit was leaped on them, and overpowered them, and prevailed against them, so that they fled out of that house naked and wounded." Acts 19:16 (NKJV) These people were trying to merchandise the anointing. Satan is not a creator. He is a duplicator and a counterfeiter. He always

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

tries to imitate the genuine, Please don't misunderstand what I am getting to. In these last days we must discern, having the eyes of our spirit enlightened to detect the imitation from the genuine. We must not take everything for granted. Those who are really anointed will bring life to others.

The Spirit of Korah

In Numbers, Chapter 16, there was a man named Korah, a Levite. This man had a hidden agenda. He was inspired by the Devil and caused 250 leaders of the congregation to contend and rebel against God's instituted authority figures—Moses and Aaron. Korah was jealous and wanted to win the priesthood for himself and his associates. We know about their end; they lost their lives.

Then in Numbers, Chapter 17, God spoke to Moses and told him to get a rod from each tribe leader (twelve in all). The name of each leader should be written on each rod. Particularly, Aaron's name was to be written on his rod. "...the rod of the man whom I shall choose will blossom;..." Numbers 17:5 (NKJV) "Now it came to pass on the next day that Moses went into the tabernacle of witness, and behold, the rod of Aaron, of the house of Levi, had sprouted and put forth buds, had produced blossoms and yielded ripe almonds." Numbers 17:8 (NKJV)

God said in Numbers 17:10, that it will be a sign against the rebels. God put life in the rod of Aaron. Aaron was a minister of life. If you are sitting under a ministry where you are dying, get out before it is too late. Anyone called by God and anointed must be a life-giver. Paul said in I Corinthians 2:4 (NKJV), "And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power,"

Oil, a Symbol of the Holy Spirit

The word "symbol" is made up of two Greek words. Sym which means "together", and ballein, which means "to throw." Both words "thrown together" denote an object used to represent something else. An emblem is the use of one thing to represent another. Therefore, oil is a symbol of the Holy Spirit because of some

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

proper characteristics.

Now, let us have a look in the Book of Exodus Chapter 30 and let the Holy Spirit give us insight to understand more in the realm of anointing. "Moreover the LORD spoke to Moses, saying: Also take for yourself quality spices—five hundred shekels of liquid myrrh, half as much sweet-smelling cinnamon (two hundred and fifty shekels), two hundred and fifty shekels of sweet—smelling cane, five hundred shekels of cassia, according to the shekel of the sanctuary, and a hin of olive oil. And you shall make from these a holy anointing oil, an ointment compounded according to the art of the perfumer. It shall be a holy anointing oil." Exodus 30:22-25 (NKJV)

First mentioned are the spices and their appropriate weight. The spices which were to be used must be of quality (NKJV) or principal (KJV). It is from the Hebrew word <u>roshe</u> meaning: *the head, the chief, the first, or excellent.* God instructed Moses to use the best spices as ingredients of the anointing oil. They were valuable, costly and rare. They were not common or cheap.

There were four spices plus a hin of olive oil that were to be used:

- Myrrh
- Cinnamon
- Calamus (or cane)
- Cassia
- and Olive oil

The number "5" in the Bible speaks of GRACE. Grace means FAVOR. God knows that man had become a weak creature after the fall and he is no match for the Devil. Therefore, He yearns to supply us by His Spirit the anointing, to favor His children with His ability and strength to re-enforce Jesus' victory on Calvary. Now, let's describe each spice and its spiritual application.

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

Myrrh

Myrrh is a pale-yellow gummy substance or liquid from a small thorny shrub which grows in Somalia, Ethiopia, and Arabia. It is used for spice or as an ointment. The best of it flows freely without the act of man. The oil of myrrh is purifying in its application. It is very costly. Fragrant to the smell and bitter to the taste. It is also used as a balm to rub on sore parts of the body to bring relief.

So, the person of the Holy Spirit is a gift given by the grace of God to the body of Christ. He cannot be purchased because He is priceless. He shall never be addressed as "it", because He is God and needs to be obeyed and worshiped. The first thing that the Holy Spirit wants to do in an individual so that person can be used as a vessel of honor is to bring the spiritual myrrh to purify the vessel. "...He will baptize you with the Holy Spirit and fire." Matthew 3:11 (NKJV)

The fire of the Holy Spirit is not for our destruction, but for our purification—to render us fit for the Master's use. "If a man therefore purge himself from these, he shall be a vessel unto honor, sanctified, and meet for the master's use, and prepared unto every good work." 2 Timothy 2:21 (AKJV)Though we go through the fire of purification, the Holy Spirit is our Comforter. When someone goes through this process, he sometimes endures some pain. But the Comforter rubs His sweet presence on the aching parts to bring relief.

If you want to be used by God, Brothers and Sister let the fire of the Holy Spirit come and burn all the straws (which are impurities of the flesh). Sure, the experience of purification is bitter, but in the end, we will be a sweet fragrance in the nostrils of our Beloved Father God. Therefore, myrrh speaks of purification.

Cinnamon

The cinnamon oil is distilled from the bark of the cinnamon tree growing in Ceylon. It is something very tasty and is usually used to flavor food because of its pleasant aroma. God said to Israel in Leviticus 26:31 (NKJV), "...I will not smell the fragrance of your sweet aromas." Because of the disobedience of Israel,

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

whatever they were offering or doing for God's satisfaction was not pleasant to Him. Whenever God's children are disobedient to Him, He is not pleased with their prayers or whatever sacrifice they can offer to Him. God cannot be bribed. "...to obey is better than sacrifice,..." I Samuel 15:22 (NKJV)

In the Book of Ecclesiastes Chapter 5, God addressed these as fools who offer a sacrifice to Him but were not obedient to Him. Many precious servants of God (called by God) who can be powerful instruments in the hands of God Almighty remain stagnant and unfruitful. They are satisfied with what is good, and they don't go for the best. Why? It is because they have chosen rather to obey man and man-made traditions other than God. To obey God there is a price to pay and it's not cheap. You will have to let go of many things which you have put your trust in. You will lose many so-called "friends." You are their friends as long as you stay in "their" church. When you leave, you become their "enemy." At a certain time in your life and having paid the price, you will feel yourself lonely, misunderstood and rejected by someone. This is the cost of the sweet spiritual cinnamon, but in the end, it will pay off.

It is at this very moment that the blending process by the master apothecary starts. He will be your real partner and will bring genuine and faithful friends to your side. Then your life will be tasteful and a pleasant aroma unto God. The cinnamon speaks of *obedience*.

Calamus (or cane)

The calamus is a sweet cane plant of about ten feet high growing in Asia in marshy places. When it is crushed and broken, it exudes a sweet fragrance. The more it is broken, more of the fragrance is exuded. In its spiritual application, the calamus speaks of brokenness. "...But on this one will I look: On him who is poor and of a contrite spirit, And who trembles at My word." Isaiah 66:2 (NKJV)

The word *contrite* in Hebrew is "nakeh" meaning: *smitten*. A second word "dakah" meaning: *to crumble, to bruise, to break into pieces*. Now the word to refer in He-

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

brew is "nabat" meaning: to regard with pleasure, to favor, to care, to consider and to have respect.

When you study the Book of Mark, Chapter 14, you can learn a valuable lesson concerning brokenness. Many precious friends in the service of the Lord are battling to walk in the anointing in a high level but find themselves at the same measure they started. It is because they have not passed from the brokenness stage. Therefore, an ingredient is missing in their lives.

In the Book of Mark, there was a certain woman who came into the house of Simon, the leper, where Jesus was in Bethany. This woman was in possession of a very precious thing-an alabaster flask of spikenard. It is a very expensive and rare substance extracted from a variety of bearded grass growing in India. This flask of spikenard had cost the woman about three hundred days of labor. How many years might this woman have worked to save money to buy it when some merchants came to her village, maybe once a year? She bought some this year, some next year and so on. When the flask was filled, she sealed it and kept it to anoint her bridegroom on the day of their wedding. But the Bible says that she broke the flask, her life of sacrifice, and poured the spikenard on the head of Jesus. The people were mad at her. She gave to Jesus the most precious and valuable thing that a woman could possess and reserve for her husband-to-be.

For the perfume to be exuded, the flask had to be broken. For the Calamus to exude its sweet fragrance, it must be bruised and broken. For one's life to be pleasurable and acceptable to be God's carrier of His anointing, one must be broken. The Calamus must always stand erect in muddy waters. It speaks about pride. Pride can prevent you from experiencing brokenness. As long as a person keeps pride, he cannot carry a high level of the anointing in his life. Get rid of pride, or you will stop the flow of God's anointing in your life.

God says in His Word that He will consider, have pleasure and respect favorably him who has been broken. "For it seems to me that God has made an exhibit of

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

us apostles, exposing us to view last [of all, like men in triumphal procession who are] sentenced to death [and displayed at the end of the line]. For we have become a spectacle to the world [a show in the world's amphitheater] with both men and angels [as spectators]. We are [looked upon as] fools on account of Christ and for His sake, but you are [supposedly] so amazingly wise and prudent in Christ! We are weak but you are [so very] strong! You are highly esteemed, but we are in disrepute and contempt! To this hour we have gone both hungry and thirsty, we [habitually] wear but one undergarment [and shiver in the cold]; we are roughly knocked about and wander around homeless. And we still toil unto weariness [for our living] working hard with our own hands. When men revile us [wound us with an accursed sting], we bless them. When we are persecuted, we take it patiently and endure it. When we are slandered and defamed, we [try to] answer softly and bring comfort. We have been made and are now the rubbish and filth of the world [the offscouring of all things, the scum of the earth]." 1 Corinthians 4:9-13 (AMPC).

In other words, Paul said, "We have lost our reputation. We have not the approval of man. We have been broken." But God is saying, "You who have lost *your* reputation. *You* who have been broken. *You* who are not approved by man. I, God, am taking over. You now have approval. My anointing over your life is My approval. I am regarding you with pleasure. I respect you, and I will continuously bestow my favor upon you."

Cassia

Cassia is the aromatic bark of a tree growing in Arabia. It is often used by some doctors as medicine. Cassia is derived from a Hebrew root word qiddah meaning: to bend, to bow, or to stoop. "Bow down, then, before the strong hand of God. He will raise you up, when His time to deliver you comes." 1 Peter 5:6 (Knox translation)

Cassia speaks of humility. Pride is not an influence. It is a demon spirit trying to destroy the life of the people of God. Earlier when I wrote on Calamus, I spoke

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

briefly on pride. But in this part of this study, we will go a step further. "Over all the pride of earth, he reigns supreme." Job 41:34 (Knox translation)

When you study this chapter of Job, you will notice that the writer was speaking about Leviathan. It is said that he reigns supreme over all the pride of the earth. Then all who are tolerating pride in their lives are making Leviathan their master. "The man who hopes to master him will be disillusioned; at the sight of him a person is paralyzed." Job 4:9 (Berkeley version)

Leviathan is paralyzing homes, businesses, and ministries, etc. Through pride, it is stopping the flow of life and bringing stagnancy. No human being can master the king of pride. "When roused, he grows ferocious; no one can face him in a fight." Job 41:10 (Jerusalem version) Leviathan means a wreathed animal such as a serpent, a crocodile or a large sea monster. It speaks about Satan himself, wreathed with the scales of pride. (Job 41:15).

When one is anointed, he is rubbed with the very presence of God. But when one allows pride in his heart, he is "rubbed" with the scales of Leviathan which are:

- Pride: unduly high opinions of one's own qualities or merits.
- Arrogance: over bearing through an exaggerated feeling of one's superiority.
- Contention: an assertion made in arguing.
- Boasting: speaking of oneself in such a manner to impress people.
- Haughty: proud of oneself and looking down on others.
- Witchcraft: misuse of spiritual power to control others.
- Control: the power of restraint.
- Manipulation: to influence craftily in order to cause others to submit to one's purpose.
- Domination: to have a commanding or controlling influence over.
- Rebellion: refusing allegiance to an established government, open resistance to righteousness authority.

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

Stubbornness: not easy to deal with. Stubbornness leads to rebellion, rebellion leads to pride, and pride leads to destruction. Submission is the path to humility and humility is that path to promotion. A continuous walk in humility will cause a double portion of God's anointing to flow in an individual's life.

"Strength has made a home in his neck, fear leaps before him as he goes." Job 41:22 (Jerusalem version) Fear is a companion of pride. One who is prideful also has fear in his life. One who leans totally upon the Lord is not afraid. "For I know thy rebellion and thy stiff-necked." Deuteronomy 31:27 (AKJV) The strength of Leviathan resides in its neck.

When someone is stubborn (stiff-necked) Satan controls his strength, and the flow of God's anointing in his life begins to be dry. If someone has grey areas in his life, God will speak to him many times for him to make readjustment and to repent. If this person disobeys and becomes stiff-necked, it will lead him to rebellion. Then the door will be opened for Leviathan to sow the seed of pride. When pride's seed is fully grown, the scales will start to grow, then destruction will begin.

"I have pursued my enemies and overtaken them; neither did I turn back again till they were destroyed. I have wounded them so that they could not rise; they have fallen under my feet. For you have armed me with strength for the battle, you have subdued under me those who rose up against me. You have also given me the necks of my enemies, So that I destroyed those who hated me." Psalm 18:37-40 (NKJV) God has given to us the neck of Leviathan. When we walk in humility, we will walk in the anointing and the yoke will be broken in our lives.

Olive Oil

The olive oil was one of the main tree crops of ancient Israel. It was during the month of November that the olives were picked and pressed for oil. Olive trees can stand for long periods of drought. They take two years to mature, and then the fruits ripen slowly. The olives are placed on a grooved stone wheel and anoth-

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

er stone is turned over them which is worked by a beam. The pulp is then pressed under weight. The oil runs into stone vats where it is then left for some time to settle and clear. Remember that the olive trees can stand for long periods of drought, and the olives must be pressed under weight to obtain the oil.

"Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil. And when he had fasted forty days and forty nights, he was afterward an hungred." Matthew 4:1-2 (AKJV) Forty has a spiritual meaning: Probation and trial. The oil from the olives speaks of probation by trial. After Jesus had His time of probation by trial in the wilderness, He came out victorious and started His miraculous ministry.

I said to you earlier that there is a price to pay to carry a high level of anointing. You will lose your reputation by those you consider as friends, and you can be abandoned by everyone around you. It will seem as if you are living in the wilderness, but you will be able (by God's grace) to stand long periods of drought. Not many have passed the test of the wilderness.

"For many are called, but few are chosen." Matthew 22:14 (NKJV) The anointing is a sign of God's approval over God's chosen vessels. It is not for public demonstration to make a show, but to serve the King of kings. After one's probation by trial, he will be fit to be a carrier of God's power in a greater level. The word trying or testing in Greek is *dokimos*. It means approval. It is a word found on the undersides of many ancient pieces of pottery. This mark *dokimos* means that the piece has gone through the furnace without cracking and has been approved for service.

God's chosen vessels who have been approved for royal service are marked "dokimos." They don't need the approval of man, and they are always disapproved by those who are governed by the flesh. "...and blend them into sacred anointed oil." Exodus 30:25 (NABV)

According to the instructions of God to Moses after the principal spices had been prepared, they would be blended with olive oil. The essential element for the blending process. By the help of the Holy Spirit, I have given what I believe are the spiritual applications of the spices in an individual's life.

