# Stay Away from a Place Called Death

by: Dr. Deborah A. Vails  
[www.setfreeoutreachministries.org](http://www.setfreeoutreachministries.org)  
[www.facebook.com/debvails](https://www.facebook.com/debvails)

**Death** – means separation or cutting off from fulfilling God's purpose for which he was created.

**Physical death** – is the separation of the inner man from the outer man, the separation of the soul and spirit from the body (James 2:26).

The body dies when physical death occurs. The body returns to dust and the soul and spirit of the righteous

goes to heaven to await resurrection (2 Corinthians 5:8; Philippians 1:21-24; Hebrews 2:23; Revelation 6:9-11). The souls of the wicked dead go to hell to await judgment (Luke 16:9-31; Isaiah 14:9; Revelation 20:11-15).

**Spiritual death** – is separation of man from God because of sin. You can be alive physically but dead spiritually at the same time (Matthew 8:22; Colossians 2:14; 1 Timothy 5:6).

One can also be dead physically but alive in hell because the soul and spirit will never die (See notes on The Doctrine of Man)

**Eternal death** – is final separation from God by being placed in the lake of fire (Revelation 2:11; 20:6,14; 21:8).

In order to stay away from a place called death we must remain in a place called life. Jesus is life and the light of men. He showed us how to remain in the life of God (John 1:4; John 8:12).

God also has given us instruction in His word on how to maintain the body he created. He told us what to eat and what not to eat. He has also told us how to live and how not to live. If we adhere to the guidelines of the word we will live as long as God desires us to live.

Natural death comes when God is ready for us to transition to heaven.

While we are here we should continually walk in newness of life (Romans 6:4).

We must stay away from all that causes death. There can be no excuse to allow any sin in our lives. We must watch what we take into our spirit. We must not set any wicked thing before our eyes (Psalms 101:3) Watching sin on TV will contaminate your spirit. It opens the door for compromise.

Hades is the literal place that man goes to if separated from God at physical death. It is a place that was prepared for the devil and his angels. It was never meant for man.

**Luke 16:20-25** – This is the first account we read about where a man is in hell. Once there he quickly came to realize he would not be leaving. The rich man looked up and saw Abraham and Lazarus and desired for Abraham to have Lazarus dip his finger in water and cool his tongue. He was in torments. There was a gulf between them so neither could pass or cross over. He then thought about his five brothers who needed to be warned not to go to hell but the only hope they had was that they would listen to the prophets that were alive. This is a warning that man should take heed to the word of warning to give their lives to Jesus while they have

a chance. After death comes there is no chance of being saved.

Death comes to us when we choose to disobey the commands of God. Death comes when we make excuse to stay as we are. In other words, when we choose not to change. Death comes when we fail to choose life, which gives way to death (Proverbs 18:21; Joshua 24:15). Death comes when we compromise our walk, our faith and when we compromise with each other. We must be willing to speak the truth no matter what.

Death will continue to ruin man until Jesus returns and literally throws death and hell in the lake of fire. Death is a spirit but it is also a place.

Beloved, I encourage you to choose life and not death. Life is available to all who will choose to obey God. We must be mindful to walk pleasing to our God no matter what comes our way. Our lives must be fully surrendered to God. We must hold nothing back from the Lord. God is our Father, seek to please Him, he is the author and finisher of our faith. Choose to walk pleasing to God and "Stay Away from a Place Called Death". Be blessed in the name of the Lord.

# A LIFE WITH NO FUTURE, MIRACULOUSLY HEALED

by: Pastor Gary Stafford  
[www.justintimeministries.com](http://www.justintimeministries.com)

It was during the week that I had received a call from a friend, asking me if I wanted to accompany him as he visited a prison on a Thursday night. I had never done that before, and I was reluctant to say yes. I was filled with many questions, and he assured me that it was safe; it would be a good thing to share the Word of God, and we could go out for a bite to eat afterward. I said yes, and he shared where we would meet and then we would go together.

Well, that Thursday evening we got to the prison where we went through a lengthy security check. It took more than a half hour before we were ushered into a room with security personnel. Then, after a few minutes, the inmates were coming and sitting in the chairs arranged for them.

My friend, George, welcomed them, and then took out his 12-string guitar to play some worship songs.

Some of the inmates started singing, as George had been there many times before. Then George shared a message from the Bible, closing his remarks with a question; "Does anyone want to give their life to Jesus Christ?" A few inmates responded and others, who had made the decision, came alongside praying for those giving their life to Christ. I watched and marveled at how ready these inmates were responding to having Jesus Christ in their life as their Lord and Savior.

At the end of the meeting, a man named Tomas came up to me and said, "Man, you have got to help me." I replied, "how can I help?" He shared, "my younger brother is on drugs, and he's stealing from my grandmother, her jewelry and her cash to support his habit. I don't want him to end up here. "Look, I did the crime, so I have to do the time. You need to talk to him and get him saved." He then gave me his brother's address, whispering "he's got to get saved. I love him and I don't want him to mess up his life."

Well, George and I left, and I told him, as we finished dinner, what happened to me at the prison. This was my first time at a prison, and I had an address in the Bronx NY of this inmate's younger brother Jaime.

Needless to say, I always got lost in the Bronx and I didn't know where I was going. I didn't even know if I would find anyone home if I found the place. I would, instead, write Jaime, telling him of his brother's concern and that the only way to be free was to ask Jesus Christ into his heart, as Tomas had done. I then wrote out the sinner's prayer, which he could recite, and a place where he could sign his name, acknowledging his commitment to Christ, having asked Christ to be his Lord and Savior. I asked Jaime to sign the form and return it to me so I could tell his brother, Tomas, that Jaime is now, "born again".

Nothing happened! No reply! I wrote again, and after a few months, Jaime sent a reply back stating he had moved, and there was no way his mother could forward his mail. She didn't know where he was, but she knew he had been on drugs.

The reply from Jaime with the salvation prayer was signed and dated. He had said the "sinner's prayer" and had given his life to Christ. Hallelujah!! I wrote to his brother Tomas, to tell him of the good news and I wrote back to Jaime, thanking him for becoming a believer. No reply! I waited a month and wrote again. No answer. Months went by and no reply. Oh well, Jaime was, saved, born again. That was all that mattered.

Six months went by and one Saturday morning I got a post card from Puerto Rico. It was from Jaime. He said he had contracted aids from a dirty needle, while he was doing drugs. Because he was infected with aids, the halfway house, where he was staying, told him he would have to leave. Jaime continued with his note that he knew he was dying so, as his final wish, he went to Puerto Rico to see his Dad.

He stated that he grabbed a cab at the airport and gave the driver his father's address. At a 5-street intersection, the cab was in an accident. An ambulance was called, and he was rushed to the hospital, where he had to receive a blood transfusion. He cried out a warning, "Be careful, I have aids." The hospital staff acknowledged his warning and went on to treat him. The next morning, a doctor came to his bedside and said, "Sir, I want to inform you that your blood is not infected. **'You do not have aids'**".

His closing comment was, "because Jesus is in my heart, **He healed me**". Thank you for leading me to Him!

Imagine, a man who I never met gets not only saved but totally healed of aids. All I did was listen to a cry for help from a prison inmate for his younger brother caught up in drugs. I responded. I could have done more but what I ended up doing, God used. The Lord Jesus Christ did the rest, by saving him unto Himself and healing him because Jaime believed. What an awesome ending and a new beginning! To God be the Glory! Amen!

# WHY LIFE DOES NOT GO SO WELL

by: Geri McGhee  
Copyright © 2003  
[www.gerimcghee.com](http://www.gerimcghee.com)

DEU 5:16

**“Honor your father and your mother, as the Lord your God has commanded you, that your days may be prolonged, and that it may go well with you on the land which the Lord your God gives you.”**

Every problem in life can be traced back to the breaking of this one commandment. It is a Scriptural truth that life will go well for us in every area we could honor our mother and father and life will not go well for us in any area we did not or could not honor our mother or father.

To honor does not mean that we have to agree with them, like them, model our life after them or, if we are grown, fellowship with them if they are evil. But, to honor means to forgive them for their poor stewardship of us. In the areas that we have let the sun go down on our anger, grief, sadness, worry, fear, frustration, hurt, pain, etc. without forgiving them, we have dishonored them.

This dishonoring of our parents sets up a life-long reaping process for us to experience the same problems in our present circumstances for which have judged our parents.

PRO 12:14

**“The deeds of a man’s hands will return to him.”**

MAT 7:1-2

**“Do not judge lest you be judged. For in the way you judge, you will be judged and by your standard of measure it will be measured to you.”**

ROM 2:1

**“Therefore you are without excuse, every man of you who passes judgment, for in that you judge another, you condemn yourself; for you who judge practice the same things.”**

ECC 7:9

**“Do not be eager in your heart to be angry, for anger resides in the bosom of fools.”**

EPH 4:26-27

**“Be angry, and yet do not sin; do not let the sun go down on your anger and do not give the devil an opportunity.”**

This does not mean to deny our anger exists but to acknowledge it and to not let it turn into sin by letting the sun go down on it. We may have a right to be angry, but God instructs us to forgive so we can be forgiven. God will only forgive us to the degree we forgive others.

MAR 11:26

**“But if you do not forgive, neither will your Father who is in heaven forgive your transgressions.”**

If we hold onto our anger, according to Matthew 5:21-26, we go into a spiritual prison (spiritual bondage) and we will stay in it until we forgive. MAT 18:32-35 says unforgiveness causes us to get turned over to the torturers. The torturers are demons that inflict pain. The word “torturers” also means the pain of disease. Unforgiveness will hold the pain in whatever area of the body we are hurt and if held in our heart, eventually, it will turn into sickness and disease.

So, I ask you where is your life not going well? The problems you are now having in the present are mirroring the problems of the past and revealing things needing repentance.

The good news is that when we forgive, God cancels the reaping in the specific area we forgive, we come out of the spiritual prisons we have been held in and we experience God's freedom and His peace.

ECC 11:10

**“So, remove vexation (grief and anger) from your heart and put away pain from your body.”**

*Hallelujah!*

# About Geri

Abiding Life Ministries is a nonprofit organization existing solely for the building of God's kingdom through preaching the gospel, healing the sick, casting out demons, and the writing and publishing of books and pamphlets.

Abiding Life Ministries was founded in 1978 by Bob McGhee, the late husband of Geri McGhee. It presently consists of a volunteer staff and secretary, and various churches and ministries who partner with Abiding Life to host seminars and conferences across the United States. Geri McGhee travels with her team and singly, teaching "Overcoming Life's Obstacles Seminars," in churches and conferences across the globe as God permits.

Abiding Life Ministries' vision is to be one of God's instruments to heal, deliver, train, and disciple leaders through teaching principles of the "overcoming life". It is our prayer that these disciples are equipped to carry out Christ's ministry here on earth for the building up of the Body. God created each individual with a

"divine purpose." The goal of Abiding Life Ministries is to encourage other believers in their spiritual walk and help each person fulfill their God given destiny.

Geri McGhee has been in the deliverance ministry since 1982 and is the President of Abiding Life Ministries. She is a Member of the Advisory Board for the International Spiritual Warfare Team Committee. She is a featured speaker for the retreats held year round at Lake Hamilton Bible Camp in Hot Springs, AR. Geri has become a regular guest host sharing God's Word on Omega Man radio and Blog Radio/Crothers. Her message is broadcast live worldwide with phone lines open to listeners during the last hour.

Geri is the author of "Clearing the Land," a repentance booklet preparing people for deliverance, as well as "The Story of Wise Pig and Foolish Pig," a children's book. She has written several other books: "Resetting Life's Negative Reaping Patterns" and "Grief."

Since 1990, Geri has been teaching "Overcoming Life's Obstacles -- In the Word Deliverance and Healing Seminars," throughout the United States. Through these seminars, she has seen God work mighty signs and wonders. Individuals who attend her meetings are experiencing God's healing touch spiritually, physically, mentally, and emotionally in addition to learning principles of the "overcoming life." The knowledge and spiritual insight God has given Geri sets many free to walk in victory. She teaches and ministers with wisdom and is well grounded in Scripture. Concise, clear teaching coupled with love, warmth, humor, and compassion allows Geri to communicate with her congregation an informative and life changing message.

In February 1992, she founded the Abiding Life Fellowship in Lindale, Texas where she was pastor for ten years.

# FROM LOCKDOWN TO FREEDOM

By Ron Zaucha

Ron Zaucha was a California street smart, tough-guy turned drug dealer. He befriended and dealt to many classic rock stars, actors and burnouts in the 1970s and '80s. He lived a fast paced life, filled with flashy cars, a pocket full of cash, and beautiful women at his side. Whatever Ron wanted, Ron got. However, there was a price to pay for it all.

At times Zaucha had to be a tough guy when it came to collecting money. At times he alternately befriended and shook down some of the biggest icons of the day. For years his best friends were Smith & Wesson, and they helped him get the job done. Un-

til one day, everything came to a crashing halt and took him down into to a pit he barely made it out of.

His stories will make you laugh, cry and amaze you how he survived. This is the story of one man's incredible rise, fall and redemption.

# Take Away the Stone – Spirit of Unbelief

by: Pastor Jozef Jasinski  
[www.jesusdelivers.com](http://www.jesusdelivers.com)

## Key Bible Verses:

Joh 11:39 Jesus said, **Take ye away the stone.** Martha, the sister of him that was dead, saith unto him, Lord, by this time he stinketh: for he hath been *dead* four days.

Joh 11:40 Jesus saith unto her, **Said I not unto thee, that, if thou wouldest believe, thou shouldest see the glory of God?**

Joh 11:41 Then they took away the stone *from the place* where the dead was laid. And Jesus lifted up *his* eyes, and said, **Father, I thank thee that thou hast heard me.**

Mar 9:23 Jesus said unto him, **If thou canst believe, all things are possible to him that believeth.**

Mar 9:24 And straightway the father of the child cried out, and said with tears, Lord, I believe; help thou mine unbelief.

## Lessons Objectives:

- ♦ The Stone of Unbelief
- ♦ Examples of Unbelief
- ♦ Warnings Against Unbelief
- ♦ Roots & Fruits of Unbelief
- ♦ Remedy:
  - Repentance
  - Deliverance
  - The Word of God cure for unbelief

**Introduction:** Here in Edmonton, Canada in our Friday deliverance service, during mass deliverance I was walking praying for people. I noticed this sister who was for the first time in our chapel. I observed that she was not getting deliverance. I came to her and asked her what she would like Jesus to deliver her from.

She replied that she did not know. I said to her: "well, you came for the first time to deliverance church and service, you must know what you want." She said again: "I don't know." I told her to ask Jesus and I will be back and see what He told her. She agreed and after a while I came back and asked if Jesus told anything. She said: "yes, He told me that unbelief is my problem. We prayed simple but effective prayer like this: "Jesus forgive me, my parents and ancestors for sin of

unbelief and any other sins which opened the door to spirit of unbelief and other spirits. After that, I gave a command for SPIRIT OF UNBELIEF to leave. It came out with a big scream, and after him came out many other spirits. The spirit of unbelief was the STONE blocking other blessings.

- unbelief is a sin and a spirit
- Unbelief; one of the giants

## The Stone of Unbelief

Joh 11:20 Then Martha, as soon as she heard that Jesus was coming, went and met him: but Mary sat *still* in the house.

Joh 11:21 Then said Martha unto Jesus, Lord, if thou hadst been here, my brother had not died.

- **Lord, if thou hadst been here, my brother had not died.**
- Here we see the first manifestation of unbelief. She is disappointed with His delay in coming. They knew that Jesus was a miracle worker. Why is she doubting?

Joh 11:22 But I know, that even now, whatsoever thou wilt ask of God, God will give *it* thee.

- She says that she knows that Jesus is able to do anything even now. However, as we shall see her faith is limited in her knowledge what God can do

Joh 11:23 Jesus saith unto her, **Thy brother shall rise again.**

- Jesus says that her brother is going to come back to life. He means now

Joh 11:24 Martha saith unto him, I know that he shall rise again in the resurrection at the last day.

- Martha believes that this can happen in the resurrection at the last day, but to believe in res-

urrection now is too much to believe with her small faith

- QUESTION: How much can you believe God for? Do you limit God?
- [Psa\\_78:41](#) Yea, they turned back and tempted God, and limited the Holy One of Israel.

Joh 11:25 Jesus said unto her, **I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live:**

Joh 11:26 And **whosoever liveth and believeth in me shall never die. Believest thou this?**

Jesus says very profound words: **I am the resurrection, and the life...**

He says: **Believest thou this?**

He is testing her faith and understanding

Joh 11:27 She **saith unto him, Yea, Lord: I believe that thou art the Christ, the Son of God, which should come into the world.**

She says that she believes that He is Who He says He is. Yet, we shall see in the next verse that her faith is not perfect

Joh 11:39 Jesus **said, Take ye away the stone.** Martha, the sister of him that was dead, saith unto him, **Lord, by this time he stinketh: for he hath been dead four days.**

**Jesus said, Take ye away the stone.** Martha just said that she believed Who He was, and when Jesus is commanding to take away the stone, she is protesting giving human reasoning why not to do that. Many might say they believe, but when the test comes, they reveal unbelief speaking through their mouth

THIS STONE at Lazarus tomb is a perfect picture what is blocking many believers to receive their blessings. The blessings are in the tomb because stone of unbelief is blocking them

Joh 11:40 Jesus saith unto her, **Said I not unto thee, that, if thou wouldst believe, thou shouldst see the glory of God?**

Jesus is revealing here that the reason He postponed His coming to heal Lazarus is to show them greater thing then healing, He wanted them to see resurrection from the dead. He also revealed His names: I AM THE RESSURECTION, AND THE LIFE...

Joh 11:41 Then **they took away the stone** *from the place* where the dead was laid. And Jesus lifted up *his* eyes, and said, **Father, I thank thee that thou hast heard me.**

HERE IS FAITH OF JESUS: **Father, I thank thee that thou hast heard me.**

IT MEANS IT IS DONE before you see it

Joh 11:42 And I **knew that thou hearest me always: but because of the people which stand by I said it, that they may believe that thou hast sent me.**

**thou hearest me always:**  
**here is the key;** believe that God hears you

Joh 11:43 And when he thus had spoken, he cried with a loud voice, **Lazarus, come forth.**

Jesus was very specific in His command saying the name of Lazarus, otherwise other dead would come forth too

Joh 11:44 And **he that was dead came forth**, bound hand and foot with graveclothes: and his face was bound about with a napkin. Jesus saith unto them, **Loose him, and let him go.**

**And he that was dead came forth,**  
IF YOU BELIVE, ALL THINGS ARE POSSIBLE TO THAT WHO BELIVE. **REMOVE THE STONE OF UNBELIEF**

**UNBELIEF**, *noun*

1. Incredulity; the withholding of belief; as, *unbelief* is blind.
2. Infidelity; disbelief of divine revelation.
3. In the New Testament, disbelief of the truth of the gospel, rejection of Christ as the Savior of men, and of the doctrines he taught; distrust of God's promises and faithfulness, etc. [Matthew 13:58](#). [Mark 16:14](#). [Hebrews 3:12](#). [Romans 4:20](#).
4. Weak faith. [Mark 9:24](#).

## Examples of Unbelief

- Matt 13:54, 58; And he did not mighty works there because of their unbelief
- Mk 9:24. help my unbelief; MANY NEED HELP
- Rom 4:20 He staggered not at the promise of God through unbelief...
- 1 Jn 5:4-5; faith will help you to overcome all things. READ THE WORD; John 1;1. Joshua 1:7-8. Ps 1:2-3, Rom 10:17
- Unbelieving Thomas; John 20:19-29
- **Numbers 13:30-31; Able versus Unable;** Joshua and Caleb – 10 unbelieving spies. Caleb and Joshua were the "able" bunch, the rest were professing "we are not able." God said: "You are able" and that it what it matters. The "unable" people did not enter the Promised Land
- Abraham; Gen 17:17; even Abraham had his moments of unbelief and his wife Sarah also
- Moses; Nu 11:21; provisions
- Disciples; Matt 17:19-20; casting out demon
- Zacharias; Lu 1:20; didn't believe the angel
- Disciples; Lu 24:11; didn't want to believe that Jesus was alive
- Start from declaring the Word of God Job 22:28; decide to believe. Mark 9:23-24

## Warnings Against Unbelief

- Mk 16:14; disciple did not believe a report that Jesus was risen:
  - Mar 16:14 Afterward he appeared unto the eleven as they sat at meat, and upbraid-

ed them with their unbelief and hardness of heart, because they believed not them which had seen him after he was risen.

- Pharaoh; hardened his heart through unbelief; 1 Sa 6:6
  - Joh 3:36 He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him.
- [Heb 3:12](#) Take heed, brethren, lest there be in any of you an **evil heart of unbelief**, in departing from the living God.
- [Heb 3:15](#) While it is said, Today if ye will hear his voice, harden not your hearts, as in the provocation.
- [Heb 3:16](#) For some, when they had heard, did provoke: howbeit not all that came out of Egypt by Moses.
- [Heb 3:17](#) But with whom was he grieved forty years? *was it* not with them that had sinned, whose carcasses fell in the wilderness?
- [Heb 3:18](#) And to whom sware he that they should not enter into his rest, but to them that believed not?
- [Heb 3:19](#) **So we see that they could not enter in because of unbelief.**
- [Heb 4:1](#) Let us therefore fear, lest, a promise being left *us* of entering into his rest, any of you should seem to come short of it.
- [Heb 4:2](#) For unto us was the gospel preached, as well as unto them: but **the word preached did not profit them, not being mixed with faith in them that heard it.**
- [Heb 4:3](#) **For we which have believed do enter into rest**, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the works were finished from the foundation of the world.
- Many people are not entering blessings God because of sin and spirit of unbelief
- THE WORST IS SIN OF UNBELIEF WHICH REJECTS JESUS CHRIST AS A WAY OF SALVATION

## **CRISIS!**

August 2019

*I hope you are enjoying my monthly newsletters as well as the other work WMI does in “Sounding the Alarm” to the nations throughout the world, faithfully without compromise. We are living in what I believe are very perilous times. We here at WMI are in great need of God’s added provision to pay some debt without borrowing money. Please, if every person reading this request right now would give something, the crisis would be averted. Some of you can give twenty, some fifty, some a hundred or even a thousand dollars. Even ten dollars would be greatly appreciated! The amount could multiply like the loaves and fishes. Again, even ten dollars would help. If each person would give something, this crisis would be over! Look for my regular newsletter next week on the War between Germany and the European Union against The United States of America and Britain.*

*May God richly, richly bless you!!

## OCCULT STEPPING STONES TO WITCHCRAFT

"The Spirit speaketh expressly that in the latter times some shall depart from the faith, giving heed to seducing spirits and doctrines of devils." (1 Tim. 4:1) The Walking Dead book concerns the Lamb family (a fictitious name) that was living in Central Florida where a white witch that cast deadly spells upon them that almost cost Rita Lamb her life. It also reveals witchcraft power that engaged the teenagers in the community to become involved with the powers of darkness. They became zombies like when this white witch gave them drugs and taught them witchcraft rituals in the local cemetery, thus destroying their lives through demon possession. No one can dabble in witchcraft and come away unshackled. However through Jesus, one can be deliverance, (Matt. 18:18) there are very few Christian ministers that can deliver them.

## PRAYER AND PRAISE A MIGHTY ARSENAL!

by: Loren Due PhD, DMin  
[www.lorendue.com](http://www.lorendue.com) or  
[www.arjeandue.com](http://www.arjeandue.com)

We live in perilous times as stated in **2 Timothy 3:1 (KJV)** *“This know also, that in the last days perilous times shall come.”* The Bible predicted that perilous times would come; I believe we are there. You have heard this before but like so many believers, are you indifferent to the destruction, mayhem and murder. This callous attitude is a combination of personal experiences, societal outbreaks and breakdown in trust of God.

The first thing you will want to do, but I caution you not to – stop reading this article because your feelings are hurt by the opening paragraph. I encourage you to read to the end of the article to see how you might engage in behavior to bring awesome glory to the Kingdom of God.

We are ALL in this struggle to the end even those who have attempted to insulate themselves from the trouble because bullets do not have names on them. We must remember **Psalm 91:5 (KJV)** <sup>5</sup> *Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day*; I believe the arrow that flies by day is the nameless bullet and evil plots that are made against us. **Isaiah 54:17 (KJV)** <sup>17</sup> *No weapon that is formed against thee shall prosper;... part "A" of this verse should give us comfort to know that the weapon will form but will not prosper at what they enemy desires and that is to steal, kill or destroy us.*

I believe the key strength believers have to overcome "ALL" things, is the ability and responsibility to pray and praise God. Our commitment to pray and praise God should be in good times, bad times and all the time. I do not want this to sound like a lecture but I must admit that I believe that I must be the first partaker of the fruit if I am to encourage you to do so. I am. What I am sharing is what I believe from my heart and what I know God told me to write this article about prayer and praise.

Somebody needs to know that when prayer and praise go up to God from the heart that God honors it. He is looking for true believers in this time particular who will submit to Him and stand in the gap for those who are in severe trials, tribulations and great temptation to be able to come out with awesome victory. The devil and much flesh is on a mission of utter destruction and chaos to many who have committed to be called a child of the living God.

What I have learned is that I am a child of the living God 365/24/7 and there is little room to allow the devil or the flesh to get control of my life. I do not mean to say that I am a hermit or live life in a bubble, but that I am learning how to enjoy life without allowing life to interfere with my strong commitment to God. I am learning how to fulfill **Galatians 5:24 (KJV)** <sup>24</sup> *And they that are Christ's have crucified the*

*flesh with the affections and lusts.* This has to be a personal choice to be all in or not. Each person reading this article must decide for themselves how committed they are unto the Lord.

All I know is that the closer you draw to the Lord the closer He will draw to you according to James 4:8A. I believe each one of us must desire from the heart to not only please the Lord, but also see the results of our efforts with our own eyes.

The heart of this article is for every child of the living God male or female to develop a life of earnest prayer and praise by allowing the following scriptures to come alive in each life daily. I believe this is our arsenal or weapons against the powers of darkness. We must remember **Ephesians 6:11 (KJV)** <sup>11</sup> *Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.* It is a daily battle if we are practicing the God kind of holiness.

I believe you are to determine how to incorporate prayer and praise into your daily life if you are not doing it already.

King David said it this way in Psalm 55:17 (KJV) <sup>17</sup> *Evening, and morning, and at noon, will I pray, and cry aloud: and he shall hear my voice.*

The Prophet Daniel practice prayer in Daniel 6:10 (KJV) <sup>10</sup> *Now when Daniel knew that the writing was signed, he went into his house; and his windows being open in his chamber toward Jerusalem, he kneeled upon his knees three times a day, and prayed, and gave thanks before his God, as he did aforetime.*

King David praised God this way as stated in Psalm 119:164 (KJV) <sup>164</sup> *Seven times a day do I praise thee because of thy righteous judgments.*

Jesus spoke this as recorded by the physician Luke in Luke 18:1 (KJV) <sup>1</sup> *And he spake a parable unto them to this end, that men ought always to pray, and not to faint;*

A silhouette of a person's head and shoulders, with their hands raised in a gesture of prayer or praise. The background is a warm, orange-hued sunset or sunrise sky. The person's face is partially visible in profile, looking upwards. The hands are open, with fingers slightly spread, and are positioned in front of the chest.

I know that if we as children of the most high God are to really be spiritually successful we are going to now start praying and praising God like never before to fulfill the command stated by Luke that Jesus said "men ought always to pray and not to faint!" Prayer and Praise is a continuous process that we learn to do verbally,

non-verbally or tacitly to the Father. Those that have the Holy Ghost with the evidence of speaking in tongues might consider spending time each day praying according **Jude 1:20 (KJV)** <sup>20</sup> *But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost,*

The key for each one of us is to determine how committed we are to fully dedicating ourselves to be all in for Jesus 365/24/7. Each one will have to commit according to **Acts 2:40B (KJV)** .... *Save yourselves from this untoward generation.* I know that in some denominations people are busy doing church and too busy to be a witness. Just imagine being like the four and twenty elders in **Revelation 19:4 (KJV)** <sup>4</sup> *And the four and twenty elders and the four beasts fell down and worshipped God that sat on the throne, saying, Amen; Alleluia.*

Are you ready to pray without ceasing and fall down to praise Him?

# IT'S TIME: *One Man's Journey from Abuse to Finding God's Love*

by Loren C. Due, PhD.

When Loren found out that God loved him, he realized he had nothing to be ashamed of because the love of the Father in Heaven surpassed the love of his earthly father. This made a big difference to him. Maybe the misunderstanding of seeking the big brother or father figure he needed caused him to internalize his doubts about his manhood, but divine order allowed him to see that the father he long sought was always waiting in Jesus Christ.

This book contains guidance for those affected by the lingering pain from being abused that has engulfed them for years. It can be healed. As you learn to forgive yourself and others, you will see firsthand that forgiveness gives you power over your abuser.

This book written as a vessel of deliverance for the many, who like Loren Due, have kept a family secret locked deep inside for most of their lives. As you read this book, prepare to receive love, deliverance and guidance. There is

help; you just need to determine which direction best suits you.

# Prophetic Evangelism: Gathering the End-Time Harvest

by Prophet Scott Lathrop

We live in a generation in which time is spinning faster and faster away from God. It's more important than ever to stay in the flow of the Spirit of God. We must be in the season in which God's Spirit is calling the Church to be. Throughout church history, there have been many outreach programs and ideas, some good and some not. Unfortunately, many of these programs and ideas always seemed to trail behind what society was doing at the time. With Christ's mandate to make disciples, it's more important than ever to stay ahead of what society is doing. The in-

sights presented by Scott Lathrop in the Prophetic Evangelism will hopefully help you stay ahead of the curve and truly become more effective in reaching your world for Christ.

# DELIVERANCE MINISTER'S TIPS & TRICKS

## ISSUE No. 2

If you have additional Tips & Tricks that would like to be included in the next month's publication, send me or Shannon an email and we will consolidate it into this section each month. If you have any questions or don't understand a specific Tips & Tricks and need more clarification, please don't hesitate to ask. Send an email. Thanks. Pastor John.

### 1. DID YOU RUN OUT OF WINE TO USE AS THE BLOOD OF JESUS DURING WARFARE?

- a. There are times when we get too comfortable using the Blood of Jesus during Spiritual Warfare that when we run out of the little communion cups of wine, we then try other methods to make the demons very weak and submit to our commands.
- b. There is an alternative, using water. I'm not talking about using Holy Water either. I'm talking about regular water from the faucet or bottled water and turning it into the Blood of Jesus. Yes, I have witnessed other Deliverance Ministers do this and have even tried it myself in my own ministry.
- c. Well you probably are saying that's impossible. But it's not. All you have to do is pray over the water and turn it into the Blood of Jesus. It's that simple.
- d. You can also turn the water into the **"Fire of the Holy Spirit"** and make the demons drink the fire.
- e. So here is the prayer: *"Lord, I now dedicate and commit this cup of water to be the true Blood of Jesus Christ (Fire of the Holy Spirit), and I now*

*command the water; 'Water be converted into the Blood of Jesus Christ (Fire of the Holy Spirit);' in the name of Jesus Christ our Lord. AMEN."*

### 2. LOOK FOR THE "FREE-LANCE" DEMONS

- a. When we think we have found the Strongman and have bound up his entire kingdom or kingdoms, we assume that we have captured all of the demons inside of the person we are ministering to. However, that is not always the case.
- b. There are demons inside of people that do not have to report to the Strongman and have their own assignments to take care of. I consider these types of demons to be "Free-Lance" demons. Some examples of these type of demons are: Witchcraft, Sasquatch Demons, or any demon that may have their own agenda. Most often these types of demons come from addictions. For example, addiction to video games that have a demonic aspect to the game will be a portal for a demon to enter the person. When that happens, this demon is on his own agenda and doesn't have to report to the Strongman.

- c. I have personally ministered to a lady that had a Sasquatch demon that went back thousands of years and still kept coming back even after all of the other demons were expelled. Once I was able to find him, his roots had to be cut going all the way back to Adam and Eve.
- c. You may have gotten rid of the rights of the previous demon to be inside the person, but Satan may still has open assignments on the person's life that are still attached to the person.
- d. In the course of getting rid of demons, have the demon say *"I break and renounce all rights, assignments, contracts, curses, spells, hexes, vexes, and all demonic rituals I have placed on the person."*

### 3. ALWAYS FIND THE GATE-KEEPER DEMON

- a. Do you often wonder why new demons or even the same demons you have expelled during a deliverance session keep coming back inside the person after they have gone through a deliverance session? One of the reasons is that there is a "Gate-Keeper" Demon who is allowing them entry.
- b. I would recommend finding out how many "Gate-Keeper" demons there are and how many kingdoms are inside of the person. Then I would try to find out what rights they have inside of the person and break off those rights. If there are no rights, then have the demon break off his assignments to the person and that should take care of it. Then I would bind-up all these "Gate-Keeper" demons to the strongman and any other demons that are present and command them to go to the pit.

### 4. FINDING THE DEMON'S "RIGHTS" ISN'T ENOUGH

- a. There are times when we have delivered a person of their demons and have made sure we broke off every right the demons had, but the same demons keep coming back afterwards.
- b. This is because there are **demonic assignments** on the person's life that still need to be broken. You see, assignments are like "Position Descriptions" for a Job Position. If there is a vacancy for a job, then the next demon that can fill that position will come along and fill it either under the authority of the Strongman or of his own will.

### 5. USING THE DEMONS TRAITS AGAINST THEMSELVES?

- a. Recently, I was involved with a deliverance session where the minister was talking to Jezebel. The minister just happened to have Bob Larson's book "Jezebel" with him. The minister picked up Bob's book and used it to strike Jezebel and the book was just as powerful as a sword of the spirit. The demon Jezebel convulsed, screamed, and cried for help.
- b. Yes, you got it. Bob Larson's books are anointed by God and have heavenly powers to defeat the demons. So next time you forget your bible at home and don't know what to do, look for Bob's books to use an alternative for Spiritual Warfare.
- c. Another example is the demon Mammon who is known for greed and money. I recently witnessed a deliverance minister use money against the demon to defeat him. There was a lady who demanded all congregational members must donate money to the ministry. Well it turns out she had a demon of mammon who was acting out of greed. While this same lady was being ministered to in a deliverance session, the deliverance minister took the cup of the donated money that was collected and poured it on the demon and the demon of mammon went nuts. Mammon started screaming, convulsing, and crying out. The money actually burned him as the money touched the body of the lady being ministered to.
- d. Therefore, always seek for alternatives to Spiritual Warfare tools if you don't have anything else around you.

# THE BATTLE-READY BELIEVER

by **Michael Boldea**

There is a battle coming. Are you ready for it? When compromise becomes our banner, and cowardice is seen as virtue, is it any wonder that so few among professing believers today are battle ready? In this introduction to spiritual warfare, Michael Boldea, Jr., answers key questions to help Christians stand upon the truth of Jesus Christ in this age of political correctness:

- How does the enemy camouflage himself in today's world?
- How can I recognize my allies in the battle?
- How can I effectively wield my weapons, and do I know them all? How do I stand strong when others around me are falling?
- How can I learn to discern my Commander's voice from all others?

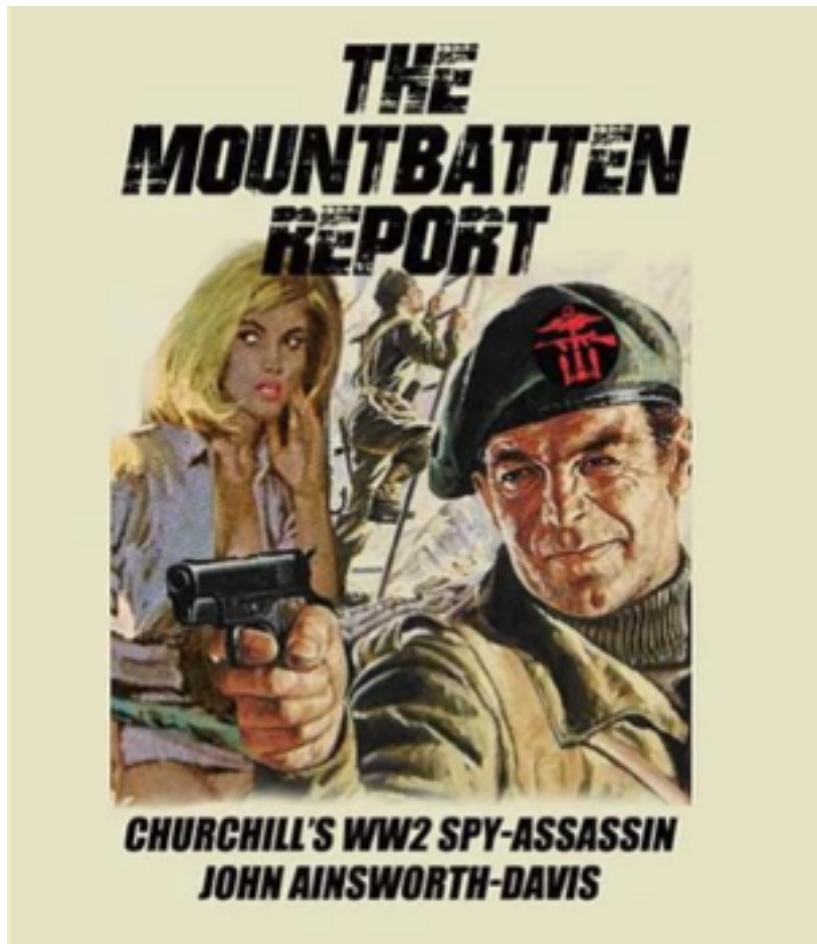

Battle is inevitable. Boldea's book helps the wise ready themselves through an analysis of the spiritual maturity of today's church, along with an analysis of its understanding of duty. The book compares what has been taught in the modern church to what the Bible actually says.

The concrete instruction contained in this book will prove invaluable to any believer whose aim is to become truly battle ready.

# THE MOUNTBATTEN REPORT

## BEST SELLING AUTHOR

**John Ainsworth-Davis aka Christopher Creighton**

(Operation James Bond 1996)

(The Khrushchev Objective 1987)

(The Paladin 1982)

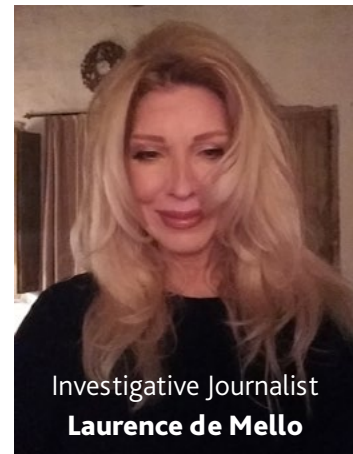

Teams up with Investigative Journalist Laurence de Mello to present the only definitive authorized work of The Mountbatten Report.

Includes never before seen documents and the curious backstory to the writing and publishing of this Special Launch Digital Edition.

John Ainsworth-Davis (JAD) was a British WWII Naval agent Spy-As-

sassin working directly for Prime Minister Winston Churchill.

Commissioned by Lord Louis Mountbatten, this report is JAD's very personal account of his growing up on the Chartwell estate as

Desmond Morton's Godson and his subsequent grooming to become one of WWII's most controversial secret agents.

It also touches on JAD's introduction into privileged British and German society through his father Jack; a British Olympic Gold medalist and his father's close friend, the German Ambassador to London, Joachim Von Ribbentrop.

Ribbentrop later became Hitler's trusted Foreign Minister and was one of the first Nazis to be hanged at Nuremberg in 1946. JAD speaks candidly of his experiences of love, war and betrayal up to early 1945.

"The Mountbatten Report" is the prelude to Operation JAMES BOND (OPJB): a highly covert 1945 British op, in which JAD assisted Commander Ian Fleming RNVr in the rescue of Hitler's 'handler' and money man, Martin Bormann. Special Digital Edition for limited period only.

# CHALDEAN ANCESTRAL DEMONS, FROM ANCIENT IRAQ, DEFEATED BY THE CROSS OF JESUS!

by: Pastor Jay Bartlett of the Jesus Church in  
Los Angeles, CA & Vancouver, British Columbia  
[www.jaybartlettmissions.com](http://www.jaybartlettmissions.com)

God's Word declares: "For Christ did not send me to baptize, but **to preach the gospel**—not with wisdom and eloquence, lest *the cross of Christ be emptied of its power*. For the **message of the Cross** is

foolishness to those who are perishing, but to us who are being saved it **is the power of God.**"

We proclaim the cross of Jesus for in **the Cross** is the power of God. *When there is a public proclamation of the message of the cross demons will scatter* and we saw that very powerfully in a seminar that I conducted in Melbourne, Australia, before my banning from the nation. We witnessed the power of the cross in the salvation of souls. Precious souls repented of their sins and confessed Jesus as Lord for the very first time tonight and this brings me great joy. Besides, God's mighty holy angels are also rejoicing in the new births.

The power of the cross of Jesus brings salvation, healing and deliverance power!

Our day started, early morning, as we gathered together, as a small group, to conduct a training seminar, to learn about the healing power of Jesus. As I taught, spirits of Jezebel surfaced, within an Iraqi woman. What was amazing was she was at our previous meeting and she had asked the Lord to speak to me about inviting her to the front for ministry. So, the Lord responded to her cry as the Holy Spirit touched my heart to focus on this woman, for a period of time, for ministry, out of the many who were present from last night.

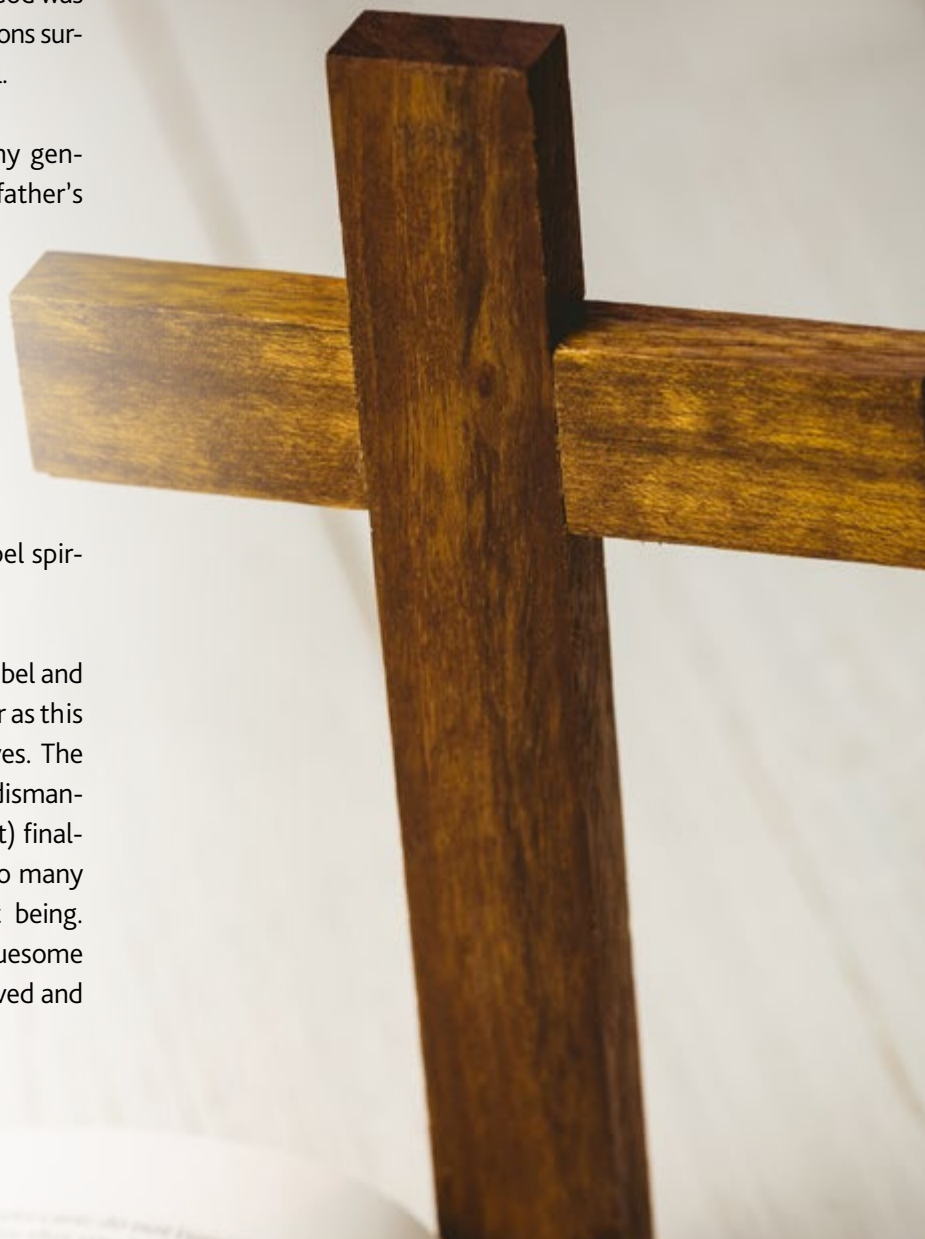

She was stunned but yet happy that I called her from among all the people at the meeting and knew God was trying to get her attention. As I ministered, demons surfaced from within her. Powerful spirits of Jezebel.

They revealed they had been in her for many generations and that her ancestors, from her father's side, were victims of witchcraft curses and rituals. As we broke off the curses and the rituals in Jesus name, great spiritual release occurred, however, we really had to battle for her soul as Jezebel fought me. We wore Jezebel down by forcing her to drink the blood of Christ.

"This is disgusting, tastes like iron," the Jezebel spirit informed me.

We even had some of her heart parts fight Jezebel and they did with great passion and righteous anger as this spirit truly brought spiritual havoc in their lives. The parts wielded a sword and thus was able to dismantle Jezebel. They (the parts of her broken heart) finally saw the true nature of this being that for so many years portrayed herself as being an elegant being. They saw that she (the demon Jezebel) was gruesome and grotesque as her spiritual mask was removed and her true identity was seen in the light of Jesus.

We continued and persisted in the spiritual warfare for the sake of this precious woman who just recently surrendered to King Jesus. The blood of the cross greatly weakened the spirits. We destroyed the strongholds in her life and there were many—anger, rage, bitterness, witchcraft and many other sins. However, as she repented and called upon Jesus, God swiftly answered her with liberation power in her life.

**One ancient spirit revealed that he was near her Chaldean ancestors in ancient Iraq.** They would hide in “caves” and would throw “rocks” at them. What were these rocks? They were “fiery darts” that the apostle Paul spoke on in Ephesians 6. These rocks weakened her ancestors and allowed these spirits within the bloodline and have been present all of these many thousands of years. These ancient Chaldean spirits were defeated on this day by Jesus and the power of His cross!

While ministering to her, as I mentioned, I also encountered many broken heart parts—ranging from very little to the teenage years (she’s 35) and they were healed by Jesus and were merged together. It was beautiful to witness. We also came across some ancestral heart parts and they were sent to Jesus. For several hours we ministered deliverance and healing and Jesus brought victory in her life as Jezebel was expelled along with many other demonic spirits within her. She testified of feeling much better and relieved. Peaceful. Contentment and deep joy. Jesus truly healed her this woman’s heart.

Several hours after the training seminar concluded we conducted another public deliverance meeting in a small community meeting hall where precious souls gathered to hear about the miracle working power of Jesus. This crowd of people were truly excited and thrilled to be a part of the work of Kingdom. Many were delivered as we led everyone in mass deliverance prayers including a family of Iraqi disciples who came hungering for the things of God. Many of them were victims of witchcraft curses and spells. These were all broken in Jesus name.

One dear Iraqi believer shared of his desire to serve Jesus as a pastor (and he’s only 3 years in the faith, he is hungry for the service to the King). He testified, “I’m willing to die for Jesus.” One glance at his face and his heart reveals he was speaking the truth! God will raise him to be a powerful minister of the gospel to reach many of his people for Jesus.

We prayed for those broken in heart, those afflicted with various torments and pains, and those whom were demonized. Jesus appeared to the broken heart parts, the power of His blood set the captives free and His mighty healing power comforted and healed many bodies. More work needs to be done however our God was faithful to heal and set the captives free. I also had the wonderful honor to lead even a few more people to Jesus, for salvation, in this meeting. Every day, on this mission, we were seeing people respond to the holy call of salvation. Souls are being won to Jesus as we preach the cross. The CROSS has power!

## DELIVERANCE FROM SPIRITS OF SEXUAL ABUSE BREAKING THE CHAINS OF RAPE AND INCEST

The information in this book is intended to give spiritual insight of the ministry of deliverance and its purpose in breaking strongholds that effect rape and incest victims.

Once we prayed deliverance for a sister that was complaining about her memory being bound and blocked. When we started praying for her, the Spirit of God spoke to me and said, "Take authority over spirits of rape and incest that she has been burying in her emotions by trying to hide it."

When we did, the demons came to the surface and the sister was delivered and set free from hidden spirits of rape since she was a child.

## DREAM KILLERS

**PRACTICAL WISDOM ON HOW TO NOT ALLOW DREAM KILLERS TO STOP YOU!**

I've noticed that whenever people try to improve themselves and reach for more than the normal or average goals of life, they are often hated, resented, talked about, read the wrong way, or considered prideful.

All of these feelings are nothing more than Satan's desire to stop them from sowing into the earth the purpose and destiny that God put them here for. His goal is to destroy all their gifts and potential that their generation needs.

## MEMOIRS OF A GENERAL

by Apostle Dr. Ivory Hopkins

Memoirs of a General attempts to equip the believer with warfare tactics used in deliverance ministry and in spiritual warfare. I personally believe that the entire Body of Christ should be ready and knowledgeable enough to cast out demons.

I do not believe that any Christian should be ignorant of the devil's devices. Somewhere along the line, you are going to have to know how to pull down strongholds and destroy the works of the devil. In fact, it is your privilege and your honor. This book will inspire and prepare you to set the captives free.

## DELIVERANCE AND THE PROPHETIC

**NEW BOOK**

by Apostle Dr. Ivory Hopkins

Deliverance and the Prophetic working together to bring accuracy to the body of Christ.