After these characteristics have been formed in one's life through submission and total obedience unto God, then he/she will be found fit to be "blended" by the "apothecary." And after the blending process, everyone will be able to notice the mark of God's approval upon an individual's life. "...an ointment compound after the art of the apothecary:..." Exodus 30:25 (AKJV)

There are some individuals who always try to "make" the anointing through gimmicks, and this does not last. It can be made only by the master apothecary—the Holy Spirit! The anointing is not to serve fleshly ends. Doing such things is like holding a time bomb or dynamite in one's hands. "Upon man's flesh shall it not be poured,..." Exodus 30:32(a)(KJV) If your motive is to make yourself well known, then you have missed the mark. "...neither shall ye make any other like it, after the composition of it:..." Exodus 30:32(b)(KJV)

When the Word of God has fullness of authority in our hearts, and we are not following the voice of carnal reason then the Holy Spirit is not hindered by fleshly ends. "...or whosoever putteth any of it upon a stranger shall even be cut off from his people." Exodus 30:33 (KJV) One can be in the church and still be unsaved, just as a man in a garage is not a car. He will never walk in the anointing.

The Master Apothecary

In modern times, an apothecary is a pharmaceutical chemist. One who is <u>skilled</u> in the preparation and dispensing of medicinal drugs. Now, just imagine a pharmacist who is <u>unskilled</u>, and prepares some medicines for an individual. He could possibly cause a death.

The anointing over one's life is in direct relationship to the Holy Spirit Himself. My

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

advice is beware of unskilled apothecaries, aborter's of the carriers of God's anointing. They will be judged one day for the sin of spiritual murder, "thou shall not kill.""...and the communion of the Holy Ghost be with you all. 2 Corinthians 13:14 (NKJV)

The word communion in Greek is Koinonia meaning: *partnership, intercourse, fellowship, association and companionship, to share anything in common.* It gives you an idea of the relationship which a husband and wife have in common being one in soul and spirit after marriage. The communion of the Holy Spirit speaks of oneness. For so long, many have called the Holy Spirit all sorts of names. The Holy Spirit is not an "it," an influence, or the speaking in tongues. He is the Third Person of the Godhead. We must relate to Him as a person and not just an ordinary person, but Divine.

The highest price to pay to walk in God's anointing is to know the Holy Spirit. When you know the Holy Spirit, you will not exchange that relationship for anything else in life. The more you know the Holy Spirit, the more the life of the Holy Spirit is being manifested through you.

"Dear Holy Spirit, if there is anything that will grieve you, help me not to do it." That means common. We must develop this kind of relationship with the Holy Spirit through fellowship. The foundation of oneness is love. As long as there is love in a marriage, the oneness will not be broken. In 1 Corinthians 13:4-7, the Bible mentions the characteristics of love.

If you violate these characteristics, you will break the oneness. The Greek physician prescribes a dose of 1 Corinthians 13:4-7 in order not to break the oneness morning and evening, every day. This potion has been prepared by the Master Apothecary. I admonish you to develop a right relationship with the Holy Spirit. One who walks carnally in the flesh and affection cannot develop a good relationship with the Holy Spirit. You see, there is a price to pay. Many people do much work but have no time to fellowship with God. Fellowship with God must be first,

TED Line Ministry Church

and then works will follow. Works which will bear fruits for God's glory.

Levels of the Anointing

"But the anointing which you have received from Him abides in you..." I John 2:27 (NKJV) According to the Word of God, this is for every born-again, Spirit-filled child if God has the anointing in His life. But I believe that every child of God is responsible for keeping the anointing.

"And when the man went out to the east with the line in his hand, he measured one thousand cubits, and he brought me through the waters, the water came up to my ankles. Again he measured one thousand and brought me through the waters, the water came up to my knees. Again he measured one thousand and brought me through, the water came up to my waist. Again he measured one thousand and it was a river that I could not cross for the water was too deep, water in which one must swim, a river that could not be crossed." Ezekiel 47:3-5 (NKJV)

I believe that there are levels or degrees of the anointing. Some walk at the ankle level. Some at the knee level, some at the waist level, and some swim in the deep. This is due to the degree they dwell in the presence of Almighty God. They are carrying high levels of El-Shaddai's power. I also believe that because of the authority entrusted to God's called apostles and prophets, they are the ones who walk in a stronger anointing. They are always a threat to the kingdom of darkness. Every church or ministry who relates to the apostolic and prophetic ministries will also carry a strong anointing.

We can see that in the Book of Ephesians, Chapter 4, God says that the five-fold ministry will equip the saints. The word equip from the Greek word <u>katartismos</u> means *making fully qualified for service*. The church must come to the unity of the faith and of the knowledge of the son of God, to a perfect man, to the measure of the stature of the fullness of Christ. The word *unity* means oneness. It means having a common goal of doing God's will on planet earth.

Unity and the Anointing

"And the LORD said, Behold the people is one... and now nothing will be restrained from then, which they have imagined to do. Genesis 11:6 (AKJV) Here we have an image of unity among the people to build a tower. The Lord scattered the people to break the unity among them and stop their evil project. There is great power issuing from unity. This is why God wants His children to walk in unity. Satan is activating his deceitful plan to bring strife and division among God's people. He is trying to stop the flow of that power of which he is so afraid of.

"I pray for them: I pray not for the world. That they may be one, as those, Father, art in me, and I in Thee, that they also may be one in us: that the world may believe that Thou hast sent me. And the glory which thou gavest me I have given Thee, that they may be one, even as we are one." John 17:19, 21-22 The prayer Jesus made to the Father for His church two thousand years ago has transcended time and is reaching us today. Walls of divisions are being crumbled. The spirit of unity is prevalent, and God is moving mightily. Those who open their heart to what God is doing concerning unity will be a vessel through which He will spark the fire of the greatest move of His Spirit.

"...there ariseth a little cloud out of the sea, like a man's hand....And it came to pass in the mean while that the heavens was black with clouds and wind, and there was a great rain...." 1 Kings 18:44-45 (AKJV) God has chosen the foolish, the base things and the things that are despised to shame the wise and mighty that no flesh should glory in His presence. A great rain is about to fall. We have to destroy our fleshly made "umbrellas." What we have seen is nothing to compare to what is coming.

Jesus said in John 17:22, "And the glory which thou gavest me I have given them; that they may be one, even as we are one:" (AKJV) If you study in Exodus 25, you will have insight on how God gave instructions to Moses to build the tabernacle according to His pattern. And in Chapter 40 of Exodus, after the tabernacle had been set up according to God's pattern, He manifested His glory in the form

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

of a cloud. The Glory is the visible manifested presence of God. The psalmist said in Psalm 26:8, "I have loved the place where your glory dwelleth." "And now, O Father, glorify me together with yourself, with the glory which I had with you before the world was." John 17:5 (NKJV)

When Jesus became incarnate, He "emptied" Himself of the glory that He had with the Father before the foundation of the world—the glory of being equal with God. On earth, Jesus did not use His glory of being equal with God. He was walking in the glory of being baptized in the Holy Spirit. And He has given that glory to the Church.

In His earthly walk, Jesus manifested the glory of being the express image of the Father in human form. And through the cross, He would give that glory to the church—through unity. The Church will walk in a high level of God's power. Now remember God manifested His glory after Moses had built the tabernacle according to the pattern that was given to him. In Ephesians 4:11, we see the pattern which Jesus gave the church, but instead men have put their hands to building according to the pattern of flesh. The glory of God brings back the unity of the Spirit.

"Behold how delightful and how sweet it is for brethren to dwell together in unity" Psalm 133:1 (Spirit version) "It is like the precious oil upon the head, running down upon the beard, upon the beard of Aaron, running down on the collar of his robes!" Psalm 133:2 (RSV) "Harmony is as refreshing as the dew on Mount Hermon, on the mountain of Israel..." Psalm 133:3 (Taylor version) "There the Lord bestows His blessing life for evermore." (NEBV)

Anointed with Joy

"Rejoice in the Lord always: again I say, Rejoice." Philippians 4:4 (AKJV) If you study the letter of Paul to the Philippians, you will notice the circumstances Paul was in when he wrote this letter, and honestly ask yourself, how can Paul in such a situation talk about the joy of the Lord sixteen times? Paul wrote his letter to the

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

Philippians during his first Roman imprisonment. This church had a great missionary zeal and was consistent in supporting Paul's apostolic ministry. The dominant aspect of this letter is that of triumphant joy.

One of the Hebrew words for joy is simcha, meaning: carefree, triumphant joy. This is what Paul was talking about when encouraging his brothers and sister on how to be triumphantly joyful in whatever circumstances, and at all times. I have learned from one of my friends about the imprisonment of Paul in Rome. It was not like our modern prison with good food and physical exercise on a sunny day. It was a hole in the earth with no windows, without light and totally black with a horrible smell. It was the central holding tank of the strength of Rome where all toilet water flowed through. Most prisoners died from the smell. Paul was held alive in chains and isolated in complete darkness in a sewage hole. From time to time, a Roman soldier would come down with a candle and hand over to Paul a writing pen and paper permitting him to write a letter.

His only right being that he was a Roman citizen. It was right in that hole that Paul wrote to the Philippians and told them to rejoice in the Lord always. How could Paul rejoice in such a place? It was that joy of the Lord which was sustaining Paul alive. "For I know that this shall turn to my salvation through your prayer, and the supply of the Spirit of Jesus Christ," Philippians 1:19 (AKJV) The Philippians were genuinely upholding Paul in prayer more so than any other church, and the Holy Spirit was supplying supernatural strength to him making him joyful. The joy of the Lord was being infused in his inner being. Paul had communion with the Holy Spirit. There was oneness between the great duo—the Holy Spirit and Paul.

One of the Greek words for joy in the New Testament is Charis: derived from charuo meaning: grace. Joy is a direct result of God's grace upon an individual. "And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness..." 2 Corinthians 12:9 (AKJV) Charis is the divine influence upon the heart and its reflection in life. Paul was reflecting that divine power-joy! This kind of joy cannot be affected by any circumstance, but it affects circum-

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

stance. "My brethren, count it all joy when ye fall into divers temptation;" James 1:2 (AKJV)

The word "count" in Greek is Hegeomai meaning: to lead, to be the chief, to preside, to govern or rule. Here the writer was saying, "Let the JOY that has been infused in your inner man be your leader. Let it preside, govern, and rule over you." Whatever circumstances you might be facing, it is for the trial of your faith which brings forth patience.

The Greek word for patience is Hupomone meaning: the capacity to abide and resist under pressure. God wants to produce in His beloved children the divine capacity to resist whatever pressure of life and walk out triumphant with joy—making us perfect after the patience process. The word perfect in Greek is Teleios meaning: full grown, fully developed adult. "...The oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the LORD, that He may be glorified." Isaiah 61:3 (NKJV)

The Enemy of The Anointing

We have learned during our study that our relationship with the Master Apothecary must be a perfect one through oneness because the anointing upon our lives depends on that relationship. Like a husband and wife, there is only one thing that can break the oneness between them and that's adultery. So the oneness between the Holy Spirit and a child of God in the same way can be broken, and it should not have to be so.

Satan will try by any means to break this oneness through any open door in order to stop the flow of the anointing in our lives. As far as I can understand by the Holy Spirit, I want to help you to know what can stop the flow of God's anointing in your life. "And grieve not the Holy Spirit of God, whereby ye are sealed unto the day of redemption." Ephesians 4:30 (AKJV) "Yet they rebelled and grieved His Holy Spirit; only then was he changed into their enemy..." Isaiah 63:10 (NEBV)

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

In grieving the Holy Spirit, you make the Holy Spirit your enemy. When one gives his/her body in intimate relations to another person other than his/her legal partner, it causes grief, sorrow, or sadness and separation. How can one grieve the Holy Spirit? "neither give place to the devil." Ephesians 4:27 (AKJV) The Greek word for place is Topos where we derive such words as Topography. It is used for a region, a locality, area or place which is occupied by a thing or person(s). Therefore, giving a place to the Devil for occupying rather than to the Holy Spirit, we break our intimacy with Him. This is committing spiritual adultery.

How does someone give place or access to the devil? "If men comply with their lower nature, their thoughts are shaped by the lower nature." Romans 8:5 (Weymouth version) "...but those who follow after the Holy Spirit find themselves doing these things that please God." Romans 8:5 (Taylor version) "The mind which is interested only in carnal things is enmity to God. Romans 8:7" (Norlie version)

In the Book of Romans, Galatians and Ephesians, etc., you have a long list of how many Christians nourish and love their carnal nature and walk. There is also a long list of how we as Christians are advised to fill our mind with spiritual things. Idleness is causing Christians to abstain from Bible study and meditation on the Word of God. Sometimes when you see Christians of five to ten years in the church, it brings embarrassment for the way they are living. Often some questions may arise like, "Hey, how can such and so live in sin and walk in the power of God."

"How are the mighty fallen in the midst of the battle!" 2 Samuel 1:25 (AKJV) "...the shield of Saul, as though he had not been anointed with oil." 2 Samuel 1:21 (AKJV) Sad to say, the day when mighty soldiers of God fall into sin always comes, they don't repent. Do you remember Samson of old? There was a time in Israel when the Philistines were giving a hard time to the people of God because of the evil done by them in the sight of the Lord their God. In His mercy, God sent a deliverer in the person of Samson. There wasn't a man or army strong enough

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

to stand against Samson as long as he carried God's anointing upon his life. He was giving a hard time to the enemy, and the roles reversed. But Satan was watching and looking for a place in the life of Samson to occupy, and he found a place. The instrument of defeat was used in the hand of the enemy, Delilah. Finally, Samson took the bait and was hooked. In losing his seven locks of hair on his head (a symbol of his consecration unto God), Samson lost his anointing. He was defeated.

Character building goes hand in hand with the anointing. Your Spiritual character is built in the school of the Holy Spirit, not human made in a school. Character makes you stand, and the anointing is for effective service. You must have Godly character and the anointing.

Delilah comes from a root Hebrew word day meaning: to be feeble, be emptied, to fail, to dry up or to languish. To languish means to lose strength, to become weak. Delilah is watching for an open door in our lives in order to dry-up the anointing. So when we try to fight back, we will not be able to make it and be defeated. Brothers and Sisters, this is not the time to play. It is the time to rise up in the power of God, shouting the battle-cry, and together joining our hands, doing Spiritual Warfare, Ushering In The Kingdom and God, Walking In Kingdom Authority and enforcing Jesus' Victory on the Cross at Calvary.

Arise from your sleep and laying down in the circumstances that have kept you in the past: Arise Up to the Newness of life that God has promised you. Stand Up and Shine and be radiant with the glory of The Lord Our God! "For your light has come, and the glory of the Lord has risen upon you! Isaiah 60:1 (AMPC) Stand Up and Shout to the Lord with a Voice of Triumph! "...I am anointed with fresh oil." Psalm 92:10 (ABPS version)

I have noticed that there are many sincere believers who dwell on what God did yesterday. They try to make things work on the anointing which was on them yesterday. It is here where Satan, the counterfeiter, is seducing many of our believ-

TED Line Ministry Church 121 Terrace Drive Walterboro, SC. 29488 www.tedline.com

ers. God does not make duplication but originals. When in service, oil always loses its thickness and in due time must be replaced by fresh oil. We, as serving the Lord, need a daily infusion of God's fresh anointing. There is no substitution for any child of God to dwell in the presence of El Shaddai daily in communion and not come out with a fresh anointing.