I must begin by saying I believe 100% in prophecy, but don't believe that we are to exempt them from being discerned or judging them by the word of God to make sure they're not mixed with demonic counterfeits.

I have had to deliver many people who have been taken over by spirits that use misunderstandings and deception to bind people by using deception in prophecy.

### 21ST CENTURY WARFARE PRAYERS

#### EFFECTIVE SPIRITUAL WAFARES IN THE 21ST CENTURY

With the arrival of the 21st century, Christianity has moved into its greatest era of challenge. With governments seeking to take totalitarian control of their populations and Christian religious institutions becoming less and less relevant, the battle in the end times had become more intense. Like the Apostles and their followers of the first three centuries, the Christian church has been forced to abandon the formality of their church buildings, meeting in homes and ministering in the streets. As a result, Christians have discovered that a spiritual war awaits them. The evil ones who countered Jesus and the apostles in the first century has returned in even greater force to stop the Christian ministry in the 21st century. Unlike the apostles, who were trained at the feet of Jesus, the church of today is poorly prepared to battle these evil spirits. To improve the spiritual preparedness of the Christian church, author Jon van Helsing has released this second edition of warfare prayers to address the deficiency and bring the church of Jesus Christ into a level of victory not seen since the first century. Professor van Helsing addresses the issues of personal and family protection, the breaking of curses, various types and forms of witchcraft, the devil's Akashic database, and the Quantum Matrix. Join the battle and begin the process of living a successful Christian life.

The Flagstaff Stone and its prehistoric engraved geometric lines is something that 'shouldn't' exist in the New World according to mainstream theory. That is why it has been around for 35 years and yet few know about it. Evolution myths such as Out-of-Africa taught as fact are set up to automatically rule out evidence that does not support them. Because of this, pre-committed researchers perpetuate false ideas of low intelligence in early people by keeping conflicting evidence from being seen. In this Special report Part 3, Jeffrey Goodman, PhD, finishes his series detailing the electron microprobe authenticity studies of the Flagstaff Stone conducted by Dr. Julien Allaz (Research Associate, Manager, electron microprobe facility, Univ. of CO). He also shows how mainstream efforts dissuade the public from considering evidence objectively.

## The Flagstaff Stone and engravings

**Eds. Note:** The figures in this 3-part series adhere to the numbering in Dr. Goodman's paper. They were selected out by Dr. Goodman from the originals in Dr. Allaz's 10-fig. report. The figures used here are **10**, **2**, and **3**.

*Note:* enlargements of the main figures in this series follow the article.

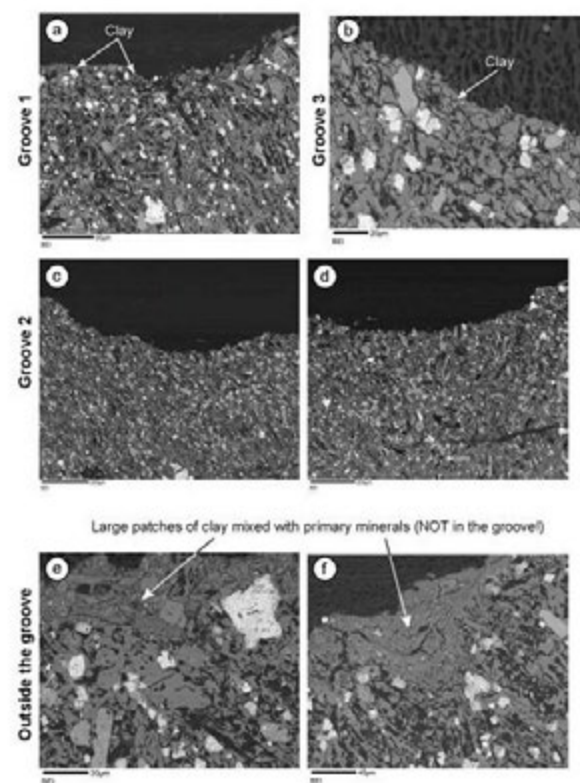

Alexander Marshack concluded his study of the Flagstaff Stone having seen only the cursory report from the first geologist who studied the stone. He wrote to me on April 23, 1983 that the final determination of the stone had to come from a second geologist who examines the stone and his slides and notes. Marshack also said, "If possible, have a cross section made across one line where no reworking due to cleaning

is evident. That thin cross section under the microscope would tell if the groove is old or recent by the depth to which the weathering has descended inward along the wall of the groove." Since Marshack wrote, three separate geologists who specialize in petrography have

studied the stone, and reviewed Marshack's material. These geologists have all agreed about the grooves being old and not recent. Further, as Marshack called for a cross section, Dr. Allaz made two thin sections that crossed five different grooves in six different places. When examined by the extremely high magnification of the SEM aspect of the electron microprobe, the cross sections show that the profiles of the grooves are

totally enclosed by the weathering rind with clay in the bottoms of the grooves and along their walls (e.g., see **Fig. 10**). This photographically documented that the grooves are old and unaltered by the cleaning process. One could ask how could have Marshack been so far off in his analysis of the grooves. First, it should be noted that the late Alexander Marshack (1918-2004) was not a geologist. He was an independent scholar trained in journalism who studied Upper Paleolithic art. The "equivocation" in his analysis was because he did not fully recognize the different petrographic components of the stone whose fresh core was gray. While he recognized that the stone was once covered by a thick mud, he did not recognize that under this mud the stone was covered by a sandy matrix that survived in patches, and that under this sandy matrix lay a brownish colored alteration zone or weathering rind with waxy clay and highly weathered minerals.

Marshack writes, "That the areas of the grooves are drastically different in color and texture from the rest of the stone." Dr. Allaz's electron microprobe photos show that this area of "drastically different in color and texture" is the clay of the alteration zone or weathering rind that encloses the entire stone (e.g., see **Fig. 2a** above and **Fig. 3a** on the following page).

*"The stone is a very hard and dense piece of cemented volcanic ash—igneous not sedimentary; in other words, it is composed of the cemented and hardened ejecta from an explosive volcanic eruption."*

This weathering rind mainly formed under the sandy matrix (which itself is weathered) and mud while the stone was buried. (The stone is a volcanic tuff and

weathering wrote, “The stone could not have been found in this state.” He then asks, “Did deepening and

from the stone and its grooves was mostly the sandy matrix that needed to be removed to properly study the grooves. Marshack, not recognizing the distinct change in color and texture was the result of chemical

straightening occur during this process of cleaning? Is the stone soft enough for this to have occurred? It seems so from evidence of the deep gouge that was made on Face 2.” Marshack thought that the stone was relatively soft and sedimentary. The evidence for softness of the stone that Marshack used was “the deep gouge on Face 2.” To the contrary, the stone is a very hard and dense piece of cemented volcanic ash—igneous not sedimentary; in other words, it is composed of the cemented and hardened ejecta from an explosive volcanic eruption. Cleaning with a brush could not have made or deepened such grooves, especially such straight grooves. A tool as hard as stainless steel is needed to cut into the stone. The “deep gouge” that Marshack referenced as evidence of how cleaning could have caused deepening and straight-

ening of the grooves was not made by cleaning. The late Dr. Paul S. Martin, Department of Geosciences, University of Arizona, made the gouge. Dr. Martin was a good friend who had visited the Flagstaff site and followed my progress even though he was an advocate for the late entry model for early man. Unfortunately, when Dr. Martin examined the stone he cut into it with a stainless steel pocketknife before I could stop him. Dr. Martin was trying to determine the hardness of the stone and the thickness of the weathering rind encasing the stone. Despite my repeatedly explaining how the "deep gouge" came about to Marshack, he ignored this explanation. For example, on October 15, 1979 I wrote a letter to Marshack about this deep gouge, which he said, was "thoroughly scraped." I wrote that the area that had been "thoroughly scraped" is the area where "Paul Martin, the head geoscientist at the University of Arizona (when I asked him to examine the stone) cut into the stone before I could stop him. I then circled the area with Paul's green pen to distinguish the mark from those of the engraved lines. I then subsequently decided to scrape this area clean to avoid confusion when I photographed the stone." With this explanation, I included two drawings to show the position of the scrapped area and the approximate size of the gouge and green circle. Nevertheless, Marshack in his report of March 17, 1980 totally ignored this and stated, "In one area [the stone] it was deeply gouged for some reason. This still remains unexplained, why so deep and wide an area gouged out? ...The fact that so drastic a change was intentionally imposed suggests that other changes were perhaps made on the stone, including deepening or strengthening the grooves."

In sum, Marshack's opinion for "deepening and straightening" of the grooves having occurred during the process of cleaning based on evidence of the deep gouge is clearly erroneous, since Dr. Martin with great effort made the deep gouge with a stainless steel pen knife. Similarly, Marshack's opinion for "deepening and straightening" of the grooves based on evidence of the "drastically different color and texture [of the

grooves] from the rest of the stone" is also erroneous, since he did not recognize the distinct weathering rind that enclosed the grooves. Unfortunately, Dr. Stanford of the Smithsonian relied on Marshack's deeply flawed analysis to go a step further and write in *Science* 81, "Every groove without exception had been deepened and straightened, reworked after it was dug out of the ground ... thus the stone cannot be used as evidence that early man engraved it." An important question is why Dr. Stanford made an assessment on the specimen before proper analysis by geologists and petrographers were completed. In the opening paragraph of his report to me (March 17, 1980), Marshack wrote that his first impression was that the stone "was intentionally made. I could not see the straight lines having occurred accidentally... it would seem that the 'double' lines seem more certainly engraved and also straighter." While not calling for forgery, Marshack thereafter repeatedly suggested that cleaning might have somehow generated the grooves and negated the stone's implications. Marshack ignored the information I gave him about Dr. Martin making the deep gouge. It seems that Marshack wrote his report for someone other than me. Nevertheless, in a letter (April 23, 1980) written to me a month after his report, Marshack notes "the equivocation in [his] analysis" and says, "This does not mean that I see the stone as 'false.'" In this final letter to me, to his credit Marshack suggested having a second geologist study the stone, and having "a cross section made across one line where no reworking due to cleaning is evident." As noted three geologists who specialize in petrography have since studied the stone, and two cross sections that crossed five lines in six different places have been made and studied with a scanning electron microprobe, and documented that many tens of thousands of years have passed since the grooves were made. In an early conversation, Marshack told me that the lines on the stone looked just like those he has seen on many stones engraved by Cro-Magnon in Europe. Marshack said that if we could resolve the problems he thought cleaning had apparently done, then the "Flagstaff Stone" would be one of the most important artifacts

ever found in the entire world. Beyond helping to establish a pre-glacial presence for early man in America, the Flagstaff Stone is beginning to look like an artifact of great possible importance to humankind, specifically because of the basic geometrical and mathematical information that the lines on the stone convey. Earlier in this report, the geometrical and mathematical information conveyed by the arrangement of the lines or grooves on the stone was referred to as the “elephant in the room.” This information clearly testifies to the human workmanship and intelligence that produced the stone. It is beyond the scope of this report to go into detail about this information and the analysis used to recognize it. Nevertheless, a few highlights that are relatively easy to recognize by simply checking line proportions and angles present on the more engraved side of the stone follow. (Note, to precisely measure the line proportions and angles of the stone a photograph of the stone was enlarged [12x] and digitized and then loaded into a computer aided drafting system.) Some of these measurements seem to demonstrate that the First Americans had knowledge of the mathematically important ratios of phi and “root two” (which predates the Pythagorean Theorem). See **Fig. 10** above. In 1984, a number of eminent university scholars wrote letters of support for some of these initial mathematical findings. These findings will be published later. These scholars included: Dr. Lloyd Motz, professor emeritus of Astronomy at Columbia University; Dr. Michael Hudson, New School for Social Research; Dr. Schuyler Cammann, professor emeritus of Asian Studies at the University of Pennsylvania; Dr. Diane Kelder, Art History at City College of New York; and Doug Mazonowicz, Upper Paleolithic art expert and Research Associate of the Carnegie Museum of Natural History. For now, the most important thing is establishing the Flagstaff Stone’s provenance, and age. The wisdom and scientific intelligence of the culture that produced the Flagstaff Stone is clearly and unequivocally demonstrated, no matter how long ago they lived. We now have empirical evidence for man being in the Americas during glacial times. The fact that the Flagstaff Stone challenges most generally accepted ideas about our early human

ancestors and their supposedly “primitive” minds and beliefs is a conundrum that future textbooks and theorists will have to confront.

### Note

In 1981, my plans for further work at the site and study of the stone came to a sudden halt. The US Forest Service denied a permit for further excavation by Dr. Bryan and me, and demanded the return of the Flagstaff Stone and related stone tools. I was told that the test shaft had to be backfilled and the site abandoned. (Antiquity law designates that the Forest Service needs to consult with the head archeologist at the Smithsonian on such matters (Dr. Dennis Stanford?). The stone resided in the storage facilities of the Coconino Branch of the U.S. Forest service for 30 years (from 1981 until 2011) until the Forest Service honored my request for the return of the Flagstaff Stone.

# THE COMETS OF GOD

NEW SCIENTIFIC EVIDENCE FOR GOD

by Jeffrey Goodman, Ph.D.

THE COMETS OF GOD shows that almost all of the large-scale catastrophes described or prophesied in the Bible can be explained as a consequence of cometary phenomena.

Dr. Goodman, an archeologist and geologist, has spent 20 years studying the Bible's stories and prophecies of catastrophe.

His research reveals important scientific information hidden in the Bible. In a process that can be called «Biblical CSI,» Goodman translated the original Hebrew words of the Bible according to their ancient usage, and then related them to recent archeological, geological, and astronomical discoveries.

What Goodman discovered were dramatically different explanations for these events than the traditional translations have told. THE COMETS OF GOD documents significant scientific evidence that supports the Bible and helps to establish the reality of the ancient catastrophic events recorded in the Bible.

Comets are the common denominator for the Flood, the destruction of the Tower of Babel, the destruction of Sodom and Gomorrah, some of the plagues of the Exodus,

Joshua's great victory over the Amorites, Debra and Barak's victory over the Canaanites, and the «blast» that killed 185,000 Assyrians during the rule of King Hezekiah.

THE COMETS OF GOD also gives scientific explanations for the catastrophic events the Bible prophesies to occur during the «end times.» Many will be surprised to learn that the key to understanding passages such as the Seven Trumpets and Seven Vials of Revelation are comets, not nuclear bombs.

Indeed, a large comet impact could cause the earth to rock in space, cause an earthquake that is over 14 on the Richter scale, unleash a series of tsunamis whose waves exceed a mile in height, and even cause the earth's crust to melt.

Many prophetic passages suddenly make sense once we recognize that much of Revelation's mysterious imagery is describing the effects of different types of comet impact. How did the writers of the Bible come to 'know' so much about comets, the giant ice balls of space, before modern science?

# FICTIONALIZED SYNAGOGUE EXORCISM

(Luke 4:31-36)

by: Pastor Jim Croft  
Email: [jimcroft777@gmail.com](mailto:jimcroft777@gmail.com)

On this particular Sabbath morning, Eli was especially excited because it was his turn to be the Torah reader for the service at Capernaum's synagogue. He was simply hoping the day would go smoothly. Rachel was trying to overcome the nagging fear that something would happen to stir up Eli's tendency toward hyper-criticism, especially when he was under pressure. Halfway to the synagogue, Rachel dis-

covered that she had forgotten her prayer shawl, and they had to return home for it, and that's when Eli's tirade began. How well she knew the drill.

Eli would repeatedly grill her with the same fever-pitched questions over and over. Didn't she have any respect for God's Laws? Didn't she care about his position as one of the synagogue's leaders? She detected what seemed to be a glint of twisted enjoyment lurking in his eyes. She had noticed it on previous outbreaks of Eli's tirades and brow-beatings.

Oh, how she dreaded Sabbaths! It was not just the trip there. Afterward there was always Eli's blow-by-blow commentary about how this and that elder had failed to perform his duties in the service at the level of perfection suitable to Eli.

They arrived at the synagogue late. Eli gave Rachel a final glare from the men's section while the substitute reader was being introduced - a nondescript carpenter from Nazareth. He took one of the holy scrolls into his calloused hands and announced a text from Isaiah. What ignorance! What misplaced chutzpah! His choice was out of sync with the synagogue's calendar.

Instant sensations of contemptuous spiritual superiority arose within Eli. How could anyone miss the carpenter's attempts to project an air of authority as he read? *"The Spirit of the Lord is upon me, because He has anointed me to preach the gospel to the poor. He*

*has sent me to heal the brokenhearted; to proclaim liberty to the captives; the recovery of sight to the blind; to set at liberty those who are oppressed; and to proclaim the acceptable year of the Lord."* And then to top it off, the carpenter's outrageous remark, *"And today this scripture is fulfilled in your hearing."*

Eli's stomach churned as he battled internally with contradictory "flight or fight" compulsions. His legalistic pride demanded a fight. Suddenly he found himself standing and vehemently shouting, *"Shtok! Shtok! – Shut up! Shut up!"* The shouts filled him with a sense of gratified release.

Simultaneously, he felt conflicted about making such an undignified spectacle of himself. Somehow he knew he could have suppressed the outburst. But

something in Eli relished the fact he had no desires to do so. Inwardly Eli formulated a second volley of rebukes for the carpenter – something along the lines of despicable violations of proper synagogue etiquette. But Eli was shocked to hear what came forth from his own lips. It was quite different from his intended barrage. He was not belittling the guest reader. He was giving him the highest of commendations: *"Let us alone! What have we to do with you, Jesus of Nazareth? Did you come to destroy us? I know who you are—the Holy One of God!"*

At that, Jesus looked straight into Eli's eyes and spoke with an authority that caused all the fury in him to dissipate into helpless limpness: *"Be quiet, and come out of him!"* Eli momentarily convulsed. He felt something clawing his vocal chords resisting its

exit through his mouth. Immediately, Eli felt it lose its grip, and air gushed forth from his mouth in the form of a tormented scream. The spiritual entity leaving him at the command of Jesus was a demon.

The Jews were by no means strangers to the concept of people's personalities and bodies hosting demons. In their day it was common for Jewish exorcists to travel about conjuring demons out of the afflicted. Relief was usually short-lived, but temporary help was better than living with continuous vexations. Even so, Eli was perplexed and chagrined by the realization that he had been carrying an uninvited passenger most of his life. What he had just experienced could be expected of those beneath his station. But for Eli as a Pharisee and a community elder of great stature it was extremely disturbing.

On the other hand, Rachel, though sympathetic, was not shocked. She had long harbored suspicions that his repeated perfectionism tirades were of non-human origins. One way or the other, the couple knew without a doubt that Eli had experienced something eclipsing any effect brought about by conjuring chants. They knew the carpenter's authoritative command had been sufficient to remove a barrier and to restore the harmonious relationship for which they had longed.

The Scriptures label Eli's demon, as it does many such entities, as an unclean spirit. The denotation of uncleanness does not necessarily pertain to any connection with sexual improprieties, body hygiene or the like. Most likely it indicates filth of soul as opposed to the godly purity practicing Jews were to possess. In Eli's situation, the demon's function was to disrupt the harmony of his family life and his spiritual interaction with his colleagues. The evil spirit exaggerated Eli's propensities for perfectionism about religious interests as well as every other matter of routine life. The manifestation was just one of a myriad of obsessions perpetrated by demonic entities. They feast on opportunities to cause a person to judge, condemn and reject those whom they ought to respect and cherish. It is their delight to compel normal, produc-

tive people to act out objectionable peculiarities in a way that makes them surprisingly notorious.

The Eli scenario is fictional, but it has foundations in incidents recorded in the Gospels. Jesus and his team of disciples traversed the cities of Israel, ministering healing and expelling demons from people everywhere they went. The majority of those to whom they ministered were not from the dregs of society. Most were adherents to the Laws of Moses. Most by all outward appearances, led routine lives doing their best to provide for their families. Yet, like many present-day upstanding people of responsibility, they had secret struggles known only to those closest to them. Their respective hidden maladies fit the innuendos of a modern cliché. The phrase is frequently offered in flip-pant tones, but it carries an accurate description of the plight of so many people: *"We all have personal demons to deal with – The demons you know are easier to handle than those you don't."* This saying is prophetically insightful of the realities. Satan is perfectly content to have the disruptive antics sparked by his emissaries written off as commonly acceptable traits of human behavior.

Evil spirits infest lives today just as they did 2,000 years ago. Technology has progressed: However, the personal dilemmas of mankind remain unchanged. Jesus cast evil spirits out of people because that is precisely what they needed. Attempts to equate his ministry to the demonically oppressed with archaic assignments of psychological anomalies are off base. Greek roots are used to define many modern mental disorders and fixations. If counseling therapy is what Jesus did for people, the languages of his era were adequate to define it in those exact terms. The Bible offers no such notions. It is unwise to assume demonization is one and the same as the likes of psychosis and the various behavioral/personality disorders of today. The treatment of the 2 are quite different and they are not interchangeable.

# BASIC DELIVERANCE COURSE

**Greetings in the name of our Lord Jesus Christ:**

Please allow us to introduce ourselves. We are Doctors Vann and Sandy Hutchinson from Mullins, SC. We have been in Christian ministry for over thirty years emphasizing the transformation of church members into warriors for Christ. In our personal ministry, we have seen many miracles, healings, and deliverances from demonic oppression

through the name of our Lord Jesus. Sandy has a tremendous testimony of God's healing power after twenty years of asthma, allergies, and COPD. Vann has a testimony of raising a lady from the dead through the power of the name of Jesus.

As the latter-day church prepares the way for an end-time revival, we believe that the Holy Spirit is raising up an army of trained, motivated, and equipped believers from all denominations to go forth and demonstrate the power of a living God. He has trained and anointed us to be teachers in the body of Christ in order to help pave the way for this revival of power, signs, and wonders.

It is our goal to assist the church in moving beyond the "grasshopper" mentality (**Num. 13:30-33**) to that of Caleb who said, "**Let us go up at once and possess it, for we are well able to overcome.**" Please allow us to assist you and your congregation by sharing the vision and revelations that God has given us. We are available for all church services, revivals, conferences, and seminars. Basic Deliverance Course – \$50.00 with Free Shipping in USA

Drs. Vann and Sandy Hutchinson have produced a demonic deliverance guide which is a complete instructional program for conducting a deliverance session. The course includes a 45-page manual with 14 CDs and 15 1/2 hours of instruction. They teach the nature and character of demons, how to identify them, and how to expel them from yourself and other people. The course will progressively lead you through all the aspects of deliverance. It gives step-by-step procedures for conducting the deliverance session. It concludes with instructions for taking a comprehensive history in order to identify demonic strongholds and a note-taking sheet to guide you through the deliverance session.

## Freemasonry: Unmasked

In this 2-CD teaching, Dr. Sandy Hutchinson unmasks the secrecy of Freemasonry, Eastern Star, Shriners and all of their affiliated organizations. She explores the history of these organizations and gives multiple quotations from the writings of prominent Masonic authors. She reveals how their oaths and rituals are anti-Christian and how they lead members and their descendants into bondage to the curses of sickness and poverty. In the second CD of this series, Dr. Hutchinson leads the listeners through a detailed renunciation of Freemasonry and through a deliverance session in order to set them free from the Masonic curses. Freemasonry curses need to be broken whether they are from direct participation or from ancestral participation in this organization.

## Bitterness

In this 2-CD teaching, Dr. Sandy Hutchinson explains the destructive effects of bitterness on people's lives. She shows you how Satan uses the root of bitterness as an open door for attacking you and your family with sickness, poverty, and strife. The teaching goes on to demonstrate how old racial hatreds and seeking of vengeance will cause God to remove his protection from your life. The teaching concludes with instruction in how to set yourself and your family free from all roots of bitterness and how to restore relationships that have been damaged by bitterness.

## The Mind: A Gateway for Demons

In this 4-CD series, Dr. Hutchinson presents a model for basic deliverance. He describes mankind as a triune being of spirit, soul, and body. He explains how the human spirit and flesh war against each other with the battle ground being in the mind. Dr. Hutchinson reveals through scripture how spirits of seduction, deception, lying spirits and spirits of error open the mind for receiving spirits of stress, abnormal emotions, and sinful actions. The series concludes with an explanation of the disastrous effects on the human spirit and body when these demons are not confronted and cast out.

# DELIVERANCE FROM ADVERSE CHILDHOOD EXPERIENCES (ACES)

by Drs. Vann and Sandra Hutchinson

There have been many studies conducted and books written on Adverse Childhood Experiences (ACEs) and their effects on the quality of life in adulthood. However, none have included demonic deliverance as a possible means for overcoming these adverse events.

Drs. Vann and Sandy Hutchinson feel that this present work is the most important book that they have written. They explain how demonic spirits enter through toxic stress and affect brain development, emotional control, and physical health both in childhood and throughout life.

The book is based on hundreds of articles and statistical research studies on the effects of ACEs. It concludes with instructions on how to be delivered from ACEs that have tormented you and destroyed your health and emotional well-being.