"Who shall ascend into the hill of the LORD? or who shall stand in His holy place? He that hath clean hands and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully. He shall receive the blessing from the LORD, and righteousness from the God of his salvation. This is the generation of them that seek him, that seek thy face, O Jacob." Psalm 24:3-6 (AKJV)

Daily communion with the Father, Son, and Holy Ghost must be our priority. It must not fit according to our time table. We always have time for everything in life, but not time for fellowship with God. We have time to watch Christian television, that's good. Time to read Christian books, that's good. But what about our priority? This is what our God is longing for, His children to dwell daily in His presence.

Promotion

Through Psalm 92:10-15, we will study about the blessings of the fresh anointing. "But my horn shall thou exalt like the horn of an unicorn: I shall be anointed with fresh oil." Psalm 92:10 (AKJV) "But you have promoted me, so that I am like a powerful buffalo; I am anointed with fresh oil." Psalm 92:10 (Harrison version)

The first blessing of walking in the fresh anointing is promotion. The Bible says in Psalm 75 that promotion comes neither from the east nor from the south, but from God. The word horn is from the Hebrew word Qeren which is symbolic of strength, power and victory. The word promotion is from the Hebrew word Ruwm meaning: to rise or raise, to bring up or to exalt. This is what God wants to do with His children.

Perception

"Mine eye also shall see my desire on mine enemies." Psalm 92:11 (AKJV) The

word perceive means to have insight, to discern, to see, to consider, to give ear, to understand and to hear intelligently. "...and anoint your eyes with eye salve, that you may see." Revelation 3:18 (NKJV) "...and do not know that you are wretched, miserable, poor, blind, and naked—" Revelation 3:17 (NKJV)

The church of Laodicea had become self satisfied. They were blinded and self-satisfied with material wealth. They said that they now needed nothing. They became lukewarm without the fresh anointing. Jesus said to Laodicea to anoint their eyes with eye salve. Laodicea had the reputation of producing salve for the curing of eye disorders. Having become spiritually blind, Jesus told them that they needed the fresh anointing added to their spiritual blindness in order to regain good perception. Walking in the fresh anointing will allow the children of God to have insight on what is going on and discern between the genuine and the counterfeit.

Sensitivity

Without being spiritually sensitive, we will not be able to hear the voice of God. Dwelling and listening in the presence of God will develop our spiritual sensitivity. Job 33:16 says in the following four translations, "Then He openeth the ears of men,..." (KJV) "Then He makes His secrets clear to men." (Basic English version) "Then it is He whispers in the ears of man." (Jerusalem version) "He speaks words of revelation." (Knox version)

Many are not hearing what the Holy Spirit is saying. Those who walk in the fresh anointing have good spiritual sensitivity and can hear the voice of God.

Productivity

"The righteous shall flourish like the palm tree; he shall grow like a cedar in Lebanon. Those that be planted in the house of the Lord shall flourish in the courts of our God. They shall still bring forth fruit in old age; they shall be fat and flourishing." Psalm 92:12-14 (KJV)

Another blessing of the fresh anointing is that you will become fertile and able to produce. Too many children of God are not reaching their potential to produce for

TED Line Ministry Church

Walterboro, SC. 29488
www.tedline.com

God's glory and they remain sterile. In John, the fifteenth chapter, Jesus says, those who do not produce fruit are cut away by His Father, and He purges those who bear fruit. I conclude that our Father does not tolerate non-productivity because He has provided everything needed for His children to be productive.

Declaration

"Eager to declare that the Lord is just, the Lord my rock, in whom there is no unrighteousness." Psalm 92:15 (NEBV)

I wrote about the five ingredients of the anointing oil. Five speaks of grace. We also have by God's grace five benefits of the fresh anointing according to Psalm 92:10-15 in our study. When one is anointed with fresh oil, he will not be able to close his mouth. He will speak about the grace of the Almighty God. "...and my mouth was opened, and I was no more dumb." Ezekiel 33:22 (AKJV) Many Christians need deliverance from spiritual dumbness. They need the fresh anointing for them to declare the goodness of God.

"Now numerous Samaritans from that town believed on and trusted in Him besaid when she declared of what the woman and testified." cause John 4:39 (AMPC) To declare means to make known, to announce openly. We, as God's servants, must celebrate Jesus. If not, the Lord will stop the flow of His anointing on our lives and all of our resources will dry-up. The Word of God says in 2 Corinthians 1:21 (AKJV), "Now he which establisheth us with you in Christ, and hath anointed us, Is God."

"and proclaim liberty throughout all the land..." - Lev. 25:10

GATES OF BAAL

By Dr. William Schnoebelen ©2018

Prove all things; hold fast that which is good. Abstain from all appearance of evil.

- 1 Thess. 5:21-22

Summer is upon us and with it comes MANY spiritual dangers! Part of our lifelong mission is to equip the Body of Messiah to deal with tactical spiritual warfare – in whatever form it may take! With all the power of the Ruach haQodesh ((Set Apart Spirit) to exhort, prophesy and teach, our deepest prayers are that through WOAM's many teachings (including this one) your armaments are bolstered so YOU and your FAMILY become even more spiritually armed this summer!

TO THE POINT: Baal is named as the chief rival to the Elohim of Abraham, Isaac and Jacob in the Tenakh (OT). References to this fallen el (angel) frequently appear in Scripture, and he is mentioned for the first time in **Numbers 22:41**. The god of the Moabites, Baal's "high places" demand innocent blood. The word BAAL means either husband or lord (Strong's #1168), and virtually all other false gods (Moloch, Chemosh, etc.) are rooted in him.

PRAYER FOR SPIRITUAL DISCERNMENT

The **witchcraft GATE** of summer opens with the feast of Beltane on May 1st. Beltane is based on the name of the false el Bel, which is just a Celtic corruption of Baal. In England, bale-fires (Baalfires) are lit throughout rural areas in high places by witches to celebrate the beginning of summer. This is not a spiritual reality to be taken lightly! Everyone needs to PRAY the **DIVORCING BAAL PRAYER** found on WOAM's website as it is one of the premier warfare prayers to cast down such satanic strongholds and gates of witchcraft.

Dear Dr.Bill and Mary, Thank you so much [For Prayers on the website.]. I have prayed them before but it's time to print them out and do them more often! For about 6 months this past year I had a crippling spirit of fear...I asked Mary what to do...she told me to read your BOTD book, among a few other things..like cast out the spirit of fear. It's been several months and I have been a completely different person. Your ministry is so invaluable to me...I pray whenever I see you ask. You guys have made a prayer warrior out of me...thank you, thank you, thank you. I am seeing the POWER of God for the first time in my life.

But many fail to understand that there can also be doorways, **Gates of Baal**, left open to our homes and families – most especially in the summertime. We shall see why and give practical and spiritual advice to shut those doorways and **seal them shut with the Blood of the Lamb!** ...continued on page 3

Tragically, tens of thousands of Christian men are members of the Masonic Lodge. A surprising number are pastors, deacons and elders! Sadly, these men have their spiritual eyes blinded to Masonry's bloody roots, perverse hierarchy and despicable, secret rites. We all rejoice at summer's arrival – especially those of us weary of cold weather! Children and teens are thrilled to be out of school and free for the season. HOWEVER, with that freedom always comes the need for VIGILANCE. As the saying goes, "Idle hands are the devil's playground." Hopefully, most children are involved in edifying, chaperoned activities that help keep them out of mischief, but some issues remain...

Many Christian parents send their children to some sort of vacation Bible camp or school, **BUT A WORD OF CAUTION:** Increasingly, there are numerous issues of misconduct during these sort of gatherings. Over the years, we have received **hundreds of emails from parents** who discovered too late that their children had been molested - to a greater or lesser degree - by counselors at these camps...Boys shown how to masturbate, for example! It is heartbreaking, and we suggest doing a <u>lot of prayer and research</u> before you entrust your precious children to the care of others – no matter WHAT shingle hangs over the door!

Many of these gatherings are hosted by local churches the family attends, and THAT is reassuring. Presumably, counselors at the camp **are vetted and well-known to parents**. However, <u>prayer is vitally important</u>. If the last decade has shown us anything it's that even apparently good teens or adults within churches **can have serious demonic issues**, leading to abuse of children in 'games' that are emotionally and spiritually toxic, unhealthy and at the very least, questionable.

Additionally, the MOST common – but nonetheless dangerous – problem is **doctrinal contagion**. This happens when congregations and camps invite children (of all ages), youth

group leaders, teachers and/or counselors from different organizations and churches to 'visit' in an unvetted, leadership role. This can throw open spiritual doorways or even the **Gates of Baal**:

FIRST: Leaders from those congregations COULD BE involved in sin – serious sin, like Freemasonry, New Age, or the occult. Beliefs can be contaminated with unscriptural 'truths' and passed on casually. Sadly, pastoral/leadership addiction to sexual sins (such as adultery), drugs, gambling or porn can tear apart fragile, spiritual ramparts when temptation presents itself.

Remember: According to recent surveys more than HALF of the evangelical pastors in the US admit to looking at pornography! And even if pastors or elders aren't at a camp or VBS themselves, their HEADSHIP authority – defiled as it is – will STILL permeate the entire church membership. This, in turn, weakens the ability of adolescents or youth pastors and counselors under such authority to resist sexual temptation at a time in their lives where hormones are raging!

SECOND: Doctrinal corruption in churches, especially among charismatic bodies, is bizarre and widespread! These ideas float around and children and teens are wide-open targets for attack. A situation comes to mind where we ministered to a family where a young teen boy was exposed to the "holy laughter" aberration back in the nineties through laying on of hands from a camp counselor. This totally derailed the boy's walk with Yahushua for many years! That was some time ago, but things have gotten a good deal more deranged in modern churches. Nor are messianic congregations immune - There are many who have moved into false teachings as well, including (Yah forbid!) denying Yahushua as Messiah. **So, no matter what the group - Questions, DISCERNMENT, and prayer are vital.**

The Gift of Discernment

So, what are parents to do? You need to realize that as a parent you have been given a mantle of authority over your children. Heaven has entrusted them to your care and **you have the right** - **nay the DUTY** - to go before the Almighty's Throne and seek Divine Guidance in these matters. The RUACH will guide you!

Especially, and above all else, pray for the gift of the **Discerning**

of Spirits (1 Cor. 12:10). You would be amazed at how many Believers - even Pastors lack this gift! It really is scary. Many times successful and powerful pastors (I have spoken to many), will tell me they have no discernment. These "men of God" have allowed wicked people – wolves in sheep's clothing - into their Sunday schools and youth groups. Check out WOAM's video teachings on this! WATCH THE VIDEO HERE

I'm listening to Bill's teaching on the Battle Axe of Yahuwah right now it's so GOOD! :) No matter what teaching it is he always makes me laugh with a phrase he uses or something- I really enjoy listening he uses easy words that keep my attention & don't confuse me or cause me to daydream off...MH

As a parent, you have the NEED and RIGHT to that gift, but you must earnestly seek it for the sake of your children (James 4:2)! I advise against allowing children to be under the control of any individual, no matter how trustworthy they may appear, until you and your spouse have "vetted" them spiritually and have mutual peace about them.

The Joys of Vacationing!

Another area which summer brings is vacations. These are wonderful times of togetherness. Obviously, there is nothing wrong with a family vacation! But they DO bring their own set of spiritual challenges. If parents are doing their job, their home should a spiritual fortress, cleansed of defilement and extremely safe. But when you travel you are leaving your "base station" and going into strange territories with various levels of problems. Please, strongly consider:

- 1. HOTELS: Be sure to **pray over and bless the hotel room(s) you and your family stay in**. You have NO IDEA what wickedness might have happened in that room, no matter how nice the facility might be affairs, homosexuality, cursing, blasphemy, or watching porn just to name a few. Such activities *seriously* defile the room. Also, leave an open Bible (KJV) on the desk. **Pray for the remission of the sin of shedding of innocent blood over the land.** AND as a paying customer, you have a legal SPIRITUAL right to do this.
- 2. **PRAY for YAHUWAH's BLESSINGS** His traveling mercies and angelic protection.
- 3. **If camping whether in a tent or RV, the same applies.** Obviously, the dwelling is yours and presumably pure, but you need to pray for the remission of the shedding of innocent blood over the land. Additionally, be aware that your dwelling is not as secure as a house or apartment, so pray for extra angelic protection from the Father in heaven Himself. There can be *strange things* out there in the wilderness.
- 4. If flying, plead the Blood of Yahushua over the aircraft. Ask Him to remove any curses or blasphemies over every part of the plane, fuselage, landing gear, engines, flight deck, etc. The mechanics and engineers and staff onboard may not have the most pristine lives and/or language, if you get my meaning.
- 5. Pray for Abba Father to provide **angelic protection** as you take off, fly, descend and land. Also, pray that you don't lose your luggage. The same sort of advice (with appropriate modifications) would apply to trains or cruise ships.

6. Realize that while you are on vacation the devil never takes a break! **So, it is imperative to do spiritual warfare prayer every morning** before starting your day.
The "bad guys" anticipate and know you are off your routine, and will try to exploit that! Prayer covers you and keeps spiritual awareness filled with Abba's heavenly fire.
So, pray for your family's safety daily and ask Abba to put His Armor on you all!

Disney and Theme Parks CAUTION! WARNING!

Some of the most popular destinations for family vacations are amusement or theme parks. These deserve a discussion all their own – or a full DVD Teaching! At the risk of being a killjoy, **theme parks need to be approached with caution** – Disneyland, Disney World, etc. are *especially* pernicious in spiritual peril. I understand that it is the (media-induced) DREAM of every child in America (if not the world) to go to a Disney park. As a child, it was

254 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

my dream too - and I went to Disneyland at the very impressionable age of 12. However, Disney parks and ALL of their related 'entertainments' have become totally **corrupt**!

Most Believers know the Disney conglomerate is no friend to Biblical values. They are open and blatant supporters of every manner of homosexual perversion and have just recently stopped their Christian concert events at Orlando park. They are also HUGE promoters of Magick and the occult. Look back and you will see that Disney's films and cartoons have glorified wickedness, fairies, leprechauns, witches, etc. for decades! It would be hard to find a Disney cartoon that **doesn't** use Magick in some fashion. Indeed, they recently (2014) released a film portraying the evil sorceress from SLEEPING BEAUTY (1959), Maleficent, as a tragic, misunderstood anti-heroine.

These films, just as much as the Harry Potter franchise, glamorize magic and make it seem fun and powerful. Your children do NOT need to be exposed to this! People may protest and say, "But these are just classic fairy tales!" Yes, some of them...But let me share this. Walt Disney made it his mission to distort all the classic fairy tales and remove Christian values from them. Disney was a Rosicrucian and probably a Freemason (he was a member of the Masonic DeMolay order). He was originally funded by the Black Nobility, the Italian branch

of the Illuminati. HIS MISSION: To undermine Biblical values in culture. Though he died in 1966, his "vision" continued and metastasized into the evil occult conglomerate which today virtually dominates children and fantasy entertainment.

Beyond that, parents must know that for generations it has been alleged by many that Disneyland parks in particular have been used as a place **TO ABDUCT AND MIND CONTROL CHILDREN**. You will see the blueprint for this in Disney's cartoon, PINOCCHIO (1940), one of his earliest feature length cartoons. In a subplot, young boys (including Pinocchio) are taken to an island playground/amusement park where they are allowed to play games and eat candy and goodies to their hearts content. But gradually, the boys begin to turn into donkeys, complete with ears and hooves. This was Disney's Illuminati-based fantasy for the children who came to his "Magic Kingdom."

This is not a coincidence. Note that in the Scriptures, the donkey or ass is a symbol of the unregenerate sin nature (**Job 11:12**). This is one reason why Yahushua rode into Jerusalem on an ass, the foal of an ass (**Matthew 21:2-7**). It symbolized His ability to assist humanity in overcoming the sin nature. PINOCCHIO is a portrayal of boys being reduced to their most animalistic and depraved state!

We have prayed with at least a half dozen families who claim that they were taken and mind-controlled at Disneyland. They needed **serious** deliverance, especially from Legion. Of course, these things are carefully hidden away and cannot be proven, but when you add this to the occult, sorcery, anti-family pro-sodomite themes which underlie the parks and the films, it is a profoundly cautionary warning for every family.

Disney built up its "family image" with wholesome films like OLD YELLER and DAVY CROCKETT – all the while pushing cartoons which were increasingly laden with magic and even perverse sexual symbolism. Many researchers have documented that these cartoon movies contain subtle sexual images (phallic, etc.) which are subliminal – or even not so subliminal, like the "topless" female centaurs from FANTASIA, all the way back in 1940 (removed later). These images are in such beloved "family" films as THE LITTLE MERMAID, ALADDIN and FROZEN.

Subliminal messages are powerful, especially for young children whose brains are not fully developed. The Disney Studios has, in many ways pioneered use of subliminal images and words that can bypass the conscious mind and 'censors' (our conscience) given to us by our Creator. They can burrow deep down into a child's mind like a spiritual parasite and raise **questions and inclinations** about their sexuality YEARS before such things are to be righteously awakened. **LET THIS BE A WARNING!**

We advise people stay away from anything Disney, even at the risk of disappointing your children! The entrance to Disney parks is definitely a Gate of Baal! You are throwing open the doors for the enemy to come in and seduce your innocent children's souls!

There are other considerations as well. Disney and other theme parks feature incredibly realistic and frightening "rides," often drawn from movies – including Harry Potter and Jurassic Park. The whole

Dear Dr. Bill & Mary, I just finished listening to Bill's message I am so blessed and humbled before YAH. Thank you for these mighty prayers. I know most of them, and they touch my spirit deeply. YAH bless and keep you both.

modern concept of taking children to places for rides that are scaring them out of their wits is highly questionable from the standpoint of Scripture. Even things like "fun houses" or haunted houses, which are minor by comparison can really traumatize especially young children. **They can open doorways for the spirit of fear!**

Scripture **never** says we are to instill fear in our children, except for the fear (reverence) of YAHUWAH

(2 Corinthians 7:1, Proverbs 1:7;

9:10)! To the contrary, Paul writes that "For Elohim hath not given us the spirit of fear; but of power, and of love, and of a sound mind." –

2 Timothy 1:7. How is taking a small child onto a ride that scares the daylights out of them in accord with these scriptural values?

I understand this might be challenging for some parents, but we have prayed for FAR TOO MANY people who were frightened by such things as a child and *demonic spirits entered into them* – spirits that tormented them for *many years*. Sadly, we live in a nation where today more than half the country is on psychiatric medicine – much of it for anxiety and phobias (compulsive fears). Believe me beloved parents of Yahuwah's childnen, you do not want to condemn yourself or your child to bondage of toxic and mind-numbing drugs for the sake of 'giving in' to a few minutes of thrill-ride. Life is frightening enough without introducing artificially induced terrors into the minds of children.

Summer Blockbusters!

AND...what would summer be without the spectacular summer BLOCKBUSTER!
Naturally, these films are geared to young people. The new AVENGERS and SOLO films along with the latest STAR WARS spinoff are part of enormous and popular franchises and contain highly occult or idolatrous elements - false gods like Thor, Loki and Thanos; sorcery, and "the Force." Young people are flocking to see these films in droves. Also, we have WINCHESTER, an occult/haunted house film with an anti-firearm message.

DEADPOOL 2 is an R-rated superhero (?) film with a filthy-mouthed, fornicating hero. In theory, children shouldn't be watching this at all, but you know how that goes. We also have MARY SHELLEY, a smutty bio-pic about the female author of "Frankenstein" and her pervert husband, Percy Shelley and his even **more** perverse friend, Lord Byron. The film presents summertime at a sprawling estate in Geneva with plenty of drugs like laudanum and nighttime fantasies. And just when you thought JURASSIC PARK had bitten the dust, out comes a sequel designed to stoke up our children's obsession with giant lizards and further indoctrinate them with evolution. All of these are just the tip of a very large iceberg of smut, horror films, violence and pro-gay/transgender films set for release this summer.

Realize that children often buy a ticket to a PG film and then, subsequently detour to an R-rated film with ease. Once a ticket is sold managers have no incentive to supervise your child. Today's theaters, with their huge screens and deafening sound systems, are designed to literally bombard audiences with mind-numbing special effects and soul-raping sound and music.

Since the EXORCIST film (1973), Hollywood has become more and more adept at embedding subliminal messages and images into their films to accentuate the power of the film's impact. Additionally, many films – especially of the horror and occult genre – are "charged" with cursed magick by Hollywood's satanic covens to impart demons directly to viewers or listeners by bypassing the conscious mind.

Thus, even a teen raised with Biblical values might end up exposed to one of these horror or occult films. Peer pressure or personal curiosity (the forbidden) can

result in an infestation of evil spirits. Plus, as mentioned, this also exposes our youth to to bone-rattling terror. Remember - in terms of impact on the brain/mind, research shows us that what the mind sees on the screen is usually mistaken by the primitive animalistic part of the mind (in Scripture called NEPHESH) for something absolutely real. That is why watching a film of an extreme car chase, spaceship battle or terrifying slasher film can make the body's autonomic nervous system respond just as if the event was really happening. This all this ensures a devastating impact of images and sounds on a child's unsuspecting soul.

Honestly, we rarely go to films. Usually we only attend for ministry research purposes! You would NOT believe the amount of demons in those theater auditoriums. That is why if we DO need to go to a film **we** always pray mightily first and put the Full Armour of Yahuwah on in advance. But as bad as today's films are...could anything be more evil than virtual fantasy?

VIDEO GAMES Augmented & Virtual Reality

In spite of summer's beautiful weather and fun, plentiful activities, an increasing number of young people spend their time glued to X-Boxes or other gaming devices. Believe it or not, video game companies rake in much more money than Hollywood movies. They are that huge!

They are also an enormous part of adolescent-young adult

culture. The problems with this are manifold. Except for sports-based games (which can foster an unhealthy competitive spirit), almost ALL video games are either rooted in shooting, crime or fantasy-sorcery type material. Many are actually "rated" like films, for more mature gamers - but of course that doesn't stop children or young teens from getting their hands on them or playing them with neighbors.

The fact that adolescents are engaging in powerful and absorbing games on Android and iPhone devices makes it even harder for parents to regulate. AR is **Augmented Reality** - essentially allowing players to view digitally-created, realistic images through the phone/camera's lens in a 'real world' - and results can be frightening!

EVEN MORE DISTURBING ARE THE V/R (VIRTUAL REALITY) GAMES WHERE PLAYERS WEAR HEADSETS WITH GOGGLES THAT TOTALLY COVER EYES AND EARS! THIS IMMERSES A PLAYER INTO THE DIGITAL WORLD OF THE VIDEO GAME IN A VIRTUAL 3-D SETTING!

These games can be HUGE Gates of Baal into the mind and heart of your child. Remember, according to both science AND Scripture, a young person's mind or brain is nowhere nearly developed until at least 20! Some report the age is 25 - So all these teens and young adults immersed for hours in gaming are imbibed with incredible negative impacts on the development of their nervous system...

The fact that a person can **engage** with the video game makes it much more appealing to the mind than TV, which is passive. Much has been written about the psychological dangers of violent or occult video games. For all the above-mentioned reasons it is not good for young people to be engaged in occult-based video games! The violent, "first person shooter" and grand-theft auto type games are also very bad. None of these come under the heading of Paul's guidelines in **Philippians 4:8**!

However, there is another component that is potentially more dangerous, because it is not as obvious. Remember, the devil IS subtle. To learn about this, we need to venture briefly into the world of professional gambling. I spent several years as a counselor for people who were gambling addicts. During that time, I had to attend many training sessions like most health-care professionals.

Because most Christians do not gamble, it is unlikely you've heard of the advent of **video poker** and other similar **electronic games**. In the growing gambling industry, alongside table games (poker, roulette, etc.) and slot machines. But there is a new "game" in town which emerged in the 1990's - originally called video poker, the game has now morphed into several other video gaming formats.

What exactly am I talking about? Well, imagine a video game version of slot machines or medium to high stakes gambling games like poker. Further imagine that you put money into these video games to play and that there is a possibility that you could *win big money playing them*, just like their real-world counterparts.

As a professional gambling counselor, I learned that it has been determined that these video poker, etc. games are like an analog of "crack cocaine" for gamblers. They are **highly and instantly addictive**.

Now, what does this have to do with video games? Well, part of the "deal" the gambling industry cut with most states is that in return for the licenses to make millions of dollars, the industry must fund both treatment for gamblers who get into trouble AND they must fund studies on how these games work. Plus, the industry itself pays psychologists a lot of money to come up with the most effective ways to market and design these games for maximum return.

The **stimulus response mechanisms** of video gambling and video games are not *that* dissimilar. The only difference is that the "reward" of the video gaming is much greater because it is not just about racking up a high score - which is an ego rush, but actually winning money! Thus, it is a very powerful addictive force. There are elements in both video gambling and video games that come together to make them highly addictive. Among these are:

- 1) Bright colored, fast moving screens
- 2) Repetitive, hypnotic quality to the play
- 3) Mesmerizing sounds or music
- 4) Instant feedback (knowing right away if you have won or lost)
- 5) Some level of control or skill (or the ILLUSION of control or skill) is involved¹
- 6) Ego gratification for winning (in the case of gambling, also money)

For both the gambler and the video gamer, the rush of winning can be an ENORMOUS surge of endorphins (feel-good brain chemicals) that runs down the same pleasure **pathways in the brain as cocaine** and other similar stimulant drugs such as meth.

The other problem is that for many years now these online games, (originally called MUDs – Multi-User Dungeons) have mushroomed into an enormous part of the gaming culture. These are when thousands of people from all over the world – potentially – **assume avatars** (imagined self-identities that are characters in a game) and interact in REAL TIME with one another – in addition to playing the game. Games like **Warcraft** are gigantic, multi-billion-dollar enterprises with millions of users. Of course, there is no way for parents to monitor the other players with whom your child is interacting. They could pretend to be another teen, but in reality, they could be a black magician or a pervert – seeking to ensnare your child. We have seen the results of this many times, sadly, in our counseling ministry.

Beyond that, the digital power of contemporary video games is incredible. The typical TV screen upon which a lot of these games are played has a 32 frames-per-second scan rate. High Definition screens (modern TVs) and most mobiles devices have a 64 FPS scan rate. **This speed can literally bypass the conscious mind** (which is not really wired to be aware of it) and program your deep mind. Imagine all the violent and occult imagery in these games **programming** your child at an unconscious level that neither they nor you can even detect without spiritual discernment.

Again, these are HUGE Gates of Baal into your family's and children's lives – whether younger or older. Many adults 30-50 years old are so addicted to these gaming platforms that it is ruining their marriages or careers. **How much more so** would these things be affecting the undeveloped minds of young people? Of course, during the summer, young people often have more time on their hands to play these games!

Imagine THIS!

Many will argue – "Oh, but these games help develop a child's creativity or imagination." Well, perhaps. But in the devil's way or in Abba's Way? Studying nature, art, music or writing would do the same – all more productive pursuits than losing yourself in a fantasy digital realm full of dark occultism and violence. Additionally, consider the first use of the word **imagination** is in the book of Genesis:

And Elohiym saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

- Gen. 6:5

260 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

Now this is in the middle of the horrible events right before the flood - fallen angels were fornicating with mortal women - giants are running around eating people. It was a dark time! The Torah seems to be saying here that the tendency of humanity's imagination is toward evil "continually."

Many of us could probably agree. Substantially, almost all sin starts in our minds. Any Believer worth their Salt knows the pattern and tries to short-circuit it. Thoughts of anger, greed or lust rear up in

our minds. We try to squash such thoughts and hopefully succeed by the power of our indwelling Holy Spirit. But it seems as though the imagination is a major inroad for the enemy of our souls.

Hello Mary! My Husband and I have received.

However, when you search verses in the Bible that reference imagination, scripture continually teaches that the imagination of one's heart is nearly always evil. Just check out **Genesis 8:21, Deut. 29:19, Jeremiah 3:17, 7:24, 9:14** - the list goes on! Fourteen references in all and only one could be construed as in anyway positive!

Hello Mary! My Husband and I have recently found With One Accord Ministries. It has been a BLESSING to our family! Your willingness to speak truth has changed our lives. Thank you! I'm prayerfully seeking the Ruach to lead me in making decisions to be a set apart woman of Yahuwah. I am desperately seeking truth. Anon

This is not to say that imagination is totally bad, just that we **need to keep a close eye on it**. Obviously, the music of the great Christian composer, J.S. Bach, is a masterpiece of human imagination, as is the poetry of John Milton. The Bible warns us to keep our heart with all diligence, "for out of it are the issues of life." (**Proverbs 4:23**) Paul also warns us,

I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. ²And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

- Romans 12:1-2

Thus, the question needs to be asked, 'Does the entertainment your children are using in their spare time *renew their mind* and also, **is it worldly**?' Carnal, worldly entertainment fixes our minds on things that do not renew them, but rather - defiles them! Remember the cliché from the early 1970's: "Garbage in, garbage out." If watch or listen to carnal things, you reap carnal thoughts, imaginations and ultimately behaviors.

Getting back to the idea of pleasure pathways - we have seen that playing a lot of video games has the same effect on the brain as playing video poker, etc. There is an ego rush for winning points and you might see your name a list of high rollers, but what is the effect?

WELL, AMAZINGLY, IT MOVES THROUGH THE HUMAN BRAIN ON A SIMILAR OR IDENTICAL PLEASURE PATHWAY AS THAT OF COCAINE OR METHAMPHETAMINE. IT IS LIKE INTERNAL STIMULANT TO THE BRAIN! AS THE NOTED PHYSICIAN, DR. DANIEL AMEN WRITES:

'Video games increase the amount of dopamine being released in the brain, so when kids play video games, they really like it! And when you try to take those games away from them, they get really upset. In fact, some even go through withdrawal symptoms when they aren't allowed to play.'

Dopamine is a neurotransmitter (a drug-like compound) in the brain that makes us feel *really* good. It is also released by ingesting cocaine, though in larger amounts. Many parents and health professionals concur with Dr. Amen, reporting that children

throw tantrums and act highly agitated and often violent when they are forced to stop playing their video games!