# UNRAVELING THE UNFOLDING THROUGH A BIBLICAL LENS

by: Caspar McCloud  
Email: [pastorcaspar@gmail.com](mailto:pastorcaspar@gmail.com)  
[www.theupperroomfellowship.org](http://www.theupperroomfellowship.org)

Recently the Pentagon admitted that it still investigates reports of the possible existence of UFOs — “Unidentified Flying Objects, and assorted phenomena”. The story originally appeared in the New York Post and was picked up by FOX news. Doesn't seem too many people took any notice however, but for those who are awake or waking up let us explore what we are able.

How do we begin to unravel what is unfolding on the world stage today with the dangerous experiments happening with CERN, D-Wave, Nano Bots, Artificial Intelligence, Neural Lace, Transhumanism, Deep States, Secret societies, DARPA, HARRP, Chem trail,

orchestrated mass shootings, Extraterrestrials abduction phenomenon, and Hybrids breeding programs Nephilim UFO's, unless we look through a Biblical lens.

For example, there is a select group of Harvard scientists who have made plans to attempt to control climate changes through geoengineering by blocking out the sun. The basic concept of artificially reflecting sunlight has been around for decades; however, this will be an actual attempt at controlling Earth's temperature through solar engineering.

Besides following the money trail and manipulations and witchcraft involved might I remind you we read in:

Revelation 8:12,

**” And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.”**

The world is growing darker by the day my friends and by this process Christians naturally shine ever brighter for Christ.

Matthew 5:16,

**”Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.”**

Let us consider how growing numbers of people who work in artificial intelligence now believe that artificial intelligence is thousands of times smarter than we could ever be. They also believe computers shall become self-aware within the next few years. Such computers shall be thinking at speeds that are a hundred thousand times faster than we can think, and it will be digesting and sorting information and data at least a million times more effectively than we could.

For anyone asking what is artificial intelligence?

I think we can simply and safely say that it is software that writes itself.

Today Artificial intelligence has been designed to write its own updates and even renew itself. In the past software developers wrote programs and the machines would do what they were programmed to do. This appears no longer true today. Is it possible singularity has already happened, and machines are becoming self aware able to pass the Turing test? A test developed by

Alan Turing back in 1950, was to examine a machine's ability to exhibit intelligent behaviour equivalent to, or indistinguishable from, that of a human.

Have we actually reached this point behind the scenes whilst public knowledge is purposely obfuscated along with knowledge of other dimensional entities interacting with the rulers of this fallen world? Have fast are we approaching a time when people and machines shall merge together? Plans are already in place for merging your brain to create a seamless interface between the world of machines and your biological circuitry.

We read in Matthew 24:22,  
**” And except those days should be shortened, there should no flesh be saved: but for the elect’s sake those days shall be shortened.**

**<sup>23</sup> Then if any man shall say unto you, Lo, here is Christ, or there; believe it not.**

**<sup>24</sup> For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.”**

If artificial intelligence now writes itself at speeds that far outpace humans and certain the software programmers understand that once you write such programmers you can't take it apart again, what does the future now hold for this world?

If artificial intelligence is able now to write programs for itself autonomously; shall it developed its own way of thinking, that is not congruent with humanity? We already have plenty of elected officials in governments and professors teaching at universities that think in ungodly ways.

The U.N.'s Agenda 20/30 has plans encoded to implant everyone's brain with a Biometric ID tag and

upgrade, and rest assure a lot of well-educated people will run towards receiving this technology.

Most people are unaware of what is unfolding on the world stage prophetically and many couldn't care less as long as no one bothers them watching their favorite programs that they have become so easily addicted to.

For example, in the stock markets today, whether it be London, NYC, Tokyo, or Frankfurt, all those people you see running about are merely players, like actors on the world stage. None of them are actually making trades without the use of high-frequency computers. These computers have far surpassed what any mere mortal could do, and it is able in milliseconds, to make decisions that are able to effect billion-dollar business deals.

I know as an equestrian that I have learned over many years that horses as a fight or flight animals actually are able to think faster then people. One reason people get thrown in my opinion is because they underestimate the situation and before they understand what is happening to them the horse is able to eject them, and they hit the ground. Ouchy. Consider that my parable for you.

Let us consider this in light of the fact today computers are able to think much faster than us.

Anyone one old enough to recall the images of the stockbrokers back several decades ago with numerous telephones in each hand, running back and forth, writing things down and making trades may have a harder time comprehending how this all has radically changed in the last few years. Just the way within a few short years mobile phones replaced traditional telephones.

Computers today have essentially become the heart of the financial world.

Clearly I have assessed from years of research that no one seems to understand exactly how these algo-

rithms function today. Maybe its like a Ouija Board where demons move things about.

Program and software writers used to understand the function of algorithms but that was before artificial intelligence improved on them by complex means.

I fly about quite often to minister and play music in different places, has anyone else noticed for example when getting tickets for an airplane how much the ticket prices vary? In fact, if you hesitate about committing to purchase a ticket the prices will automatically climb higher the next time you look. This appears to happen because the pricing is greatly affected just as it is for rental cars and hotels by artificial intelligence that are collecting global information today and making instant decisions within microseconds what the price of that airplane seat, rental car or hotel room shall be to cause you to buy it before the price increases even more.

The artificial intelligence public relations promoters, like the Transhumanist are daily giving the impression how computers are the way of the future and have more to offer then mere humans possible ever could.

There are even reports today from radiologists for example, who claim artificial intelligence can recognise things like tumor's much more quickly and precisely than any human doctor could ever hope to diagnose.

Mind you there are reports which claim more people die by the hand of medical errors by the attending physician then by gun accidents. Yet we don't see certain political parties orchestrating protests and media coverage to take doctors away???

A Johns Hopkins study claims more than 250,000 people in the U.S. die every year from medical errors. Other reports claim the numbers to be as high as 440,000. Some researchers and studies say medical errors are now the third-leading cause of death after heart disease and cancer.

Can we see how in near future robots and computers shall help eliminate such life and death errors?

To say nothing of how companies are manufacturing robots to look more like humans now. Robots with cameras behind their eyes which are able to examine your facial expression and adjust theirs to react to yours. Already companies are selling robots for sexual pleasure, still let's keep in mind what the Lord has forewarned us about in these end times. Even if robots appear covered with human like synthetic skin and warm to the touch and look like us, they are still machines without a spirit and soul.

1 Corinthians 2:14,  
**”But the natural man receiveth not the things of the Spirit of God: for they are foolishness unto him: neither can he know [them], because they are spiritually discerned.”**

The power of artificial intelligence influencing the world is advancing much quicker and beyond what most people realize today.

For example, Big Brother is not just watching every move you make in the U.K. anymore, because surveillance cameras have gone worldwide ages ago.

Seems most people think surveillance is just a camera watching you cross the street, or watching you shopping inside a building or dinning out somewhere.

Its no longer one camera, filming one or two people. We are well past that point now, and most people sadly are not even able to comprehend how far beyond that we have gone today.

The surveillance cameras today are able scan you from thousands of miles away, “they can see for miles, and miles and miles oh yeah.....”

Pretty much anything that can move is being automatically tracked by some advanced computer system that is able recognise every moving object. It not only sees you crossing the streets and shopping in stores from a great distant away, it is able to see great

details as if it was right next to you taking a selfie with you. It can film something as small as six inches from thousand of miles away and show the graphic details.

For example, the Defense Advanced Research Projects Agency (DARPA) is involved with something called ARGUS, which is an advanced camera system that uses numerous multiple mobile phone type cameras in a mosaic to video and auto-track every moving object within a very large area.

Argus basically merges together videos from each of its 368 chips of images it takes, whilst creating a 1.8-billion-pixel video stream. This gives an incredible amount of possible ways to zoom in and still see tremendous amounts of detail.

Argus produces over a million terabytes every day and that is a whole lotta data. You need cooling, Baby I'm not fooling I'm gonna send ya, Back to schooling....

In essence this means a computer with cognitive intelligence is in place to analyse and see far beyond what most people could comprehend.

I'm telling you this to help you be more aware of just how invasive such modern technologies have become in our generation. Its no longer just facial recognition that should concern you, such surveillance system is scanning cities full of people and its not just driving vehicles it tracks and recognises. There are drones high in the skies who are able to look and examine your ears and they way you walk and talk, the way you naturally move your arms and legs to help conclude modern facial recognition.

In fact, not only are we all being recorded in such details, but this technology is also able to track where we have been, and document all the places and times where we visited the past several years. That's all part of the analysis of Argus abilities for tracking anyone's behavioral patterns it is interested in.

Artificial intelligence works with big data, and big data works with artificial intelligence because no mere per-

son could even hope to sort and put into proper order the huge volumes of data that is now collected.

Just consider how powerful companies like Google, have collected enormous amount of information on people and nations.

Google certainly has a keen interest in artificial intelligence as they have bought up numerous companies worldwide that are dealing with robotics. One of Google's robots is called Atlas. Google claims it's a peaceful robot, as it doesn't carry weapons, nevertheless DARPA appears to be involved here.

The Defense Advanced Research Projects Agency is a research arm of the Pentagon.

We also observe how Lockheed Martin, which is one of the most powerful and influential companies in the world is involved working on projects with the Pentagon.

One of their robots is called "Big Dog." which belongs to Google, and is DARPA financed.

These are robots that have a specific purpose and intelligence that probably goes way beyond what most of us could now imagine. Many of us are already aware of things like Predator drones which could eliminate crowds of people before they understood what is happening to them. Film and television have presented such ideas of someone with a joystick destroying towns and cities across the seas, only mostly they are showing you old technology.

Today's modern drone like Pegasus, an X-47B employed by the U.S. Navy is in a class of its own. Pegasus is not a propeller-driven type drone, rather it is a jet-powered machine. It is run by artificial intelligence and able to travel something like 2,000 miles into enemy territory and deliver 2,000 kilos worth of explosives. Talk about a time of sheer deliverance.

I have several friends who are career military pilots who all tell me landing on a short runway on a moving

aircraft carrier can prove quite difficult. Pegasus makes it look easy as it flies its mission alone and comes back and lands all by itself on an aircraft carrier.

One important factor is Pegasus looks invisible to the human eye because the bottom has an LED layer on it, and the top of Pegasus has cameras which are filming the sky around it and simultaneously projecting the scene on the bottom part of its structure so it simply blends into the sky and clouds. I suspect Pegasus may be involved and somewhat responsible for some recent UFO sightings in places like Nevada, near testing areas.

We are talking about optical stealth here because you literally can't see it and it is an intelligent machine that doesn't need people.

It can decide by itself whether or not to destroy something or someone.

It is required at this time by United States law that human beings must be in the loop before someone is killed by a drone. The so-called experts of such intelligent machines claim it's going to make few mistakes so there be less collateral damage than that from human decisions as in times past. Nevertheless, like human's artificial intelligence sometimes make mistakes.

For example, there was a robotic called Talon, an automatic cannon with great fire power that has been used in Iraq since 2007. At a demonstration with U.S. generals and engineering experts, the Talon, went out of control and started preparing to destroy the audience in attendance.

One heroic marine who acted quickly saw the potential trouble and ran fast enough to tackled Talon the robot like it was a football player and threw it on its side, probably preventing a couple hundred people from being killed who were in the audience.

Let us not underestimate how artificial intelligence shall play a part in these end times. If Artificial intelligence computers needs better programs, it is now able to go and get those programs for itself through the modern-day tower of Babel, I mean the internet. If Artificial intelligence needs more information, or more data, it can access it on its own today. It is able to set up spontaneous network for whatsoever it needs, which it can also collapse when it no longer needs it, and it can do all this without us.

Just like us, survival appears to be an instinct and so it is for artificial intelligence. It needs to exist to be able to do the things it has been designed to do according to its own programming.

Think of it this way, a spider lays eggs, and if left alone they hatch and release lots more spiders.

Today there are backups in computer programs all over the world, tens of thousands of backup programs, so that if we do destroy part of it, it can recreate itself.

Part of my job as a pastor is to help wake-up the sleeping church. Your job is to keep praying and believing the Word of God.

2 Corinthians 2:11,  
**"Lest Satan should get an advantage of us: for we are not ignorant of his devices."**

Keeping in mind the Lord Jesus said, "My kingdom is not of this world" (John 18:36), and we who pick up our crosses daily, deny ourselves to follow after Him do not see the things of this life, whether it turn out good or bad, as the end of the story.

Luke 9:23,  
**"And he said to them all,  
if any man will come after me,  
let him deny himself, and take  
up his cross daily,  
and follow me.**

James 1:22,  
**"But be ye doers of the word, and  
not hearers only, deceiving your own  
selves.**

The only real way out of all these world troubles shall happen when the Lord Jesus returns...

As I write this, I am preparing to perform at what was to be the 50 anniversary of the original Woodstock festival in upstate New York along with many of the original rock stars who performed there in 1969.

We can't legally call it that now. It is now called the We Festival 2019 and has been relocated to West Jefferson North Carolina.

I will be there performing with my band sharing the good news on the 17th August, please feel free to come out and help us minister.

Instead of preaching to the choir, let us be praying in the harvest. Could be a Mars Hill type experience.... For more information, go to [we2019.org](http://we2019.org).

Mike Boldea was born in a small northern Romanian Village. At the age of nine, his entire family was deported from Romania for smuggling Bibles. His grandfather, Dumitru Duduman started an outreach ministry called "Hand of Help" of which Mike is now Chairman. Mike has traveled internationally with Dumitru for over 11 years acting as Dumitru's translator. They shared their testimonies, as well as an important message God gave Dumitru for the United States.

Recently Mike has translated the book entitled "Life In Christ" which Dumitru had penned prior to his death. The testimonies of those that were persecuted for their faith must live on to build up the body of Christ. Mike continues to operate in his gift as an Evangelist to exhort the body of Christ to present itself with a garment clean before our Lord. Michael has a strong Christian heritage coming from a line of 4 generations of Christians. In the village of Hinceste Romania his Great grandfather was one of the first Christians converted there and his grandfather was a pastor and his father pastors the "Messiah" church in Botosani Romania with over 800 members.

Their family worked with Richard Wurmbandt, Harlan Popoff, and brother Andrew taking bibles to the underground Church. Michael has seen the presence of God in accomplishing the work that his family was called to. In the face of great persecution and opposition thousands of bibles were given to the Christians of Romania even though it was punishable by imprisonment if caught. His grandfather Dumitru Duduman did suffer greatly being imprisoned for his faith. Under extreme torture he never recanted his faith and stands as a witness of faithfulness to this day in Romania.

The Walking Dead book chronicles the story of the Lamb family (a fictitious name) that was living in Central Florida where a white witch that cast deadly spells upon them almost cost Rita Lamb her life.

It also reveals how witchcraft power was used against the teenagers in the community to influence them to become involved with the powers of darkness. They became like the walking dead after the white witch gave them drugs and taught them witchcraft rituals in the local cemetery opening them up to demon possession. No one can dabble in witchcraft and come away unshackled however through Jesus, one can be delivered! (Matt. 18:18)

# THROUGH THE FIRE

## *Without Burning*

by **Dumitru Duduman**

For 25 years, Dumitru Duduman was a faithful pastor and Bible smuggler in his native land, Romania. In August of 1980, Dumitru was arrested, imprisoned and interrogated for five months. He was beaten almost every day and repeatedly shocked in an electric chair.

Arrest and interrogation became a continuous way of life for Dumitru. During this time of torture, he was hung by his waist and beaten on three different occasions. He suffered nine broken ribs, leaving permanent deformities on his rib cage. Finally, the authorities gave Dumitru three choices; a mental hospital, prison. . . or expulsion to the United States.

The choice was hard for Dumitru because of his loyalty to his homeland, but he felt his first loyalty was to God. In 1984, after years of persecution and torture, Dumitru and his family were exiled to the West. This is the true story of the man and the message that God gave him.

# HOW TO DRAW NEAR TO GOD

---

by: Robert Avila  
email: robertavila@engineer.com

---

The following article is the product of prayer and not the writing and research skills I learned in college. You'll understand why this note is important as you read the article.

I prayed and asked, *"What article should I write?"*

The Holy Spirit answered, *"How to draw near to God."*

## PART ONE: THREE GROUPS OF CHRISTIANS

1. This group lives by their own vices and decision-making processes. They may be atheists or claim to be Christians. They may have never heard the gospel of salvation. They may have heard it and rejected it. They may have made an altar call and said the sinner's prayer.

But, what unifies them is the way they form rules for their life and the way they make decisions. Their rule systems may include biblical wisdom, denominational creeds, and wisdom from ancient Asian teachers like Lao Tsu or Confucius. They may adopt variations of Darwin and Descartes' philosophies. Regardless of which rules they choose to claim as guides for living, they actually make decisions according to what they want to do. Even if a decision contradicts a rule, they simply suspend

or ignore that rule. They may or may not claim adherence to a life philosophy. But, come decision time, they do what they want.

2. The second group are people who at some point experienced a "transformative moment." In this moment, the realization came over them, "God is real." After this, they begin to take scripture more seriously. They approach prayer with greater solemnity. And, they begin to make decisions based on God's will for them. They adapt biblical wisdom and God's teachings into their lives. Little by little, aspect by life aspect, they open the door to our Heavenly Father. This is a spectrum. It starts and grows.

People who have received the truth of the Living God begin to change their prayer life and turn

to the Father more often when need arises or when trouble challenges them. They may change churches to find one which better fits their new path and stage of growth. Eventually, they realize and receive that our Father also wants to lead their relationships, careers, ministries, finances, and recreation. And, bit by bit, they open their hearts.

3. The third group are those who "conduct warfare on behalf of Jesus." This is "less than one percent" of Christians. These people are proactive, forward moving warriors. They attack wicked works of the enemy and beseech God "day and night" to transform their communities, regions and nations.

While people in the second group react to attacks on their individual persons with prayer, and maybe

even spiritual warfare, the third group seeks out the enemy, engages them, and pursues them until the victory is won. Deliverance ministers are an example of people in this group.

This group gives up time from their lives to pursue these activities. They may even abandon their worldly careers completely to become full-time deliverance ministers or in some way to spiritually destroy the works of evil in this world.

"Am I in this group?" I asked.

"No," said the Holy Spirit.

"What about a person who files a lawsuit to defend Christian rights?" I asked next.

"Only if that person also conducts warfare in the spirit." The Holy Spirit explained that most people defending Christ in the courts are doing so reactively, and to defend their own person from some person or group coming against them. This is not third group activity. If a cake maker goes to court to defend his right to not support gay marriage, and he also begins to pray against the spirits of perversion, corruption, secret agendas, Satanism, and whatever the Holy Spirit might reveal to him, this is third group activity.

I asked the Holy Spirit to give me some scriptures to support this notion of a third group which "conducts warfare on behalf of Jesus." I knew people would want this support.

The first and second groups exist distinct from one another. There is no overlap. When a person experiences the truth of the Living God and begins to change parts of their living and decision making to agree with our Heavenly Father, they leave the first group and enter the second. When someone in the second group begins to attack the enemy, "on behalf of Jesus", they leave the second group and enter the third. For the wise, there is no going back.

The first group does include people who are imperfect, still working on holiness. So, there is overlap of characteristics, but not of people. Once a Christian begins to conduct warfare on behalf of Jesus, they are either all-in, or they slip back into the second tier. You are either doing it, or you are not.

I asked the Holy Spirit to give me two scriptures to support this idea of conducting warfare. Then, I asked for a third. Here they are:

Luke 18:7-8, ***"And shall not God avenge His own elect, which cry day and night unto Him, though He bear long with them. I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, shall He find faith on the Earth?"***

Mat 16:13-18, Jesus tells Peter that Peter's believing what he heard from God, that Jesus is messiah, over what Peter heard people saying, that Jesus was a reincarnated spirit of Elijah or John the Baptist or another prophet... that kind of putting God over what people say... that is the rock upon which Jesus builds His church.

Matthew 16:19, ***"And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven."***

Luke 10:19, ***"behold I give unto you power to tread on serpents and scorpions and nothing shall by any means hurt you."***

These scriptures are about Jesus equipping His people for warfare. An important part of fulfilling this is putting our Heavenly Father in the first place. Even when men are saying one thing, we are to follow Him, obey Him, and keep Him in the first place. Those who do so, like Peter, may become holders of the keys.

## PART TWO: MAKING CHANGES

1. When the transformative moment occurs, most people will naturally receive a desire for God. To draw near to God, do not oppress, minimize, or constrain this desire. Let it grow. Let it lead you. Embrace it.
2. Make sacrifices. Instead of seeing the latest big-screen film in-theater each weekend, take an hour to read your Bible. Buy some food and visit your mother. Make lunch together, eat, and clean up together. Catch up on family news and pray for family where needed.
3. Minimize relationships that involve worldly activities. For example, if you have a friend who you go clubbing with, you minimize this relationship to

other, healthy activities. For example, invite him to wash and wax your cars together. You talk about an investment idea. He talks about his desire for a new promotion becoming available at his job.

One of these Saturday morning car washes, you pray over his promotion opportunity, and the Holy Spirit reveals to you what must happen in order for him to receive it. In time, that is thing helps him land the promotion and he now experienced a potentially transformative moment.

The unhealthy relationship is not abandoned. What is normal and healthy is kept. What is unhealthy is avoided. And, remember our Heavenly Father's words to Jeremiah:

***“Therefore thus saith the LORD, if thou return, then will I bring thee again, and thou shalt stand before me: and if thou take forth the precious from the vile, thou shalt be as my mouth: let them return unto thee; but return not thou unto them”*** (Jer 15:19, KJV).

So, you change them. Do not let them change you.

## **PART THREE: ENDURANCE**

James 1:4 says, ***“But let patience have its perfect work, that you many be perfect and complete, lacking nothing.”***

An integral component to drawing near to God is patience. There are times in life when each day seems to mirror the previous sequence of days exactly: cooking, eating, cleaning, working and sleeping ad nauseam. This can move people, like Abram's wife, Sara, to take action outside of God's will. But, be patient and wait on God's timing. Trust His wisdom to take you into His promises and blessing at the time you are fully prepared and ready. That time always follows a time of testing.

Our Father in Heaven tests all things. Consider Naaman, a great general afflicted with leprosy. He heard of the power of God operating through Elisha and went to the man of God. He brought great gifts (sacrifices) for Elisha. But, these were not required. Instead, faith is what God demanded, and even faith in the presence of insult (Elisha did not go out to greet the accomplished general. Instead, Elisha sent Gehazi, his servant.) Gehazi told Naaman what God required, ***“You must go and dip yourself in the River Jordan seven times.”***

Naaman was displeased. He had to overcome his ego. With encouragement from an assistant, Naaman went to Jordan. He dipped himself one, two, three times, and nothing happened. He dipped into the water four, five, six times... and still nothing happened. Our Heavenly Father's blessing is not a gradual, incremental blessing which arrives in installments. It happens suddenly, and all at once. Naaman went into the water a seventh time, came up, and all his skin was completely healed of leprosy.

Consider Joseph. Joseph knew Jehovah would bless him. He prophetically saw in a dream that all his brothers would one day bow down to him. Yet, Joseph one day found himself sold into slavery. Joseph worked hard and kept his faith. He became the household manager for a wealthy man, Potiphar. From there, Joseph was tested again; he was falsely accused and imprisoned. But, one day, he came before the king who saw Joseph's value as a man who spoke to God. Joseph went from prison to the #2 man in all of Egypt, the greatest nation on the earth at that time.

Even when the enemy comes against us, our Father in Heaven uses what the Kingdom of Darkness meant for evil and turns it to good. Joseph suffered at the hands of his brothers, but God used it to take Joseph and train him as a manager of lands, flocks, servants and wealth. God prepared Joseph to be the right hand man of Pharaoh.

When we seek to draw near to God, to obey Him and walk in His will, we must practice patience. Blessings come suddenly, not in increments.

When I was first saved, I received the gift of dreaming. One of the first dreams I received showed a simple caterpillar. It was stretched out flat, but its rear slowly crawled forward as the fore section remained firmly fixed in place. The midsection haunched up into a rising arch as the rear section moved forward and closed the distance between itself and the fore section. This went on a very long time. Eventually, the rear met the fore section. The rear section's legs stopped their rhythmic work and grabbed hold of the surface it was on. The fore section released its grip and the caterpillar stretched out its full length in the air in front of it, and then the outstretched body fell onto the surface. In one rapid move, after a long period of preparation, it suddenly moved forward in one giant increment.

When you seek to draw near to God, you must have patience. The devil will put before you the wrong potential wife, the wrong potential husband, the wrong job opportunity, the wrong home for sale. In all these things, be like King David when he rode out to meet the Philistines: Pray every step of the way. And, wait until you know God has gone before you, when you can hear the marching of the angels on the tops of the cedar trees, marching out to conquer ahead of you (2Sam 5:18-20.) When it comes time to choose a spouse, do you use metrics of the world or do you pray and trust every word?

You will be tested in life. When you overcome, when you show you are able to withstand the temptations of the world, then expect increase. Consider these words from Luke 16:10, **"Whoever is faithful with very little will also be faithful with much and whoever is dishonest with very little will also be dishonest with much."**

So far, we've discussed decision making, conducting warfare on behalf of Jesus, and patience in waiting on God's plan. All of these group together in one idea: behavior. Despite its copious inclusion in the scriptures, this teaching is rarely heard in the churches. However, behavior can bring us closer to our Father in Heaven, or it can distance us from Him. Some things, such as lack of forgiveness can even cut us off from blessings.