Those same parents would be stunned to learn that their children are **showing virtually** the same reactions to being taken off video games AS A COCAINE ADDICT would express after stopping use of their drug – just not as severe. But remember, these children are smaller in size (this means it takes less of the dopamine to affect them). Additionally, their brains are still maturing and are in which neurophysiologists call a "plastic state." This means that their brains are malleable, and they pick up things really quickly. This is good if they are in school. It is NOT so good if they are being made to carve off new pleasure pathways on which powerful stimulant-like chemicals can travel.

This is Your Brain on Video Games

Realize that the brain is marvelously made by the Creator. It contains a *whole pharmacy* full of chemicals. There is serotonin that helps us relax, adrenalin and cortisol to help us deal with stress or danger. Dopamine is almost like a morphine drip, as is the endorphin family. These are powerful! They are intended to help us deal with things like danger or injuries, or to help ensure the survival of the species through sexual desire.

But when a young person – even a young adult (twenties) spends a significant amount of time playing video games, their youthful, still-developing brains are flooded with these powerful chemicals. It can make your child over-excitable. It can shorten their attention span (think ADHD?). Believe me, playing a lot of video games can **actually change** the way your brain responds to learning. And guess what? It can also make it harder for your child to sit still in church.

It can have very similar effects on your child's mind as too much high fructose corn syrup or caffeine (soda pop). At that young age, you do not want pleasure pathways forming that encourage agitated, rapid-fire changes of attention and a desire for **instant pleasure feedback**. This is what you get from these games! As you can imagine, it makes it difficult for children to do more slow-moving tasks, like reading (the Scriptures!) and learning.

THE BIBLE WALK IS NOT ABOUT INSTANT GRATIFICATION. IT IS ABOUT PATIENCE, COMPASSION AND FAITHFULNESS. THESE ARE NOT QUALITIES ENHANCED BY VIDEO GAMES.

262 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN ™

It is difficult for a child programmed by video games to sit still or read a passage of Scripture and then, ponder it carefully. Of course that is just what the devil wants! The child's mind wanders, flitting from subject to subject in search of **the fast-paced stimulus it is accustomed to**. The child probably needs to be taught to recite this verse daily:

Be still and know that I am Elohim. - Psalm 46:10

This is the problem: To a young person whose mental and emotional diet is a steady stream of fast paced video games, Bible study can seem so slow and *boring!* Again, that is satan's goal! If he can get a young person to stop doing devotions, then his battle to corrupt them is more than half done! To drive a youth away from the Scriptures in favor of video gaming is to create a deadly Gate of Baal in their heart and soul!

Now mind you, all of what I have said is true of *ANY* video game! This is not just the violent or occult-based ones. **This is all of them if they are played more than a minimal amount of time.** The trouble is, it is very difficult to get a person – even an adult – to stop after just a few minutes of video gaming. So if this true of the rather benign video games, imagine how much more dangerous the violent and occult ones would be!

My advice to parents and even adult gamers:

Either stop video games altogether (BEST CHOICE!) or restrict Game Time to a
maximum of 30 minutes a day.

Then spend at least twice that time in the Scriptures!

Summary and Checklist

This can be a lot to take in and much of this information may be new. Please refer to the occult/violence checklist in our book, **Romancing Death**. Then cross check it with this:

Books, Films & TV - Avoid All That:

- 1) Glorify (just so we are clear glorifying in this context means to make such things appear, good, noble, normal or even praise worthy) non-Biblical values cursing, swearing, sodomy, lesbianism, fornication, adultery, illegal drug use or excessive and gratuitous violence.
- 2) Glorify occult practices sorcery, witchcraft, vampirism, werewolves, etc. *Does the medium present magic or the occult as valid ways of solving problems?*
- 3) Glorify a pro-death culture, including suicide and infanticide (abortion).
- 4) Exalt and glorify ugliness, the grotesque and despondency and despair.
- 5) Though it sounds trite, ask what Yahushua would do with this sort of entertainment! Would He watch it? Would you invite Him to watch it with you?

INSTEAD: Enjoy Reading Books and Seeing Films That:

- 1) Teach Biblical values: love, chastity, purity and seeking a more forgiving and non-violent solutions to problems.
- 2) Glorify beauty and life and uplift the soul.
- 3) Teach the value of service to others and love for all.
- 4) It goes without saying that you should be reading your Bible, at least 10 chapters a day. If you need one, contact us for a free reading plan.

VIDEO GAMES:

- 1) Avoid *all* video games that glorify the occult or violence.
- 2) Keep the more benign video games to a half-hour a day or less, especially for people under 30 (usually the human brain does not fully mature until the late twenties).

It is our deepest prayer that this LIBERATOR helps you avoid some of these very REAL DANGERS, so you and your family can walk circumspectly and enjoy a fun, safe, Set-Apart summer! We exhort you, please, keep your eye towards all things good, pure, and lovely - Pray against and stay far from the lurking darkness and the destroyer of souls!

NOTES FROM MARY

Beloved Friends in Messiah Yahushua,

WHAT a miraculous few months it has been! HalleluYAH! Living in these prophesied Last Days we are blessed to see Abba's Hand moving continuously - and STRONGLY among His people. He is pouring out Gifts, Signs and Wonders when we PRAY, FAST, STUDY SCRIPTURE and cultivate the GIFTS OF THE WARRIOR! We CAN discern with wisdom and live victoriously each moment of EVERY day - and night!

BUT BE FOREWARNED: There are many satanic feast days of 'celebration' and even spontaneous ritual nights (broadcast through gaming and social media) planned for this summer/fall. SEEK THE GIFTS OF DISCERNMENT & WISDOM and PLEASE – Stand with WOAM as we labor to share YAHUWAH'S TRUTH! Because as bad as things are, sadly, many are falling into ecumenical, wishy-washy muck. The enemy never rests. PLEASE STAND with us firmly in Yahushua - praying continually for fellow Believers, congregations, our president, country and loved ones. We simply refuse to lose our foothold, turn back or stray off the straight and narrow path set before us! Omayn?

SUMMER IS HERE – And it's a GREAT time to gather and enjoy a warm summer day - and some healthy, homemade snacks! If you'd like to gnosh on some delicious **Pure & Simple** foods, please remember to stop by my Blog for recipes! Also, Bill and I have been very busy these past months AND we're going to have SOME EXCITING MINISTRY NEWS before Bill's birthday on August 24th! Speaking of summer – Parents & Caretakers:

PARENTS, GRANDPARENTS & CARETAKERS... PLEASE keep an extra vigilant, DISCERNING Watch on Children and Teens this Summer!!

There are many destructive forces working to corrupt and destroy the youth of Set-Apart families - scheming to transfer demons through pop culture, electronics, chat rooms, social media, movies, TV...the list goes on and on. Sadly, most teens are drowning in it and parents NEED TO PRAY as if their child's LIFE DEPENDS ON IT...
I STRONGLY encourage you to view Bill's YouTube Teaching Videos, DISCERNMENT in SPIRITUAL COMBAT, GIRDED WITH TRUTH and LAMBS of WAR!

Believe me, the enemy is TOTALLY aware and taking advantage of the fact that most parents are burning the candle at both ends, trying to squeeze in as much summertime fun with children/teens as possible. But it usually ALSO means parents are working longer hours so they can take time off to spend with their families! We all know how precious family time is, certainly – Without a DOUBT! But what about the long hours your child spends alone, or with others THEIR OWN AGE?

MOST TEENS, even the Set-Apart, press for minimal supervision: But they STILL need clearly defined rules and boundaries. They also need a PRAYED UP, SAFE, SET-APART environment to prevent spiritual devastation. Activating security features for your home is a VERY SMART THING to do if you can manage it financially - Also, set limits and install security for computers, TVs, video games and electronic devices, including phones. It can make a HUGE DIFFERENCE!

Remember youth today are exceedingly tech-savvy, and these precautions **Require Prayer and Spiritual Warfare!** Dr. Bill has outlined some MAJOR POINTS on these matters in this LIBERATOR, and also, in his YouTube Teaching video, **DARK PORTALS INTO YOUR HOME** - we all need to pray the anointed **PRAYER FOR SPIRITUAL DISCERNMENT!** Parents need to be geared up, prayed up and ready to put on **THE WHOLE ARMOR OF YAHUWAH!** Put your faith into action this summer! Bill's Teachings on the Gift of DISCERNMENT and being GIRDED with TRUTH can

bolster your understanding to undergird your faith in YAHUWAH, helping you and your family cultivate and RECEIVE those GIFTs! We are **adamant** about SHORING UP the bulwark of Set-Apart homes and families, and labor in prayer to continually add AND upgrade the RUACH-led Spiritual Warfare Prayers on WOAM's website intended to help marriages and families stay strong!

PLEASE, visit www.withoneaccord.org and pray the Prayers there, made available for FREE by our faithful Set-Apart Friends & Partners! Or visit Dr. Bill's YouTube Channel, SUBSCRIBE and Hit the BELL to receive notifications when a NEW TEACHING is added. The enemy is unscrupulous in his tactics and we must be prepared to fight our spiritual battles BOTH offensively and defensively.

PLEASE STAND WITH WOAM and support Abba's Great Work through this tried and true, accountable ministry! TOGETHER, we are reaching the world - one precious soul at a time.

SPECIAL NOTE: I'm hoping to post a NEW Teaching SOON on my BLOG, as well as some NEW RECIPES! Check back often and please brothers and sisters...

WE ABSOLUTELY NEED YOUR HELP THIS SUMMER!

SHHHH.....DON'T SAY A WORD ABOUT THIS!: EXPOSING & CONFRONTING SEXUAL PERVERSION by Loren C. Due, PhD

This book deals with the entire range of taboo subjects on sex that many churches choose not to address. It is an expose on the Bible, from Genesis to Revelation, describing in detail what the Bible says about sex. What are covered are subjects that adults and youth discuss outside the church without the aid of ministerial interpretation. The book closely focuses on the behavior of victim and perpetrator. It gives sound recommendation for healing and deliverance and provides avenues for escape from the ravishment of sexual perversion. It creates an incredible avenue for ministers to begin dialogue with parishioners once they have read the book. Benefits of this book are seen in the healthy way individuals, whether victim, non-victim or perpetrator, change their lives after reading the book. Readers of the book benefit by the way they change, with direct openness, their approach to sexual issues. The book causes those who have read it to question their behavior, to realize how we are accountable to each other about one of the most basic of subjects-sex.

WHAT IF YOUR MOMMY WAS THE DEVIL? by Arjeana Due

This book is a representation of many thoughts and experiences felt by Arjeana Due and her siblings when they were growing up in a single parent home in Phoenix and Denver. It may seem a little harsh but this is the reality they were dealt from their mother! Some parents are warm and fuzzy and others are like walking on course sand paper. We understand that some mothers had a hard life and this extended to their children and how they raised them. Our mom had problems and she did not have the love of her parents or anyone to really help her.

FAITH BREAKS THRU BLINDNESS

(2 Corinthians 4:4)

by: Pastor Mel Novak
melnovak.com

RACE and PEACE to each of you from GOD our FATHER & our LORD JESUS CHRIST. During these dark days in our world, I pray "It is well with your soul," & that you are rejoicing (Phil. 4:4) in the LORD. We must be praying diligently by FAITH (Matt. 7:7, 8) & saturate our mind with HOLY SCRIPTURE (Acts 4:12).

August was brutal month of heat, in the 100s, but it was a fruitful month of winning souls. In 17 services, over 300 prayed the Salvation Prayer, drawn by the Holy Spirit (John 6:44).

It was also a month of devastating news of cancer, suicide, heart attacks, falling from "clean & sober" & a nervous breakdown. These are calls I get for prayer. PLEASE pray my Arsenal Spiritual Warfare prayer, DAILY, starting off with your Spiritual Armor, which is a command (Eph. 6:11). If the Shield of Faith is NOT prayed on (Eph. 6:16), you will be hit with assaults from satan.

I missed a service at LA Co. Jail after hearing that my grandchild, Elijah, 17, was diagnosed with Ewing Sarcoma or Osteosarcoma cancer. Lea & I are confident that GOD will heal & deliver him. He

is a great kid that never did drugs, drank or smoked. PLEASE PRAY! JESUS is his LORD & SAVIOR.

Also, pray for my brother Robert.

This is why the HOLY SPIRIT had me write "Walk by Faith, Not by Sight (II Cor. 5:7) for this month. I use this scripture a lot in messages.

My service at the ELA Juvenile, after an encour aging message ended up with 2 girls having a fist fight. So much anger. I had 3 other services at the War Zone, L.A. Co. Jail. Again, it was REVIVAL time as 147 out of 150 prayed the Salvation Prayer. I gave out dozens of Bibles, Arsenal Prayers & devotionals. Omega Man Internet Programs with Shannon Ray Davis & my 2 Bible Studies on identifying satanic entities were powerful & well attended.

Chino Women's Prison Service with Bro. Ron Zaucha had a packed chapel & every one there prayed the Salvation Prayer. The counselling at L.A. Co. Jail & home was very encouraging, & seeing struggling people express old wounds that needed healing. GOD is good. FORGIVENESS is crucial, including forgiving oneself (Matt. 6:14, 15).

The Fred Jordan Mission Services were well attended even in the heat, but the harvest was not what I hoped for. I always say, "One more Lord."

To live out our FAITH & have an effective prayer life, we need to learn to love JESUS CHRIST all over

again. HE has to be FIRST LOVE. Go back to Calvary, to Gethsemane, knowing LOVE sent JESUS to the cross to pay the price for our sins.

Even when we go thru the trials, troubles & tribulations (Ps. 34:19), Paul the Apostle tells us "to give thanks in ALL things." (Eph. 3:20). Hebrews 12:5, 6 is a "tuff" one. But when devastation comes into our lives, we are NEVER alone. (Heb. 13:5; Deut. 31:6; Matt. 28:20). Know that GOD is fighting our battles (II Chron. 20:15; I Sam. 17:47).

Heartache & suffering transforms us, drawing us closer to HIM (I Peter 5:7). As we rest, trust & lean on HIM, which is what GOD desires, our FAITH grows (Luke 17:5). Thanking & Praising GOD readjusts our focus.

In a fallen world with so much anxiety, worry, fretting, pressure, tension & stress — a world that puts too many demands upon us, we often drift away from the important things in life, & serving HIM is one (Matt. 20:20; Mk. 10:45).

My FAITH & TRUST is NOT some miraculous deliverance, but in GOD alone (Nahum 1:7; Ps. 91:12; Prov. 3:5, 6). One of the best ways to strengthen your FAITH is to spend time praying & thanking GOD for what HE has done in your life. When the storms of life become overwhelming, do you "walk by FAITH, focusing on JESUS, on GOD'S promises?" (II Cor. 1:20). Or, are you sinking as you look at your circumstances & conditions, taking your eyes off JESUS like Peter did in Matt.

14:2532. Walk by FAITH, not by sight. We release FAITH & not stifle it. Fear & doubt are killers of FAITH.

In Heb. 11:1, "FAITH is the substance of things hoped for, the evidence of things not seen." We need to learn by FAITH to pray in expectation (Ps. 62:5). NOT giving doubt a place (James 1:6). FAITH breaks thru blindness (II Cor. 4:4). GOD gives a measure of FAITH to everyone (Rom. 12:3).

When we develop & increase our FAITH, (Luke 17:5) results are: Justification (Gal. 2:16); Peace with GOD (Rom. 5:1); Security (Matt. 11:28); Answered prayer (Mark 11:23, 24); Healing (Jas. 5:15). FAITH comes by hearing (Rom. 10:17). We are saved by FAITH (Eph. 2:8).

FAITH in JESUS CHRIST gives us HOPE (Rom. 15:13). GOD is the foundation of hope. HOPE is not a religion nor is it philosophical. Peace & joy produces hope & builds expectation, knowing & believing that GOD is in control of every believer's life. THAT'S FAITH!

Refuse to bow to the Goliaths & giants in your life...the mountains. Go to GOD & pray by FAITH. Be a Caleb & possess the land. Explore the root of the problem in the garden of your soul, uproot the strongholds by the living water JESUS offers (Jn. 7:37). Replant with FAITH.

Until next month, Lord bless you all. Thank you who sent love offerings.

In the Name of Jesus, the Name that is above every name & ALL things (Phil. 2:9, 10 & Eph. 1:20-23), I bind up every unclean spirit & assignment coming against me, (my children & family) from, by or through anyone or anything, named or unnamed, known or unknown, 7 generations back. In the Name of Jesus, I bind up the principalities, powers, rulers of the darkness of this world, spiritual wickedness & hosts in high places, & the prince of power of the air. In the Name of Jesus, I bind up the spirit of strife & division, back biting & gossip, critical & judgmental spirits, spirits of resistance & hindrance, every spirit of retribution, revenge & retaliation, & the lying, seducing, deceiving spirit of deception (1Tim. 4:1, 2). In the Name of Jesus, I bind up every root of fear, doubt, unbelief, discouragement & every deadly 'D' from despair to depression, the spirit of pride, rebellion, disobedience, self, ego, independence, unforgiveness, bitterness, lust & the flesh.

THE LORD JESUS CHRIST REBUKE YOU, YOU EVIL, UNCLEAN SPIR-ITS. (Jude 9, Zec. 3:2) I loose, in the Name of Jesus Christ, deliverance, freedom & liberation, peace, joy, hope, gladness of heart, love, healing & wholeness, mercy & grace, blessings & favor, restoration of the years that the locusts have eaten (Joel 2:25), the resurrection power of Jesus Christ, a mighty harvest, and a boldness to witness for Christ. Amen and Amen!!

ALWAYS REMEMBER, God hears ALL our cries and prayers (Ps. 34:4, 6, 15, 17). His thoughts about us number more than the sands of the sea (Ps. 139:17, 18), He loves us with an everlasting love (Jer. 31:3 & John

3:16). His promises are Yes & Amen (2 Cor. 1:20). We know that satan is a liar but God has never lied nor broken a promise or covenant (Heb. 6:18, Num. 23:19, Titus 1:2). He is the God of the second chance to infinity. Nothing is too hard (Jer. 32:17, Gen. 18:14), nor impossible for Him (Luke 1:37). With man it is impossible, but with God, ALL things are possible (Matt. 19:26, Mark 10:27). He is faithful (Ps. 89, Heb. 10:23), His Word does not return void (ls. 55:11, 12), He magnifies His Word above His Name (Ps. 138:2) & His Word is settled in Heaven forever (Ps. 119:89). We need to trust Him & His Word, no matter what trials or tribulations we are facing, whatever mountain, valley, desert, storm or goliath that is in our life. TRUST HIM! Nahum 1:7 tells us, "God is good, a stronghold in the day of trouble & He knows those who trust Him." He tells us we have worth & value in His eyes (Jer. 29:11-13), He is our helper (Heb. 13:6) who has compassion, mercy and grace for each of us. Gods' forgiveness is bigger than my sin. If I confess my sins, God is faithful and just to forgive me of my sins and cleanse me of ALL unrighteousness (1 John 1:9). Once I confess and repent, God remembers them no more (Ps. 103:12). They are put in the sea of forgetfulness (Micah 7:19). They are under the BLOOD of JESUS, and we are set FREE, with no condemnation (Rom. 8:1), especially from ourselves. We must learn to forgive ourselves. Praise and Worship must be included in our prayers. We have the VICTORY!

MINISTRY UPDATE

JUNE - AUGUST 2018

I Corinthians 2:2 "For I decided to know nothing among you except Jesus Christ and him crucified".

The photos taken when myself and my wife stand between two Volcano last week in central Java, both Volcano called Mount Merbabu and Mount Merapi. We are standing with the background of Mount Merbabu and facing Merapi. Merapi only about 2 hours walk to the top of the Mount says the local People. After we share our Picture in social media some friends says, how dare you are taking pictures there as the Mount Merapi in Alert status Level II. Is that because we really brave? Actually not, we took picture there as we know nothing about the

alert level status of the Merapi Volcano. I just realize, when we know nothing, we have no worries, when we know many things, the worries take place. It reminds me of the letter of Apostle Paul to Corinthians, I decided to know nothing Except Jesus Christ and Him Crucified, That's how Apostle Paul can finished his work until the end. Let us learn like Paul so that we can continue the great commission, know Nothing about how extreme, scary those people that we want to minister to, but only know about Jesus Christ that we want to share to those unreached people group.

Here we want to share an Update of our ministry in Bali and other Part of Indonesia.

They found Love and accepted by God and their heart filled with love of God. We pray this young people will used by God in future to reach their friend to Christ. Because we believe that they are the next generation of church in future.

We Thank God that we have visited 5 different places and every day driving hundreds of kilometers.

a. Ampelantuk Village, Malang - East Java

First place that we visited is ampelantuk Village. It is about 420 km from Bali. We met our friend there Pastor Yohan Suprapto. He was ex-Muslim and his ministry all to Muslim people. There are 35 Muslim there that become his house church members. Although he experience difficult situation regarding the persecution from Radical Muslim and also financial problems, he still faithful. When we reach his house he has no money and already fasting with the wife. He never share

278 RETURN TO TOC EMAIL US WEBSITE OMEGAMAN™

about his problem to us and we decide to support him monthly about \$50 and we pass him small love gift for he and his wife. He is in the age of 60 already.

He and the wife really thankful and appreciate so much the Audio Bible as he says that this Audio Bible is answered pray for them as they quite long pray already to have this kind of treasurers to help those old people to understand the word of God as many of those old people there have no education and don't know how to read and write. I give him about 25 units of Audio Bible. We pray that in the future this Treasurers will bring a great impact to his ministry.

b. Ngantang Village, Batu - East Java

Ngantang about 100 km from Ampelantuk. We met Brother Filipus there. He is Javanese Christian but his wife from Muslim Background. Their house among all Muslim people and they are the only Christian there. He become a leader of farmer in his village.

I Introduce him about the Audio Bible in parking lot of tourism area that facing small lake, because not to saved to share about the audio Bible in his house as neighbors is surround us.

Pray that these Audio Bible also can distribute to the people in need and will bring impact for the ministry . Brother Filipus is the one in the middle.

c. <u>Jebres Village, Boyolali Village, Solo -</u> Central Java

Solo is quite famous in Indonesia since 2002 until now as this area know as the Place who produce the Islamic Radical, Terrorist in Indonesia. The Main Leader is Abu Bakar Baasir has his Islamic Center here and several people who did Bali Bombing and several other Bombing in Indonesia come out from his center.

We have several friends who originally from Solo that start churches around Solo, and we have chance to meet 4 of them, we decide to have meeting in Hotel where we stayed. They use house for church and many time when they have new guess come to visit them, neighbors will ask, just to make it saved, we met in Hotel where I can freely share to them about Audio Bible.

I am so surprise that the Javanese language that been using in treasurers is Javanese language that been used in Solo. We pass to them 125 units of Javanese Audio

Bible there and they actually asking for more as this treasurers will be very useful for their ministry.

They also share there are 2 pastors that in need of financial support that we will consider to help next month.

He and the wife very surprise when I says that for free. He ask for more as he has family and church also in Jogjakarta, central java that really need this treasurers.

His church in Tuban has a need of clean water as there up in the mountain is difficult to get clean water. If we could help them to provide the clean water by drill the ground, the water can be a blessing not just for the church, but also for the Muslim neighbor, we can use this as the way to share the good news of Jesus.

Sukapura Village quite close to the famous volcano called Mount Bromo. We Met Pastor Sugeng here. This man of God almost been killed with his wife by Madura people when they minister to other Madura people that been sick. Madura people very famous as Muslim Radical. Very amazin the way God has been lead them in ministry. The one who want to killed him, the one who was create problem and stop him for visiting people, now become one of his leader in his church. There are 35 madura people that become Christian through his ministry. He has 3 house churches there in probolinggo and all the members from Muslim Background. He Love to see Muslim people saved by God as he was Muslim.

CIVIL WAR ALERT: Leftists openly plot mass executions of conservatives as Democrats release home addresses of Republican Senators

Friday, September 28, 2018 by: Mike Adams

(Natural News) As Leftists continue to lose political power in America due to elections (President Trump) and Supreme Court nominations (Brett Kavanaugh), their activists are becoming more militant and extremist. Now, we've learned that left-wing groups are openly discussing mass executions and planned murders of prominent conservatives, and they're using Twitter to carry out the attacks. Twitter is just one of several tech giants that selectively bans conservative speech but refuses to remove radical left-wing users who openly call for violence and murder. For political reasons, tech giants have decided to protect left-wing terrorist groups in America, becoming complicit in the escalation of the coming civil war. As just one example among hundreds, see this article from InfoWars: "KILL TRUMP, HANG HIM, HUNT HIM" FACEBOOK PAGE DOESN'T VIOLATE FACEBOOK COMMUNITY STANDARDS. https://www.infowars.com/kill-trump-hang-him-hunt-him-facebook-page-doesnt-violate-facebook-community-standards/

The Daily Caller reports that someone in the House of Representatives has "doxxed" conservative U.S. Senators by using a congressional computer to publish their home addresses and phone numbers to Wikipedia. "Doxxing" means publishing someone's personal, private information such as the location where they live, their social security number or their private phone number. Importantly, doxxing members of the U.S. Senate allows left-wing "kill teams" to physically locate where those Senators live. Armed with this information — and driven to violent hysteria by a complicit, lying media — left-wing kill teams can assault the homes of U.S. Senators while they sleep and attempt to executive those Senators and their families. As this article shows below, left-wing activists are openly and explicitly discussing such plans on Twitter, and they are not being banned by Twitter or other tech giants.

The doxxed Senators include Sens. Lindsey Graham (who gave a roaring speech yesterday, condemning the dirty tactics of Democrats like Sen. Feinstein), Mike Lee and Orrin Hatch. The Daily Caller reports: "They appear to be targeting Republican members of the committee after they question Judge Kavanaugh," a Hatch spokesman told The Daily Caller News Foundation. A Lee staffer confirmed the senator's home address in Utah and personal cell phone number were posted to the public page. This "doxxing" took place immediately after Sen. Graham ripped into the Democrats at the Senate Judiciary Committee hearing, yesterday. It was timed, in other words, to target those who are arguing for the defense of Brett Kavanaugh. While doxxing alone is not a call for mass executions, there's more to this story...

Radical left-wing thought leaders plot executions and murder strategies on Twitter... and Twitter won't ban them The full extent of the planned violence and mass executions becomes apparent when you see what's being openly discussed on Twitter. Writer Debra Heine has uncovered truly shocking details that she describes in a September 27th article on PJ Media. It begins:

Communist agitators took to Twitter this week to brainstorm strategies for a violent armed insurrection against their perceived enemies. "Dr. Bones," the co-host of the far-left podcast The Guillotine, started the conversation going with his 5,000-plus Twitter followers. Bones (@Ole_Bonsey on Twitter) asked: "Hey quick little question for military minded lefties: should leftists train/organize in a 'insurgent' focus where they blend into a civilian population for potential attacks or a more 'militia' structure focused on holding/maintaining turf?" As PJ Media reports, this left-wing group, with over 15,000 Facebook followers, calls for "ambushes and assassinations" against conservatives. The two hosts go by the handles @Ole_Bonsey and @DeadIrishRebe. As PJ Media explains, "the pair seem to be huge fans of mass-murdering Communist dictators and "revolutionaries" like Mao Zedong and Che Guevera." Here are some of the suggestions from "Dr. Bones," the apparent leader of the left-wing group now calling for execution squads to murder prominent conservatives: "Organize as hidden cells, unknown even to the population... bleed them dry once they take control." "Instead of a full size AR which is pretty goddamn obvious I'm thinking having people prioritize compact and easily concealable platforms, something you could keep under a jacket and never tip any one off to." Shalom in Yeshua our Messiah,

Here we are in the season of our joy an gearing up to tabernacle with the Lord for another great celebration of the Feast of Tabernacles 2018. I'm excited to build our Sukkoth again this year an the grandchildren an I have been watching out for colorful flowers an plants to collect to decorate when we build it this Sunday. (Tabernacles begins at dark on Sunday the 23rd and ends on Sunday the 30th at dark) The last GREAT DAY is Sunday the 30th at dark to Monday Oct 1st at dark. Nana our oldest granddaughter came up with a great idea for the children to make posters to decorate the inside this year an I am excited to see what they come up with. We also celebrate our annual thanksgiving dinner at home on the first day which is also Yeshua's birthday. The grandchildren ask me today to put the dressing on the side an stuff the turkey with cherry pie filling so yummy. Also requested the stuff that has the melted marshmallow on it (took me awhile to figure this one out sweet potatoes) Thanksgiving we make dinner for the poor at Messiahs Branch an this will be the 19th Thanksgiving dinner we have spent with the people. (contact me if you'd like to help 316-648-4963 leave a message) A few years back I made the decision to make our thanksgiving dinner at home on the first or last day of Tabernacles since we are always at the mission on Thanksgiving so this year Sunday will be our annual turkey feast on Yeshua's birthday an 1st day of tabernacles. I ask you all to PLEASE pray for us an the ministry for our health an finances. We need your support to continue providing for the poor everything cost so much its so stressful to keep up with all the needs an the bills so please pray about supporting us. I just ask you to pray about if an how Yahweh wants you to help an be lead by Him for HE knows all sees all an provides all. If everyone has a part to help then it would be a lot less stressful to provide all the needs. Just seek Him an be lead by Him we only want to serve our Father an so many people need help. We found out that our good friend Kathy Meisinger some of you may remember she worked with us two years then another year off an on serving the people passed on March 21st of this year she will be missed. I must close for now praying you all very blessed safe a joyful Feast of Tabernacles we may do another newsletter before turkey day but if not Happy Thanksgiving as well. We love you all an pray for your safety an salvation in the times we are living so evil.

An apparent follower of the radical left-wing group, @The_Einzige adds: "Having a common language and tactics is unbelievably important in future situations where your 5 person cell has an opportunity for a big kill and can group up with 4 other cells to get the needed firepower."