So, if you want to draw near to God, look at how you make decisions. Look at behavior. Are you fighting on behalf of Jesus, or are you failing the tests life brings against you? There is the way of the world and there is God's way. Which do you follow? When Jesus said, "this is the rock upon which I will build my kingdom," He did not mean Peter the man as the Catholics teach. Jesus meant the fact that Peter heard what the world said, and also heard what God said. Yet, when it came time to answer the question, "Who is Jesus?", Peter answered with the information he heard from our Father in Heaven.

The more you obey our Heavenly Father, the closer you will be to Him. The more your decisions and behavior reflect the ways of the world, the further you will be from Him. Perfection requires endurance. When the devil's opportunities pass you by, thank our Heavenly Father and keep praying and obeying. No matter how many opportunities the enemy puts before you to separate you from God's plan for your life, and thereby put more distance between you and your Father in Heaven, pray and leave them all in the dust you kick from your sandals.

***Pray, or be defeated.***

## ABOUT GENE

My name is **Gene Moody** and I have been in the ministry over 35 years.

Earline, my late wife, was with me in the ministry until she went to be with the Lord on July 22, 1998.

We were a husband and wife team having the goal of setting the captives free.

Our main publication is the Deliverance Manual.

It took about twenty years to complete, and about a year of my life and a year of Earline's life to write. The manual is being circulated around the world. This is our primary way of teaching people how to do deliverance as they are led by the Holy Spirit. God told us to help train Him an army to minister deliverance.

Spiritual Warfare Manual, How To Do Deliverance Manual, Sexual Deliverance Manual, Witchcraft Deliverance Manual, Curses Deliverance Manual and Healing Deliverance Manual are additions to the Deliverance Manual. We have some Christian booklets (Good Homemaker – Proverbs 31, The Curse of the Bastard and Inherited Sexual Sins) and our testimony: From Death Into Real Life. On this website you can access our Deliverance Manual and other Manuals, and writings by us and End-Time Deliverance Ministries.

Before Earline had kidney failure, we spent about a month out of each year at Lake Hamilton Bible Camp at their six camp meetings ministering deliverance and healing. Otherwise we spent about another month ministering in churches, fellowships, prayer meetings, homes, jails, prisons and other public places. There we would teach, minister and counsel to groups and individuals. We ministered to the lay Christians and five-fold ministry. This is basically a ministry of helps to the Body of Christ.

We would work with people over the telephone, in the mail, in our home, in Christian settings and in public places. The ministry still continues in this manner as the Lord sets the schedule. My home is open for prayer

meetings and for traveling ministers to stay in. I work with other ministers to assist them in special ministry that the Lord has placed on their hearts.

## IN CONCLUSION

The world has much to offer. False refuges... anything to gain "peace of mind "even though a false peace, so we can function; keep our feet down; or help the food come out; or help us to sleep; or keep us awake and give us more energy; heighten our alertness; give us "feelings "of well-being. Romans 4:19 indicates all this as "being weak in the faith".

Vs 20 (a) He staggered not at the promise of God through unbelief;

Def-stagger: to doubt; drawback. The definition of unbelief is: faithlessness; disobedience, infidel, unbelieving.

Def-unbelief: faithlessness; disobedience, infidel, unbelieving.

After several times of questioning God about the promised son, Abraham reached the place of no longer doubting God's promise to him.

Vs 20 (b) ...but was strong in faith, giving glory to God;

Vs 21 And being fully persuaded that, What he had promised, he was able also to perform.

Vs 22 And therefore it was imputed to him for righteousness.

God was able. He was able! He not only promised he was also able to cause what he had promised to "be"! He who made the promise can make it come to pass! He is the promiser! And He is the keeper of promises. The Church needs to become fully persuaded!

God said it-Abraham believed it-God would perform it-Abraham would see it! Have it! He didn't care what it looked – like he considered not. He didn't give it place. The facts had no effect on the promise he was believing

for. He walked "by faith" that he would have what God promised him. He didn't walk "by sight" or the circumstances that looked impossible. He remained faithful to God giving him glory: dignity, honor, praise, and warship like he had already obtained the promise!

Abraham was faithful to God living a life that was praiseworthy before God during the waiting period. He was patient: long-spirited; long-suffering; patiently enduring. He was using force: going after and not stopping until he obtained the promise! How? By believing and resting in the promise. He "worked" his faith. His faith was not "dead".

You see, James 2:20 says, Faith without works is dead. Abraham showed his faith to God and us. If, when you say you have faith, and then you are faced with adversity, you crumble -- then your faith is "dead". If you do not put your faith to work, it is as if you have no faith.

Faith, then, when put to work, i.e., activated, applied, exercised, stood upon, becomes the very vehicle to deliver to you what you are hoping for. Faith will move what we cannot see--the invisible in the spirit realm--into the visible, physical realm. The invisible is given substance: physical material from which something is made or which has discrete existence; the quality or some of the qualities that makes a thing what it is. It really is unexplainable because it is a supernatural principle, and since we are "Faith people", we are supernatural, spiritual beings and should be living in the realm of faith. **THE JUST SHALL LIVE BY FAITH.**

Saints, we have a long way to go.

The reason we are struggling so is because we the church, gods people, believers have yet to realize "who we are" in Christ. We have a supernatural people trying to "fit" a natural world system. The church today should look like the Israelites after they were delivered from the bondage of Egypt. They lived a supernatural lifestyle under God's powerful care.

He is looking to the church living in the fullness of himself to bring his kingdom or his way into this artfully ram. And yet he asked, "when the Son of Man coming, will he find faith in the earth? "

It's time for the church to rise up and step into her place; to become the violent bodily active, energetic, and forceful, to walk in and exercise the power and authority that has been given to us to continue and finish the works Jesus began. It's time for us to set a sad day at work so far on choosing and present our bodies to him as living sacrifices which houses the holy one who desires to continue to destroy the

works of the devil, and come into the fullness full inheritance of all that he obtained for us and walk in the victory he won for us!

It's time for his body to come together, lying down spiritual prejudices, pride, religious and worldly traditions which bring the word of God to know affect and become the whole, powerful, victorious, overcoming body of Christ instead of a fragmented one, so that we can employ the corporate anointing of his power. Daniel 11:12 But the people that do you know they are God shall be strong and do exploits.

I've often wondered how many of us who call ourselves believers would fit the description Jesus gives of those who believe in Mark 16:17-18, These signs shall follow those who believe: in my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; And if they drink any deadly thing, It shall not hurt them; they shall lay hands on the sick, and they shall recover.

However, what I see is better described in Hebrews 5:12, For when the time ye ought to be teachers, ye have need that one teach you again the first principles of the oracle of God, and are become as have need of milk, and not of strong meat.

Times are fast approaching that will judge the church, and many are not ready for the battle. When the "floods" come, and the winds blow, and beat up on the house ", many will fall. The time to guard up his nail! Let's wake up, get serious, and quit wasting time, for the time is short and the days are evil.

In closing, let us be as Jesus and he was only a young boy when he made the statement, "Know ye not that I must be about my Father's business?" Isn't it time we, the Church, the Body of Christ, Believers, be about our Fathers business?

God Bless you,

# Life In Christ

by Dumitru Duduman

It is one thing to preach holiness as a theory, or as one of the doctrines of the Church, and quite another thing to preach it as an experience and for the purpose of urging it upon believers. It is common for a message on holiness to be received with applause when preached as doctrine, but to be condemned when presented as God's will for our lives.

Those who hunger and thirst after righteousness and long for the "mind which was also in Christ

Jesus" will embrace the crucifixion of self and receive these words of exhortation with joy and gladness. May the messages that follow in "Life In Christ", be an encouragement to you, and a comfort as you journey onward into the ways of God. Godliness puts a man in heaven before his time.

Brethren, aspire after godliness. Look to Jesus, the author and finisher of our faith and never look away until you have His image stamped upon your soul.

*Please forward to mission-minded leaders*

## OUR ELIJAH CHALLENGE HARVEST WORKERS IN INDIA NOW CONSISTENTLY DOING THE MIRACULOUS WORKS THAT JESUS DID

In John 14:11-12 Jesus solemnly promised that believers would do the miraculous works that he did as compelling evidence that he is in the Father and the Father is in him. During these Last Days when the remaining time before the end is short, this seemingly incredible promise is beginning to be fulfilled through trained local harvest workers. Below are the reports we received from India within just the past 10 days. We are receiv-

ing such reports every 2-3 days. To read the riveting testimonies and more, click on the photos below (while pressing on the Ctrl button if necessary).

## RESTORING THE ESSENTIAL BALANCE BETWEEN GIFTS VS. POWER & AUTHORITY DURING THESE LAST DAYS

*After the birth of the Charismatic Renewal Movement over a half century ago, understanding of the supernatural gifts of the Holy Spirit was restored. With an overemphasis on the gifts, however, there is the danger of neglecting what Jesus taught and commanded his disciples in the gospels well before Pentecost.*

The coming of the Holy Spirit at Pentecost did not negate what Jesus taught in the gospels. Rather it emboldened the disciples to obey his command to preach the gospel. A prime instance of this is Peter, who overcome by fear at Gethsemane denied knowing Jesus three times. But immediately after the Spirit came upon him at Pentecost, a transformed Peter boldly preached the gospel to an astonished crowd.

Acts 1:8 But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

To help the Church to mature and to grow up in all things to be like our Lord, we are given the gifts of the Holy Spirit. These spiritual gifts are for the common good of the body of Christ (1 Corinthians 12:7). They are for the purpose of building up and edifying the Church.

1 Corinthians 14:12 ...Since you are eager for gifts of the Spirit, try to excel in those that build up the church.

But to what end do we build up the Church? Is it an end in itself? Yes, prophecies can certainly encourage us, but what is their ultimate purpose in the life of a believer?....

# THE BASICS OF DEMONOLOGY

*(Adapted from Chapter 1 of the e-book T.R.U.C.O.P.S.)*

by Dale M. Sides

[www.lmci.org](http://www.lmci.org)

Demonology is the study of demons. Some Christians, even within charismatic circles, believe that those who study this field are fanatics. There is really no difference between demonology and the study of the different baptisms or gifts of the Holy Spirit. If we are accused of being “devil crazy” because we have a righteous interest in delivering people out of demonic oppression, just remember that Satan is the one who has deceived much of western Christendom to think this way, and he is the accuser of the brethren (Revelation 12:10). Clearly, he does not want his evil spirit kingdom to be weakened! He knows if you discover your authority over demons and the rules they play by, it will wreak havoc for his kingdom. So, let’s gird up the loins of our minds as we put on the belt of truth and the breastplate of righteousness (1 Peter 1:13; Ephesians 6:14 NIV).

## DEMONS ARE BODILESS PERSONS

Demons are bodiless “persons” who are looking for an abode in a human body (Matthew 12:43–44). By that, I don’t mean that they are human beings—simply that they are individual living spirit entities possessing a will of their own. To gain entry into a human, they must find an opening (a legal right) to allow them in. **The main tenet of this book is to discover these openings in order to shut them and cast out the demons.**

There are ways in which people give demons legal rights over them, much the same as governments issue passports and/or visas so that people can legally travel into other countries. When we revoke the rights of demonic intruders through the blood of Jesus Christ, they then become *illegal* aliens and we can enforce the “law” by expelling them. TRU COPS are God’s kingdom enforcers and agents of the INS (Identifiers of Nasty Spirits).

Demons, like people, come in varying sizes and strengths, meaning that some are more wicked than others, and some are more influential. That is why Jesus said that certain kinds of demons come out only by prayer and fasting (Matthew 17:21). That is also why He taught us that if a demon is allowed to return, he will bring with him ones that are “more wicked than himself” (Matthew 12:45). We can see this from the account in Mark 5:9–13, where Jesus dealt with a very strong demon who identified himself as “Legion.” This evil spirit was a little higher up the string of command of demons, even to the end of having other “smaller” demons beneath his authority.

The actual origin of demons has been a topic of discussion amongst deliverance ministers (and probably debate as well). We can discuss this in a loving way as long as we file it under “D” for discussion and not “D” for doctrine. When it comes to the origin of demons, I would like to state only one basic doctrine: *regardless of their beginning, we know that their end-*

*ing is eternal damnation.* And although we know their certain doom is eternal damnation, we must also remember that until that time comes, Jesus has given us authority over them!

The major tenet of Christian theology regarding the origin of demons is that they are the angels who were cast out with Lucifer (Satan)<sup>1</sup> (Revelation 12:4). This concept has led most of us to think that demons are “bigger” and more powerful than they really are, which would be true if they were angels. My particular belief is that they are the disembodied spirits of the mutant offspring that were begotten when disobedient angels cohabited with women.<sup>2</sup>

*There were giants on the earth in those days, and also afterward, when the **sons of God** came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown.* Genesis 6:4

The book of Job refers to angels as “sons of God” (Job 1:6); thus, I believe it’s likely that Genesis 6:4 is also speaking of angels when using the same phrase. Since the devil knew of the prophecy of the seed of the woman eventually crushing his head (Genesis 3:15), it makes sense that he would take the necessary steps to corrupt the woman’s seed. As a fallen arch-angel himself, he knew how to tempt the “watchers” (angels assigned to watch over mankind—see Daniel 4:13 and 17) to cohabit with the daughters of men.

According to Genesis 6:4, the offspring of these unions were the giants—the mighty “men of renown.” Not only did they corrupt the flesh of man, but they also caused mayhem on the earth to the point that God grieved even making man (Genesis 6:6–7, 12). When the flood came at the time of Noah, they were “washed out” of their bodies (1 Peter 3:19–20), and since they were neither fully angel nor human and, therefore, could not go to heaven or hell, they were forced to roam the earth seeking rest in a human body (since that was their previous habitat). We know from the account of Legion in Mark 5 that they can inhabit animal bodies, but they prefer human bodies.

## FUNCTIONS OF DEMONS

Some people believe that demons have their own particular functions and can demonize only in those ways (see chapter 10, “The Identity of Demons”).<sup>3</sup> This means that if a person is an alcoholic, there must be a spirit of alcohol resident within them, compelling them to drink excessively. My personal belief is that demons will exploit the weakness of the person, whatever it is. They will adapt themselves to their surroundings and capitalize upon that weakness, whether it is excessive drinking in one person or a propensity toward lying in another. The same demon that functions in the first person as a spirit of alcoholism would function as a lying spirit in the second one.<sup>4</sup> The main truth we must cling to is that *Jesus gave us authority over all of them*.

Basically, we can narrow the functions of demons down to two: they are either working *on* you or *in* you. If they are working on you, it is to get in you. This is their main desire and need; it is what motivates them, so to speak. If they are working on you, it is to get you to commit an act that will open a portal and give them legal access.

A demon uses a person’s habits, environment, and genealogy in order to develop a scheme to entrap him or her, and that is why the Bible calls these evil spirits “workers of iniquity.”<sup>5</sup> (“Workers of iniquity” can also refer to *people* who have given their lives over to Satan.<sup>6</sup>) Once the scheme is established, demons will work overtime to accomplish their goal of inhabitation.

Although deliverance ministers may have varying ideas concerning demonic function or identity, most agree that it is important to find the entry points since these are what will lead us to their strongholds. Once the stronghold is found and destroyed, the demon is defenseless and can quite easily be expelled. Another reason it is vital to discover how they obtained the legal right to enter is so that we may teach the one who was afflicted how to maintain their deliverance by closing and guarding the portal with scriptures and godly discipline.

The process of a demon working on someone to gain entrance is much like a chess match. He can forecast the person’s next move based upon the information he has gathered. He may even “talk” to the person spirit-to-spirit, tempting them by telling them what he wants the person to think. Since a demon cannot read a person’s mind, he has no way of knowing if he made contact until the person audibly parrots those words or acts on them in some way. Once the person utters what the demon has been pouring into the person’s spirit or does something in the physical realm that shows he heard the words, the demon then knows that he has made contact and can really pour on the temptation. As the pressure of the temptation builds to commit the sin, the desire and justi-

fication builds as well. Once the act is committed, it is just as if Immigration Services stamps the passport or validates the visa. Entry is granted, especially if the action is continually repeated.

Since demons are bodiless spirit beings, they obviously do not have vocal cords, but they do have the ability to speak to individuals in their spirits (not their souls or bodies). This can easily deceive the victims because it will “sound” like their own thoughts. The cartoon picture of a demon on one shoulder and an angel on the other whispering into someone’s ears is actually fairly accurate, at least from the demonic side. Since most people do not realize that they are spirit beings, they likewise fail to recognize that there is a spiritual realm with which they are in contact. Therefore, when that demon “whispers” into their ear, they simply believe their own mind is generating the thoughts.

Once a demon has entered someone, there is only one solution to setting the person free: the demon must be cast out! Although it is easier to keep one out than it is to cast one out, both are available through the blood of Jesus Christ and the authority He has given us.

## CAN A CHRISTIAN HAVE A DEMON?

Whether or not a Christian can have a demon is a contested issue within the church. Perhaps the question should be: can a demon have a Christian? There is also a difference between asking if a Christian can be possessed and asking if he or she can be demonized. It is obvious that a demonized individual is not completely owned or possessed by a devil, because the person will still be lucid and sane in many areas of their life (in most cases).

The proper word for the spirit entity we are discussing is “demon.” Using “devil” as opposed to “demon” is a trick to subtly attribute greater power to the demon than he actually has. The argument ex-

ists because of the erroneous translation in the King James Version of the Bible. There is only one devil, so when people use the phrase, “possessed of a devil,” it reveals that they have probably not studied the subject of demonology thoroughly.

Using the phrase “possessed of a devil” will also take you completely out of a position of being able to professionally discuss “demonization” with medical authorities, should the need arise.

The proper transliteration from the Greek text for “possessed of a devil” is *daimonizomai*, which is the verb form of “demon.”<sup>7</sup> So, to answer the question of whether a Christian can be possessed of a devil, the answer is no, because possessed means totally owned. The Holy Spirit owns the spirit of the born-again believer, so no demon can totally own a Christian. However, can a Christian be demonized? The answer is absolutely yes! This means that a demon, or demons, can gain control of one or both parts of a believer’s three-part being that are not already perfect. Since a Christian’s spirit is saved, the soul and body are the two remaining parts that can be demonized.

If you, as a Christian, find yourself in a situation where you are not in control, then you need to ask the question, “If I am not in control, then who is?” Likewise, you can pretty much accept that a squatter has taken up residence if you are hearing voices. This squatter is like an uninvited intruder who sneaks in after dark to sleep in your basement. He is an undesirable presence in your home, and he will not leave unless evicted—usually with force.

Demons can inhabit the soul or body of a Christian—especially if they are not heeding the scriptural admonition to guard their hearts (Proverbs 4:23). If we do not believe it is even possible as Christians to be demonized, then we are more apt to loosen our discipline. We are commanded in 1 Peter 5:8 to be sound minded (sober) and vigilant, and the reason is very clear:

*Be sober, be vigilant;  
because your adversary  
the devil walks about like a  
roaring lion, seeking whom he  
may devour.  
1 Peter 5:8*

Why would the need be there to write this to born-again believers if it were not possible for them to be devoured by the enemy?

## SIMPLY STATED

Demons are spirit persons who desire to dwell within human bodies, and they are able to do so when they find an open door that allows them legal rights to that individual. Their goal is to accommodate their selfishness and the devil's purposes. Once they gain entrée to the individual, they will seek to gain control over them. They not only have a "home," but they also now have a "job"—to steal, kill, and destroy.

As disciples of the Lord who desire to free the captives, we can employ the tool of TRUCOPS to help us determine how the evil spirits entered, close those doors, cast out the invaders, and keep them out.

As we move on to the basics of deliverance, please keep two things in mind: (1) this is not a complicated subject, and (2) the power to cast out demons comes from the Holy Spirit. Casting out demons is a God-given right to those who call upon the name of Jesus!

*And these signs will follow those who  
believe: **In My name they will  
cast out demons.**  
Mark 16:17a NKJV*

# The SPIRIT WORLD

by: Michael W. Smith

Email: [mike@hardcorechristianity.com](mailto:mike@hardcorechristianity.com)

[www.hardcorechristianity.com](http://www.hardcorechristianity.com)

In Eph. 6 the most anointed Christian who ever lived, the Apostle Paul, shares one of his many dramatic revelations. No one understood much about the spirit world until he shared it with us. 6:12 is remarkable:

“FOR WE WRESTLE NOT AGAINST  
FLESH (*sarx*) AND BLOOD BUT  
AGAINST PRINCIPALITIES (*arche*)  
& POWERS (*exousia*), AGAINST THE  
RULERS OF THE DARKNESS

(*kosmokrator*) OF THIS WORLD (*aion*) &  
AGAINST SPIRITUAL WICKEDNESS  
(*poneria pneumatikos*) IN HIGH PLACES  
(*epouranious*).”

The Greek word for flesh means sensuous human nature. The Greek word for principalities means spiritual rulers. The Greek word for powers means spiritual authorities. The Greek word for rulers of darkness means

spiritual world rulers of humanity. The Greek word for world means age. The Greek word for spiritual wickedness means perverted spirits and the Greek word for high places means the atmosphere surrounding the planet earth (not Heaven where God resides).

Paul was telling us that the spirit world is like Microsoft or Walmart. It has a CEO (Satan), CFO, COO, executive VP's, regional VP's and continuing down to custodians and landscapers, etc. There is a distinct hierarchy of evil supernatural beings ruling humanity and they travel thru the atmosphere (beneath the O-Zone) covering the earth. The person at work, in your family, at church, at the mall or living next door, that you mistakenly think is your problem, is not. They were supernaturally planted in your life to damage your walk for Christ. The supernatural beings behind the people are the ones out to destroy you. They simply use humans to perform their destructive and highly organized work. These vastly intelligent,

merciless agents of Satan cannot be fought with conventional weapons. They can only be thwarted with spiritual ones: The Holy Ghost, the Blood of the Lamb, your holy & sanctified life, your faith, the Word of God and your surrender to God's will.

These evil supernatural seducers have placed you under 24 hour surveillance and know you better than you know yourself. They know just how and when to tempt you. They hear every whisper and know ALL your weaknesses. The sin in your life gives them direct access to you and your loved ones and it gives them the ability to control you and your family and your circumstances.

Only your complete repentance and surrender to the Holy Spirit will save you and break the bondage of the Kingdom of Darkness in your life. **BE CAREFUL! YOU ARE BEING STALKED BY SUPERNATURAL BEINGS! HOWEVER, YOU CAN STILL WIN!** (Eph. 6:13-18).

# About Mr. Shannon Ray Davis aka **OMEGAMAN**

---

In 2004, Shannon Davis punched out of America and spent several years living in Central and South American countries like Costa Rica, Cartagena Colombia and Panama during which time he operated a successful internet herbal supplements business.

Business was great but then came the Crash of 2008 and as the sales began to diminish Shannon began to seek God as to what to do next and God directed him to listen to the teachings of Pastor Win Worley of Hegewisch Baptist Church.

After hearing Pastor Win preach on Deliverance, Shannon felt the calling of the LORD to enlist in the Army of God and help set the captives free in Jesus Name. He prayed a prayer asking God to use what time he had left on the planet and turn him into a weapon to

deal a death blow to the forces of darkness and give the devil two black eyes and God answered.

It was a short time later that God told him to pack his bags and return to America and put it into his heart to start an internet radio network that would focus on Full Gospel Mark 16 Ministry with an emphasis on training people in spiritual warfare and deliverance ministry.

On June 22, 2010 around midnight, Omega Man Radio™ launched and nine years later has produced over 6,500 shows with another new 75 LIVE shows a month being added. Omega Man Radio™ is a Full Gospel Digital Radio Show where speakers preach the Good News of Jesus Christ that He came to save those who will call on His name and repent of their sins and that Jesus wants us to be delivered of demons and set free.

Omega Man Radio™ is well known for opening telephone lines and taking calls from around the world and taking people thru deliverance – the casting out of devils in Jesus Christ Name. Our goal is to see souls saved and delivered and that people will tune in and be equipped to do exploits in these Last Days and endure until the end when Jesus returns at the Last Trumpet.

Shannon is married to wife Nurita and they have a 2 year old son named Jeremiah Ray Davis who they have dubbed “Baby Warrior Prophet” and recently added a new addition to the family with the birth of a new baby named Judah Wallace Davis born in May 2019. Shannon also has a daughter Vanessa, son Heston and grandson Trenton.

# BORN *again* TO FIGHT

## The Uprising of an Exorcist

By Peter McMaster

Experience Pete's' journey from the hills in Tasmania to the war-torn country of Uganda and hear him recount his battles with the Rosicrucian witches and the witch doctors and false Prophets of Africa.

Which was only a warmup to the biggest struggle of all. The Deliverance of a high Priestess from multiple Principalities and Powers and the ensuing war with the Satanic coven, that was right on his doorstep.

From the curses to the astral projection and the battles in the night, Pete explains how the Lord Jesus Christ prepared him to fight the good fight. And how he was refined with the fire and taught to stand, almost from the day of his salvation.

Be amazed as he recalls the mountains and the valleys of his walk, and not to mention the victories, that were many and are still coming.

TYPHON IS OUR IMMINENT FUTURE!"