Another member of the group, going by the handle @Bored_Anterieur, adds: "Like a boyscout, be prepared:

Pistol, Shotgun, Pistol-caliber SBR, Rifle-caliber SBR, AR15 / AK47 AR10: with this, you're prepared for a very wide range of tactical scenarios. different loadouts for different members of squad will provide flexibility for specific applications of force"

Another user, named @MutualRevolt, chimes in about the terror cell structure that Leftists will adopt to carry out maximum violence and carnage: ... the less information one person has on EVERYONE in the group defends against one person being caught and spilling everything on the network. A network of distributed/only necessary information/ gives more flexibility and safety to the movements to disrupt." Another user, going by the handle "Captain Howdy" (@jackherer20) has been covered by PJ Media before. As PJ Media reports: @JackHerer20 (Captain Howdy) is a particularly nasty St. Louis antifa who has been featured at PJ Media and Far Left Watch before. In January of 2018, he encouraged his followers to dox GOP officials and show up at their homes. He also offered to pay someone to assassinate President Trump. Incredibly, he still maintains a Twitter account.

Anti-Trump "resistors" inside the DOJ use government computers to find and share home addresses of conservatives. PJ Media also correctly points out that a recent Project Veritas video caught a DOJ "resistance" employee admitted to using government computers to discover and share the license plates and home addresses of targeted conservatives. This means that left-wing operatives inside the DOJ, FBI and other anti-Trump organizations are using government resources to set up conservatives for left-wing kill teams.

The DOJ employee caught on tape is named Allison Hraber. She's a member of the so-called "Democratic Socialists of America," a radical left-wing terrorist group with strong ties to Marxist and Communist ideologies. She used government resources to discover the home address of a conservative Trump supporter, then "doxxed" that information to her DSA conspirators who waged a stalking episode at the personal home of the target in order to intimidate that person. It won't be long before this escalates to sending "kill teams" to such homes to carry out murder plots and political assassinations.

My warning for all conservatives is that it won't be long before conservative Supreme Court justices like Brett Kavanaugh are targeted for political assassinations by the radical left-wing kill teams. They openly talk about such plans, and they are clearly driven to mass mental illness by a complicit, anti-America media cartel that continues to indoctrinate left-wing masses with hatred and lies about America and its political leaders. Many DSA members already see themselves as waging a "resistance" campaign against the United States government, and they are engaging in daily sabotage to destroy the U.S. government infrastructure from within, all while using government tools to target their political opponents, all of whom happen to be conservatives and Trump supporters. Hraber is caught on tape via Project Veritas saying, "what's kind of lucky is at the DOJ, we can't really get fired." She also admits, "so we ran the license plate... we cannot do it officially," but admits they run license plates on their intended targets "unofficially." Notably, even after being caught on video admitted to these felony crimes, Hraber has not yet been arrested or charged with anything, proving once again that even when left-wing radicals are caught confessing to their crimes, they are never held accountable.

We must all be ready for the rapid escalation of violence by deranged, lawless Leftists who are committed to taking over America and murdering all prominent conservatives. It's not difficult to see where this is all headed. The desperate, lawless Left — now apparently led by deep state treasonous criminals like Sen. Dianne Feinstein — is willing to do anything they think might be required to destroy their political opponents. Complicit in all this are the tech giants like Google, Facebook and Twitter, all of which have selectively silenced conservative channels while protecting and even promoting left-wing terrorism groups that are openly calling for violence against conservatives. This, the tech companies tell us, is their campaign to combat "hate speech." But in their minds, "hate speech" is defined as anything uttered by a conservative. It's also clear now that left-wing terrorists are deeply embedded in the U.S. Congress, where they managed to use House computers to doxx U.S. Senators, as reported above. They have also infiltrated and now occupy many positions inside the DOJ, IRS and other government agencies. This is on top of what we already know about James Comey, Andrew McCabe and the treasonous actions of anti-Trump traitors inside the FBI, none of whom have yet faced anything resembling real justice for their obstruction of justice (covering up the crimes of Hillary Clinton) and acts of open insurrection against Trump campaign officials via the FISA warrant fraud. (This fraud also involved criminal actions carried out by Barack Obama, Loretta Lynch, Peter Strzok and many others).

08.16.2018 Connecting some dots...from a Q link, Qanon or Q, are thought to be members of the Page 4 American Military Intelligence that serve at the pleasure of the President. (we cannot prove the identity of Q?)

I am passing this on from someone who's connecting some dots with input from sources he cannot reveal. Here's what it looks like when all the pieces are sewn together....It smells like conspiracy and treason. Everyone needs to read this. Slowly, and patiently, because it's very important.....https://www.reddit.com/r/greatawakening/comments/98yduw/connnecting some dots/

From 2001 to 2005 there was an ongoing investigation into the Clinton Foundation. A Grand Jury had been impaneled.

Governments from around the world had donated to the "Charity". Yet, from 2001 to 2003 none of those "Donations" to the Clinton Foundation were declared. Now you would think that an honest investigator would be able to figure this out. Look who took over this investigation in 2005: None other than James Comey; Coincidence? Guess who was transferred into the Internal Revenue Service to run the Tax Exemption Branch of the IRS? None other than, Lois "Be on The Look Out" (BOLO) Lerner. Isn't that interesting?

But this is all just a series of strange coincidences, right? Guess who ran the Tax Division inside the Department of Injustice from 2001 to 2005? No other than the Assistant Attorney General of the United States, Rod Rosenstein. Guess who was the Director of the Federal Bureau of Investigation during this time frame? Another coincidence (just an anomaly in statistics and chances), but it was Robert Mueller.

What do all four casting characters have in common?

They all were briefed and/or were front-line investigators into the Clinton Foundation Investigation. Another coincidence, right? Fast forward to 2009.... James Comey leaves the Justice Department to go and cash-in at Lockheed Martin. Hillary Clinton is running the State Department, official government business, on her own personal email server.

The Uranium One "issue" comes to the attention of the Hillary.

Like all good public servants do, supposedly looking out for America's best interest, she decides to support the decision and approve the sale of 20% of US Uranium to no other than, the Russians. Now you would think that this is a fairly straight up deal, except it wasn't, America got absolutely nothing out of it. However, prior to the sales approval, no other than Bill Clinton goes to Moscow, gets paid 500K for a one hour speech; then meets with Vladimir Putin at his home **for a few hours.**

Ok, no big deal right? Well, not so fast, the FBI had a mole inside the money laundering and bribery scheme. Robert Mueller was the FBI Director during this time frame? Yep, He even delivered a Uranium Sample to Moscow in 2009. Who was handling that case within the Justice Department out of the US Attorney's Office in Maryland? None other than, Rod Rosenstein. And what happened to the informant? The Department of Justice placed a GAG order on him and threatened to lock him up if he spoke out about it.

How does 20% of the most strategic asset of the United States of America end up in Russian hands when the FBI has an informant, a mole providing inside information to the FBI on the criminal enterprise?

Very soon after; the sale was approved!~145 million dollars in "donations" made their way into the Clinton Foundation from entities directly connected to the Uranium One deal. Guess who was still at the Internal Revenue Service working the Charitable Division? None other than, - Lois Lerner. Ok, that's all just another series of coincidences, nothing to see here, right?

Let's fast forward to 2015.

Due to a series of tragic events in Benghazi and after the 9 "investigations" the House, Senate and at State Department, Trey Gowdy who was running the 10th investigation as Chairman of the Select Committee on Benghazi discovers that the Hillary ran the State Department on an unclassified, unauthorized, outlaw personal email server. He also discovered that none of those emails had been turned over when she departed her "Public Service" as Secretary of State which was required by law. He also discovered that there was Top Secret information contained within her personally archived email. Sparing you the State Departments cover up, the nostrums they floated, the delay tactics that were employed and the outright lies that were spewed forth from the necks of the Kerry State Department, we shall leave it with this...... they did everything humanly possible to cover for Hillary. Now this is amazing, guess who became FBI Director in 2013? None other than James Comey; who secured 17 no bid contracts for his employer (Lockheed Martin) with the State Department and was rewarded with a six million dollar thank you present when he departed his employer? Amazing how all those no-bids just went right through at State, huh?

THE REST ON PAGE FIVE

FROM PAGE FOUR Q Page 5

Now he is the FBI Director in charge of the "Clinton Email Investigation" after of course his FBI Investigates the Lois Lerner "Matter" at the Internal Revenue Service and he exonerates her. Nope.... couldn't find any crimes there. In April 2016, James Comey drafts an exoneration letter of Hillary Rodham Clinton, meanwhile the DOJ is handing out immunity deals like candy. They didn't even convene a Grand Jury! Like a lightning bolt of statistical impossibility, like a miracle from God himself, like the true "Gangsta" Comey is, James steps out into the cameras of an awaiting press conference on July the 8th of 2016, and exonerates the Hillary from any wrongdoing.

Do you see the pattern?

It goes on and on, Rosenstein becomes Asst. Attorney General, Comey gets fired based upon a letter by Rosenstein, Comey leaks government information to the press, Mueller is assigned to the Russian Investigation sham by Rosenstein to provide cover for decades of malfeasance within the FBI and DOJ and the story continues.

FISA Abuse, political espionage..... pick a crime, any crime, chances are..... this group and a few others did it:

All the same players. All compromised and conflicted. All working fervently to NOT go to jail themselves All connected in one way or another to the Clinton's. They are like battery acid; they corrode and corrupt everything they touch. How many lives have these two destroyed? As of this writing, the Clinton Foundation, in its 20+ years of operation of being the largest International Charity Fraud in the history of mankind, has never been audited by the Internal Revenue Service.

Let us not forget that Comey's brother works for DLA Piper, the law firm that does the Clinton Foundation's taxes. The person that is the common denominator to all the crimes above and still doing her evil escape legal maneuvers at the top of the 3 Letter USA Agencies? **Yep, that would be Hillary R. Clinton**.

Now who is LISA BARSOOMIAN? Let's learn a little about Mrs. Lisa H. Barsoomian's background. Lisa H. Barsoomian, an Attorney that graduated from Georgetown Law, is a protégé of James Comey and Robert Mueller. Barsoomian, with her boss R. Craig Lawrence, represented Bill Clinton in 1998.

Lawrence also represented: Robert Mueller three times; James Comey five times; Barack Obama 45 times; Kathleen Sebelius 56 times; Bill Clinton 40 times; and Hillary Clinton 17 times. Between 1998 and 2017, Barsoomian herself represented the FBI at least five times. You may be saying to yourself, OK, who cares? Who cares about the work history of this Barsoomian woman? Apparently, someone does, because someone out there cares so much that they've "purged" all Barsoomian court documents for her Clinton representation in Hamburg vs. Clinton in 1998 and its appeal in 1999 from the DC District and Appeals Court dockets (?). Someone out there cares so much that even the internet has been "purged" of all information pertaining to Barsoomian.

Historically, this indicates that the individual is a protected CIA operative. Additionally, Lisa Barsoomian has specialized in opposing Freedom of Information Act requests on behalf of the intelligence community. Although Barsoomian has been involved in hundreds of cases representing the DC Office of the US Attorney, her email address is Lisa Barsoomian at NIH.gov. The NIH stands for National Institutes of Health. This is a tactic routinely used by the CIA to protect an operative by using another government organization to shield their activities.

It's a cover, so big deal right? What does one more attorney with ties to the US intelligence community really matter?

It deals with Trump and his recent tariffs on Chinese steel and aluminum imports, the border wall, DACA, everything coming out of California, the Uni-party unrelenting opposition to President Trump, the Clapper leaks, the Comey leaks, Attorney General Jeff Sessions recusal and subsequent 14 month nap with occasional forays into the marijuana legalization mix and last but not least Mueller's never-ending investigation into collusion between the Trump team and-the Russians. Why does Barsoomian, CIA operative, merit any mention?

BECAUSE....She is Assistant Attorney General Rod Rosenstein's WIFE! (Rod is the FBI agent in charge under

A Note from PD (Pastor Dan) While we are not sure who Q is this we are placing in this newsletter is highly accurate and shows some of the players, which all this was done with Obama at the head with who ever it is that controls him.....11 House Republicans filed articles of impeachment against Rosenstein. Special Counsel Robert Mueller is spearheading the probe, **but Rosenstein**, **53**, **still oversees the federal investigation as deputy attorney general. So you see any problems here......**

Even President Trump Is Aware Of The Civil Unrest That Is Brewing, And He Just Page 6 Warned That Violence Is Coming If Republicans Lose In November August 28, 2018 by Michael T. Snyder

Are we going to see violence in the streets of our major cities following the mid-term elections in November? President Trump seems to believe that this is a very real possibility, and he shared his thoughts on this with a group of top evangelical leaders on Monday night. Previously, those that have warned that a "civil war" is coming to America have been heavily criticized, but perhaps people will start taking this more seriously now that President Trump is saying it. Of course we have already seen dozens of attacks on Trump supporters all over the nation, but the mainstream media largely ignores those because it does not fit the narratives that they are pushing. The mainstream media wants to make Trump and his supporters look as bad as possible, and so they do not like to report anything that may cause the public to view them in a positive light. But everyone can see that anger and hatred are rising to unprecedented levels in this country, and the mainstream media and key politicians on the left are adding more fuel to the fire with each passing day. On Monday, somewhere around 100 top evangelical leaders gathered for an intimate dinner with Trump, and this dinner made headlines all over the nation...About 100 evangelical leaders were invited to dinner at the White House Monday night for what was a prayer-filled event that's been compared to a church camp meeting and a campaign rally. Dubbed a "state dinner" for evangelical leaders, the event was held specifically in the "honor of evangelical leadership." The dinner was attended by dozens of evangelical pastors, evangelists and activists who've been involved in informally advising the administration including well-known figures like Franklin Graham, James Dobson, and Greg Laurie. During his remarks at the dinner, Trump acknowledged that "the level of anger is unbelievable", and he warned that there will be violence if Republicans lose in November..."The level of hatred, the level of anger is unbelievable," he said. "Part of it is because of some of the things I've done for you and for me and for my family, but I've done them. ... This Nov. 6 election is very much a referendum on not only me, it's a referendum on your religion, it's a referendum on free speech and the First Amendment." If the GOP loses, he said, "they will overturn everything that we've done and they'll do it quickly and violently, and violently. There's violence. When you look at Antifa and you look at some of these groups — these are violent people." With only a little more than two months to go before the mid-term elections, I think that President Trump is starting to realize how dire the situation is. Pro-Trump Republicans have lost in primaries in Arizona, Idaho and elsewhere, Democratic candidates are raising far more money than Republican candidates are, and the left has far more energy and enthusiasm than the right does at the moment. If the mid-term elections were held right now, the Democrats would almost certainly take control of the House, and they might even win a majority in the Senate. And Trump is correct that there will probably be violence if Republicans lose, but there will also probably be violence if Republicans win. Either way, Antifa and other groups on the radical left will continue to escalate the rhetoric and the violence. In addition to rioting in the streets like we have already witnessed in cities such as Portland, individual Trump supporters are already being attacked at an alarming rate as well. You can find a fairly comprehensive list of attacks on Trump supporters right here. https://dailycaller.com/2018/08/20/anti-trump-attacksharassment-2018/ This nation is becoming a cauldron of fury, and it isn't going to take much to set off widespread chaos. At the dinner on Monday night, Trump also warned evangelicals that our religious freedoms are in serious jeopardy..."I just ask you to go out and make sure all of your people vote. Because if they don't — it's November 6 — if they don't vote, we're going to have a miserable two years and we're going to have, frankly, a very hard period of time," he said. "You're one election away from losing everything that you've gotten," he added. "Little thing: Merry Christmas, right? You couldn't say 'Merry Christmas.' "And even though we probably aren't going to lose the right to say "Merry Christmas" any time soon, the truth is that we are certainly seeing our religious freedoms being eroded at a staggering pace. In fact, earlier today I came across an article about a plaque containing the Ten Commandments that was just removed from a park in Ohio. The left wants to remove every trace of the Christian faith from public life, and they are absolutely relentless in their effort to get this done. If the Democrats take control of both the House and the Senate in November, they will probably make an effort to impeach President Trump. But if President Trump gets impeached, Mike Pence will become president, and many on the left hate Pence even more than they hate Trump. his brand new book about Pence, radical leftist Michael D'Antonio attempts to portray Mike Pence as a "Christian supremacist" that is basically functioning as "a president-in-waiting"...Biographer Michael D'Antonio is releasing a new book about Vice President Mike Pence, and though he's clearly not in Pence's corner, his appearance Tuesday on CNN summed up perfectly the Christian values that drive the vice president's actions. D'Antonio told CNN's John Berman that he is confident Pence feels God is "calling him" to "function as a president-in-waiting." The biographer, promoting the new book, "The Shadow President: The Truth About Mike Pence," argued "absolutely everything" the vice president does is about "becoming president." Ultimately, removing Trump from the picture won't change a whole lot. The left would still be seething with hatred and anger, and we would continue to see more violence all around the country. At this point, there really isn't any conservative that the left would be willing to accept in the White House. And there are many on the right that would not be willing to acknowledge any liberal as a legitimate president. America is rapidly getting to the point of becoming ungovernable, and no matter who wins in November, it is quite likely that we will soon see clear evidence of this as chaos reigns in our streets.