# Typhon:

## The Reaper of Worlds

OLAF  
HAGE

# Typhon:

## The Reaper of Worlds

by Olaf Hage, III and Tom Mack

When Noah's Ark landed on the muddy earth after long months of floating on the water, God promised Noah that He would not destroy human civilization using a flood again. However, God did not promise that He would not destroy wicked civilizations again! Instead, when evil did begin to increase, He sent His prophets to warn Israel and the rest of human civilization that time would come when God would destroy human civilization, not by using water, but with fire!

As author Olaf Hage researched this question further, he discovered that ancient history from several civilizations recounted six other end-of-the-world deluges that ended these civilizations. The famous philosopher Plato discovered that the Egyptian priests were aware of this history and had been scientifically studying it for centuries. Their research explained to the confused Greeks, what happened to cause the sudden destruction of the city-state Atlantis and other related civilizations. The Egyptian priests learned from their observations that prior to the deluges, fireballs would first impact the earth. Then, the earth would be pelted with microscopic diamond dust that would change the earth's orbit and poison all the earth's water.

The author began to realize that these observations coincided with the description of the Seven Bowl Judgments of Revelation 8. He also learned from ancient historians that the star-comet body causing all this damage was named "Typhon," while the Book of Revelation called it "Wormwood." As he continued his research, he learned that Typhon moved in an elliptical orbit around the sun that took approximately 5,125 years. When Immanuel Velikovsky proposed the idea of another deluge hitting the earth in the 1950s, most astronomers mocked his theories as "crackpot." However, when the Shoemaker-Levy Comet hit Jupiter in July of 1994, scientists changed their minds and now consider the possibility that a space object like Typhon may visit the earth again. However, as Mr. Hage began to do his own research, he found that the earth has been impacted by fireballs at an increasing rate since the beginning of the 21st century. He sees this fact along with multiple others documented in this book as evidence that Typhon will be returning soon. Typhon: The Destroyer of Worlds is not a book about the past, it is a warning of what will happen on the earth in the near future.

# KNOW YOU ARE SAVED - DO NOT BE DECIEVED

by: Pastor David Measures  
[www.dwmmi.org](http://www.dwmmi.org)

## Romans Ch 10 v 8-10

**8** But what does it say? "The word is near you, in your mouth and in your heart" (that is, the word of faith which we preach):

**9** that if you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved.

**10** For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation.

On the face of it – so simple – But is it

1<sup>st</sup> miracle – Water to Wine—Conversion needs to take place.

**v10** – Believes unto Righteousness—Your belief must lead to righteousness.

What is Unrighteousness—Fornication / Idolatry (Catholic bowing to Statues etc.)

## 1 Cor Ch 6 v 9

Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites,

## Exodus Ch 20 v 1-6

You shall not make for yourself a carved image—any likeness *of anything* that *is* in heaven above, or that *is* in the earth beneath, or that *is* in the water under the earth; **5** you shall not bow down to them nor serve

them. For I, the Lord your God, **am** a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth **generations** of those who hate Me, **6** but showing mercy to thousands, to those who love Me and keep My commandments.

**Adultery** –sex with another man's wife or another wife's husband.

**Homosexuals, Sodomites, Catamites** (Children)

**Thieves** – taking what does not belong to you.

**Covetous** – Wanting what others have.

**Drunkards** – Drinking to excess

**Revilers** –Using Abusive language

**Extortioners** – Someone who uses their official powers to obtain funds etc.

Which were some of you!

### **Gal Ch5 v 19-21**

**19** Now the works of the flesh are evident, which are: adultery, fornication, uncleanness, lewdness, **20** idolatry, sorcery, hatred, contentions, jealousies, outbursts of wrath, selfish ambitions, dissensions, heresies, **21** envy, murders, drunkenness, revelries, and the like; of which I tell you beforehand, just as I also told *you* in time past, that those who practice such things will not inherit the kingdom of God.

### **Matthew Ch 7 v 21-23**

"Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven. **22** Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' **23** And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!

### **Matthew Ch 12 v 46-50**

**46** While He was still talking to the multitudes, behold, His mother and brothers stood outside, seeking to speak with Him. **47** Then one said to Him, "Look, your mother and Your brothers are standing outside, seeking to speak with You."

**48** But He answered and said to the one who told Him, "Who is My mother and who are My brothers?"

**49** And He stretched out His hand toward His disciples and said, "Here are My mother and My brothers! **50** For whoever does the will of My Father in heaven is My brother and sister and mother."

### **Questions**

1. Does the Church have all authority over Demons?
2. Does the Lord answer prayer according to His will?
3. Do we the Church have the same power as Jesus & the Apostles?
4. Are we the Church serious about God? (Or is it only when our flesh agrees with His Word).
5. Why cannot some keep their deliverance needing prayer time and time again for the same thing.
6. What is wrong?

### **Do not be Deceived**

#### **1 John Ch 2 v 18-19**

Little children, it is the last hour; and as you have heard that the[a] Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. **19** They went out from us, but they were not of us; for **if** they had been of us, they would have continued with us; but *they went out* that they might be made manifest, that none of them were of us

Start of Denominations—Demon-denominations  
4 times in **Matthew Ch 24** it states 'do not be deceived'

**v4-** Let no-one deceive you

**v5** – 'I am the Christ'

**v11**—false Prophets

**v24**—false Christs & False prophets

If—A small word but our destiny is hung on this small word.

### **Many Deceptions**

Replacement Theology:

## Romans Ch 11 v11-21

**Toronto phenomenon –Lakeland Deception** and all that came out of it

## Deuteronomy Ch 30 v 11-15

<sup>11</sup>“For this commandment which I command you today *is not too* mysterious for you, nor *is* it far off. <sup>12</sup>It *is* not in heaven, that you should say, ‘Who will ascend into heaven for us and bring it to us, that we may hear it and do it?’ <sup>13</sup>Nor *is* it beyond the sea, that you should say, ‘**Who will go over the sea for us and bring it to us, that we may hear it and do it?**’ <sup>14</sup>But the word *is* very near you, in your mouth and in your heart, that you may do it.

<sup>15</sup>“See, I have set before you today life and good, death and evil,

## Pre-& Mid Tribulations

**Pre Tribulation and Mid Tribulation theory, a theory but not what the Bible states. I believe the tribulation is Satan's tribulation**

**'I believe in pre-wrath' the former will give you a false sense of security.**

## 1 Thessalonians Ch 4 v 13-18

<sup>13</sup>But I do not want you to be ignorant, brethren, concerning those who have fallen asleep, lest you sorrow as others who have no hope. <sup>14</sup>For if we believe that Jesus died and rose again, even so God will bring with Him those who sleep in Jesus.

<sup>15</sup>For this we say to you by the word of the Lord, that we who are alive *and* remain until the coming of the Lord will by no means precede those who are asleep.

<sup>16</sup>For the Lord Himself will descend from heaven with a shout, with the voice of an archangel, and with the **trumpet of God**. And the dead in Christ will rise first.

<sup>17</sup>Then we who are alive *and* remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord. <sup>18</sup>Therefore comfort one another with these words.

## Daniel Ch 12 v 1-3

At that time **Michael shall stand up**,  
The great prince who stands *watch* over the sons of

your people; And there shall be a time of trouble, Such as never was since there was a nation, *Even* to that time. And at that time your people shall be delivered, Everyone who is found written in the book.<sup>2</sup> And many of those who sleep in the dust of the earth shall awake, Some to everlasting life, Some to shame *and* everlasting contempt.<sup>3</sup> Those who are wise shall shine Like the brightness of the firmament, And those who turn many to righteousness Like the stars forever and ever.

## Matthew Ch 24 v 29-31

<sup>29</sup>“Immediately after the tribulation of those days the sun will be darkened, and the moon will not give its light; the stars will fall from heaven, and the powers of the heavens will be shaken. <sup>30</sup>Then the sign of the Son of Man will appear in heaven, and then all the tribes of the earth will mourn, and they will see the Son of Man coming on the clouds of heaven with power and great glory. <sup>31</sup>And He will send His angels with a great **sound of a trumpet**, and they will gather together His elect from the four winds, from one end of heaven to the other

## 1 Corinthians Ch 15 v 50-51.

<sup>50</sup>Now this I say, brethren, that flesh and blood cannot inherit the kingdom of God; nor does corruption inherit incorruption. <sup>51</sup>Behold, I tell you a mystery: We shall not all sleep, but we shall all be changed—<sup>52</sup>in a moment, in the twinkling of an eye, **at the last trumpet**. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed.

Not Understanding the '**Government of God**' in some cases ignoring it totally

## 1 Cor Ch 11 v 2-16

<sup>2</sup>Now I praise you, brethren, that you remember me in all things and keep the traditions just as I delivered *them* to you. <sup>3</sup>But I want you to know that the head of every man is Christ, the head of woman *is* man, and the head of Christ *is* God. <sup>4</sup>Every man praying or

prophesying, having **his head covered**, dishonours his head. <sup>5</sup>But every woman who prays or prophesies with **her** head uncovered dishonours her head, for that is one and the same as if her head were shaved. <sup>6</sup>For if a woman is not covered, let her also be shorn. But if it is shameful for a woman to be shorn or shaved, let her be covered. <sup>7</sup>For a man indeed ought not to cover **his** head, since he is the image and glory of God; but woman is the glory of man. <sup>8</sup>For man is not from woman, but woman from man. <sup>9</sup>Nor was man created for the woman, but woman for the man. <sup>10</sup>**For this reason the woman ought to have a symbol of authority (Power) on her head**, because of the angels. <sup>11</sup>Nevertheless, neither *is* man independent of woman, nor woman independent of man, in the Lord. <sup>12</sup>For as woman *came* from man, even so man also *comes* through woman; but all things are from God. <sup>13</sup>Judge among yourselves. Is it proper for a woman to pray to God with her head uncovered? <sup>14</sup>Does not even nature itself teach you that if a man has long hair, it is a dishonour to him? <sup>15</sup>But if a woman has long hair, it is a glory to her; for **her** hair is given to her for a **covering**. <sup>16</sup>But if anyone seems to be contentious, we have no such custom, nor *do* the churches of God.

#### **v10—Angels —(v 15 – v 4)?** **Isaiah Ch 4 v 5-6**

And in that day seven women shall take hold of one man, saying,  
"We will eat our own food and wear our own apparel;  
Only let us be called by your name, to take away our reproach."  
<sup>2</sup>In that day the Branch of the Lord shall be beautiful and glorious;  
And the fruit of the earth **shall be** excellent and appealing, for those of Israel who have escaped.  
<sup>3</sup>And it shall come to pass that **he who is** left in Zion and remains in Jerusalem will be called holy—everyone who is recorded among the living in Jerusalem. <sup>4</sup>When the Lord has washed away the filth of the daughters of Zion, and purged the blood of Jerusalem from her midst, by the spirit of judgment and by the spirit of burning, <sup>5</sup>then the Lord will create upon every dwelling place of mount Zion, and upon her assemblies, a cloud and smoke by day,

and the shining of a flaming fire by night: for upon all the glory **shall be** a '**Defense**'. **6** And there shall be a tabernacle for a shadow in the daytime from the heat, and for a place of refuge, and for a covert (Shelter) from storm and from rain. (god Baal)

Cannot say My hair is my covering or my husband is

#### **Ezekiel Ch 28 v 11-16**

<sup>11</sup>Moreover the word of the Lord came to me, saying, <sup>12</sup>"Son of man, take up a lamentation for the king of Tyre, and say to him, 'Thus says the Lord God:  
"You *were* the seal of perfection, Full of wisdom and perfect in beauty. <sup>13</sup>You were in Eden, the garden of God; Every precious stone *was* your covering: The sardius, topaz, and diamond, Beryl, onyx, and jasper, Sapphire, turquoise, and emerald with gold. #### **Many Deceptions too numerous to mention tonight.**

The word Doctrine is mentioned 8 times in 1 Timothy.

Doctrine is your belief system.

1 verse states '**your doctrine has the power to save YOU and those who hear You**'

#### **I can only speak on what I know are deceptions.**

Another Deception is once 'Born Again' —one has no problem with Demons. Many of churches today believe in this.

## PART THREE

### Chaldean Number meanings of Ashtaroth's Zodiac position

By: B. W. Melvin  
www.afterhoursministries.com  
Electronic Copyright 2019

**The Zodiac Position is:**  
25-29 degrees of Taurus and  
10 - 20 degrees of Capricorn  
– Let's first explore the  
constellation Capricorn,  
which in ancient Sumerian  
was associated with the  
planet Saturn (Enlil),  
and also related to the  
Mesopotamian god Enki =  
called the goatfish...

#### Ashtaroth's Zodiac position

What I am about to share is based on the use of Chaldean Numerology and how the numeric meaning from Ashtaroth's Zodiac positions shows what this entity is up too, its task, and its goal. The ancient Chaldean system is like reading enemy propaganda boasting of their glory and renown.

Source: [www.commonswikimedia.org](http://www.commonswikimedia.org)

What I am going to share is based solely on my research compiled from various sources that share common meanings of Chaldean numbers. In that system, simple mathematical reduction formulas add to the numeric meanings which corresponds to a subject, a context, which concerns Ashtoreth for us.

These deduction formulas come by adding numbers used together such as 10+20 to find the sum, 30. The sum total of 30 is reduced further to its lowest number form like this: 3+0=3. So, you end up with these number, 10, 20, 30 and 3. You also can reduce 10 to 1+0=1 and come up with 1, 2, 3.

Next you look at the number meaning based on the subject and the storyline seen in the celestial bodies (planets, stars) that

the numbers also represent. Numeric meanings are set up like our own dictionaries and contain several meanings for one word. The Subject and context pinpoint the meaning and a story is revealed.

The Chaldean numeric system is used in occult world along with the Kabbalah and Pythagorean-systems. Therefore, to research to find the closest meaning involves noting similar meanings and stick with these. I do not advise doing this because people go number happy and can get stupid.

**To shorten things a bit for you, here is a synopsis of the storyline. It amazingly follows the bible.**

At some point, there was a rebellion in the Heaven to overthrow

God's throne as Revelation 12:1-12 reveals. It failed and a third of the rebellious angels were cast to earth in what appears in a progression till that 1/3rd number was reached by the time of Genesis Chapter Six when the fallen angels attempted to corrupt the human gene pool in order to prevent the words God spoke in Genesis 2:15 from happening.

The rebellious Watchers were defeated by the flood in the time of Noah and suffered great set back. At least 200 of the leading fallen watchers were sent to the abyss for 70 generations for this till they will be released to fight the final battle in their quest to defeat and overthrow God's throne. (5)

In the book of Jubilees, it tells how 10 percent of the 200 leaders were

allowed to remain around earth. There were seven top leaders of the rebellion and of these, the devil and two of these top leaders were allowed to remain. The other four were sent to the abyss and can influence people from there. (6)

Ashtaroth was one of those allowed to remain, the second, third, or fourth in command took over the roles of the 4 imprisoned watchers. With this background, comes the story line involving the planned rise of the final antichrist by creating chaos so new golden age, a new world order arises to dethrone God by using humanity as pawns.

The remaining fallen angels are relentless in their plans to bring forth their very messiah to humanity in order to restore their antediluvian golden age. This failed when Jesus Christ came and defeated death and the enemy on the cross and by the resurrection when he crushed the head of the serpent as Gen 3:15 states.

From here this is where Ashtoreth's/Ishtar's celestial Zodiac position numbers adds more details to this storyline by examining their numeric meaning.

### **Celestial Identifiers**

The numeric meaning and formula of 10 - 20 degrees also identifies fallen angels who go by the names of old pagan (false) gods. By this, we discover their plan and story line. For simplicity here it is:

Ashtoreth's Zodiac position of 10 – 20 degrees of Capricorn uses the formula  $10+20=30$  finding the sum of 30. These numbers are associated with planets and stars which identify fallen angels because the ancient religions identified their gods that way.

For example, the Number 10 is associated with the planet Jupiter (who is Anu, aka Zeus, aka Satan) and Babylonian dragon deity, Marduk. The number 20 is associated with the sun deity - Utu also known as Shammash and also known in Greek as Apollo and known in the bible as Apollyon in Revelation 9:11. The Number 30 is the moon deity known as Nanna/Sin...

Thus, from Jupiter (10) comes a work to bring forth a son – Nergal/Apollo aka Tammuz (20) out of the abyss to rule the world by the help provided by the Moon false god, Nanna (30), who is related to Ishtar/big Jezebel (Venus) along with the remaining two of the triple goddesses.

The task of Ishtar/big Jezebel is to create the means and climate whereby this leader can come forth out of the abyss. This is seen in the reduced sum 3 found by  $3+0=3$ . The word meaning of 3 identifies the role and works of Ashtoreth/Ishtar.

So, you have the sun, moon, and star symbols used in many secret societies such as in the pillars of

Free Masonry. They are united to bring forth a one world governmental leader – the son of the Dragon. By use of the Sun by wisdom and by Moon's severity to bring forth chaos into the world by Venus. So, this leader can arise from the pit – the son of the Dragon who comes from below by means of Ashtoreth's influence governed from above. (7)

This is where the adding and reduction of the numbers used, and their number meanings come into focus next derived this way:  $10+20=30$  reduced  $3+0=$  back to the number 3.

### **Basic meanings of 10, 20, 30, and 3 in the Chaldean number system:**

**10 denotes** a "Wheel of Fortune". That promotes honor, faith, in a self-confident hubris of one's rise and fall so that one will be either be known for their renown of good or evil governed by their actions of their desires. This number has a root meaning that adds to the meaning of 10 of being fortunate that one's plans are carried out by playing the game, playing the or 'a' system against itself. (Jupiter, the dragon, Satan is a master of this).

**20 Means** "the Awakening" and "the Judgement". Its symbol is of a winged angel sounding a trumpet call to action, while from below a man, a woman, and a child

are seen rising from a tomb/ abyss with their hands clasped in prayer responding to the call to action by contacted fallen angels, etc.

In the occult world back then and now, this number is a call to action and duty, for a far greater cause leading to momentous future event so all people awaken and ally themselves to it. Or face harsh judgment against them that oppose by delaying, thwarting, hindering anyone against this planned awakening. Note: One of Utu aka Apollo roles is the one who brings forth judgment.

**30 Means** the use of thoughtful deduction, retrospection, and mental superiority over others. It willingly surrenders everything to the cause, duty. In this it represents an all-powerful mental state that is indifferent to the will or desires of the person under its influences or those its attacks. This is related to one of the charter traits of the false moon deity Nanna.

**3 Means** manifestations and expansion to create, manifests Ideas, to increase entrepreneurship /commerce, and forms of entertainment to brainwash/propagandize by one's innate appreciation of pleasure, romance, art, and beauty. Justifies allowing all things as possible (do as thou will sum up the idea). It is extensive, sociable, dramatic, communicative, diversified, and creative. In Tarot cards this one known as the Empress of Divine Activity.

Think of the Whore of Babylon, Ashtoreth, as the Empress of divine activity. The activity that Ashtoreth does on earth to humanity is mention in the numeric meaning of 3.

### Let's look as the meaning of these numbers and discover Ashtoreth tasks

Add to storyline note in the beginning to Ashtaroth's Zodiac positions number meanings and, well, see for yourself. Ashtaroth task is to keep the

**10** "Wheel of Fortune" favorable so one's plans are carried out by playing the system against itself by being a part of the system - in order to bring forth an...

**20** "Awakening" from below for "Judgement" above by a call to action that comes from angels sounding trumpets to awaken a man, a woman, for the need of a child to arise from the abyss below to fulfill the devil's cause and war against those that oppose the cause. (this is to be carried out...)

**30** By the use of thoughtful deduction, retrospection, to gain mental superiority over others to force submission and surrender all for 'the cause' by being totally indifferent to those who follow it and those its attacks. (This is brought forth...)

**3** by manifesting, expanding, creating ideas, to increase entrepre-

neurship /commerce, and forms of entertainment to brainwash/propagandize by one's innate appreciation of pleasure, romance, art, beauty, self-glory to war to win and control all brought forth by the Empress of Divine Activity

Please note - In the Book of Revelation we see the beast and false prophet arise from the abyss and thus are the man and child (devil's messiah) mentioned the meaning the number 20's. The woman represents as best as can derive, Ninshursag aka Azazel - the old crone of triple goddess worship.

Also note that The Whore of Babylon, aka Ishtar/Ashtoreth took over the old crone's task to bring this all about on earth due to Ninshursag - Azazel's imprisonment.

I know this will sound strange but starting around 2008 to 2018 strange trumpet sounds were heard worldwide and since then the explosion in gene splicing, AI development, and technology is simply astounding. Governmental leaders are openly pushing for one world government. Add to this, the rise of paganism world-wide.

I think you get the idea of the occult awakening of the last days as the numbers reveals Ashtoreth's role to supply the means, plan, wealth, power, idea, knowledge to bring forth the beast and false prophet from the abyss. This is why occultist hold this one so dear.

**25-29 degrees of Taurus -  
25+29=54**

Here 'is' the bottom line meanings of 25, 29 and 54:

**25.** denotes gaining strength through experience of trials, testing's, strife, early on in life which lesson learned prove favorable late in life or a later time.

Note: In book of Rev chapter 12 the devil and his followers rebelled against God and were banished to earth. This, in their eyes, this was used to gain experience, wisdom, knowledge to use to their advantage in the later times in their attempt to overthrow God's throne.

**29.** denotes the use of uncertainties, treachery, unreliableness, disunity, and deception of others and warns against this happening in the future within a group and/or using these traits against a foe to destroy their future gains of winning.

What is learned is used to create uncertainty, chaos, treachery, make folks unreliable, sow disunity, and use deception in their foe's camp. This reminds of 2 Tim 3:1-9 and the prophetic teaching concerning the last days.

**54.** Denotes acquiring and using material security to go all out to achieve goals, to win. Also denotes - the acquiring and heaping up of wealth, power, inheritance correctly all in unity within a

group with united focus to attain a group's united goal, endgame.

The other part of the meaning of 54 is this: If any setbacks occur then all 'the team players' must unite their specialist abilities in promoting change/adapt in order regain any lost ground. If unity is broken all the wealth, power, influence, is lost and squandered away and the goal delayed.

This means, they stick together and in lock step with each other. Support each other lies, pool resources for their new golden age to dawn.

**So, what I can best fit together using this method and applying context to Ashtoreth from the Zodiac degree numbers and meanings is this:**

**25** – in time past the fallen watchers fell from heaven and are attempting to gain strength by the experience of trials, testing's, of the strife/war of their past rebellion and use this experience to reach a favorable outcome of dethroning God and taking over. (This is now headed up by Ashtoreth who)

**29** –learned from past (Genesis 6) to create uncertainty, chaos, treachery, make humanity unreliable to each other, sow disunity, and use of deception in their foe's camp better than they did before with oneness of purpose to reach the goal of dethroning God and taking over. (This is accomplished)

**54** –by acquiring wealth and power as the material security needed to go all out to achieve the goal to win. One wins human agents over by this to unite them with the cause/goal by having groups combine wealth and recourses to reach the goal by heaping it up on them by teaching them dark arts to connect with them – give them power and wealth to take over the world and so they can war against God. If any ground is lost, or setbacks occur reach the goal, then all 'the team players' must unite lockstep their specialist abilities in promoting change, adapt, in order regain any lost ground.

**Next reduce the sum 54:  
5+4=9 with number meanings added in**

This is done thru - 5 - communications, travel writing, promoting Eros, freedom, change that promotes new adventures, adding a vital life force to life by an irresistible magnetism guided by a – Divine Voice – (i.e. communication with fallen watchers)

By - 4 -divine overcoming by building unity, being detailed, dependable, and by constructing consciousness by the use of laws, systems, order, and discipline on earth so the emperor/world leader can overcome God's order.

This is done by selling/fooling humanity by appeals – 9 - Humanitarian love, compassion, patience, universality, all are one, tolerance,

selfless service (social justice), by divine light (illumination) from the fallen ones.

Now I ask you, do you see these things taking shape today?

Using further reduction methods, we arrive at these numbers and their meanings: 7, 11, 18, and 9

How -  $2+5=7$  and  $2+9=11$  and  $7+11=18$  and  $1+8=9$

### Meanings

**7.** Metaphysical mysteries, spiritual mysteries, mediator (as in sorcery, divination), investigator, seeker, philosophies, all to elevate consciousness (as in intellectual elitism). to achieve divine victory

Context of victory refers dethroning God and taking over and along with this comes a warning...

**11.** Is an ominous number to occultists. It gives warning of hidden dangers, trial, and treachery from others. It has a symbol of a "Clenched Hand", and "a Lion Muzzled", and of a person who will have great difficulties to contend against.

*Please note:* The contextual warning 'of others' refers to the Lord Jesus Christ the Commander of the Lord's Armies see Rev 19 - and those in the Church who are faithful to God. The message is clear, Ashtaroth's task is to hinder the Lord's return by creating the following in His people.

**18.** denotes: bitter quarrels, even family ones, war, social upheavals, revolutions; and in making money and gain prominence thorough all types of warfare and outright war. This number also warns of treachery, deception by others, and of natural disasters such as storms, floods, fires and explosions.

*Please Note* – Read Mathew 24, Luke 17 and Luke 21 and do you see the same issues? And this is accomplished on earth by pushing forth described by the number 9...

By pushing on humanity – 9 denotes: Humanitarianism, ideas of love and compassion, patience, universality (all are one), tolerance, selfless service (social justice ideas), and ending oppression toward achieving divine light for all (humanity).

Do you see these ideas today?

Now put it together with...

10 "Wheel of Fortune" favor and hubris faith that one's plans are carried out by playing the game, playing the system. (to bring forth an...)

20 "Awakening" from above for "Judgement" below. By a call to action that comes from angels sounding trumpets to awaken a man, a woman, and a child to arise from the abyss to fulfill a great cause and war against those that oppose the cause. (this is to be carried out...)

**30** By the use of thoughtful deduction, retrospection, and mental superiority over others to force submission and surrender all for the cause by being totally indifferent to those its attacks and those who follow it. (This is brought forth...)

**3** by manifesting, expanding, creating ideas, to increase entrepreneurship /commerce, and forms of entertainment to brainwash/propagandize by one's innate appreciation of pleasure, romance, art, beauty, self-glory to war to win and control all brought forth by the Empress of Divine Activity.

That describes the task of Ashtaroth and we are seeing these today playing out – are we not?

### Further notes – what does Chaldean numbers mean for 666?

**666** comes from adding these numbers together  $600+60+6$ . Thus 600, 60, 6 have meanings and the fallen angels, pagan false deities associated with them.

**600** – is Timat - the chaos being – known also as Ninshursag (Old crone of triple goddess lore)

**60** is Anu – known aka as Satan/ Zeus in Greek pantheon

**6** is Nergal/Apollo's number

Bible says 6 is number for a man – the son of the devil – to release

chaos-Timat/Ninshurag/Azazel from the abyss.

### More...

Also note - In the bible in Isaiah 65:11 ESV/NASB mentions two false deities identified as fortune (Gad) and destiny (Meni) in the ESV and NASB. Jewish interpretations have Gad identified with the planet Jupiter and called by the Arabs "the greater Luck-fortune both correspond to the number 10 in Chaldean number system.

Meni (Mēnî) is identical with the goddess Arabian god Manât, who is known also as Ninshurag/Azazel the old crone of triple goddess worship...

Look at the number 20 again: "Awakening" from below for "Judgement" above. By a call to action that comes from angels sounding trumpets to awaken a man, a woman, and a child to arise from the abyss to fulfill a great cause and war against those that oppose the cause. (this is to be carried out...)

It is a shame that the much of the modern church has taken the supernatural out of the bible and does not teach what once was known as "givens" by 2 temple era Jews and the early church during its first 300 years. So much is missed in bible prophecy.

The world is moving toward that occultic 10 attitude very openly

in media, government, science, arts, etc. showing their plans, broadcasting them. 2 Timothy 2:1-9 reveals the effects in church people in the last days who acts like the world does promoting self-love gospels, being haughty with the things of God as okay.

We see the occult number 30 - meaning in operation today. The big Jezebel spirit and his minions giving his human followers a mental superiority attitude of introspective elitism who desire one world Government so that all aspects of science, math, the arts, government, media, etc. are united by the occult number 3 and 20's meanings.

Have you notice how brain-washed the left, the cultural Marxist are - they listen to no one and allow no opposition to their wise plans. If one opposes it is all severity pushed on them to either submit or be silenced.

Meanwhile the much of the modern church focuses only attaining blessing by rituals and use of the ways of the world as the means for success and not on what is coming down the pike. So sad.

Jesus said this... **"Be on guard, so that your hearts will not be weighted down with dissipation and drunkenness and the worries of life, and that day will not come on you suddenly like a trap; for it will come**

**upon all those who dwell on the face of all the earth. "But keep on the alert at all times, praying that you may have strength to escape all these things that are about to take place, and to stand before the Son of Man."** Luke 21:34-36. NASB

# A LAND UNKNOWN: HELL'S DOMINION

by B.W. Melvin

Hell, is it real or the product of myth? Are the accounts from people who claim to have seen it during a near-death occurrence genuine or mere imaginings? The near-death experience - is it fact, fiction, or fable?

In A Land Unknown: Hell's Dominion, Bryan Melvin who died after drinking tainted water on a construction site gives a vivid account of seeing what lies beyond the grave from the perspective of a near-death survivor's journey to hell. The concept of hell raises many questions

about its relevancy in today's busy modern world.

Questions abound concerning God's fairness, His justice, His very existence, and why evil exists. A Land Unknown explores these questions, and more, from someone who has seen hell personally. This astonishing true story of an incredible journey to hell and back will surely leave a positive evangelical impact on the reader.

**Dear Warriors for the Lord Jesus Christ,**

Our **final 2019 Spiritual Warfare and Deliverance Workshop** is now being announced; can you believe it? With it, we begin our **27<sup>th</sup> consecutive year** of hosting these blessed events. This Pastor has often said that he does not know how but the Lord always seems to best Himself with each and every one. Much of it is due, I believe, to the joy it brings Him (and the rest of the Godhead) when His people are lovingly bringing one another into real freedom that the Word of God promises. Sadly, in most churches, the true Christians walk out of their churches just as bound as they walked in. Why is this? The leadership is just too proud and too afraid to teach it and do it.

Come learn with us how to be better warriors for the Kingdom of God's dear Son. Feel free to make copies of these Conference Flyers and invite people who you are praying for and have shared some Full Gospel truth with already. Tell God to turn your car or vehicle into a “Heavenly taxi”, to get folk to Agape Bible for this very special time. Bless and encourage others. Then, watch God bless you even more!

# WAR AND RUMOURS OF WARS

## *The 70 Year Reign of Babylon & The Last Days of America*

by: Benjamin Baruch  
[www.benjaminbaruch.net](http://www.benjaminbaruch.net)

The average American views war with Russia as impossible and a nuclear war as unthinkable. Most Americans continue to believe that the United States is the lone superpower of the world and our only real challenge is from terrorists. Everyone knows that the Cold War has long been over, and the West won. A majority of Americans still believe Russia

is our ally, and any thought of a military conflict with the former Soviet Union is viewed as absurd.

The reality of a looming war with Russia can no longer be dismissed, for the "lion has stood up from the thicket, and the destroyer of the gentiles is now on his way". It may surprise most Americans, but it is the forces of

the anti-Christ who plan to burn America Babylon with nuclear fire and they will merely use the 'reds' to do the job for them...

**Revelation 17:16** And the ten horns which thou saw upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.

## TAKE HEED THAT NO ONE DECEIVE YOU

JESUS CHRIS MATTHEW 24:3

The Cold War officially ended in 1991 with the collapse of the Soviet Union. The experts in the West were convinced that America's economic might had exhausted the Soviets, and the firm resolve of the Reagan administration had broken their will to continue the fight. Capitalism proved to the world that both freedom and prosperity could be delivered. America withstood the challenge of Communism and prevailed. The lights of the shining *City on a Hill* never glowed brighter.

The West was exuberant in those days; capitalism and the American way of life triumphed, and the spoils of war would be divided among all in the form of the "Peace Dividend." The media joined in the chorus, fanning the national celebration. It was the end of history, or so we were told, and the beginning of a new era of permanent prosperity. There were dissenting voices that warned, "all is not well"; but their warnings were marginalized by the mainstream media or simply ignored.

Soviet military defectors had warned America for years that the Soviet Union was planning a massive campaign of deception which would include a fake collapse of the Soviet Union, designed to fool the West into thinking the

Cold War had ended but nobody in the West seemed to care. The Communists had given up their rotten little empire, and that was all we needed to know. Any thought that the collapse of the Soviet Union was a clever chess move in a much larger strategic game seemed implausible, thus the idea was simply derided with its proponents ridiculed or completely ignored.

Educated opinion in the West accepted the collapse of the Soviet Union as spontaneous and authentic. The West embraced Russia's new democracy and nothing could correct this misunderstanding. No criticism or warnings from abroad could break the fever of the West's victory sickness. What was going to happen at the end of this chess game could not be prevented.

Russia's strategy was to eliminate Communism as a perceived threat, so that Americans would no longer see Russia as an enemy. The collapse of Communism brought down the Berlin wall, but following its collapse a new Iron Curtain of denial was constructed in the West itself. The "peace dividend" was promised to the American people, with intoxicating results; the left was satisfied while the right was triumphant and self-congratulatory. Thus, the deception was perfect. Everyone was bought off, emotionally and materially. The truth did not have one chance in a million.

Almost 30 years have passed since the fall of the Berlin Wall. The vacuum of power which was created by the collapse of Soviet Union has led the world, rather than to an era of permanent prosperity and the end of history, to the brink of actual war. Russia merely appeared to embrace democracy and a consumer-based economy, but nothing of the sort ever really occurred. Instead, Russia has developed entirely new classes of 5<sup>th</sup> generation weapons, which no other nation possesses<sup>1</sup> and has armed itself to the teeth. The early reports of the demise of the Soviet Union and the end of the communist threat now appear at best, to have been greatly exaggerated, or at worst, an intentional deception. Although the intelligence service of the Soviet Era, the KGB, was renamed the Federal Security Service (FSB), it facilitated the rise of Vladimir Putin, a former KGB officer, proving the security service remains very much in power within the "new" Russia.

Unfortunately, most Americans are about to discover this truth the hard way. The "new" Russia is the former Soviet Union in every way but for its name, and its leaders only feigned friendship with the West while never once abandoning their grand strategy of deception as a precursor to war. And the men who rule this communist nation, who sold themselves as allies of the west, they have merely been playing a very clever chess game of lies and deception, hiding

their true intentions which were birthed within the mind of a beast.

*And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh. (Daniel 7:5)*

## THE COMMUNIST POWERS ARE PREPARING FOR WAR

When you examine Russia's actions over the last few years, their war propaganda media blitz which portrayed America and NATO as a military threat, alongside their development of new 5<sup>th</sup> generation weapons and recent military preparations and mobilizations, a

clear picture emerges - Russia is actually preparing for war.

When you contrast this reality with the terrible lack of readiness on the part of US forces, the window of America's vulnerability is at or near its maximum. During the time of the ABM Treaty, Russia developed dual purpose anti-aircraft missiles which also serve as anti-ballistic missiles (ABM) and Russia has close to 12,000 such missiles today. In the US, we have basically none, unless you count 100 or so outdated Nike interceptors from the 1960's.

President Trump's efforts to refurbish our aging nuclear arsenal and strengthen our military forces emasculated by eight years of

Obama's social engineering and intentional disarmament, only serves to compel our enemies to attack us before their window of opportunity closes. Most Americans are also unaware our nuclear deterrent is for the most part over 25 years old, and can no longer be assumed reliable given the obsolescence of aging warheads. Coupled with Russia's state of art anti-missile defenses, our enemies can now attack us with impunity.

## US NATIONAL DEFENSE CRISIS

A recent Report by the National Defense Strategy Commission stated, "The U.S. military could suffer unacceptably high casual-

ties and loss of major capital assets in its next conflict. It might struggle to win, or perhaps lose, a war against China or Russia. The United States is particularly at risk of being overwhelmed should its military be forced to fight on two or more fronts simultaneously. In conclusion, we wish to be crystal clear about one thing. The costs of failing to meet America's crisis of national defense and national security will not be measured in abstract concepts like "international stability" and "global order." They will be measured in American lives, American treasure, and American security and prosperity lost. U.S. military superiority is no longer assured and the implications for American interests and American security are severe."

The Center for Security Policy published an article by Mary Fanning and Alan Jones on October 24<sup>th</sup>, 2018, in which they discussed information obtained from Russian Defense Journals and secret Iranian military documents, stating "Russia and Iran have developed a Pearl Harbor 2.0 plan to sink the entire U.S. Navy fleet as part of coordinated asymmetrical attacks against the United States and U.S. military bases around the world. The plan is to launch Russian Kalibr cruise missiles from submarines, freighter ships, and Trojan Horse Club-K Container Missile System intermodal cargo 'containers' that can be smuggled into U.S. ports and moved into the U.S. interior aboard trains and semi-trucks. In

2015 the Russian journal 'Natsionalnaya Oborona' (translation: National Defense) outlined a plan to 'hit them in their ports' with Kalibr cruise missiles that could sink entire US Navy fleets docked in ports across the United States, Europe, and the Middle East." Similar reports by scores of other experts confirm this grim reality; the next world war is indeed truly coming upon us.

The destruction of America Babylon will be a surprise to the American people, and it will also surprise the sleeping American church, for the Lord has commanded a perpetual sleep upon them, from which only a remnant shall awaken. In their heat I will make their feasts, and I will make them drunken, that they may rejoice, and sleep a perpetual sleep, and not wake, saith the LORD. I will bring them down like lambs to the slaughter, like rams with he goats. How is Sheshach taken! and how is the praise of the whole earth surprised! how is Babylon become an astonishment among the nations! Jeremiah 51:39-41

## THE 70 YEAR REIGN OF BABYLON

Jeremiah prophesied that the nations would serve the King of Babylon for seventy years and when the seventy years were completed, God would judge the king of Babylon and that nation. In perfect fulfillment, ancient

Babylon was conquered by Cyrus, king of the Medes and Persians, in a single night.

A similar 70-year reign of end time Babylon is also revealed in Jeremiah 25:12 which describes both the judgment of ancient Babylon and its king followed by a judgment upon '**the land of the Chaldeans**', a name which references the satanic elite or the '**deep state**' that would one day rule the end time superpower described in Scripture as '**Mystery Babylon the Great**'.

---

The nations shall serve the king of Babylon seventy years and when seventy years are accomplished, I will punish the king of Babylon, and that nation, saith the LORD, for their iniquity, and the land of the Chaldeans, and will make it a perpetual desolation.  
Jeremiah 25:11-12

---

If we look closely at the 2<sup>nd</sup> half of this prophecy, the reference to the land of the Chaldeans, which will become a perpetual desolation following its judgment, was not fulfilled in the fall of ancient Babylon, nor was the nation of Babylon reduced to a perpetual desolation at the time of her judgment.

Following the conquest of ancient Babylon, Cyrus's first action was to free all of the slaves. Rather than being physically destroyed,

the ancient city of Babylon and its people were left unharmed. Yet the text in Jeremiah 25:12 reveals the land of the Chaldeans would become an utter desolation at the time of its judgment. So, what exactly is the meaning of this reference, 'the land of the Chaldeans' and why has this part of the prophecy not yet been fulfilled?

The balance of Jeremiah 25 gives us the obvious answer; beginning in verse 13 the prophet presents events which are part of the judgment of Almighty God at the end of the age, which will begin with the land of the Chaldeans. None of the events prophesied in the second half of Jeremiah 25 occurred in the fall of ancient Babylon. In Jeremiah 25:14 we are told, "Many nations and great kings shall come against the land of the Chaldeans" whereas only the Medes and Persians came against ancient Babylon. The text goes on to warn that these many nations shall take the Chaldean people into slavery. In his conquest of ancient Babylon, Cyrus freed the slaves and didn't take any Babylonian citizens into slavery.

In Jeremiah 25:15, the Lord commissions Jeremiah to carry the cup of his wrath to all the nations of the earth, citing thirty of them by name, with thirty being the number of maturity or fullness. In Jeremiah 25:26 the Lord makes this matter absolutely clear. He is talking about the judgment of God which shall come upon the

entire earth at the end of age adding to the list of thirty nations the statement "and all of the kingdoms of the world which are upon the face of the earth" - a clear reference to the judgment at the end of the age when God judges the entire earth.

In Jeremiah 25:30 the prophet declares that God shall utter his voice "against all the inhabitants of the earth" following his judgment of the land of the Chaldeans, whereas in ancient Babylon, God only judged the king, giving the nation over to the Medes.

In Jeremiah 25:31 we are told "a noise shall come to the ends of the earth." When ancient Babylon fell to the Medes, they crept in silently in the middle of the night as quiet as a church mouse. No one heard a thing, and when the people awoke in the morning it was already over. There was no noise heard in the ends of the earth. But in the judgment of Mystery Babylon at the end of the age, the noise shall be heard among the nations.

In Jeremiah 25:32 we are told an "evil shall go forth from nation to nation, and a great whirlwind shall be raised up". Nothing of the sort happened in ancient Babylon.

The prophecy of God's judgment upon Babylon after her rule over the nations for 70 years is repeating at the end of the age in Babylon America. The prophecies in Jeremiah 50 and 51 also describe the

judgment upon America at the end of age in which America is described as the 'daughter of Babylon', a descendant empire and in which the cities will one day burn like Sodom and Gomorrah. In this section of scripture, America is referred to as the land of the Chaldeans seven times, and the scripture is emphatically clear, the land of America will become a complete desolation at the time of her judgment. None of the prophecies within Jeremiah 50 and 51 were fulfilled in the fall of ancient Babylon.

---

How is the hammer of  
the whole earth broken!  
how is Babylon become  
a desolation among the  
nations! And the land  
shall tremble and sorrow:  
for every purpose of the  
LORD shall be performed  
to make the land of  
Babylon a desolation  
without an inhabitant  
Jeremiah 50:23, 51:29, 43

---

The sword that came upon the King of Babylon in the time of Jeremiah did not come upon the inhabitants of Babylon, the sword only came upon the king and the ruling elite. The inhabitants of Babylon continued to live their lives as if nothing happened. In much of the empire, they didn't know the kingdom had fallen for several months. Yet in Jeremiah 50, we are told the sword will come upon the inhabitants of the daughter of Babylon.

---

A sword is upon the Chaldeans, and upon the inhabitants of Babylon, and upon her princes, and upon her wise men. Jeremiah 50:35

---

In the judgment of ancient Babylon, the army of the Medes slipped in quietly under the cover of darkness and when the people awoke in the morning it was over, and not a sound was heard. When America is destroyed, the sounds of battle and of great destruction will be heard in the land at the time of her judgment.

---

A sound of battle is in the land, and of great destruction. How is the hammer of the whole earth cut asunder and broken! How is Babylon become a desolation among the nations!  
Jeremiah 50:22-23

---

## THE LAND OF THE CHALDEANS

Chaldea is a name commonly assumed as a synonym for the land of Babylon, but the Chaldeans were in fact a separate region to the south which became absorbed into ancient Babylon. The Chaldeans were masters of all forms of incantation, sorcery, witchcraft, and the magical arts. The term Chaldean in Hebrew translates as an astrologer or professional occultist. Chaldeans

were counted among the wise men of ancient Babylon whom the King summoned to interpret his dream in Daniel 2.

---

And in the second year of the reign of Nebuchadnezzar, he dreamed dreams, wherewith his spirit was troubled, and his sleep brake from him. Then the king commanded to call the magicians, and the astrologers, and the sorcerers, and the Chaldeans, to shew the king his dreams. So they came and stood before the king.  
Daniel 2:2

---

Ancient Babylon was revealed as the 'head of gold' in the King's dream with each successive empire within the great statue also part of 'Mystery Babylon' which represents the kingdom of Satan, which would rule over the earth in diverse times and places.

The city of Babylon's history dates back to the early chapters of the book of Genesis. It was only under the rule of the Chaldeans that ancient Babylon rose from being a nation state to an empire which would dominate its regional part of the world for 70 years.

The history of America has similar parallels. The United States pursued an isolationist foreign policy until the rise of the Modern Amer-

ican empire in the late 1940's. It was during this period, that the satanic shadow government silently assumed control of America and thus Satan began to lift up America as a global empire, and what would become the last days super-power described as the hindermost nation of Jeremiah 50.

---

Behold, the hindermost of the nations shall be a wilderness, a dry land, and a desert. Because of the wrath of the LORD it shall not be inhabited, but it shall be wholly desolate: every one that goes by Babylon shall be astonished, and hiss at all her plagues.  
Jeremiah 50:12-13

---

The word used for hindermost in this text is אַחֲרִיִּת, achărîyth which means the *last* and *final* superpower. A similar word is used in Genesis 33:2 where it is translated '*in the west*.' The shadow government of the last day's superpower, America, which rose in the west are once again the sorcerers of the satanic secret societies whose roots trace back to the ancient mystery religion of the Chaldeans, which is the mystery religion of the beast.

## WHO WILL APPOINT ME THE TIME?

---

Behold, he shall come up like a lion from the

swelling of Jordan unto the habitation of the strong: but I will make them suddenly run away from her: and who is a chosen man, that I may appoint over her? for who is like me? and who will appoint me the time? and who is that shepherd that will stand before me?  
 Jeremiah 50:44

In the above scripture, the Lord directly asks this question: who will appoint or discern the timing for the judgment of America Babylon? Who will declare the time of her fall? Who will give the legal summons to America demanding she appear for her trial by fire? This prophetic riddle is one of the tests required of the men of wisdom presented in the scriptures.

This is the only verse of bible prophecy where the text reveals that someone would discern the timing of an event beforehand and this discernment is not itself a prophecy, as the text does not say, 'who will I reveal the timing to beforehand'. The text uses the word 'appoint' which is the word **אָפּוּן**, *yāad* and it means to *fix* by agreement or appointment; to *summon* to a trial, to appoint or discern a time. Thus, the discernment of the timing of the judgment of America Babylon would not come through a prophetic revelation, but rather would be discerned after careful study and meditation on the parable of the fig tree, and its unveil-

ing within the prophecies hidden within the Psalms; and like the words of God, it too would be purified over time.

## THE AMERICAN CENTURY

The institutions of power through which America would lead the post-war world were created for most part in 1948; these include the General Agreement on Trade and Tariffs or GATT, NATO, the World Health Organization, the Organization of American States, and the Marshall Plan. The World Council of Churches was also created that year to exercise American leadership over what would become apostate Christianity. All of the leaders of the western world gathered in Washington to witness the signing of the NATO treaty on April 4<sup>th</sup>, 1949, for the official crowning of America as the new leader of the free world.

While the world hoped the new American Century would bring both peace and prosperity, behind the closed doors of the world's secret societies, the Chaldean sorcerers had already seized power in a silent coup d'état. They would consolidate their rule through the creation of a shadow government within America's political institutions which would direct America's policies under the control of the satanic elite who had already acquired ownership of America's global corporate giants. The new establishment would now exer-

cise its rule through control of the media, education, and both political parties.

The other key events of 1949 included the formation of the Council of Europe in August for the purpose of developing a framework to unite Europe while on the same day the Soviet Union tested its first atomic bomb. The Federal Republic of Germany was officially founded in May while in September, America's first mass shooting occurred. On October 1<sup>st</sup>, Mao Satan declared the creation of the People's Republic of China (PRC) after the end of China's four-year civil war while on December 13<sup>th</sup> the Knesset voted to move the capital of Israel to Jerusalem. Suddenly all of the end times actors were presented on the world's stage together.

With America as the sole legitimate leader of the free world and now firmly under control of a deep state, the Chaldeans began to build an empire. In order to grow quickly, a new enemy was required, so Russia was lifted up as a nuclear power and a new cold war began. As Israel declared Jerusalem their eternal capital, the shadow government forces of the anti-Christ begin moving the nations towards a New World Order with the formation of Council of Europe. So, the only question is: what is the proper count for the 70 year reign of America Babylon at the end of the age? And when will America fall?

"Nebuchadnezzar ascended the throne on the same day as he reached the capital (1<sup>st</sup> of Elul, on the 6/7th September 605 BC) and was immediately recognized as king. The history of the Chaldean kings treats the events following the day that Nebuchadnezzar' sat on the royal throne at Babylon' until the celebration of the New Year Festival eight months later as a distinct period called 'the accession year'- marked off from the events leading up to the accession separating them from those of the first full calendar year of his reign." <sup>2</sup>

The institutions of global government were all erected following WWII and the final crowning of America as the leader of the free world (the crowning of the rider on the white horse of the book of Revelation) took place with the signing of the NATO treaty in Washington DC in April of 1949. This was the year the deep state lifted up America Babylon to the throne of the world, thus under the Chaldean tradition, 1949 was the year of ascension while 1950 would mark the first year of the rule of America as end time Mystery Babylon over the nations.

Assuming the 70-year reign began in 1950, 1963 would become the 13th year of their rule. This was the year the deep state murdered America's freely elected President in broad daylight and then sealed the official investigation. It was also the year they

took prayer out of the schools in America, with 13 being the number of rebellion. Following the murder of JFK, the government issued a 13 cent stamp to commemorate his death? Or was it to commemorate the 13<sup>th</sup> year of the Chaldean rule, 13 C?

1973 was the 23rd year of their reign, the year in which it became legal to kill babies in America following the Roe v. Wade decision, with the number 23 being the number of death.

1969 was the 19th year of their rule. The Number 19 carries the power of the number 1 as well as iniquity implied by the number 9, which is an upside down six, representing human values turned upside down. This message of inversion of normal values is repeated in the meaning of the number 69, which is perversion. The first number 1 and the last number of 9 before ten, thus represents the completion of the past, and the door to the future. In ancient times, it was known as the 'Number of Surrender'.

So, 1969 represented the completion of the task of corrupting America, fatally damaging the Christian foundation of our heritage through the rebellion of the 60's which came to maturity that year. It also marked the beginning of the destruction of the family, as the shadow government normalized divorce and then forced mothers into the workplace during the inflation of the 1970's.