Greetings folks,

I pray that you find this information useful as we are in a very dire place in the history of this country and the very world! We are hearing (unconfirmed) that a new test of our new emergency alert system is being tested to cell phones by the president on October 3rd, but some are saying that this will be no test, they are relying on information from mysterious Q and others putting together some of the laws and executive orders by President Trump. They say that President Trump will order some mass arrests of people that have tried to overthrow the government, yes in standards of even 10 years ago, we see what is going on from released documents we can see that there is indeed a group of people in the CIA, FBI, news media, and others connected to Obama staged a coup of this American duly elected president. NO JOKE...in fact we can see from independent news media, patriots on twitter, talk radio, etc that this is no conspiracy theory but reality. The Globalists do not want to loose and our president has well set the world on it's head. President Trump was about to show the world the classified documents that more than prove all this when he stopped short when a couple of countries begged him not to? Why you would ask? Because this plot to unseat President Trump is really world wide ergo the globalists.....over many the many years we have reported on many things, what I am telling you is going on right now is TRUTH, I have never seen so much plain evidence in front of me ever, the warning I am giving you is very real...The hatred out there by the left which is funded in a huge part by George Soros a communist who used to be a Hitler youth, no joke. We have seen the various protesters to the every thing being bused in from other places and even protesting because they did not get paid on time. The Hate is real, President Trump getting elected exposed this. We are in a day when we were warned that what is Good would be called Evil and Evil Good...we are there now. If you folks remember D.D warnings that said the USA would be attacked when America was sidetracked with some fighting against our government....are we there? I do not know but I know it's dangerous for people to wear say an American Flag, or a make America Great hat or say you support our President, in public more so in bigger cities but we have seen people beat up run out of public places etc and egged on by democrat congressmen you are telling everyone one publicly do just that...we folks are seeing in real time what is going on a spiritual war between good and evil that is worldwide..be defense get right now pray, do what is pleasing to the FATHER I do not believe HE will fail us ever. Join the fight if you can, VOTE get others to VOTE, your votes do count...STOP LISTING TO leftist stations such as CNN and well really the rest...if you have the internet go here for some of the news http://censored.news/...listen to Hannity, Tucker Carlson, and Laura Ingram on FOX NEWS...be careful many on FOX are also against us... http://www.prophecyhour.com/ go here for news we post...be careful what you google as google is censoring as is facebook, and Twitter, it is a battle. https://goodgopher.com/ is a good search engine.... The upshot is that the more political power Leftists lose, the more they turn to desperate tactics like doxxing and calling for executions and mass murder. This is not conjecture. They openly admit this in their own words. You can see the videos, read the tweets and confirm it all for yourself. Should they fail to take the House in the upcoming mid-term elections, I fear they will unleash open insurrection in the streets of America, launching a nationwide campaign of "kill teams" and terror cells to attempt a sweeping political coup and mass murder takeover. Notably, all this is playing out exactly as myself and Alex Jones have warned over the last two years. EXACTLY. We have both accurately reported on what's coming, and we have repeatedly warned informed Americans to get ready to defend America, defend the President and defend the Republic against the deranged, lawless violence of increasingly unhinged Leftists. The conventional media, for their part, has only fed the hysteria by deliberately publishing deep state lies and false accusations from anonymous (fictitious) sources.

If the escalation stays on its current trajectory, civil war violence seems inevitable. Remember the other day when a group of deranged Leftists confronted Sen. Ted Cruz at that public restaurant in Washington D.C.? It won't be long, I fear, before the next similar confrontation involves the stabbing of a conservative U.S. Senator (or the shooting). I share this urgent warning because U.S. Senators like Ted Cruz need to take real measures to protect themselves and their family members. (It's also crucial that Ted Cruz win in Texas, as we cannot survive the open borders policies of "Beto" who is another left-wing lunatic running for office by promising to overrun and destroy America.) The Left's plans, importantly, are not mere conjecture or theory. Their "kill team" desires are being open discussed, encouraged and even supported by a complicit media that, for the last two years, has knowingly carried out a malicious campaign to overthrow the results of the 2016 election and rip this country apart.

Mystery of the church A parable..can you understand it?

Once there was a Church or Assembly that instead of sitting in rows sat at a horse-shoe table, now this assembly was waiting for a certain preacher to come and teach them. When he arrived he did not look or act in the manner that they thought he should. Some realized just who he was but others clearly did not.

They all should have known him as he sent his description in a book all about him and the way of the people of the table, but it had been too long in waiting and they formed their own ideas of what he should be like and say.

So because of disbelief they were asked to get up from the table, that left some blank seats at the table so under the preachers instructions the people at the table that were believers went out and told others about their new preacher, so any that would believe were invited to the great table and joined the group.

If some had not left the table there would have been no empty seats...

The new group at the table learned the way of the table from the book the preacher had sent and testimony of what the preacher had said while he was among them. The preacher warned the newcomers not to speak against or about those that had left, he said just before he would return they would believe and be grafted back in among them.

Once at the table they were taught the way of the preacher and the way of those already at the table. Those that came were grafted in among the others.

The Preacher had to go on to prepare even a greater table for those at the table were to tell others about him and graft them in also.

Some of the new comers tried to form their own way after the preacher left trying to create their own church or assembly, in fact they even spoke badly of the original assembly and

created their own way even changing the meaning of the very words the preacher taught while he was among them, in fact they changed the book he sent or in some cases threw it away.

It was the time just before the return of the preacher, the ones that had been cast out because of non-belief, looked back at the table how it had grown, they realized that truly the preacher that they had been waiting had indeed came and was about to come again, so they repented and were invited back to the table or rather grafted back in.

Now along the same time many of those who had followed the new assembly realized that what they had been taught for generations was indeed an untruth, so they repented and were called back to the table or rather grafted back in, you see they had not realized that their

forefathers had been broken off.

The preacher returned to take everyone that had accepted his way back to the great table he had prepared for them. Some that had formed there own way came running back to him saying, we have been waiting and doing all these things in your name, but he said get away from me as you do not know the way of the table, the way of the book I sent and my teachings. So they were cast away.

Now all those that were now seated at the original table were invited to come sit at the Great Table he had prepared for them. Let those with ears hear....

- 4But what saith the answer of God unto him? I have reserved to myself seven thousand men, who have not bowed the knee to *the image of* Baal.
- **5**Even so then at this present time also there is a remnant according to the election of grace.
- **<u>6</u>**And if by grace, then *is it* no more of works: otherwise grace is no more grace. But if *it be* of works, then is it no more grace: otherwise work is no more work.
- ZWhat then? Israel hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded
- **8**(According as it is written, God hath given them the spirit of slumber, eyes that they should not see, and ears that they should not hear;) unto this day.
- **9**And David saith, Let their table be made a snare, and a trap, and a stumblingblock, and a recompence unto them:
- **10** Let their eyes be darkened, that they may not see, and bow down their back alway.
- **11**I say then, Have they stumbled that they should fall? God forbid: but *rather* through their fall salvation *is come* unto the Gentiles, for to provoke them to jealousy.
- **12**Now if the fall of them *be* the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness?
- **13** For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office:
- 14 If by any means I may provoke to emulation *them which are* my flesh, and might save some of them.
- **15** For if the casting away of them *be* the reconciling of the world, what *shall* the receiving *of them be*, but life from the dead?
- **16** For if the firstfruit *be* holy, the lump *is* also *holy*: and if the root *be*holy, so *are* the branches.
- <u>17</u>And if some of the branches be broken off, and thou, being a wild olive tree, wert graffed in among them, and with them partakest of the root and fatness of the olive tree;
- **18**Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee.

- 19 Thou wilt say then, The branches were broken off, that I might be graffed in.
- Well; because of unbelief they were broken off, and thou standest by faith. Be not highminded, but fear:
- For if God spared not the natural branches, *take heed* lest he also spare not thee.
- **22**Behold therefore the goodness and severity of God: on them which fell, severity; but toward thee, goodness, if thou continue in *his*goodness: otherwise thou also shalt be cut off.
- And they also, if they abide not still in unbelief, shall be graffed in: for God is able to graff them in again.
- For if thou wert cut out of the olive tree which is wild by nature, and wert graffed contrary to nature into a good olive tree: how much more shall these, which be the natural *branches*, be graffed into their own olive tree?
- **25**For I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to Israel, until the fulness of the Gentiles be come in.
- And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob:
- For this *is* my covenant unto them, when I shall take away their sins.
- **28** As concerning the gospel, *they are* enemies for your sakes: but as touching the election, *they are* beloved for the fathers' sakes.
- For the gifts and calling of God *are* without repentance.
- For as ye in times past have not believed God, yet have now obtained mercy through their unbelief:
- Even so have these also now not believed, that through your mercy they also may obtain mercy.
- **32**For God hath concluded them all in unbelief, that he might have mercy upon all.
- O the depth of the riches both of the wisdom and knowledge of God! how unsearchable *are* his judgments, and his ways past finding out!

34For who hath known the mind of the Lord? or who hath been his counsellor?

35Or who hath first given to him, and it shall be recompensed unto him again?

36 For of him, and through him, and to him, *are* all things: to whom *be*glory for ever. Amen.

Luke 13:25

Then said one unto him, Lord, are there few that be saved? And he said unto them,

24Strive to enter in at the strait gate: for many, I say unto you, will seek to enter in, and shall not be able.

25When once the master of the house is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us; and he shall answer and say unto you, I know you not whence ye are:

26 Then shall ye begin to say, We have eaten and drunk in thy presence, and thou hast taught in our streets.

27But he shall say, I tell you, I know you not whence ye are; depart from me, all *ye* workers of iniquity.

28 There shall be weeping and gnashing of teeth, when ye shall see Abraham, and Isaac, and Jacob, and all the prophets, in the kingdom of God, and you *yourselves* thrust out.

29And they shall come from the east, and *from* the west, and from the north, and *from* the south, and shall sit down in the kingdom of God.

30 And, behold, there are last which shall be first, and there are first which shall be last.

31The same day there came certain of the Pharisees, saying unto him, Get thee out, and depart hence: for Herod will kill thee.

32And he said unto them, Go ye, and tell that fox, Behold, I cast out devils, and I do cures to day and to morrow, and the third *day* I shall be perfected.

Page 7

33Nevertheless I must walk to day, and to morrow, and the *day* following: for it cannot be that a prophet perish out of Jerusalem.

34O Jerusalem, Jerusalem, which killest the prophets, and stonest them that are sent unto thee; how often would I have gathered thy children together, as a hen *doth gather* her brood under *her* wings, and ye would not!

35Behold, your house is left unto you desolate: and verily I say unto you, Ye shall not see me, until *the time* come when ye shall say, Blessed *is* he that cometh in the name of the Lord.

INDONESIA: THE TESTIMONY OF THE PILOT OF THE LAST PLANE OUT OF PALU BEFORE THE EARTHQUAKE

On Fri 9/28/2018 a earthquake occurred followed by a Tsunami which hit the coast of Palu, an Island in central Sulawesi – Indonesia. The following account was translated by a lady into English and sent into the Elijah Challenge.

"Today the Batik Air pilot, Captain Mafella, visited a church in Jakarta (Duta Injil BIP) and testified why he speeded up the departure of his flight 3 minutes ahead of the Palu airport schedule set. He told us that all day Friday he had been feeling unsettled and he didn't know why.

To get rid of these feelings of unrest, he loudly sang worship songs the whole way from Ujung Pandang to Palu, ("Usually I only hummed, but that day I wanted to praise the Lord as best I could", he said). Eventually his Muslim Co-Pilot jokingly suggested, that he make a CD of worship songs.

When they were about to land at the Palu Airport, the sky was clear but the wind was too strong and he "heard a voice in his heart" telling him to circle again before landing.

The Palu airport is squeezed between two mountain ranges and it reminded him of the verse, Psalm 23:4:

"I may walk through valleys as dark as death but I wont be afraid. You are with me and your shepherd's rod makes me feel safe."

According to the Captain, pilots call airports situated between two mountain ranges, "valleys of death," because they must be extra careful in landing, so Christian pilots hold on to Psalm 23:4.

A moment after landing successfully, he felt in his heart that he needed to be quick.

Because of that, he instructed his crew to just take a 20-minute break before the plane was due to return to Jakarta via Ujung Pandang.

He didn't even leave the cockpit and requested permission from the Control Tower to depart 3 minutes ahead of schedule.

After receiving permission for take-off from the late air controller, Agung, [Anthonius Gunawan Agung] they prepared for take off.

Captain Mafella confessed that at that time he broke flight procedures because he took over the job of the Co-Pilot by speeding up the plane in the process of take off.

He didn't know why but his hand kept holding on to the lever causing the plane to speed up as it took off. He did not know then that an earthquake had struck Palu but he felt the plane swaying a little to left and right.

According to him if he had taken off three minutes later, he would not have been able to save the 140 passengers, because the asphalt on the landing strip was moving up and down like a curtain blowing in the wind.

Several minutes after take-off, he tried to communicate with the tower but there was no response from Agung.

He looked down and saw a strange phenomena. The sea water on the coast was forming a very large hole "so that the foundation of the sea bed could be seen."

When the plane arrived in Ujung Pandang, he was told that there had been an earthquake and tsunami in Palu and that the official in the control tower who had organized his plane's take off, had died shortly after he [had stayed back and] had made sure that the plane had taken off safely.

This afternoon before he left to fly to Kuala Lumpur, Captain Mafella emphasized how important it is that we are hear the voice of God.

And whatever happens we must be calm, not in a panic, so that we can clearly hear the voice of God coming to us by the Holy Spirit – because he added that when he took over the role of the co-pilot to speed up the take off, the co-pilot looked fearful, as the body of the plane was swinging left and right. May we take a lesson and a blessing from the testimony of Captain Mafella today."