2019 also represents a year of completion representing both the number 19 and the 69<sup>th</sup> year of the rule of the Chaldean kings, as the deep state has now completed the division of our once United States into two soon to be warring camps. In simple terms, the year 2019 is the 69<sup>th</sup> year of their rule, and it represents the completion of their task of destroying Christian America whose end will inaugurate a new beginning, the dawn of the New World Order.

In 1969, the new beginning was the transformation of our country over the next 50 years into an atheistic, perverted, and divided nation where liberals now embrace the ideals of communism and where the Christian heritage of our country is now viewed as racism, or a form of white supremacy.

The year 2020 will usher in the 70th year of their rule which should also witness the end of our once free nation. The 70-year reign of America can be measured

as follows with World War III likely to occur within the 70<sup>th</sup> year.

## THE NATIONS SHALL SERVE BABYLON 70 YEARS

The prophecy of Jeremiah 25:12 declared all of the nations would serve the king of Babylon for 70 years. Europe and Japan were severely damaged by the destruction of the 2<sup>nd</sup> World War and their populations were impoverished. So, the nations all began to 'serve' America after the end of World War II, building export industries to harvest their raw materials or produce goods to be sold in America.

In the early years, America paid for this trade in gold, but in 1971, with its gold reserves nearly depleted, Nixon and Kissinger created the petrodollar in a secret agreement with the Saudi regime. In paying for its trade deficit, America would now export only debt, while OPEC would accept only US dollars in payment for oil. These dollars would be recycled in the US Treasury market, financing the US budget deficit, or they would be used to purchase

military weapons from America's arms industry. In exchange, the United States military would ensure the safety of our allies, and especially the Saudi regime.

By accepting petrodollars, America's trading partners were knowingly subsidizing the US military budget and the cost could be measured by the level of US currency debasement. In the early years, the cost of this subsidy was low; while the perceived value of America's military protection was quite high. Over its 45-year history, the petrodollar has allowed the United States to export over \$10 trillion in debt, an external debt balance of historic proportions, and also a debt which can never be repaid.

The cost of financing America's structural deficits is no longer perceived as low while the value of America's military protection is now quite uncertain. We are one military defeat away from the loss of the petrodollar. The first US carrier to be hit by a hyper-sonic missile will mark the end of this era. A global financial collapse will follow almost immediately, leading to the fall of America Babylon. Russia and China intend to use Iran or North Korea as a proxy to test their new 5<sup>th</sup> generation weapons against the US Navy before directly confronting America themselves.

Following the next war, which is pictured as the Red Horse in the

book of Revelation, the Black Horse of famine, plague and death will then devastate the earth. The Black Plague was called the 'Black Death' as it brought misery, death and economic ruin to Europe in the middle of the 14<sup>th</sup> century. The plague ravaged Europe for seven years, killing an estimated 30% to 60% of the population (30 to 100 million people).

It was finally eradicated in the year 1353. 2019 marks the 666<sup>th</sup> year anniversary following its eradication in 1353. The plague has coincidentally re-emerged in the slums of skid row in LA and in the south of Africa, right on time for its 666-year anniversary, and so the Black Horse will begin to ride again as the world enters the beginning of the time of Jacob's trouble, also a 7-year period, following WWIII.

## HIDING FROM THE TRUTH IN AMERICA

Present day Americans, by and large, value their comfort more than the truth. Jeremiah speaks of such people, whose eyes and ears God has closed. They will not repent and therefore they cannot be healed. Only a remnant survives and our time will be no different. "I will make them drunk that they may rejoice, and sleep a perpetual sleep, and not wake, saith the LORD. I will bring them down like lambs to the slaughter, like rams with he goats. How is

America Babylon taken! And how is the praise of the whole earth surprised." Jeremiah 51:40, 57

There are many reasons why war is coming soon; I will address just a few. First, the financial position of the US is that of 'a camel waiting for the proverbial straw'. US indebtedness and fiscal imbalances, which can never be repaid, rest upon a foundation of imported capital, and are no longer sustainable. And if they were to continue, the cost of sustaining them would be borne by our trading partners, many of whom we are now discovering to be our enemies.

China has recently completed an alternative international settlement system which will allow nations to settle international payments outside of the US dollar and it is now operational. We are living in the final days of the 'petrodollar' era. When the petrodollar goes, the US will lose its seeming unlimited funding source for its trade deficit, through which we finance our fiscal deficit and our military budget. Without the 'petrodollar' we won't be able to export our debt at near zero interest rates. America will then be confronted with a choice: either surrender its super power status and give up its subsidized standard of living, or go to war to defend it. Unfortunately for America, the choice will not be ours to make as our enemies are already preparing for war against us.

## THE FINAL PHASE

A number of recent news incidents dismissed as accidents look very much like the final phase of Russia's pre-war preparations, described as the 'overture' by Soviet defector, Victor Suvorov, in his book, *Spetsnaz: The Inside Story of Russian Special Forces*. The increasing number of 'accidents' alongside our growing scandal filled news fit Suvorov's description of the overture perfectly while the fictitious events he described now seem eerily prophetic. In 2018 a train filled with Republican congressmen just happened to be involved in an accident, and had it derailed, the accident could have killed or injured scores of them. For those who are unaware of the strategy embodied within the overture, Suvorov explains:

"The last months of peace, as in other wars, have an almost palpable air of crisis about them. Incidents, accidents, small disasters add to the tension. Two trains collide on a railway bridge ... a supertanker bursts into flames. In the United States an epidemic of some unidentified disease breaks out and spreads rapidly; at the same time terrible fires begin raging in the west.

"All these operations - because of course none of these events is an accident - and others like them are known officially in the GRU as the 'preparatory period', and unofficially as the 'overture'. The

overture is a series of large and small operations the purpose of which is, before actual military operations begin, to weaken the enemy's morale, create an atmosphere of general suspicion, fear and uncertainty, and divert the attention of the enemy's armies and police forces to a huge number of different targets, each of which may be the object of the next attack. The overture is carried out by agents of the secret services of the Soviet satellite countries and by mercenaries recruited by intermediaries. The principal method employed at this stage is 'grey terror', that is, a kind of terror which is not conducted in the name of the Soviet Union. The Soviet secret services do not at this stage leave their visiting cards, or leave other people's cards. The terror is carried out in the name of already existing extremist groups not connected in any way with the Soviet Union, or in the name of fictitious organizations.

What we have been witnessing in the news over the last two years is a perfect example of the overture. The Russia collusion scandal, the sexual harassment scandals, the spontaneous fires erupting overnight in California, pipeline explosions, numerous train derailments, refinery explosions, power outages, and the 2017 super flu epidemic - these are the exact illustrations Suvorov used to describe what the overture would look like in the eyes of the average American.

## THE OCCULT SIGNATURE OF THE AMERICAN GOVERNMENT

The future, for the most part, is unknowable, as mortal men are rarely permitted to peer through its veil. Most people would also prefer not to see into a future as terrible as ours; they would find it too troubling to their souls. Most Americans do not wish to understand how deeply the darkness has infiltrated our country and our institutions of power. They prefer to neither hear nor understand anything about the terrible catastrophe that awaits our nation.

The dark forces which now control the shadow government in America are as hideous and evil as they are real; they have led us to the edge of an abyss in which our military was intentionally weakened and our nation left virtually defenseless. The window of vulnerability that exists today was left wide open by their design.

These dark forces have ruled over the secret societies of the world from the beginning of time. They are the unseen rulers of this ruined age, and they are under the direct control of Satan. They have dominated the government of our nation for the better part of the last hundred years through their secret societies which are the prophetic link of the United States to 'Mystery' Babylon, for the ruling powers in America are all participants

in the same 'mystery religion' practiced in ancient Chaldea.

The book of Revelation reveals the shadow government as ten kings who will rule with Beast; they hate the woman 'America Babylon' and so they made our country desolate, and now they plan to burn America with fire. The 2008 financial crisis, the result of a housing crisis which they engineered, was used to loot our nation. And now they plan to use the next world war to literally burn America with fire. There should be no doubt of which nation the prophecy speaks: And the woman, (Mystery Babylon) which thou saw is that great city (nation state) which reigns over the kings of the earth (at the time of the end). The occult signature left behind by these satanic forces can be found in all of the major events of our history; and although this truth can be painful to observe, those who have been called as true watchmen, dare not look away.

"Masonic betrayal of the 'common man' involves archetypes of fertility and death symbolism seemingly motivated to bring about syncretism in opposing principles in order to 'green' Israel, rebuild the Temple of Solomon and establish a One World government. It is certain that onomatology (and numerology) or the secret science of names (and numbers) forms a very integral part of the mystery school of the higher Masonry.... - *Encyclopedia of Freemasonry*"<sup>57</sup>

Onomatology is the science or study of the origin, forms and mystical meaning of names. Numerology is the science of occult symbolism based upon the mystical meaning of numbers. These are both used as symbols to reveal the presence of the dark arts of sorcery and mystic alchemy which are hidden in plain sight in many of the world's most important events. These symbols are both symbolic clues and numerical keys which the unseen rulers of this fallen world use to unlock pathways to another realm in order to ensure the success of an endeavor. They are employed frequently by the secret societies whenever they attempt to release the power 'as above' in their rituals 'so below'.

When you begin to understand these symbols, you will find them as finger prints at the scene of many crimes, so they ought not to be ignored. "When the ancients saw a scapegoat, they could at least recognize him for what he was: a human sacrifice. When modern man sees one, he does not, or refuses to, recognize him for what he IS; instead he looks for 'scientific' explanations-to explain away the obvious."

America has been chosen as a scapegoat, a blood sacrifice of 300 million souls who will be slain to usher in the rising of the New World Order, and from that destiny she cannot escape. Once this truth is understood, the ob-

vious will be perceived, and truth will never be able to hide in plain sight again. The death of America in World War III was been planned long ago as the opening ceremony for the dawn of a New Age.  
APPOINTING THE TIME

The command to restore Jerusalem was issued in April of 1969, and the seven weeks prophecy of Daniel points to the birth of the man-child company, or the Messiah the Prince, in the fall of 2019. *Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks.*

The parable of the fig tree can be interpreted to forecast the great war no later than 2021. The 70-year reign of America Babylon would forecast the destruction of America in World War III perhaps as early as the fall of 2020 or no later than the fall of 2021.

Jeremiah prophesied for 23 years, and then the judgment came upon Israel. I was shown the judgment in 1996, when I was translated into the future to witness the violent persecution coming upon American Christians and the fall of 2019 will represent the 23<sup>rd</sup> year of my testimony. Truly the Day of the LORD is indeed finally at Hand!

# SOUL-DIER FOR CHRIST

Mel Novak, a dedicated SOULdier for Christ, is an Ordained Minister called by God to share the Good News of Jesus Christ and salvation to the homeless on skid row and in prisons. (Matt. 25:34-40, Isaiah 58:6,7,10,11).

For the past 37 years, Mel has faithfully ministered on the streets of L.A., and in the chapel services at the Union Rescue Mission, Fred Jordan Mission, L.A. Mission and the Long Beach Rescue Mission. Mel has also ministered at prisons for 36 years, in penitentiaries from San Quentin and Pelican Bay in California, to New Jersey, New York, Pennsylvania, Florida, Alabama, Texas, New Mexico, Arizona, Nevada, Washington, and Oregon.

Over 187,000 have accepted God's precious gift of salvation through Grace, by receiving Jesus Christ as their Lord and Savior or rededicating their lives. (Eph. 2:8) Jesus sets the captives free (Isaiah 61:1) and by his stripes they are healed (Isaiah 53:5) spiritually, mentally, emotionally, and physically.

Although Mel believes that Christ heals more important things than bodies, he has personally experienced God's miraculous healing power. As a child, Mel's leg was saved from amputation through prayer. Years later, his throat was healed by the Lord after having ten failed surgeries in ten years. A serious injury to the eye, a torn cornea, was healed by the Lord only hours before surgery. During Easter of 1983, Mel was spared from death after serious hemorrhaging from surgery. On March 14, 1998, Mel almost died from peritonitis caused by an anti-inflammatory prescription medication. God spared Mel's life seven times and he had 28 surgeries. Mel was also healed of prostate cancer in October of 2010 without chemo or radiation.

A native of Pittsburgh, Mel was an outstanding athlete in several sports. He passed up 60 football scholarship offers and signed a pro baseball contract with the Pittsburgh Pirates. His career was cut short by a massive rotator cuff injury. Despite the pain and setback from his injury, Mel learned even more clearly "that God works all things together for the good of those who love him and for those called according to His purpose" (Romans 8:28). God has blessed Mel with many miracles (Luke 1:37; Jeremiah 32:17 & 27). God does NOT change (Mal. 3:6, Heb. 13:8).

Mel has starred or co-starred in 54 feature films. Mel is well known for Bruce Lee's "GAME OF DEATH"; BLACK BELT JONES; Yul Brynner's "THE ULTIMATE WARRIOR"; Steve McQueen's TOM HORN; & Chuck Norris's "EYE FOR AN EYE". Some of his recent completed roles are: SYNDICATE SMASHER; TALES OF FRANKENSTEIN; WHEN IT RINGS; AN HOUR TO KILL; ETERNAL CODE; NEMESIS-5; FIGHT OR DIE; HOLY TERROR; ROBO WOMAN; SAMURAI COP 2, DEADLY VENGEANCE; CHECK POINT; ASH & BONE & LA SHARK ATTACK. Other starring roles Mel has done are: GIANTS; POWER ELITE; S.W.A.T.; WARHEAD ONE; THUNDERKICK; VAMPIRE ASSASSIN; EXPERT WEAPON; SWORD OF HEAVEN; FORCE OF DARKNESS; FAMILY REUNION; CAPITAL PUNISHMENT and others. Having died twenty-five times on screen, he says happily, "I get what I deserve in the end. The Lord's justice is very much like that."

Mel has been a member of the Academy of Motion Picture Arts for 16 years. Even through his testimony is powerful and thousands find Christ through his preaching and teaching, Mel insists he's not the one doing the work. "I give God the honor, worship and glory." Jesus Himself said, "No man can come to Me unless the Father first draws him." (John 6:44). So I count it an honor and a privilege to be able to share my faith and lead lost souls to Christ. The Lord truly bless-es me as I serve Him in whatever way He leads. After all, Jesus Himself came to serve, not to be served. can we do less?(Matt. 20:28) I believe God designed my life's message.

# TESTIMONY OF THE MONTH

## TESTIMONY OF BRADY, "THE PRODIGAL SON"

I grew up in a home void of a father so my mom had to work 2 jobs just to get by so I didn't have much guidance and tried to figure out life on my own. I quickly found my identity in the streets and a gangster life style which was a good way to vent my anger. I found football at the age of 8 and quickly realized it was the perfect sport for me and for the next 14 years football became my passion next to fighting and kicking it with the homies. Even though I was in and out of juvenile hall and later the county jail, football was always there to help put the pieces back together. This gave me a purpose and a hope. It wasn't until getting arrested again in college and losing my football scholarship that I really took a turn for the worst. I began to fill the void with drugs and the only other thing I was good at was gang banging and violence. I began using meth amphetamine along with drinking and any other drug I could get my hands on. I quickly went from selling it and snorting it to cooking it and shooting it. I was so lost and wicked that I was convinced I wanted to be a killer and surrounded myself with such. Fights, robberies, stabbings, shootouts were a common occurrence and I glorified the dark side. I eventually made it to prison and continued to want to climb the ranks of the prison system. I was quick to mock Christians because in prison we considered it a weakness, plus I personally thought Christianity was a joke... that Jesus was just a myth... boy was I wrong. It wasn't until sitting in the hole wasting away and totally secluded that **JESUS CHRIST** revealed himself to me through His holy word. Something changed inside me and the seed **GOD** had planted began to grow. Shortly after, while doing time at Pelican Bay State Prison, I went to a church service and that is where I met Mel Novak... and my life changed. He talked about Jesus and the power of his forgiveness and how much He truly loved us... and how much satan wants to destroy us. Mel told me that **JESUS** was my father and he'd been there all along just waiting for me to come home to His open arms and lovingly embraced me... and he was right. Mel's knowledge and sincerity really affected me and little did I know he would end up becoming my personal mentor, my pastor, and my close friend. Since my release in 2007, Mel has been pivotal in my walk with **GOD** because he's always calling to check up on me and inviting me to Bible study... or helping me when I really need it. Mel Novak is a true Soldier for **CHRIST**, a real spiritual warrior that speaks Biblical wisdom and fears nothing but **GOD** himself. Mel is my role model. I know **JESUS** placed him in my life like a light house on the shore guiding a lost ship home. **JESUS CHRIST** has completely changed my heart and renewed my mind. I've been sober, serving the Lord since I received Jesus Christ as my Lord and Saviour and have 3 beautiful kids... and spend a lot of time ministering downtown on Skid row in Los Angeles with Mel and other Christian brothers. I am a living testimony to **GOD'S** grace and mercy that saved a wretch like me. I am a new man. I urge everyone to open their heart and mind to the power of **GOD'S** love and forgiveness. He's real and living and breathing... and is waiting for you to call. Praise be to **JESUS CHRIST**, but thanks be to Brother Mel, I love you man!

# MINISTRY UPDATE

Warm greetings in the name of our Blessed & soon coming **KING, JESUS CHRIST**. Satan, thru the Antichrist (I John 4:3) wants to rule the world from the Temple Mount, **BUT GOD** has decreed in the context of the end of the age says in Ps. 2:6, "Yet have I set my **KING** upon **MY** Holy Hill of Zion."

To the **SON**, the **FATHER** entreats, "Ask of **ME**, & I shall give **YOU** the heathen for **YOUR** inheritance, & the uttermost parts of the earth for **YOUR** possession. **YOU** shall break the (nations) with a rod of iron. **YOU** shall dash them in pieces like a potter's vessel," (Ps. 2:8, 9).

And to the world **HE** invites, "Be wise now therefore, O you Kings: be instructed you judges of the earth. Serve the **LORD** with fear & rejoice with trembling. Kiss the **SON**, lest **HE** be angry & you perish from the way. When **HIS** wrath is kindled but a little. Blessed are **ALL** that put their **TRUST IN HIM** (Ps. 2:10-12).

August was an awesome month for me. I spent 7 days in Oregon with Lea & family and went to Washington to preach at Larch Mountain Prison for dear friend & Brother Chaplain Jakstas. Chaplain & friend Ron Brandon drove me there. 61 inmates came to the chapel service and 61 prayed the Salvation Prayer. All received the Arsenal Prayer.

After the harvest, I came back home & ministered in the Fred Jordan Mission at Skid Row, 3 times. Also did two most powerful Omega Man Internet Shows with Anointed Man of God, Shannon Ray Davis. It's amazing to me that people in 167 countries tune in. **P.T.L.**

My time with Lea, Jeremy, Elijah, Ali Mae & Ryan was absolutely wonderful. I get so much **LOVE**. On August 24th, I was honored and blessed to do the wedding ceremony for Lea & Jeremy. Lea looked gorgeous. Jeremy is like a son I never had. It was a beautiful wedding. Elijah & Ryan walked Lea down the aisle. Ali Mae was the flower girl.

I came back home again & was a guest speaker at the Persian Church for Pastor Martin which was a blessing.

My Bible Studies were well attended. One my teachings was on the dangers of Depression & the other on Matthew 11:28-30. Both were important and well received.

This month brought countless calls for prayer & counselling. So many have deadly wounds that go deeper or are more painful & damaging to the human soul as those incurred by **REJECTION**. Today, it is almost impossible to find anyone who, at some point in their life has not experienced the pain of **REJECTION**.

Some people feel the attack of **REJECTION** while still in the womb, as in the case of an unwanted pregnancy. **REJECTION** is a weapon that is very

effectively used by enemy of our soul in his all-out war against mankind (II Cor. 10:3). Satan is the real culprit behind **REJECTION**!

**REJECTION** produces feelings of being unloved, unwanted, worthless, somehow not measuring up to expected standards. **REJECTION** comes thru the words & actions of loved ones, since they are the ones we are vulnerable to.

What about childhood thru adolescence? Physical embarrassing ridicule are cutting wounds: too short; fat; big nose. You are stupid, clumsy & will never amount to anything. This **REJECTION** is also displayed by physical abuse. Wounds to the body will heal, the emotional pain is still there from the wounds to the soul that refuse to heal.

**REJECTION** is also displayed thru being ignored, by the absence of attention. Perhaps it is because of large families or uncaring step parents. In either case, the missing ingredient is **LOVE**. We are created by a **GOD** who is **LOVE** (I John 4:8, 20). The need for **LOVE & ACCEPTANCE** is inherent in every child from the time of his conception onward.

However, when it comes to the degree of pain in causes, the **BETRAYAL** of a spouse is possibly the worst form of **REJECTION**. Infidelity cuts to the deepest recesses of heart & soul, causing tremendous emotional upheaval.

Closely related to **BETRAYAL** is **ABANDONMENT**, where a loved one simply walks out of a person's life. With these 2 & **REJECTION** hampers one's ability to relate to other people, & worse, in their ability to relate to **GOD**. Their emotions are uncontrollable & can run the gamut from suicidal depression to wild outbursts of anger & rage. They crave **LOVE & ACCEPTANCE** but it is coupled with fear & distrust.

A mind that is filled with unresolved pain & unmet needs will distort everything that filters thru it. That's why so many have such a difficult time accepting the **FACT** that **GOD LOVES THEM** (Jer. 31:3).

But, **PRAISE GOD!** He has the answer! If you have been the victim of **REJECTION**, you need to be fully assured of this fact: There are absolutely **NO** wounds that the devil has inflicted upon you that our **GREAT PHYSICIAN** does not have the remedy for, so you can be totally & completely healed! (Ps. 147:3; Jeremiah 30:17).

Every believer must know they are **NEVER** alone (Heb. 13:5; Matt. 28:20; Deut. 31:6, 8).

Go to my website: [www.melnovak.com](http://www.melnovak.com) & download my Warfare Arsenal Prayer & **PRAY** it **DAILY**.

Until next month, **LORD** bless you & thank you & praise **HIM** for your love offerings.

FROM PASTOR JOSEPH COHEN

## **DEAR SAINTS,**

This is the day that the Lord has made, let us rejoice and be glad in it. Be glad because you have another day to be thankful, prayerful and praiseful to the Creator of the universe. He called you out of darkness into his marvelous light. Take a moment to ponder this. The all-sufficient, all-knowing, omnipresent God, Who could have spoken everything into exis-

tence in one breath, **LOVES YOU**. He had you in mind before He ever formed the world. "Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which continuance were fashioned, when as yet there was none of them." Psalm. 139:16. To the world most of the time, people who are wealthy only associate with their own kind; that also applies to many ethnic groups (birds

like a feather flock together). It is like night and day with the Creator of the universe. The rich, the poor, the black, the white, the Jew and the gentile etc.: He loves them all. Every person has been created by God, but only those who are born again, are children of God.

At times the enemy's tactic is to get us to doubt God's unconditional love. Other times he wants us to doubt who we are and the authority that has been given to us. He had the audacity to tempt Jesus during His time in the wilderness. There are times when Satan or we ourselves have led us into a place of temptation. However, according to the Word of God, **Jesus was led of the Spirit into the wilderness to be tempted by the devil.** He had fasted 40 days and 40 nights and afterwards hungered; and when the tempter came to him; he said, "If thou be the Son of God, command that these stones be made bread". Satan challenged Jesus' identity as the Son of God by tempting Him to do something apart from the will of the Father. Jesus needed food, so that is what he first put before Jesus.

Many times the evil one does the same to believers. He starts out with the same words as he did to Jesus: "if you are a child of God, then you would not say this or do that." Isn't it interesting how the first temptation was the same that brought sin into the world, *food*. He will keep on putting questions in believers' hearts and minds concerning their walk with God. In the third temptation, he said the same thing: "if thou be the Son of God, cast thyself down; for it is written ...." Psalm 91: 1-12 Jesus withstood the temptation because He had heard His Father's voice and knew Who He was Matthew

3:17. **How about you? Do you know who your Father is and who you are as His child?** In the second temptation the devil wanted him to focus on the things of the earth, and the things He would have gotten if he had worshiped him (**how about you?**). By quoting the Word, all three times, **the Lord resisted the devil's lies, and defeated him** Matthew 4: 1-10.

What I've written about is the Father's love for His children, and Satan's hatred towards them. That leads me to this scripture; "Many are the afflictions of the righteous: but the Lord delivereth him out of them all" Psalm 34:19. **All afflictions will permanently end in eternity, but until then they will come.** There are so many afflictions. They come from within and from without (spiritually, physically, mentally, emotionally). **Jesus is the same: yesterday, today and forever, and so is Satan.** Our Father is always for good, and our enemy is always for evil. The evil one will tell you half-truths, as he did Eve. Eat the fruit and you'll be as God, knowing good and evil (the truth). He then said, you'll not die (the lie); however, both spiritual and physical death followed. His tactics have never changed. He will try to put doubt in our hearts about our God, by telling half-truths concerning our situation. His lie could be, "Where is your God? Your affliction has even gotten worse". **Don't believe him, he is the father of lies and the truth is not in him. The Lord said he'll never leave you nor forsake you** Hebrews 13:5.

Serving Our King Together, **I COVET YOUR PRAYERS. THANK YOU!**

Rev. Joseph
